General Information

The Dallas City Council regularly meets on Wednesdays beginning at 9:00 a.m. in the Council Chambers, 6th floor, City Hall, 1500 Marilla. Council agenda meetings are broadcast live on WRR-FM radio (101.1 FM) and on Time Warner City Cable Channel 16. Briefing meetings are held the first and third Wednesdays of each month. Council agenda (voting) meetings are held on the second and fourth Wednesdays. Anyone wishing to speak at a meeting should sign up with the City Secretary's Office by calling (214) 670-3738 by 5:00 p.m. of the last regular business day preceding the meeting. Citizens can find out the name of their representative and their voting district by calling the City Secretary's Office.

Sign interpreters are available upon request with a 48-hour advance notice by calling (214) 670-5208 V/TDD. The City of Dallas is committed to compliance with the Americans with Disabilities Act. **The Council agenda is available in alternative formats upon request.**

If you have any questions about this agenda or comments or complaints about city services, call 311.

Rules of Courtesy

City Council meetings bring together citizens of many varied interests and ideas. To insure fairness and orderly meetings, the Council has adopted rules of courtesy which apply to all members of the Council, administrative staff, news media, citizens and visitors. These procedures provide:

- That no one shall delay or interrupt the proceedings, or refuse to obey the orders of the presiding officer.
- All persons should refrain from private conversation, eating, drinking and smoking while in the Council Chamber.
- Posters or placards must remain outside the Council Chamber.
- No cellular phones or audible beepers allowed in Council Chamber while City Council is in session.

"Citizens and other visitors attending City Council meetings shall observe the same rules of propriety, decorum and good conduct applicable to members of the City Council. Any person making personal, impertinent, profane or slanderous remarks or who becomes boisterous while addressing the City Council or while attending the City Council meeting shall be removed from the room if the sergeant-at-arms is so directed by the presiding officer, and the person shall be barred from further audience before the City Council during that session of the City Council. If the presiding officer fails to act, any member of the City Council may move to require enforcement of the rules, and the affirmative vote of a majority of the City Council shall require the presiding officer to act." Section 3.3(c) of the City Council Rules of Procedure.

Información General

El Ayuntamiento de la Ciudad de Dallas se reúne regularmente los miércoles en la Cámara del Ayuntamiento en el sexto piso de la Alcaldía, 1500 Marilla, a las 9 de la mañana. Las reuniones informativas se llevan a cabo el primer y tercer miércoles del mes. Estas audiencias se transmiten en vivo por la estación de radio WRR-FM 101.1 y por cablevisión en la estación *Time Warner City Cable* Canal 16. El Ayuntamiento Municipal se reúne en el segundo y cuarto miércoles del mes para tratar asuntos presentados de manera oficial en la agenda para su aprobación. Toda persona que desee hablar durante la asamblea del Ayuntamiento, debe inscribirse llamando a la Secretaría Municipal al teléfono (214) 670-3738, antes de las 5:00 pm del último día hábil anterior a la reunión. Para enterarse del nombre de su representante en el Ayuntamiento Municipal y el distrito donde usted puede votar, favor de llamar a la Secretaría Municipal.

La Ciudad de Dallas se esfuerza por cumplir con el decreto que protege a las personas con impedimentos, *Americans with Disabilities Act*. **La agenda del Ayuntamiento está disponible en formatos alternos si lo solicita.**

Si tiene preguntas sobre esta agenda, o si desea hacer comentarios o presentar quejas con respecto a servicios de la Ciudad, llame al 311.

Reglas de Cortesía

Las asambleas del Ayuntamiento Municipal reúnen a ciudadanos de diversos intereses e ideologías. Para asegurar la imparcialidad y el orden durante las asambleas, el Ayuntamiento ha adoptado ciertas reglas de cortesía que aplican a todos los miembros del Ayuntamiento, al personal administrativo, personal de los medios de comunicación, a los ciudadanos, y a visitantes. Estos reglamentos establecen lo siguiente:

- Ninguna persona retrasará o interrumpirá los procedimientos, o se negará a obedecer las órdenes del oficial que preside la asamblea.
- Todas las personas deben abstenerse de entablar conversaciones, comer, beber y fumar dentro de la cámara del Ayuntamiento.
- Anuncios y pancartas deben permanecer fuera de la cámara del Ayuntamiento.
- No se permite usar teléfonos celulares o enlaces electrónicos (*paggers*) audibles en la cámara del Ayuntamiento durante audiencias del Ayuntamiento Municipal.

"Los ciudadanos y visitantes presentes durante las asambleas del Ayuntamiento Municipal deben de obedecer las mismas reglas de comportamiento, decoro y buena conducta que se aplican a los miembros del Ayuntamiento Municipal. Cualquier persona que haga comentarios impertinentes, utilice vocabulario obsceno o difamatorio, o que al dirigirse al Ayuntamiento lo haga en forma escandalosa, o si causa disturbio durante la asamblea del Ayuntamiento Municipal, será expulsada de la cámara si el oficial que este presidiendo la asamblea así lo ordena. Además, se le prohibirá continuar participando en la audiencia ante el Ayuntamiento Municipal. Si el oficial que preside la asamblea no toma acción, cualquier otro miembro del Ayuntamiento Municipal puede tomar medidas para hacer cumplir las reglas establecidas, y el voto afirmativo de la mayoría del Ayuntamiento Municipal precisará al oficial que este presidiendo la sesión a tomar acción." Según la sección 3.3 (c) de las reglas de procedimientos del Ayuntamiento.

SUBJECT

Authorize payment for janitorial services furnished by Andrews Building Service, Inc. for various Aviation locations - Not to exceed \$268,380 - Financing: Aviation Current Funds

BACKGROUND

Andrews Building Service, Inc. provided janitorial services for the Department of Aviation under a Citywide contract since September 2012. The authorized amount was exhausted prematurely in February 2014. Andrews Building Service, Inc. agreed to maintain their pricing and continued providing service until the new janitorial contract could be approved and the new janitorial contractor began service. UBM Enterprise, Inc was awarded the janitorial services contract on April 9, 2014. Due to the extensive background checks necessary for security purposes for all the new contract employees, they began providing service on June 1, 2014. This item will authorize payment to Andrews Building Service, Inc. for three months of invoices due to them for service provided.

PRIOR ACTION / REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On September 12, 2012, City Council authorized a five-year service contract for janitorial services at various Aviation, Trinity Watershed Management, and Housing/Community Services locations by Resolution No. 12-2228.

On January 8, 2014, City Council authorized Supplemental Agreement No. 1 to increase the service contract for janitorial services for Aviation, Trinity Watershed Management, and Housing/Community Services locations by Resolution No. 14-0106.

On April 9, 2014, City Council authorized a one-year service contract, with a one year renewal option, for janitorial services at various Aviation locations by Resolution No. 14-0585.

Briefed to the Economic Development Committee on October 6, 2014.

SUBJECT

Authorize a consultant contract to design and deliver a comprehensive citywide Continuity of Operations Plan – Tidal Basin Government Consulting, LLC, most advantageous proposer of eight - Not to exceed \$299,184 - Financing: U.S. Department of Homeland Security Grant Funds

BACKGROUND

This consultant contract will design and deliver a comprehensive citywide Continuity of Operations Plan (COOP). In anticipation of a catastrophic disaster, the City must be prepared to maintain operations and continue to perform essential functions. Continuity planning facilitates the performance of essential functions during all-hazards emergencies or other situations that may disrupt normal operations. By continuing the performance of essential functions through a catastrophic emergency, the City will ensure that essential services are provided to residents. A comprehensive and integrated continuity capability will enhance the credibility of the City's security posture and enable more rapid and effective response to and recovery from emergencies.

The following are deliverables the City expects to receive from this contract:

- Task 1 - Research, assemble, organize and analyze information necessary to update the City COOP
- Task 2 - Develop a process and structure to be used for the City COOP
- Task 3 - Update the City COOP
- Task 4 - Develop abbreviated training modules to provide all citywide departments training on the COOP, as well as their roles and responsibilities
- Task 5 - Design, conduct and provide an after-action review for a simulated full-scale exercise using the newly developed COOP as a guide

BACKGROUND (Continued)

The COOP elements that will be covered in this plan are as follows:

- Establish standard operating procedures for citywide emergency responses
- Identification and prioritization of essential functions
- Line of succession to essential positions required in an emergency
- Delegation of authority and pre-delegation of emergency authorities to key officials
- Transfer of authority planning
- Continuity facilities and communications
- Protection of government resources, facilities and personnel
- Safeguarding of vital records and databases
- Testing, training and exercises
- Overall implementation plan

A five member committee from the following departments reviewed and evaluated the proposals:

- Business Development and Procurement Services (1)*
- Communication and Information Services (1)
- City Manager's Office (1)
- Office of Management Services (2)

*Business Development and Procurement Services only evaluated cost.

The successful proposer was selected by the committee on the basis of demonstrated competence and qualifications under the following criteria:

- Project Methodology 40%
- Cost 30%
- Understanding of project objectives, outcomes and vision 20%
- Experience and Qualifications of the staff 10%

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 1,107 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, notifications were sent by the Business Development and Procurement Services' ResourceLINK Team (RLT) to 25 chambers of commerce, the DFW Minority Business Council and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

PRIOR ACTION / REVIEW (COUNCIL, BOARDS, COMMISSIONS)

SUBJECT

Authorize a service contract for the demolition and removal of a radio communications tower – Tower King II, Inc., most advantageous proposer of two - Not to exceed \$189,478 - Financing: Current Funds

BACKGROUND

This service contract will provide services to demolish and remove a radio communications tower at 3920 Martin Luther King Jr. Blvd, Dallas, Texas inside the Fair Park grounds.

This tower, built in 1948, serves as the backup radio communications tower for the City's public safety agencies as well as the Dallas County radio backup location. However, the very close location to the primary radio transmitters at Dawson Street is a concern due to the potential for a large weather event damaging both sites.

Backup radio communications are being moved to a new tower west of downtown. The existing cellular companies who currently provide cellular service in the Fair Park grounds have moved or are moving to a tower nearby. This ensures that patrons of the Fair Park complex as well as citizens in the surrounding communities do not lose cellular service.

This project has been approved by the City of Dallas Landmark Commission who issued a Certificate of Appropriateness (CA) CD134-009(AA). Further, the project was also approved by the Texas Historical Commission via permit HS 708.

Due to the very large size of this tower, very few vendors contacted had the ability to remove this tower. The two vendors who responded both have extensive experience removing large towers.

Authorize a three-year service contract, with three one year renewal options, for the collection of delinquent fines and fees for violations of City ordinances, traffic, and state laws, excluding parking violations - Gila LLC dba Municipal Services Bureau, most advantageous proposer of seven – Estimated Annual Net Revenue: \$4,257,000

BACKGROUND

This service contract will provide collection services for delinquent fines and fees for violations of City ordinances, traffic and state laws excluding parking violations.

Court and Detention Services is responsible for the collection and processing of fines and fees associated with Class C misdemeanor and civil violations enforced within the City limits. Cases which are unresolved and become delinquent are assigned to a private vendor for collection. This service contract will enable the department to continue timely collection of delinquent amounts for traffic, ordinance and state law violations.

Per State law Gila LLC dba Municipal Services Bureau will receive a 30% add-on commission which is paid by the defendant on cases originating on or after June 18, 2003. No commission will be paid on cases preceding that date, in accordance with current interpretation of state law. Gila LLC dba Municipal Services Bureau's proposal brings the highest net revenue to the City of the seven vendors submitting proposals.

SUBJECT

Authorize a three-year service contract for licenses, maintenance and support for McAfee VirusScan Threat Management Portfolio software - World Wide Technology, Inc., most advantageous proposer of three - Not to exceed \$495,921 - Financing: Current Funds

BACKGROUND

This service contract will renew the City's existing maintenance and support for the McAfee VirusScan Threat Management Portfolio. This portfolio will enable the City to monitor and detect various types of computer viruses and malware threats on the City's approximately 9,000 City desktops, laptops and servers. Additionally the portfolio, through centralized management, will provide protection against current and future cyber attacks with the distribution of software updates.

The renewal also includes Mobile Device Management (MDM), a feature that extends antivirus and malware protection to mobile phones and other portable devices such as tablet computers. MDM also provides additional security for mobile applications, device encryption, and remote locking and wiping of data in the event a device is reported stolen or lost..

A seven member committee from the following departments reviewed and evaluated the proposals:

- Police (1)
- Water Utilities (2)
- Communication and Information Services (2)
- Business Development and Procurement Services (2)*

*Business Development and Procurement Services only evaluated the Business Inclusion and Development Plan and cost.

BACKGROUND (Continued)

The successful proposer was selected by the committee on the basis of demonstrated competence and qualifications under the following criteria:

● Implementation	35%
● Cost	30%
● Business Inclusion and Development Plan	15%
● Installation, setup, configuration and integration	10%
● Capability and expertise	5%
● Training	5%

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 1,061 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, notifications were sent by the BDPS' ResourceLINK Team (RLT) to 25 chambers of commerce, the DFW Minority Business Council and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

SUBJECT

Authorize a three-year service contract for temporary information technology professionals – EJES, Inc. in the amount of \$2,661,237, Global Information Systems, Inc. in the amount of \$992,478 and Sierra Infosys, Inc. in the amount of \$351,228, most advantageous proposers of twenty-one - Total not to exceed \$4,004,943 - Financing: Current Funds (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

Communications & Information Services has historically leveraged contract employees to assist in special projects or to temporarily fill vacant positions by utilizing temporary staffing agreements. These technical temporaries have specialized skills in specific technical areas which augment our current Information Technology (IT) staff and are intended to work on a limited basis for specific assignments. The IT field is becoming increasingly more competitive for specialized technology resources and assistance is needed to find qualified resources in a timely manner.

The City will need temporary IT resources to architect, design, develop, implement, secure and manage projects for various hardware infrastructure and software systems. IT temporary professionals can be leveraged to help deploy new systems such as electronic document management, mobile applications and electronic form/payment solutions. They can assist with upgrades to legacy systems including intelligent traffic management and Water Utilities advanced control systems. IT temporaries can also help support enhancements to existing City systems used for inspections, regulation/compliance and high tech solutions for public safety. Lastly, contract staff helps drive improvements to core IT functions such as data analytics and the automation of business processes.

BACKGROUND (Continued)

The cost for temporary contract IT professionals comes from funds budgeted in advance for various IT projects and/or savings from vacant positions.

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 2,122 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, notifications were sent by the BDPS' ResourceLINK Team (RLT) to 25 chambers of commerce, the DFW Minority Business Council and the Women's Business Council - Southwest, to ensure maximum vendor outreach.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On February 10, 2010, City Council authorized a three-year service contract for temporary information technology professionals by Resolution No. 10-0447.

On October 13, 2010, City Council rescinded the service contracts with certain vendors for temporary information technology professionals by Resolution No. 10-2558.

On October 13, 2010, City Council authorized Supplemental Agreement No. 1 to increase the service contract for temporary information technology professionals by Resolution No. 10-2559.

Authorize the sale of one 2005 Peterbilt semi-truck through a live public auction on September 29, 2014 to Marks Motors, highest bidder - Revenue: \$24,250

BACKGROUND

This action seeks approval to sell one 2005 Peterbilt semi-truck, which was auctioned through a live public auction on September 29, 2014 from the Dallas Police Auto Pound.

The City used its current contract auctioneer, Lone Star Auctioneers, Inc., to auction this equipment and will pay the auctioneer 4.39% commission based upon gross sales per this auction.

Dallas City Code 2-37.4 requires that when the highest bid for property is more than \$20,000.00, the sale to the highest bidder must be confirmed by City Council.

Authorize the purchase of 137 squad cars for Police - Dallas Dodge Chrysler Jeep through the Houston-Galveston Area Council of Governments - Not to exceed \$3,489,858 - Financing: Current Funds

BACKGROUND

This action will allow for the purchase of 137 squad cars for Police. These cars will be used by Police throughout the City in their daily activities.

All 137 squad cars are replacements to the fleet. Vehicles being replaced have gone through an evaluation process using an established criterion to ensure that only vehicles that have exceeded their useful life are replaced. The vehicle evaluation includes life-to-date maintenance costs, recommended replacement mileage and recommended replacement life. Replacement vehicles will be stripped and sold at auction.

Houston-Galveston Area Council of Governments (H-GAC) conforms to the requirements of Texas Statutes that are applicable for competitive bids and proposals, in accordance with the Interlocal Cooperation Act, Chapter 791, Texas Government Code. In addition, H-GAC receives bids from manufacturers and dealers throughout the United States.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 11, 2012, City Council authorized a one-year master agreement for the purchase of one hundred ninety-six pieces of fleet equipment and a one-year master agreement for the purchase of one hundred three pieces of fleet equipment by Resolution No. 12-0162.

Authorize **(1)** the rejection of bids received for cardiac and injectable drugs for Fire-Rescue; and **(2)** the re-advertisement for new bids - Financing: No cost consideration to the City

BACKGROUND

This action will authorize the rejection of bids received for solicitation BT1403 for a three-year master agreement for cardiac and injectable drugs for Fire-Rescue. Fire-Rescue along with Business Development and Procurement Services (BDPS) will modify the specifications and bid sheet for clarification. Fire-Rescue and BDPS determined it would be more advantageous to the City to reject the bids and re-advertise for new bids.

PRIOR ACTION/REVIEW (Council, Boards, Commissions)

This item has no prior action.

WHEREAS, on July 9, 2014, four bids were received for cardiac and injectable drugs for Fire-Rescue; and,

WHEREAS, it has been determined that it is in the best interest of the City of Dallas to reject the four bids that were received for cardiac and injectable drugs for Fire-Rescue;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the four bids received for cardiac and injectable drugs for Fire-Rescue is hereby rejected and authorization to solicit new bids is granted.

SECTION 2. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

Authorize a two-year master agreement for sodium hypochlorite (bleach) – Petra Chemical Company in the amount of \$267,300 and FSTI, Inc. in the amount of \$82,500, lowest responsible bidders of two – Total not to exceed \$349,800 - Financing: Current Funds (\$82,500) and Water Utilities Current Funds (\$267,300)

BACKGROUND

This action does not encumber funds; the purpose of a master agreement is to establish firm pricing for goods, for a specific term, which are ordered on an as needed basis.

This master agreement will provide sodium hypochlorite (bleach) to be used in water treatment processes at five booster chlorination stations throughout the City. Bleach is used to boost chlorine and maintain disinfection levels in accordance with State of Texas regulatory standards. These applications require high quality, commercial grade 12.5 percent sodium hypochlorite in solution form. The sodium hypochlorite is delivered in 4,500 gallon tank trucks and transferred to storage tanks where it is dosed directly into the water lines throughout the City. In addition, sodium hypochlorite will be used at Bahama Beach Water Park, Fair Park facilities and various City swimming pools.

This master agreement will continue to provide National Sanitary Foundation 60 certified sodium hypochlorite for water treatment processes throughout the City. Providing service to an estimated 2.3 million people in the City and surrounding communities, Water Utilities treats and delivers approximately 410 million gallons of fresh water per day.

BACKGROUND (Continued)

This solicitation was structured in a manner which required bidders to submit a response using unit pricing. This bid resulted in a 17.61% decrease over comparable unit prices for the bid awarded in 2013.

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 306 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, notifications were sent by the BDPS' ResourceLINK team (RLT) to 25 chambers of commerce, the DFW Minority Business Council and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

BACKGROUND

This action does not encumber funds; the purpose of a master agreement is to establish firm pricing for goods, for a specific term, which are ordered on an as needed basis.

This master agreement will provide salt and magnesium chloride de-icer to be used by Street Services in case of inclement weather. The salt and de-icer are mixed with sand and dispensed on City streets by spreader trucks to improve traction when icy weather conditions occur.

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 124 email bid notifications to vendors registered under respective commodities. SUBJECT

Authorize supplemental agreement no. 4 to increase the service contract with Xerox, State and Local Solutions, Inc. for automated red light camera enforcement extending the contract term from January 1, 2017 through March 31, 2017 - Sole Source - Not to exceed \$4,911,300, from \$29,106,906 to \$34,018,206 - Financing: Current Funds (subject to annual appropriations)

BACKGROUND

This supplemental agreement will increase the funding for the current automated red light camera enforcement contract. On September 13, 2006 City Council authorized a sixty-month contract for an automated red light camera enforcement system. Included in this authorization was a sixty-month renewal option which was authorized on September 12, 2007. The renewal option, in addition to extending the program to ten years, also allowed for the relocation of some cameras as well as expanding the system through the addition of cameras. In order to maximize public safety at intersections, the system has had to become more flexible and allow for greater camera relocations to meet changing driver habits. This greater flexibility has created unanticipated additional expenses which will outpace the authorized appropriation approved by Council. The current appropriation are estimated to be expended by June 2015, however the contract expiration date of the contract is December 2016.

The added funding through this action will allow the City to fully realize the life of the system and provide added benefits which include:

- A reduction in the monthly per approach camera fee
- An upgrade and or installation of Xerox Drive Safe™ camera systems at five approaches
- An increase of enforcement capabilities from four lanes to five lanes at eight locations

BACKGROUND (Continued)

The purpose of the red light program is to improve public safety by increasing enforcement of red light laws. The City currently operates approximately 7300 traffic signals citywide.

In 2014, seven years after implementation the red-light camera program statistics show:

33 approaches with cameras:

- 24 or 73% of these approaches have shown reductions or no change in red light related accidents
- 54% average reduction in crashes caused by red light running

31 intersections that have at least one approach monitored: (124 approaches)

- 88 or 71% of these approaches have shown a reduction or no change in red light related accidents
- 40% average reduction in crashes caused by red light running

Fewer fatalities (all approaches)

- 86% reduction in fatalities

Fewer injuries (all approaches)

- 54% reduction in red light related person-injuries

The City's red-light camera enforcement program includes an aggressive public awareness campaign that has targeted high impact audiences such as public driving schools and at community events such as:

- Chief on the Beat
- State Fair of Texas
- Mary Kay Convention
- Ford Motor Driving Skills for Life
- National Night Out
- National Stop on Red Week
- Mayor's Back to School Fair
- Mi Familia and Mi Hogar sponsored by Univision at Market Hall

Over the past 8 years, this safety program has been cost neutral or produced a surplus. State law requires that 50% of any surplus generated by automated red light enforcement be shared with the State of Texas for trauma centers. In addition, State law requires that the City dedicates the remaining 50% to safety and educational programs. In FY 2012-13, approximately \$3.6M was split between City and State of Texas.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On September 13, 2006, City Council authorized a sixty-month service contract, with one sixty-month renewal option, for the installation, maintenance and operation of an automated red light camera enforcement system by Resolution No. 06-2492.

On September 12, 2007, City Council authorized Supplemental Agreement No. 1 to (1) exercise a second term option to increase the contract amount; (2) provide a two-year extension of the existing contract; and (3) expand the automated red light enforcement program (Safelight) by forty additional cameras, including the relocation or modification of existing camera locations by Resolution No. 07-2604.

On October 13, 2014, the Public Safety Committee is scheduled to be briefed.

SUBJECT

Authorize a public hearing to be held on November 12, 2014, to receive comments on boundary amendments to City Center TIF District (the "Zone"): **(1)** removing certain properties from the City Center Sub-district of the Zone; **(2)** thereby reducing the tax increment base of the City Center Sub-district and increasing city general fund contributions to the Zone over the term of the TIF; and **(3)** making any other corresponding adjustments to the District's Project and Financing Plans necessary to accommodate the boundary amendments - Financing: No cost consideration to the City

BACKGROUND

A public hearing is required any time the boundaries or budget of an existing TIF District is amended, or when the term of a District is extended. This action authorizes a public hearing to be held on November 12, 2014, to hear comments on the following proposed amendments to City Center TIF District (the District) boundary and its Project and Reinvestment Zone Financing Plans. The properties listed below are proposed to be removed from the City Center Sub-district of the District.

1. 1201 Elm Street – Renaissance Tower (DCAD Acct. #'s 00000100445000000 and 00000100445000100).
 - a. TIF funding request for the building is not anticipated nor does the district have the financial capacity to support a funding request for this building.

BACKGROUND (Continued)

2. 208, 301, 308, 311 S. Akard Street – AT&T Buildings (DCAD Acct. #'s 00000101086000000, 00000100762000000, 00000101131000000, and 00000100748009900 respectively).
 - a. TIF funding request for the building is not anticipated nor does the district have the capacity to support a funding request for this building.
3. 1201 Pacific Avenue – Parking Garage (DCAD Acct. # 00000104717000000).
 - a. Redevelopment of this property is not anticipated during the remaining life of the TIF
4. 1700 Pacific Avenue – Office Tower (DCAD Acct. # 00000110712009900).
 - a. TIF funding request for the building is not anticipated nor does the district have the financial capacity to support a funding request for this building.
5. 1910 Pacific Avenue – Pacific Place office tower (DCAD Acct. # 00000101542000000).
 - a. The TIF District does not have the financial capacity to support a funding request for this building and the remaining term of the district is prohibitive.
6. 1315 Commerce Street – Adolphus Hotel (DCAD Acct. #'s 000070000A01A9900, 000070000A01A0000, 000070000A01A0400, and 000070000A01A0500).
 - a. The property was recently purchased by a development group that is planning an extensive renovation of the hotel. As a result of the lack of financial capacity within the sub-district to support the renovation project, the development group has decided to seek a Historic Tax Abatement for the project.

BACKGROUND (Continued)

Removal of these properties from the sub-district reduces the tax increment base by \$289M. Removing the properties will increase the amount of City general funds paid into the tax increment fund for the District for the remaining term of the sub-district (2022).

Removal of the properties and resulting increase in increment collection does not change the total budget for the District; rather it allows the sub-district the capacity to support projects that further the goals and objectives of the District's project and financing plans. Specifically, the additional increment will be used to support projects such as Thanksgiving Tower, located in the City Center Sub-district whose increment collections are less than budgeted due to declining values for some office properties and the allocation of funding to assist projects in the Lamar Corridor/West End sub-district in the Zone.

The general fund currently receives approximately \$1.5M in property tax revenue for the properties proposed to be removed from the District and this will not change. If property tax revenue generated by the removed properties increase, the additional revenue will flow to the general fund, not the TIF District.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On June 26, 1996, City Council authorized the establishment of the City Center TIF District by Ordinance No. 22802.

On February 12, 1997, City Council authorized the Final Project Plan and Reinvestment Zone Financing Plan for the City Center TIF District by Ordinance No. 23034, as amended.

On November 14, 2012, City Council in accordance with the Tax Increment Financing Act, as amended, V.T.C.A Texas Tax Code, (Chapter 311), called a public hearing to be held on December 12, 2012, to hear comments and concerns regarding the proposed City Center TIF District amendments and amended Project Plan and Reinvestment Zone Financing Plan for the District by Resolution No. 12-2780. That public hearing was duly held and closed.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS) (Continued)

On December 12, 2012, City Council authorized amendments to the City Center TIF District and the Project and Reinvestment Zone Financing Plans for the City Center TIF District to: (1) create two sub-districts within the City Center TIF District: (a) City Center Sub-district (original district boundary) and (b) Lamar Corridor/West End Sub-district; (2) Increase the geographic area of the City Center TIF District to add approximately 27.14 acres to create the Lamar Corridor/West End Sub-district; (3) Extend the current termination date of the City Center TIF District from December 31, 2012, to December 31, 2022, for the City Center Sub-district and establish a termination date for the Lamar Corridor/West End Sub-district of December 31, 2037; (4) decrease the percentage of tax increment contributed by the City of Dallas during the extended term of the TIF District and establish other taxing jurisdictions participation percentages; (5) Increase the City Center TIF District's budget from \$87,567,717 total dollars to \$151,968,546 total dollars, an increase of \$76,272,293; and (6) make corresponding modifications to the City Center TIF District boundary, budget and Project and Reinvestment Zone Financing Plans by Ordinance No. 28865.

On August 28, 2013, City Council in accordance with the Tax Increment Financing Act, as amended, V.T.C.A Texas Tax Code, (Chapter 311), called a public hearing to be held on September 11, 2013, to hear citizen comments and concerns regarding the proposed City Center TIF District amendments and amended Project Plan and Reinvestment Zone Financing Plan for the District by Resolution No. 13-1434. That public hearing was duly held and closed.

On September 11, 2013, City Council authorized an amendment to the City Center TIF District and the Project and Reinvestment Zone Financing Plans for the City Center TIF District to: (1) amend the City Center Sub-district's boundary to remove a portion of the property addressed as 350 North St. Paul Street, approximately 4,950 square feet; (2) amend the City Center Sub-district's boundary to add the property addressed as 600 South Harwood Street, approximately 19,471 square feet; and (3) make corresponding modifications to the City Center TIF District boundary map, and Project and Reinvestment Zone Financing Plans and any other necessary adjustments to implement the Plan amendments by Ordinance No. 29142.

On November 14, 2013 the City Center TIF District Board of Directors reviewed and recommended approval of amendments to Tax Increment Financing Reinvestment Zone Number Five (City Center TIF District) to: (1) decrease the geographic area of the City Center Sub-district by removing the following properties from the sub-district 1201 Elm Street, 208, 301, 308, and 311 S. Akard Street, 1201, 1700, 1910 Pacific Avenue, 1925 San Jacinto Street and 1999 Bryan Street; and (2) revise the Sub-district's Boundary Map, property list and base year value to reflect properties removed from the District.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS) (Continued)

On February 13, 2014, the City Center TIF District Board of Directors reviewed and recommended approval of an amendment to Reinvestment Zone Number Five (City Center TIF District) to: (1) remove the building addressed as 1315 Commerce street from the City Center Sub-district and (2) make corresponding changes to the district's boundary map and Project and Reinvestment Zone Financing Plans, as necessary.

On October 6, 2014, the Economic Development Committee was briefed on the proposed amendments to the City Center TIF District and recommended approval.

Section 1:

Amended and Restated Project Plan

Background

The Dallas City Council (the “Council”) designated Tax Increment Financing Reinvestment Zone Number Five, City of Dallas, Texas (the “Zone”) by City Ordinance 22802 on June 26, 1996. The City Center TIF District, also called the Zone, was created to develop an attractive, sustainable urban core by generating cash to reimburse costs of public improvements and redevelopment of vacant or underutilized buildings downtown. Creation of the City Center TIF District helped to protect major investment in downtown and encourage redevelopment of the cores’ assets, as its land use mix transitioned from at one time a heavy concentration of office space to an increasing concentration of residential, hotel, restaurants and retail. Such development or redevelopment would not have occurred solely through private investment.

The City Center TIF District has been authorized by the City of Dallas, pursuant to Section 311.005 of the Texas Tax Code, because the City Council found that the Zone substantially impaired the sound growth of Dallas, retards the provision of housing accommodations, constitutes an economic and social liability, and is a menace to the public welfare due to a substantial number of substandard, deteriorating, and deteriorated structures and infrastructure. This amended and restated plan (“Amended Plan”), including the district boundaries, project plan, and financing plan, is the result of the collaborative effort of property owners and City staff.

Less than 10 percent of property in the District is currently being used for residential use with fewer than five living units.

The Council approved a project plan and financing plan for the Zone on February 12, 1997 (the “Original Plan”), by Ordinance Number 23034. The Dallas County Commissioners Court voted on December 17, 1996, to cause Dallas County (the “County”) and Dallas County Hospital District (the “Hospital District”) to participate in the Zone by agreeing to contribute to the tax increment fund for the Zone (the “TIF Fund”) 100 percent of each of their tax increments generated in the Zone, for the life of the Zone or 15 years, whichever is shorter. On July 9, 2002, the Dallas County Commissioners Court amended its participation in the Zone from 100 percent to 53 percent and extended its participation subject to the termination of such contributions upon the earlier of (a) the end of the 2011 tax year, or (b) such contributions post 2001 totals \$9.7 million. The participation amendment was conditioned on the County receiving \$3 million in funding from the City of Dallas by 2007, for improvements to the County’s downtown court house plaza. The Board of Trustees of Dallas Independent School District (“DISD”) voted to cause DISD to participate in the Zone. The Dallas County Hospital District also participated in the Zone.

Beginning in the late 1970's, dramatic high-rise building projects began to develop in downtown Dallas. The City Center area enjoyed strong occupancy with growing demand that contributed to high lease rates. With the development of suburban office parks such as Las Colinas in Irving, Legacy in Plano and growing office corridors such as North Central Expressway and LBJ/Tollway, the Central Business District office occupancy began to decline.

In the mid-1980's, the Central Business District realized an exodus of companies from their downtown Dallas locations to newer, campus-type suburban corporate office developments. In October 1989, Dallas City Council authorized the City's Public/Private Financial Incentive Guidelines and Criteria to be administered by the Economic Development Department with a special emphasis on retaining and attracting investment to downtown Dallas. The program resulted in a new emphasis by the Central Dallas Association, now Downtown Dallas Inc., to join with the City to develop programs that will increase the marketability of downtown Dallas.

In 1990, the City isolated downtown values from the City tax roll to display the real property value annually. The trend in downtown values through the 1995 tax roll, released in July 1995 reflecting the market as of January 1, 1995, was still down, although 1995 marked the first year since 1990 that the percentage of decline was in single digits.

From 1996, the creation of the City Center TIF District, to 2000, the property value increased within the Zone. In 2000, the value was up approximately 70 percent from the 1996 base year. The majority of the Zone's increase in value took place between 1997 and 1998, over 49 percent, as a result of increased office occupancy.

Beginning in 2001 and continuing through 2005, the Zone's value declined an average of 4.5 percent annually. The Zone continued to fluctuate between periods of growth from 2006 to 2008 (averaging approximately 7 percent annually) attributable to the completion of vacant office building conversions to residential within the Zone and declines from 2009 to 2011 (averaging approximately 7 percent annually) due to the country's recession.

In 2011, City Council adopted the Downtown 360 Area Plan, a shared vision for Downtown's future that provided implementation actions for achieving the vision. The plan is a long-term, strategic guide to ensure Downtown Dallas is a vibrant urban center, by providing clear, targeted recommendations. The recommendations and concepts presented in the plan are intended to be considered when reviewing development, considering public investments and making development decisions.

The big picture ideas, or Transformative Strategies outlined in the plan serve as building blocks for a successful downtown Dallas, guiding and steering public and private investments. The five Transformative Strategies are: (1) Expand

Transit and Realize TOD Potential; (2) Create Vibrant Streets and Public Spaces; (3) Ensure Great Urban Design; (4) Diversify and Grow Housing; and (5) Reform the Approach to Parking.

The Downtown 360 Area Plan also explored focus areas within the downtown core that have the potential to transform a currently underperforming part of downtown. The Lamar Corridor and Main Street District retail activation area were two of the five focus areas highlighted in the plan. The Lamar Corridor focus area design and development concept emphasizes infill development and an improved public realm to solidify the connection between the Dallas Convention Center and Historic West End. The Main Street District retail activation area is the City's heart of culture and commerce. The plan encourages creating a one of a kind retail district in the heart of downtown.

The plan's strategies for implementing its bold ideas include extending the terms of the downtown TIFs, specifically the City Center and Farmers Market TIF Districts. The plan recommends extending the districts' terms as a means to fund downtown initiatives such as retail revitalization, Farmer's Market revitalization, affordable housing, transit financing, parks and open space and strong urban design. The plan also recommended modification of an existing TIF district's boundary to encourage redevelopment of the Lamar Corridor. As a result the plan's recommendations and growing redevelopment interest in and around the plan's focus areas highlighted above, the City has evaluated an extension of the term of the City Center TIF District.

The purpose of this Amended Plan (2012 amendment) is to: (1) expand the downtown core and redevelopment momentum to the West End; (2) provide a means of facilitating the redevelopment of the Lamar Corridor and Historic West End area; (3) upgrade the public realm along the Lamar Corridor to create an attractive corridor linking key destinations within the City; (4) fill in gaps in redevelopment within the downtown core by redeveloping last remaining vacant buildings; (5) continue to provide a source of funding for affordable housing, parking and retail activation; (6) create a funding source for improvement and maintenance of infrastructure in the West End, district wide improvements, and improved pedestrian connectivity from the Dallas County, City and Community College offices through the West End to the Victory Park Area; (7) provide a source of funding to assist under parked downtown office buildings to add structured parking and (8) fund outstanding reimbursement obligations of the City Center TIF District.

The 2012 amendments revised the Zone's Original Plan to achieve the following: (1) extend the term of the Zone from December 31, 2012, to December 31, 2022 for the City Center Sub-district (original TIF boundary) and provide a termination date for the Lamar Corridor/West End Sub-district of December 31, 2037; (2) decrease the percentage of tax increment contributed by the City of Dallas during the extended term and establish tax increment percentages for the participating taxing jurisdictions for the Lamar Corridor/West End Sub-district; (3) increase the

boundaries of the Zone to include property in the Lamar Corridor/West End Sub-districts and set the base value for the sub-district; (4) update and modify development and revenue forecasts for the Zone; (5) contemplate the County's participation rate for both sub-districts; and (6) increase the budget for the Zone.

On September 11, 2013, the TIF District's boundary was amended to (1) remove a portion of the property addressed as 350 N. St. Paul Street, approximately 4,950 square feet and (2) add the property addressed as 600 S. Harwood Street, approximately 19,471 square feet.

One Dallas Center, addressed as 350 N. St Paul, is located in the City Center TIF District. The City of Dallas owns approximately 3.5 acres of land designated as the future Pacific Plaza Park by the Downtown Parks Master Plan. The proposed park is located in the Downtown Connection TIF District.

A land swap between the City of Dallas and the owner of the One Dallas Center property (St. Paul Holdings, LP) to facilitate construction of a turnaround and small parking lot for the One Dallas Center building as part of the more than \$40 million redevelopment of the building. In order to facilitate the land swap, the boundaries of the City Center and Downtown Connection TIF Districts were amended to remove a portion of the One Dallas Center property from the City Center TIF District. City Council also approved an amendment to the Downtown Connection TIF District to add the property removed from the City Center TIF District. These amendments did not change the total land area of the future Pacific Plaza Park. The land exchange was coordinated with the Park and Recreation Department.

The property addressed as 600 South Harwood was added to the Zone to provide TIF reimbursement for a project that would relocate a historic building to the property. As part of the Cesar Chavez street improvement project, the building was condemned and planned to be demolished by the City for right of way needed to widen the north-south thoroughfare. Relocation of the historic building was costly and the project benefited from being in the City Center TIF District.

On November 12, 2014, City Council approved an amendment to the TIF District's boundary to remove various properties from the City Center Sub-district of the Zone. A list of the properties removed is below. Redevelopment of these properties is not anticipated or would not occur during the remaining term of the sub-district. Additionally the sub-district does not have the financial capacity to support redevelopment of any of the properties, especially in the case of the Adolphus Hotel. For these reasons the properties were removed from the Zone.

Term of Zone

The ordinance creating the City Center TIF District provided for a December 31, 2012, termination date. The term of the City Center Sub-district (original TIF boundary) will be extended by 10 years to December 31, 2022, unless terminated prior to such date.

The Lamar Corridor/West End Sub-district term is 25 years, January 1, 2012 to December 31, 2037, unless any Sub-district is terminated prior to such date.

The term of the Zone may terminate at an earlier time designated by a subsequent City ordinance or at such time that all project costs and interest thereon, if any, have been paid in full. Tax increments from levies in 2022 (for the City Center Sub-district) and 2037 (for the Lamar Corridor/West End Sub-district) will flow to the TIF Fund in 2023 and 2038, respectively, unless the Zone has been terminated before such date.

Zone Tax Increment Base

A taxing unit's tax increment for a particular year during the term of the Zone is calculated by reference to the appraised value of real property in the Zone for such year compared to the "tax increment base" for such tax unit with respect to the Zone. The "tax increment base" for a tax unit with respect to the Zone is the appraised value of all real property in the Zone that is taxable by the tax unit for the year in which the Zone was created (i.e., 1996).

The adjusted 2014 appraised value of all real property in the City Center Sub-district shall be called the "Base Year Value." The base year value for each taxing unit contributing to the TIF Fund was identified to be \$577,655,884, see **Appendix A**. There were no known exemptions or abatements for taxable real property in the Zone, so the tax increment base year value for each taxing unit is the same.

The taxable base year value for the Lamar Corridor/West End Sub-district will be the value of all property in the sub-district as of January 1, 2012. The base year

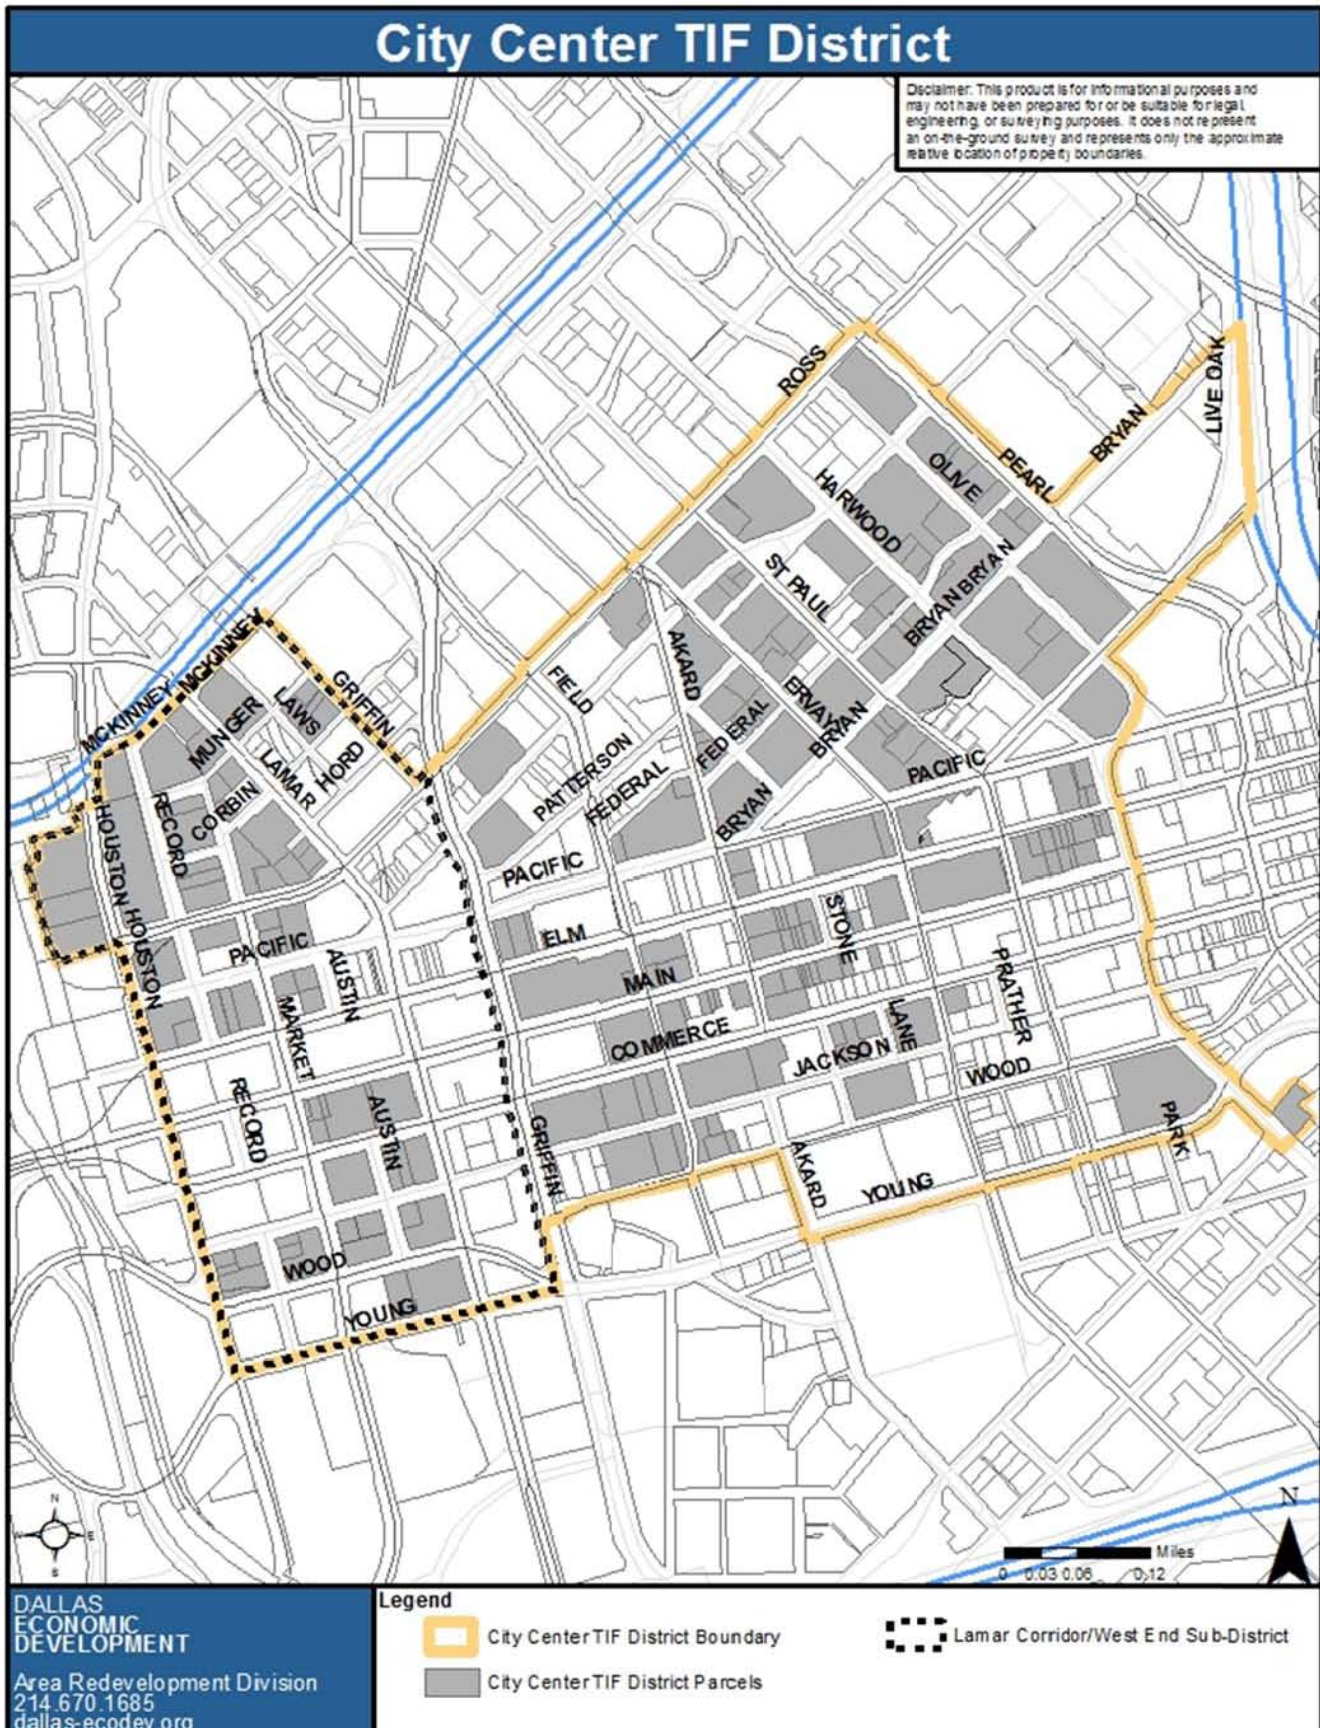

value for the Lamar Corridor/West End Sub-district is estimated to be \$97,095,610, based on a review of current property values in the sub-district, see **Appendix B**.

Zone and Sub-district Boundaries

Exhibit A, on the following page, is a map of the amended Zone boundaries inclusive of all boundary amendments. The City Center and Lamar Corridor/West End Sub-districts' boundaries are highlighted.

Unless defined otherwise by a relevant City Ordinance, Zone boundaries include all rights-of-way immediately adjacent to real property within the Zone, extending to the far sides of the rights-of-way, and are not limited by the centerline.

Exhibit A

Development Goals and Objectives

The following development goals will meet the specific needs of the City Center TIF District:

- Make the district a safer place to live and work.
- Improve access to the downtown core, Historic West End and adjacent downtown destinations.
- Improve the image of the district.
- Support redevelopment of the existing building stock in both sub-districts.
- Develop a more diverse mixture of land uses within the district.
- Increase recreational opportunities in the district.

The following specific objectives set the framework for the planned public improvements within the City Center TIF District:

Original Objectives:

- Improve the pedestrian environment through landscaping, lighting and design standards.
- Provide public parking to encourage redevelopment of underutilized downtown office space and create retail opportunities.
- Ensure that new construction is compatible with surrounding historic buildings.
- Coordinate linkages to DART light rail stations in the Zone.
- Direct overall development in the Zone through the application of design standards for public improvements and design guidelines for private development.
- Encourage development of residential housing, including conversions of existing office space.
- Encourage development of street-front retail.
- Complement and protect existing historic structures.

Additional Objectives (2012)

- Create additional taxable value attributable to new private investment in projects in the City Center TIF District totaling over \$517,000,000 over the term of the Zone.
- Expand the downtown core toward the West End Historic district.

- Support redevelopment of the Lamar Corridor.
- Support redevelopment of properties near the Omni Convention Center Hotel.
- Support linkages to the Farmers Market and Victory areas.

Section 2: Tax Increment Financing Explained

Tax increment financing (“TIF”) is a tool Texas local governments use to encourage redevelopment within a defined area. TIF funds can be used to fund a variety of improvements that benefit the public. These TIF financial contributions are intended to attract new investment to the defined area in an effort to increase property value. The primary statute governing tax increment financing is codified in Chapter 311 of the Texas Tax Code, as amended.

A municipality makes an area eligible for tax increment financing by designating a reinvestment zone (e.g., the Zone). Costs of specified improvements/grants within a reinvestment zone may be paid or reimbursed by property tax revenues generated from appreciated real property in the reinvestment zone. The additional tax dollars generated by growth of real property values in a reinvestment zone are called the “tax increment.” The tax increment flows to a tax increment fund (e.g., the TIF Fund) for a specified term of years. For the Zone, tax increments on real property levied through December 31, 2028 will flow to the TIF Fund. Money flowing to the TIF Fund each year will be disbursed according to this Amended Plan and agreements approved by the Board of Directors of the Zone (the “TIF Board”) and adopted by the City.

Exhibit B generally shows how tax revenues from real properties in a reinvestment zone flow to taxing units and the tax increment fund. **Exhibit B** assumes real property values in the reinvestment zone rise after the reinvestment zone’s designation.

Under certain TIF programs, cash accumulates in the tax increment fund and is used to purchase public improvements on a “pay-as-you-go” basis. More commonly, as with the Zone, a private developer or a public agency will provide cash to construct public improvements, with the tax increment fund eventually reimbursing the private developer or public agency for its costs plus reasonable interest.

Exhibit B: TIF Financial Impact

***Chart for illustrative purposes – does not match specific TIF projections**

Municipalities may create reinvestment zones for tax increment financing. Once created, school districts, counties, hospital districts and college districts may participate in TIF programs. Each taxing unit may choose to dedicate to the tax increment fund all, a portion or none of the additional tax revenue attributable to increased real property value in the reinvestment zone.

Inclusion of a property in a reinvestment zone does not change the property tax rate for such property. Tax rates in a reinvestment zone are the same as tax rates outside the reinvestment zone, within the same set of taxing jurisdictions.

Section 3: Project Plan Improvements

Original Plan Improvements

The original public improvements for the Zone included streetscape improvements, pedestrian linkages, façade easements, educational/training facilities, acquisition and restoration of historic sites, environmental remediation, interior and exterior demolition and historic façade restoration. The total budget for these improvements was \$87.6 million. With 2012's increment collection, approximately \$76 million of the \$87.6 million budgeted for the Zone will have been collected.

The public improvements funded through the Zone have supported the following original development program goals:

- 2,500 residential units
 - *2,336 residential units have been built in the City Center TIF District, representing approximately 93% of the development program goal. See **Exhibit C***

- Absorption of 3.5 million square feet of vacant office space in the district
 - *To date, 5.1 million square feet of previously vacant office space located within the City Center TIF District has been renovated representing 149% of the development goal.*
 - *Completed projects include Santa Fe II, 2020 Live Oak, Sheraton Hotel, Majestic Lofts, Kirby Building, Wilson Building, Magnolia Building, Hart Furniture, 1505 Elm, Davis Building, Dallas Power and Light, Interurban Building, Jackson Building, Republic Tower, 1530 Main Street, Gulf States, 1217 Main Street, Mosaic, 1200 Main Street, Magnolia Hotel, Sheraton Hotel, 1516 Elm Street, Hart Furniture, and the Joule Hotel.*

The Zone also funded programs targeting public parking and retail. The City Park Program funded by the Zone provided public, short-term parking space in garages in the downtown retail core in support of retail redevelopment efforts within the core. The CityPark program ended in 2010, but provided \$1,027,818 over six years for the conversion of existing private garages to public use through equipment signage, marketing and the use of the City's public parking rates.

Although the term of the CityPark program has expired, the City is currently leasing 150 low cost, transient parking spaces at the Dalpark Garage to assist with retail efforts. The Dalpark Garage lease will expire June 30, 2015. Additionally, the developer of the Third Rail Lofts (1407 Main Street) received an \$8.5 million loan with a forgivable interest component to construct a parking garage providing 370 public parking spaces for 10 years, parking for adjacent residential projects and assist in the development of 20,000 square feet of retail space. The Davis lot garage lease will expire 2016.

Amended and Restated Improvements

In the fifteen years since the adoption of the Original Plan, significant private investment has occurred in the City Center Sub-district of the Zone, but there are remaining deficiencies. While larger vacant buildings within the Zone have been repurposed, some vacant buildings still remain. Vacant ground floors of occupied buildings coupled with scattered and disconnected retail detract from all of the redevelopment that has occurred in the last fifteen years. The lack of street-level vitality is compounded by the real and perceived lack of parking in the downtown core.

The Lamar Corridor/West End Sub-district includes a restaurant district, office space, public offices and some vacant and underutilized buildings and properties in the West End Historic District, as well as along the Lamar Corridor adjacent to the Omni Convention Center Hotel. The Lamar Corridor is a primary connection between key downtown destinations and facilities, stretching from Cedars/South Side to Victory Park. Infill redevelopment along the Lamar Corridor is vital to creating a contiguous development pattern extending north from the Cedars, Convention Center area, through the West End, ending in the Victory Park area.

Occupancy rates in the Historic West End has declined over the years with very little redevelopment activity or momentum until recently. Development of surface parking lots, redevelopment of vacant or mostly vacant buildings is possible with some public investment. This effort is needed to expand the downtown core district.

The following specific goals are intended to set the framework for the planned amended and restated improvements within the City Center TIF District:

- Encourage development of new residential, retail, office, and mixed-use developments
- Provide TIF incentives to upgrade basic infrastructure including streetscape improvements, utilities, storm drainage, and water/wastewater lines to support new development the Zone.
- Provide TIF incentives to encourage adaptive reuse of existing buildings in the Zone, including historic façade restoration.
- Provide TIF Incentives to improve the pedestrian environment through plaza and sidewalk improvements, landscaping, lighting, design standards, wayfinding and burial of overhead utilities, including improved pedestrian connections throughout the Zone and between adjacent key destinations such as the Convention Center area, Victory Park and Uptown.

- Provide TIF incentives to encourage redevelopment of property in the Zone through the provision for infrastructure, environmental remediation, interior and exterior demolition.
- Provide TIF incentives to offset the costs of providing affordable housing, encouraging the development of mixed income housing within the Zone and surrounding downtown area.
- Provide TIF incentives to make strategic parking investments for the Zone that will:
 - Secure adequate affordable visitor parking in the downtown core and West End area; and
 - Provide financing mechanisms to encourage development of additional parking for underserved downtown office buildings.
- Provide TIF incentives to fund a ground floor activation program based on the recommendations of the Downtown 360 Plan's retail activation strategy.
- Provide funding to pay administrative costs, including reasonable charges for the time spent by employees of the municipality and/or employees associated with any non-profit groups established to assist with implementation within the City Center TIF District, will be eligible for reimbursement as project costs, upon approval by the TIF Board and in connection with the implementation of the Amended Plan. Other related administrative expenses including legal fees and consulting fees of the City, management expenses, meeting expenditures, and equipment are included in this category.
- Use Economic Development Grants to achieve the goals of the Amended Plan. Legislation allows the City to make economic development loans or grants for the public purposes of developing and diversifying the economy of the City Center TIF District. Projects receiving such loans or grants must:
 - Comply with the grant program previously adopted by the Zone;
 - Be consistent with the goals and objectives of this Amended Plan; and
 - Be subject to specific project agreements requiring City Council approval.

Taxable Private Improvements

The Zone's anticipated private development in the City Center Sub-district is expected to fill in gaps in redevelopment within the downtown core. As a result of the Zone and the Downtown Connection TIF District many of the large vacant buildings have been converted to residential and mixed uses. The vacant buildings that remain are smaller historic buildings that visually detract from all of the redevelopment progress made in the core.

In addition to small vacant buildings, renovation of underperforming landmark properties is expected to occur within the City Center Sub-district during the extension. In total, over the next ten years, it is estimated that an additional \$257,000,000 in new private investment will occur within the sub-district's boundaries.

Most the Zone's redevelopment activity is expected to occur within the Lamar Corridor/West End Sub-district. The Historic West End area has vacant and mostly vacant buildings that are in need of redevelopment along with numerous surface parking lots. Over the 25 year term of the sub-district, approximately \$260,000,000 in new private development is expected to occur within its boundaries.

Development along the Lamar Corridor, north of Young Street will be stimulated by the development that has taken place along the corridor south of Young Street. The Omni Convention Center Hotel completed in 2011 has been very successful. Plans for additional private development and parking in front of the hotel adjacent to Lamar are underway. In 2012, the City in conjunction with North Central Texas Council of Governments completed streetscape improvements on Lamar Street from Ross to the Convention Center. These public improvements in conjunction with private development in the Cedars area, including the South Side residential lofts, The Beat and Buzz condos, construction of the Dallas Police Headquarters and entertainment and restaurant venues has created development momentum along the Lamar Corridor.

The projected development within the Zone is expected to accomplish the following:

City Center Sub-district

- Add residential units to complete original goal of 2,500 residential units.
- Activate 300,000 square feet of vacant ground floor and/or retail space in the downtown core.
- Absorb of 1,000,000 square feet of vacant office space in the sub-district.

Lamar Corridor/West End Sub-district

- Add 2,500 residential units to the sub-district.
- Activate 500,000 square feet of vacant ground floor and/or retail space in the sub-district.

***Only \$75,696,253 will be collected by 2012, the remaining funds have been reallocated in the budget for the extended term.*

Project Costs

The following describes the City Center TIF District's eligible TIF Project Costs, for which the developer will be reimbursed by the City:

Public Infrastructure Improvements – This category includes TIF eligible expenditures for design, engineering and construction of streetscape improvements, pedestrian linkages, lighting, utility burial, utility upgrades and TIF Grants. The funds in this category are for improvements listed in association with a development/redevelopment project.

Approximately **\$8.5** million has been allocated to this line item in the Zone's budget.

Redevelopment/Development Projects – This category includes TIF eligible expenditures for design, engineering and construction costs for environmental remediation, interior and exterior demolition, façade improvements, historic façade restoration and TIF Grants for TIF projects in the Zone.

Approximately **\$40.9** million has been allocated to the line item in the Zone's budget.

Affordable Housing – This category supports the Zone's mixed income housing requirement for residential projects. A minimum of 10 percent of the total number of residential units developed in the Zone must meet 80% of the area median income. The funds in this line item may be used to offset the costs of providing affordable housing within the boundaries of this Zone and the greater downtown area only.

Approximately **\$6.5** million has been allocated to the line item in the Zone's budget.

Parking Initiatives – This category supports expansion of the downtown parking supply by providing adequate parking in the Zone that will support current and additional retail, residential, office and visitor activity. These funds will be used to pay the current lease of short term public parking in the Dalpark garage and fund the potential extension of the leases of parking in the Third Rail Lofts and Dalpark garages upon their expiration. The funds may also be used to acquire or lease other parking spaces in the Zone or the greater downtown area if it benefits the Zone. Parking funds may be used to incentivize the construction of private parking garages that provide public parking by either over building the garage to include public spaces or dedicating spaces in the garage for public use. Wayfinding and signage that directs the public to public parking is a TIF eligible expenditure included in this category.

Approximately **\$5.5** million has been allocated to the line item in the Zone's budget.

Ground Floor Activation Initiative – This category supports ground floor activation or occupancy that is contiguous by filling vacant gaps at the ground floor plane and will be in the form of a TIF Grant. The use of funds in this category will be guided by the Downtown 360 Plan's Main Street Activation Strategy which provides recommendations for street level vibrancy, including retail activation, tenant mix, branding and design. These funds will be used in the Zone and the greater downtown area, if it benefits the Zone.

Approximately **\$8.3** million has been allocated to the line item in the Zone's budget.

District Wide Improvements – This category supports improvements that are not specific to a single development site or project such as gateways, trails, open space, pedestrian connectivity linking the Zone to other downtown destinations, or utility/streetscape improvements benefiting Zone.

Pedestrian connectivity improvements enhancing the connection between the Lamar Corridor/West End Sub-district and Victory Park area shall be first in priority for expenditure of funds in this category.

Approximately **\$4** million has been allocated to the line item in the Zone's budget.

Administration and Implementation – Administration costs, including reasonable charges for time spent by the municipality's employees, will be eligible for reimbursement as project costs, in connection with the implementation of the Amended Plan. Other TIF-related administrative expenses are included in this category.

Approximately **\$2.5** million has been allocated to the line item in the Zone's budget.

Cash available in the TIF Fund for reimbursement will be paid promptly upon completion of TIF projects and receipt and review of proper documentation of expenses, as set forth in the applicable reimbursement agreements between the developers and the City and the District's Increment Allocation Policy, upon adoption by the TIF Board.

The following percentages shall be set aside annually for the following budget line items until they are completely funded, beginning with fiscal year 2013's increment, collected June 2014.

Affordable Housing – 12.55 percent for the first 5 years of the extension; 10 percent for the remaining years or until approximately \$6.5 million has been collected.

Parking Initiative – 8 percent for the first 10 years of the extension; 10 percent for the remaining years of the Zone or until approximately \$5.5 million has been collected.

Ground Floor/Retail Activation Initiative – 15 percent for the first 5 years of the extension; 10 percent for the remaining years of the Zone or until approximately \$8.3 million has been collected.

District Wide Improvements Initiative – 8 percent for the first 5 years of the extension; 5 percent for the remaining years of the Zone until approximated \$4 million has been collected.

TIF District Policy Considerations

Mixed Income Housing Policy. Ten percent of all housing units provided by projects using TIF funds must meet the City and County established criteria for affordable housing. Affordable housing units are those which are affordable to a household earning 80 percent or below of the median family income for the Dallas metropolitan area. A developer may, subject to City and County approval, and subject to the City Center TIF District Mixed Income Housing Policy, propose an alternative means of fulfilling the City's and County's affordable housing requirement. If the Policy allows affordable housing outside the City Center TIF District, and those units are placed within the boundaries of another TIF district, the developer must also secure approval for the affordable housing units within the respective district's boundaries from the respective TIF district's board of directors unless that board formally declines to review the project.

Business Inclusion and Development (BID) Plan. All TIF-funded projects must follow the City's adopted Business Inclusion and Development Plan. This policy outlines goals for certified Minority and Women-Owned Business (M/WBE) participation in publicly funded infrastructure projects. The BID Plan goal is 25 percent for construction of public improvements. The goal for private improvements is negotiated in the development agreement. The process for BID compliance and City oversight will be negotiated with City staff and included in the development agreement for each individual project.

Creating Permanent Jobs for Area Residents. TIF applicants must agree to sponsor job fairs or other programs to attract neighborhood residents to any permanent jobs created in the development.

Design Review/Peer Review Process. All new projects developed in the district shall be required to follow this review process. Conformance to design standards for non-TIF funded projects is voluntary but strongly encouraged to maintain the design focus of the implementation of the City Center TIF Plan. TIF District Design Guidelines for new development and redevelopment in the City Center TIF District will be modified to address design goals of the Lamar Corridor/West End Sub-district and subsequently adopted by the City Center TIF District board.

Existing Resident Displacement. The Act requires that existing resident displacement be minimized.

Financial Assumptions

The key factors influencing the financial feasibility study and its conclusions are the financial assumptions that have been adopted.

Inflation. The generally accepted inflation for construction costs and the value of improvements is 2 percent per annum. Based on current market rates, net present values of the tax increment were calculated at a discount rate of 5.75 percent per annum the Zone.

Appreciation. Property appreciation is assumed to be 2 percent per annum for the entire Zone.

Tax Rate Changes. Although tax rates will likely increase during the development period, the financial plan conservatively assumes that the 2012 tax rate will remain constant for the life of the City Center TIF District, except to incorporate tax rate changes when known.

Remittance to the TIF Fund. The City Center Sub-district the Zone is expected to terminate December 31, 2022. The Lamar Corridor/West End Sub-district is expected to terminate December 31, 2037. TIF collections will terminate for the entire Zone once the TIF budget has been collected or December 31, 2037, whichever occurs first. Based on current development projections, the TIF budget is expected to be reached in 2037.

Annual percentages of collected annual tax increments invested in the TIF fund by the City of Dallas will be 80 percent of total collected incremental revenue for the City Center Sub-district and 90 percent for the Lamar Corridor/West End Sub-district.

Provided Dallas County agrees to participate during the extended term of the Zone, 53 percent of the total collected County incremental revenue for the City Center Sub-district shall be allocated to that sub-district for 5 years beginning FY 2013, and the Lamar Corridor/West End Sub-district for 20 years beginning FY 2013. County participation will be pursuant to a participation agreement by the Dallas County Commissioners Court.

Early termination. The Council may terminate the City Center Sub-district of the City Center TIF District earlier than 2022 and the Lamar Corridor/West End Sub-districts earlier than 2037, if all obligations of the TIF have been satisfied. The Council may also terminate the City Center TIF District within three years after adoption of this Amended and Restated Plan if there are no financial obligations, or within five years after adoption if an investment of at least \$100,000,000 does not occur.

Financial Feasibility

The private development plans, public improvement program, general financing strategy, and financial assumptions were all included in a preliminary assessment prepared by the City of Dallas, Office of Economic Development. The study is intended to be used as part of the economic feasibility study for the District in accordance with the provisions of Section 311.011, Texas Tax Code, and is available upon request.

Cumulative private development is expected to increase property value to approximately \$1,614,353,316 in the City Center Sub-district and \$415,171,194 in the Lamar Corridor/West End Sub-district during the term of the Zone.

If revenues are received at the predicted rate, increment collections will be reached and final project improvements completed during the TIF term.

On a strict “pay-as-you-go” basis, the progress of the public improvements portion of the development program is a direct result of the revenues received and matched by the City’s contributions. Therefore, if revenues exceed these projections, then the public improvements can be completed ahead of schedule. If revenues do not meet expectations, then the pace of public improvements will be slowed or discontinued altogether based upon the recommendation of the TIF Board and approval of Council.

Based upon a set of TIF district assumptions and analysis, this Amended Plan is feasible.

Financial Policies

General financial policies are governed by the City of Dallas Public/Private Partnership Program, as amended. This program provides a framework for development incentives in a variety of areas. Within this framework, the TIF Board has adopted specific policies for the City Center TIF District:

Public improvements will be phased at a pace that coincides with private development.

Private developers desiring City participation in sharing the costs of infrastructure improvements needed for their projects must obtain TIF Board recommendation and Council approval for and sign a Development Agreement with the City.

Reimbursement priorities and the method of apportioning available increment will be set forth in the Development Agreement.

Each Development Agreement is mutually exclusive - that is, the nature and extent of support from public funds may change over time as the District

becomes more developed.

If a developer requests funding for infrastructure improvements at a time when sufficient funds are not available in the TIF Reserve Fund, then improvements may be:

- deferred until funds are available
- constructed at the sole expense of the developer
- constructed at developer expense, with the City reimbursing the developer as funds become available

Should project costs be paid that directly benefit the developer of a project, such as grants made to a developer as permitted by Chapter 311 of the Texas Tax Code, the City will enact and implement controls sufficient to ensure that any grant funds provided will be used to fulfill the public purposes of developing and diversifying the economy of the City Center TIF District, eliminating unemployment or underemployment in the City Center TIF District, and developing or expanding transportation, business, and commercial activity in the City Center TIF District.

The TIF Board may from time-to-time recommend amendments to these financial policies which will affect the operations of the City Center TIF District.

SUBJECT

Authorize **(1)** the acceptance of a grant from the U.S. Department of Housing and Urban Development (HUD) for the Fair Housing Assistance Program (FHAP) to process, investigate and conciliate housing discrimination complaints, administrative costs and HUD required staff training for the period October 1, 2014 through September 30, 2015; and **(2)** the execution of any and all documents related to the grant - Not to exceed \$293,750 - Financing: U.S. Department of Housing and Urban Development Grant Funds

BACKGROUND

On November 15, 1991, the U.S. Department of Housing and Urban Development notified the Fair Housing Office that the City of Dallas Fair Housing Ordinance is substantially equivalent to the Federal Act. Certification of substantial equivalency qualifies the City for federal funding for fair housing enforcement, education and outreach.

On September 1, 1992, a Cooperative Agreement between the City and the U.S. Department of Housing and Urban Development was executed whereby the City became a Fair Housing Assistance Program agency and began participating in the U.S. Department of Housing and Urban Development Fair Housing Assistance Program. This program provides funding for substantially equivalent fair housing agencies.

The funding allows the U.S. Department of Housing and Urban Development to refer housing discrimination complaints of Dallas origin to the City for processing, while the U.S. Department of Housing and Urban Development monitors the City's performance. On August 26, 1992, the City Council approved the first of twenty Cooperative Agreements with the U.S. Department of Housing and Urban Development. Since December 1992, the U.S. Department of Housing and Urban Development has provided the City \$5,668,527 under this program.

BACKGROUND (Continued)

Thus far, the funds have been used to partially fund the investigation of 2,301 housing discrimination complaints, to lease computer equipment that is compatible and is required by the U.S. Department of Housing and Urban Development, to attend the U.S. Department of Housing and Urban Development required training seminars, and to enhance Fair Housing education and outreach.

On September 25, 2014, the City was notified that it would receive \$293,750 in Comprehensive Funding Approach funds for Fiscal Year 2014-15. These funds are to be used for Fair Housing Office case investigation and processing, administrative costs, and training and professional development.

Authorize **(1)** the sale of one vacant lot located at 3510 Cauthorn Drive from the Dallas Housing Acquisition and Development Corporation to Jessica Garcia; and **(2)** the execution of a release of lien for any non-tax liens that may have been filed by the City – Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. In 2004, the Dallas City Council established the Dallas Housing Acquisition and Development Corporation (“DHADC”) as its land bank.

If a land bank determines that a property it owns is not appropriate for residential development, Section 379C.0106 of the Texas Local Government Code (“Code”) requires that the land bank first offer the property for sale to an eligible adjacent property owner for the lower of the fair market value of the property as determined by the appraisal district in which the property is located or the sales price recorded in the annual plan.

Jessica Garcia is an eligible adjacent property owner, as defined in the Code, and has submitted a proposal to purchase the DHADC-owned lot located at 3510 Cauthorn Drive for \$3,580.00, which amount is the fair market value of the property as determined by the appraisal district in which the property is located. The DHADC Board has approved the sale, subject to City Council approval.

BACKGROUND (continued)

This item will authorize the sale of one lot from DHADC to Jessica Garcia and the release of lien for any non-tax liens that may have been filed by the City. The vacant lot was purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens in accordance with the Code. The instrument conveying the property will include a restriction limiting the purchaser's ability to lease, sell, or transfer the property for a period of three years in accordance with the Code.

PRIOR ACTION/REVIEW (Council, Boards, Commissions)

On January 28, 2004, the City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code by Resolution No. 04-0458.

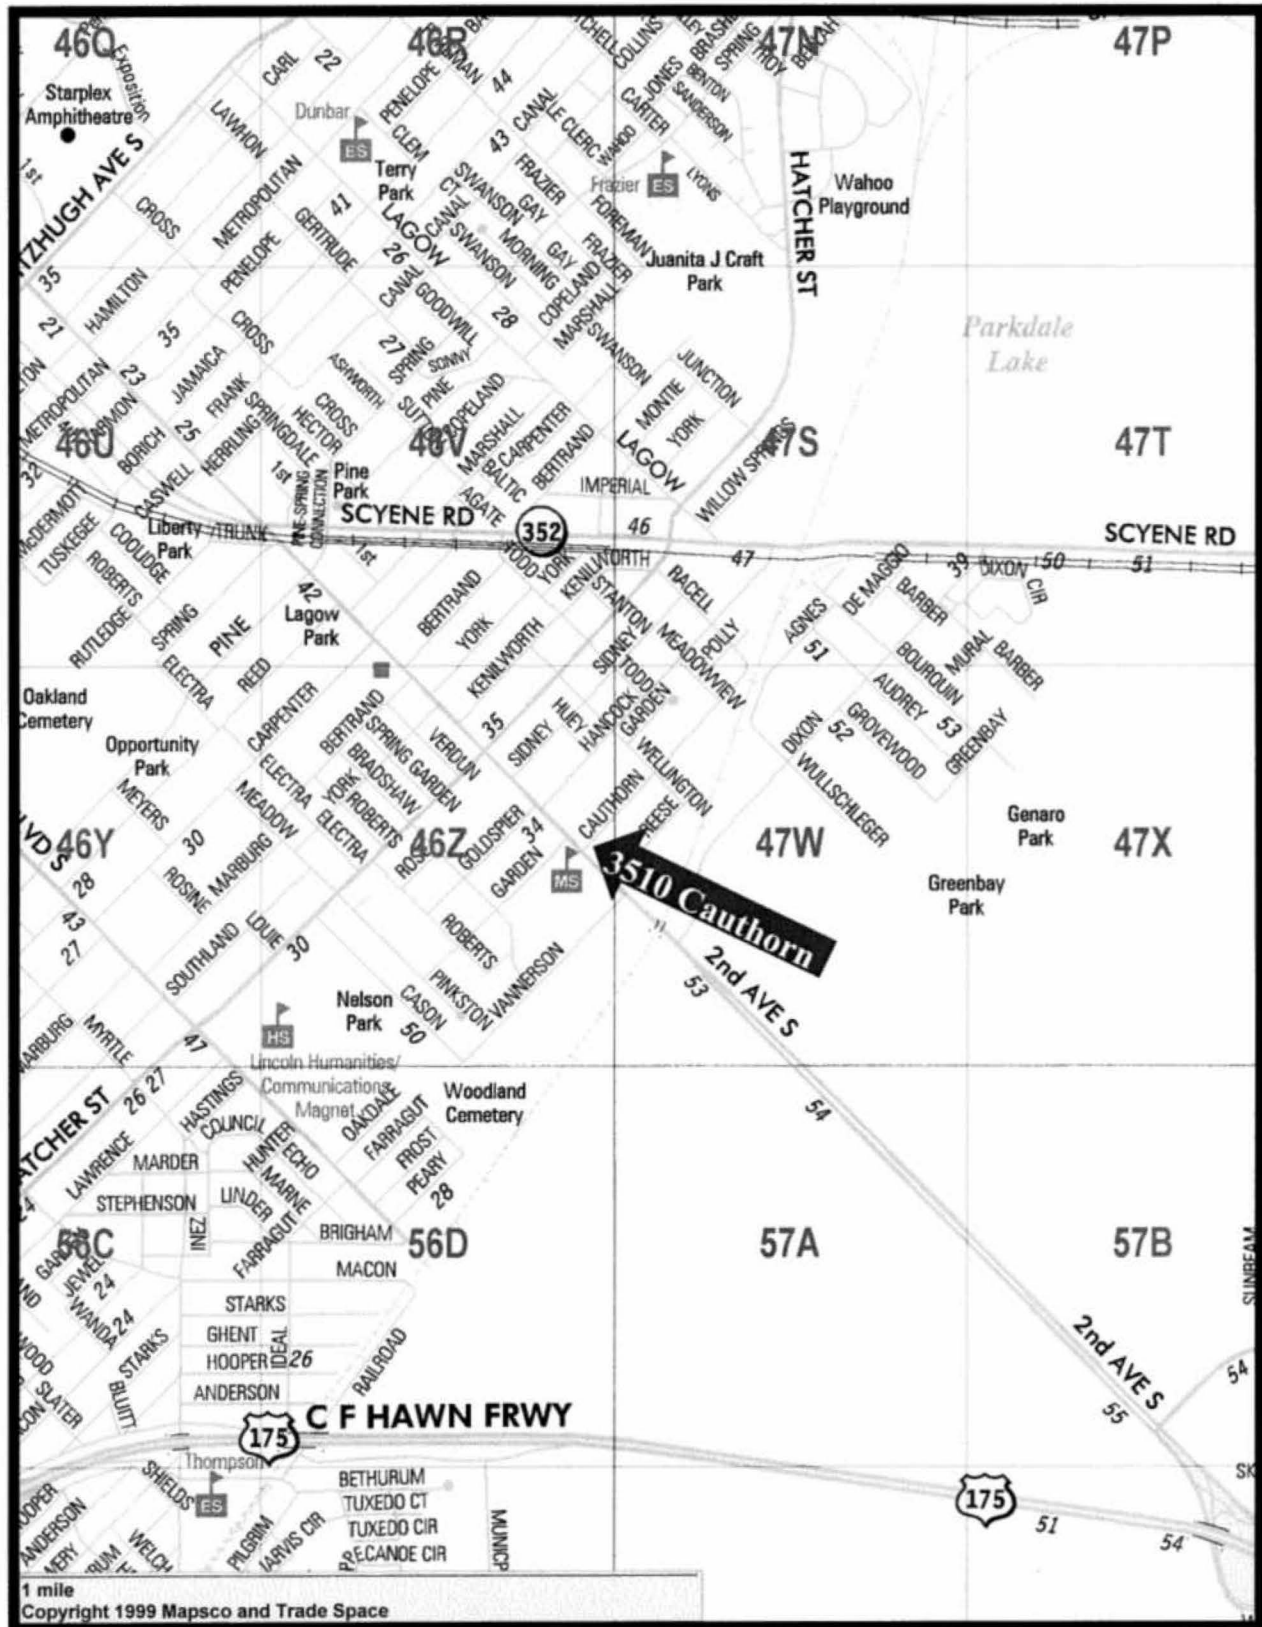

On September 18, 2014, the DHADC Board approved the sale to Jessica Garcia, subject to City Council approval.

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. The City Council then established the Dallas Housing Acquisition and Development Corporation (DHADC or Land Bank) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

New Vision Properties & Land has submitted a proposal and development plan to DHADC for 2 lots shown on the attached list. The DHADC Board has approved the development plan and sale, subject to City Council approval. This item will authorize City Council approval of the development plan submitted by New Vision Properties & Land to the City's Land Bank, the sale of those lots from DHADC to New Vision Properties & Land and the release of lien for any non-tax liens that may have been filed by the City.

BACKGROUND (continued)

The vacant lots were purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens. DHADC's Deed without Warranty to New Vision Properties & Land will contain a reverter that returns the property to DHADC if a construction permit is not applied for by New Vision Properties & Land and construction financing is not closed within three years of conveyance.

New Vision Properties & Land will build affordable houses on the lots. The approximate square footage and sales prices of the houses will be approximately 1,400 to 1,500 square feet and from \$90,000 to \$105,000. The lots will be deed restricted for sale to a low income family and will require at least 25 percent of the developed homes (0 in this proposal) to be sold to households with gross household incomes not greater than 60 percent of the Area Median Family Income (AMFI) as determined annually by HUD. A maximum of 30 percent of the developed homes (0 in this proposal) may be sold to households with gross incomes from 81 percent to 115 percent of the AMFI as determined annually by HUD. If 30 percent of the homes are sold to buyers at 81 percent to 115 percent of the AMFI, the remaining homes (2 in this proposal) will be sold to buyers below 81 percent of the AMFI and in compliance with the minimum 25 percent requirement to sell to buyers below 60 percent of the AMFI. DHADC will receive \$10,000.00 for the sales price, as calculated from the 2013-14 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (Council, Boards, Commissions)

On January 28, 2004, by Resolution No. 04-0458, the City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code.

On September 2, 2014, the Housing Committee was briefed regarding the Urban Land Bank Demonstration Program which outlined the process and status of the program.

Authorize an extension of the development loan agreement with Builders of Hope CDC, Ten Land Bank Lots Project for construction costs of 10 unimproved properties from April 25, 2014 to March 31, 2015 – Financing: No cost consideration to the City

BACKGROUND

In January 2012, Builders of Hope CDC (BOH) and the City of Dallas entered into a loan agreement for funding for the Ten Land Bank Lots Project for \$290,040 for the construction of ten single-family homes on purchased Land Bank lots scattered in west Dallas available to low-to-moderate income families.

Pursuant to the Community Housing Development Organization (CHDO) Program Statement for June 27, 2001, Council Resolution No. 01-2049, the City of Dallas Housing Director was authorized to approve development funding for projects with fewer than 100 units. The Ten Land Bank Lots Project was approved by this method. As of the notice from the City Manager dated February 28, 2014 requiring more transparency, this and similar projects must now be presented for City Council approval.

As of September 1, 2014, BOH has built all ten homes and sold nine single family homes to low-moderate income families at or below 80% Area Median Family Income. One home remains to be sold. Homebuyers will assume a 15 year resale restrictions.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On June 27, 2001, the City Council approved the CHDO Loan Program Statement that authorized the Housing Director to approve development funding for projects with fewer than 100 units, by Resolution No. 01-2049.

On November 27, 2013, the Housing Committee was briefed on the BOH and this project.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS) (continued)

On September 2, 2014, the Housing Committee was briefed again regarding BOH's ongoing activities.

BACKGROUND

The Homeless Assistance Center is a City of Dallas owned facility that opened in 2008 and has been managed by The Bridge Steps (the contractor) with an operating budget of \$8,385,362 from private and leveraged public funds. The facility serves approximately 10,517 unduplicated clients per year. During the 81st State Legislative Session, the State Legislature appropriated \$20,000,000 over the biennium to be administered by the Texas Department of Housing and Community Affairs (TDHCA) to fund the Homeless Housing and Services Program (HHSP) in the eight largest cities in Texas.

The eight eligible cities include: Arlington, Austin, Corpus Christi, Dallas, El Paso, Ft. Worth, Houston, and San Antonio. The purpose of the HHSP is to provide homeless services. Eligible activities include: direct services, case management, housing retention, homelessness prevention, rental assistance, or other homelessness related activities.

The City of Dallas was granted HHSP funding from TDHCA in 2010, 2011, 2012, and 2013 which provided operating assistance for The Bridge and leveraged City and County funding. In September 2014, the City was notified that it would receive \$756,818 from TDHCA to fund HHSP and on September 23, 2014, the Dallas County Commissioners Court approved \$1,000,000 in Current Funds to provide operating assistance for The Bridge. This action will authorize **(1)** an Interlocal Agreement (ILA) with Dallas County to accept quarterly advance payments in the amount of \$250,000 for three quarters and the final quarter payment within thirty days of expiration of contract period October 1, 2014 through September 30, 2015, total amount not to exceed \$1,000,000 for providing homeless assistance services at The Bridge through the City's contractor, Bridge Steps; **(2)** the acceptance of a grant(s) from the TDHCA to provide services to the homeless through HHSP, in an amount not to exceed \$756,818 for the period October 1, 2014 through September 30, 2015 and execution of the required grant agreement(s) with TDHCA; **(3)** increase of the City's FY 2014-15 contribution for the operating budget of Bridge Steps in the amount of \$150,000, from \$3,800,000 to \$3,950,000; **(4)** use of the FY 2014-15 Emergency Solutions Grant Funds for Homeless Assistance Center-Operations for the operating budget of Bridge Steps in the amount of \$378,279; and **(5)** a ninth amendment to the Management Services Contract, Phase II, with Bridge Steps to: **(a)** allow Bridge Steps to count both the Dallas County and TDHCA funds towards Bridge Steps' required contribution to the Bridge operating budget for the period October 1, 2014 through September 30, 2015; **(b)** require Bridge Steps to comply with all conditions of the Interlocal Agreement and TDHCA grant agreements; and **(c)** increase the FY 2014-15 budget agreement with Bridge Steps from \$3,800,000 to \$6,085,097 for a total not to exceed \$2,285,097.

BACKGROUND (Continued)

The Consolidated Plan Budget which includes the Emergency Solutions Grant Funds in the amount of \$1,130,946 was approved on June 25, 2014 by Council Resolution No. 14-1001. Included in the allocation was \$378,279 designated to pay the utility costs associated with operating the Homeless Assistance Center (HAC). Since the HAC has been in operation, the set-aside funds for utility costs have not been expended annually. Bridge Steps, the managing organization for the HAC, may use the balance of funds for other associated operating expenses, after the utility costs are paid annually.

On August 13, 2014, City Council reconsidered and amended the FY 2014-15 Consolidated Plan Budget by Resolution No. 14-1314.

The City Council approved the General Fund budget on September 17, 2014 by Resolution No. 14-1568 increasing the operational funding for the HAC by \$150,000, from \$3,800,000 to \$3,950,000.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On September 18, 2013, City Council approved the General Fund budget that authorized funds in the amount of \$3,800,000 to Bridge Steps, by Resolution No.13-1646.

On November 12, 2013, City Council authorized the City Manager to (1) execute an Interlocal Agreement with Dallas County for up to \$1,000,000 in funds to provide homeless assistance services at The Bridge; (2) accept a grant from TDHCA in the amount of \$756,818; and (3) execute a sixth amendment to the Management Services Contract, Phase II, with Bridge Steps to allow Bridge Steps to count both the Dallas County and TDHCA funds toward Bridge Steps' required contribution to The Bridge operating budget, by Resolution No. 13-1929.

On December 11, 2013, City Council authorized the seventh amendment to allow Bridge Steps to use Emergency Solutions Grant funding for payment of utility costs of The Bridge and use any remaining balance of Emergency Solutions Grant funds, after utility costs are paid annually, to be used for other operating expenses of the The Bridge, by Resolution No. 13-2159.

On June 25, 2014, City Council authorized the eighth amendment to the Management Services Contract, Phase II, with Bridge Steps to count the Texas Department of State Health Services funds towards Bridge Steps' required contribution to the Bridge operating budget and require Bridge Steps to comply with all conditions of the Texas Department of State Health Services grant agreements, by Resolution No. 14-1080.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS) (Continued)

On June 25, 2014, City Council adopted the FY 2014-15 Consolidated Plan Budget for the U.S. Department of Housing and Urban Development (HUD) Grant which included the Emergency Solutions Grant operational funding for the HAC in the amount of \$378,279, by Resolution No. 14-1001.

On August 13, 2014, City Council reconsidered and amended the FY 2014-15 Consolidated Plan Budget by Resolution No. 14-1314.

On September 17, 2014, City Council approved the General Fund budget that authorized funds in the amount of \$3,950,000 to Bridge Steps, by Resolution No. 14-1568.

SUBJECT

Authorize a secured, no interest (0%), forgivable loan in the amount of \$40,076 to Supportive Housing, Inc. as Owner and PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas as Project Sponsor, to provide for non-substantial rehabilitation of Ewing Center located at 731 North Ewing Avenue for the period October 1, 2014 through September 30, 2015 - Not to exceed \$40,076 - Financing: 2014-15 Housing Opportunities for Persons with AIDS Grant Funds

BACKGROUND

On June 25, 2014, by Resolution No. 14-1001, City Council adopted the FY 2014-15 Consolidated Plan Budget for the U.S. Department of Housing and Urban Development (HUD) grant funds, including the Housing Opportunities for Persons with AIDS (HOPWA) grant in the amount of \$5,375,659. On August 13, 2014, City Council reconsidered and amended the FY 2014-15 Consolidated Plan Budget by Resolution No. 14-1314.

On July 3, 2014, the City of Dallas Business Development and Procurement Services Department solicited and received Requests for Competitive Sealed Proposals (RFCSPs) (BTZ1467) for HOPWA Housing Facilities Rehab/Repair/Acquisition. PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas submitted a proposal, and is recommended for funding to replace the roof at Ewing Center.

PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas is a non-profit agency located in the southwestern part of the city. The agency was founded in 1987, with its mission being to create and strengthen healthy communities through the delivery of quality, affordable, service-enriched housing for individuals and families living with HIV/AIDS. The agency has been providing supportive housing services continually since April 1987.

BACKGROUND (Continued)

Ewing Center is located at 731 North Ewing Avenue and is a multi-story building with 22 efficiency and one-bedroom apartment units. The facility is owned by Supportive Housing, Inc., which is a non-profit organization formed in September 1992 to hold title to the real property that PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas uses to provide supportive housing to persons with HIV/AIDS in Dallas.

This HOPWA Housing Facilities Rehab/Repair funding will allow PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas to replace the roof (approximately 15,756 square feet) at Ewing Center. No residents will be displaced during the rehabilitation at either site. As non-substantial rehabilitation, HOPWA regulations will require that Ewing Center be maintained as a facility to provide housing or assistance for persons with HIV/AIDS for a period of not less than three (3) years which will be maintained through a deed restriction.

Approval of this item will provide funding in the amount of \$40,076 to Supportive Housing, Inc. as Owner and PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas as Project Sponsor, for the non-substantial rehabilitation of Ewing Center.

WHEREAS, Housing Opportunities for Persons with AIDS (HOPWA) grant funds received from the U.S. Department of Housing and Urban Development have been designated to provide services to low-income persons with HIV/AIDS and HIV-related illness and their families; and

WHEREAS, the FY 2014-15 Consolidated Plan Budget includes the Housing Opportunities for Persons with AIDS (HOPWA) grant from the U.S. Department of Housing and Urban Development in the amount of \$5,375,659, with \$200,000 in Housing Facilities Rehab/Repair/Acquisition; and

WHEREAS, PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas submitted a proposal for minor site improvements at Spencer Gardens in response to the City's Request for Competitive Sealed Proposals, and was recommended for funding; and

WHEREAS, the projects at Spencer Gardens constitute non-substantial rehabilitation at the facility and, under federal regulations, the facility must be maintained, to provide housing or assistance for persons with HIV/AIDS for a minimum use period of not less than three years after the rehabilitation is completed;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That following approval as to form by the City Attorney, the City Manager is hereby authorized to execute a secured, no interest (0%), forgivable loan in the amount of \$67,613 to Supportive Housing, Inc. as Owner and PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas as Project Sponsor, to provide for non-substantial rehabilitation of Spencer Gardens located at 717 Comal Street, for the period October 1, 2014 through September 30, 2015.

Section 2. That the terms of the loan documents include:

- a. Borrower shall execute a deed of trust and note payable to the City of Dallas with a maturity date of September 30, 2015.
- b. Borrower must execute deed restrictions on the property that has been rehabilitated with loan funds under this agreement for the provision of housing services to continue for three (3) years commencing upon completion of the non-substantial rehabilitation.
- c. The lien and deed restrictions will be released upon successful completion of the rehabilitation and providing housing services to residents continuously for 3 years after completion of the non-substantial rehabilitation.

October 22, 2014

Section 3. That the City Manager, upon approval as to form by the City Attorney, is authorized to execute subordination and release of liens, release of notes payable, and termination of deed restrictions on the property upon compliance with all loan terms.

Section 4. That this resolution does not constitute a binding agreement on the City or subject the City to any liability or obligations with respect to this project until such time as the loan is legally awarded and the documents are duly approved by all parties and executed.

Section 5. That the City Controller is authorized to disburse, in periodic payments to PWA Coalition of Dallas, Inc. dba AIDS Services of Dallas, an amount not to exceed \$67,613, from Fund HW14, Dept HOU, Unit 490G, Object Code 3015, Encumbrance No. CTGH184668, Vendor No. 268632, Program: HOHW490G.

Section 6. That the City Controller is hereby authorized to set up receivable balance sheet account (033F) and an allowance for uncollectible debt (022D) in Fund HW14, Unit 490G, for the amount of the loan.

Section 7. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

AGENDA ITEM # 23

KEY FOCUS AREA: Culture, Arts, Recreation, & Education

AGENDA DATE: October 22, 2014

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Cultural Affairs

CMO: Joey Zapata, 670-1204

MAPSCO: N/A

SUBJECT

Authorize contracts with cultural organizations for the provision of services to the City through the Cultural Services Contracts Program (list attached) - Not to exceed \$4,250,109 - Financing: Current Funds

BACKGROUND

On September 14, 2014, by Resolution No. 14-1568, the City Council approved funds in the FY2014-15 operating budget for services procured from cultural organizations. Funding includes annual operating support through the Cultural Organizations Program and indirect support to organizations for utilities and facility operations. The Office of Cultural Affairs staff and the Cultural Affairs Commission reviewed proposals from Cultural Organizations. Proposals were evaluated and funding levels were recommended and approved by the Cultural Affairs Commission.

The Cultural Services Contracts Program provides operating and indirect support to eligible organizations in exchange for cultural services to the citizens of Dallas over a twelve-month period. All services must be provided no later than September 30, 2015.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSION)

On September 18, 2014, the Cultural Affairs Commission approved FY 2014-15 Cultural Organization Program funding.

Artreach-Dallas, Inc.

The cultural agency will serve over 40,000 children, parents and teachers from DISD, private schools, parochial schools and home schools in the City of Dallas through 3 program initiatives: Community Events, Infacility programming and the Booking Service. Through the Community Events ticket distribution program, empty seats are filled by making tickets available to citizens whose access to the cultural community is otherwise often unavailable. The Infacility Program provides custom designed instruction and residencies to schools, community centers, retirement homes, and service organizations through direct artistic instruction and services from professional artists. The Booking Service supports outreach efforts of arts and cultural institutions and provides coordination of field trips for school groups, institutions, and community based groups to attend performances and exhibitions. Artreach Community Events Program provides donated tickets to approximately 17,000 economically disadvantaged children, adults, disabled and elderly citizens of Dallas.

October 22, 2014**Section 3. (Continued)****Big Thought**

The cultural agency will serve an estimated 508,500 attendees - students, teachers and families in Dallas – through creative learning events and programs that enhance academic achievement, youth development and family learning. Through Big Thought's direct service programs, children and adults will be served through an estimated 2965 classes/workshops, 1330 residency hours, 1585 performances, 1000 camp hours and 450 online connections to learning opportunities during the 2014-2015 program cycle. These direct services include: School day and after school performances, classes, workshops & residencies delivered by professional artists; Creative Solutions – master teaching artists helping teens on probation and at-risk youth; Library Live! – free monthly programs in select Dallas public libraries. In addition, funding is also included for Big Thought to serve as the managing partner of Dallas ArtsPartners and will manage multi-week summer camps at Office of Cultural Affairs Cultural Centers. With an emphasis on community partnerships, Big Thought will coordinate the resources of the Office of Cultural Affairs, Dallas Independent School District and more than 60 cultural agencies to deliver cultural excursions, workshops and residencies to Dallas students. Big Thought will also act as the managing partner for Thriving Minds, including the new Dallas City of Learning initiative which uses technology to connect students to learning opportunities in their communities, across Dallas and online. Management activities include coordinating the governance, planning activities, and direct responsibility for private sector fundraising, program implementation and fiscal management. Big Thought will support training, transportation, and direct services provided by the cultural community for out-of-school activities to be conducted in neighborhood venues. During the project period, research and evaluation data will also be collected to support systemic implementation across Dallas.

Dallas Museum of Art

The cultural agency will serve more than 600,000 visitors, present 8 exhibitions, and offer over 4,000 educational programs. General admission to the DMA is free to all, every day of the week, providing our community with wide public access to the Museum's global collection of art. To support the organization's transition from paid to free admissions, additional funding was added to the FY13-14 contract and is also added to the FY14-15 contract, as approved and appropriated in the FY14-15 budget process. The DMA will continue to engage visitors through DMA Friends, a free program that encourages participation with the Museum's art and programming by offering individualized opportunities for engagement. The DMA's website will welcome more than 950,000 visitors 87 percent of whom come from the Dallas Metro Area. The website provides important educational access to the collections and exhibitions of the Museum that are available to the public. The exhibition schedule will include five nationally or internationally touring exhibitions and many smaller exhibitions. The Center for Creative Connections will continue to provide visitors with the opportunity to interact with works of art and create art of their own. *Late Nights at the Dallas Museum of Art* will continue to provide extended hours on the third Friday of each month, and every Thursday night until 9 p.m., the DMA will present live jazz concerts by local musicians through Jazz in the Atrium. Family Experiences programming will provide interactive opportunities for families to learn about art together, such as the DMA's Early Learning Programs, which serve children up to age 7 and their parents or caregivers. In the area of community outreach, the

We will open 4 dress rehearsals to select patrons and present a simulcast to patrons in Klyde Warren Park. There will be 4 student performances of a 50 minute *The Elixir of Love* at the Winspear, plus 26 touring opera performances in venues ranging from elementary schools to retirement homes (previously TDO2go). Each year DISD students and teachers benefit from the Educational Series which trains teachers to use opera to teach core academic subjects. Now providing afterschool programs to engage area youth in arts activities and introduce them to opera, The Dallas Opera (TDO) will provide 24 residencies of "The Dallas Opera in a Suitcase" (TDOinaSuitcase) during two-day sessions. Through the budget-friendly Family Season, 6 Family Programs will be presented. The Dallas Opera will provide 5 panel discussions, one before each mainstage production, 23 free pre-opera lectures, and at least 6 community events such as movie screenings, lectures and wine tastings.

DSM Management Group, Inc.

This funding is for utilities and facility operations support of DSM Management's operation of the Dallas Summer Musicals season at the Fair Park Music Hall as approved and appropriated in the FY14-15 budget process. This cultural agency will serve over 350,000 through performances and special programming. Dallas Summer Musicals produces, presents and promotes excellence in live musical theatre with year-round performances for diverse audiences of all ages, impacting the lives of children and families through community outreach and education and enriching the cultural landscape of Dallas. Dallas Summer Musicals Academy of Performing Arts offers professional training – integrating the disciplines of singing, acting and dancing – into the unique genre of musical theatre. Classes are offered at the Academy, as well as in satellite locations throughout the Dallas metro area. High School Musical Theatre Awards is patterned after Broadway's Tony Awards, the event celebrates high school musical theatre programs. Kids Club is a free membership program for kids was created to develop tomorrow's musical theatre audience. Seats for Kids provides a meaningful theatre arts experience to low-income, at-risk and special needs children. Every year nearly 2,000 children in the Dallas area experience live musical theatre, many for the first time, through this program. The Stage Right program introduces at-risk youth ages 12-15 to arts and cultural events. Participants attend a 6-week summer program that follows "Positive Action" curriculum that seeks to improve society by teaching and promoting the positive actions that lead to success and happiness: feeling good about who you are, what you are doing, and how you treat others.

The Legislative Ad Hoc Committee was briefed on September 22, 2014.

The Dallas City Council is scheduled to be briefed on October 15, 2014.

FISCAL INFORMATION

No cost consideration to the City

October 22, 2014

WHEREAS, the 84th Session of the Texas Legislature will convene in January 2015; and,

WHEREAS, many legislative issues affecting local government will be considered; and,

WHEREAS, the City of Dallas has historically adopted a legislative program for consideration by the Legislature;

NOW, THEREFORE,

BE IT RESOVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City of Dallas Legislative Program for the 84th Session of the Texas Legislature is adopted.

SECTION 2. That the City Attorney is directed to communicate the items included in the state legislative program, a copy of which is attached as Exhibit A, to members of the Texas Legislature.

SECTION 3. That the City Attorney is directed to support legislation that upholds the City of Dallas' home-rule authority, as well as oppose legislation that diminishes resources or home-rule authority.

SECTION 4. That for those issues that arise during or prior to the Session for which there is no official City position and there is insufficient time to convene a meeting of the Legislative Ad Hoc Committee or the City Council, the Chair of the Legislative Ad Hoc Committee is authorized to represent and protect the interests of the City.

SECTION 5. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas and it is accordingly so resolved.

PAGE LEFT INTENTIONALLY BLANK

FOR COUNCIL RESOLUTION

CONSIDERED ON OCTOBER 22, 2014

GENERAL PRINCIPLES

The City of Dallas will:

- Support legislation to expand home-rule authority and facilitate the provision of services to Dallas residents
- Oppose legislation that preempts home-rule authority
- Form strategic alliances with other jurisdictions and stakeholders to advance the City's legislative goals
- Support legislative recommendations from City Task Forces (including, but not limited to, the Domestic Violence Task Force, the Education Task Force, the Fair Park Task Force, the LGBT Task Force, the Transportation-for-Hire Task Force and the Poverty Task Force) that are consistent with the policies of the City Council

LEGISLATIVE INITIATIVES

The City of Dallas will support the following initiatives:

FOCUS ON THE COMMUNITY

Promoting the development of vibrant, safe and sustainable neighborhoods is a priority for the City of Dallas. Pursue legislation related to:

- Removal of Blight – especially dealing with abandoned, vacant and nuisance properties
- Urban Land Bank – expand allowable uses, shorten timeframes, and reduce costs for conveying properties to end users
- Code Enforcement – expedite notice and cure of code violations
- Group Homes – expand authority to inspect and regulate retirement facilities and group homes

CULTURE, ARTS, RECREATION & EDUCATION

- Promote efforts to support the Arts
- Allow greater flexibility for public parks to work with private organizations to enhance public use of park lands
- Continue telecommunications discounts for libraries and programs that promote shared digital content and workforce development and training in public libraries
- Support Tuition Revenue Bonds for UNT Dallas campuses and other public institutions

CLEAN, HEALTHY ENVIRONMENT

- Reduce nitrogen oxide ["NOx"] emissions in non-attainment regions of Texas through regulation and inspections of diesel-powered on-road and off-road sources
- Reduce solid waste going into municipal landfills
- Establish "Texas Recycles Tires" program, similar to computer and TV recycling programs
- Enhance enforcement of civil citations

ECONOMIC VIBRANCY

BACKGROUND

The Trinity River Corridor Project is broad in scope and requires extensive interface with officials at both the federal and state levels. In order to successfully achieve the legislative initiatives required for the project, the City benefits from a liaison in Washington with expertise in specific areas and singular focus on the project.

Hector Alcalde and Paul Schlesinger have represented the City in Washington for the last thirteen years. They have extensive knowledge, background and contacts in the field of transportation and infrastructure and Army Corps of Engineers' projects. In addition, they have excellent working relationships with the leadership of key Congressional Committees.

Hector Alcalde and Paul Schlesinger provide the City with advice, assistance and advocacy services to achieve the City Council's designated legislative objectives in connection with the Trinity River Corridor Project, especially in the areas of flood control and transportation. To date, they have worked to secure over \$220 million for the Trinity River Corridor Project.

Authorize a professional services contract with CapitalEdge Strategies, LLC to provide federal legislative services to the City for the period October 1, 2014 through September 30, 2015 - Not to exceed \$160,000 - Financing: Current Funds

BACKGROUND

CapitalEdge Strategies, LLC, led by Ralph Garboushian, operates a Washington, D.C. office which monitors federal action affecting Dallas, working with the Texas Congressional delegation and the Executive Branch to advance City interests and priorities. In addition, the office works closely with national municipal organizations, including the National League of Cities (NLC), the U.S. Conference of Mayors (USCM), the International City-County Management Association (ICMA), and others to make sure they are aware of the City's positions and agendas.

Under the contract, CapitalEdge Strategies contacts City staff regularly, by telephone, through visits to Dallas, written reports, bulletins and memoranda. Briefings on federal issues are presented to Council members during meetings of the NLC, as well as at any other time requested by the City. Supplemental information necessary to understanding the effect and impact of federal legislation and regulations is also provided. Timely information about government grant programs, frequently based on personal contact with federal program managers, is sent directly to the appropriate staff to facilitate Dallas funding applications.

CapitalEdge Strategies has frequently assisted the City by connecting high-level members of the Administration with Dallas leadership. CapitalEdge Strategies has also advised on working with federal agencies such as the US Departments of Housing and Urban Development, Transportation, Homeland Security, Federal Transit Administration, and The White House.

BACKGROUND (Continued)

CapitalEdge Strategies, LLC has represented the City of Dallas in Washington, D.C. as part of the Texas Cities Legislative Coalition (TCLC) since 1987. Other participants in the Coalition include the cities of Arlington, Austin and Denton.

SUBJECT

Authorize an increase in the contract with Turner Construction Company for additional scope of work including modifications to the fire, electrical, roof drainage and public address systems, for the construction of the Highland Hills Branch Library replacement facility, located at 6200 Bonnie View Road - Not to exceed \$164,157, from \$5,033,047 to \$5,197,204 - Financing: General Obligation Commercial Paper Funds

BACKGROUND

This action will authorize Change Order No. 5 to the construction contract, including an increase in scope to add fire code required modifications to the fire suppression, fire alarm and electrical systems as designed, including a fire pump due to variable low water pressure servicing the building; a zoning feature for the library public address system, power to and additional HVAC diffusers and control panels, glass-break detectors to alert security system in the event of vandalism, additional downspouts to improve roof runoff drainage, double-sided exit signs at some locations as requested by the Fire Marshall, and upgraded, custom-designed graphic visual screening acrylic divider panels in the restrooms. The contract time is increased by 46 calendar days.

In accordance with the current Library Master Plan approved by Council, the voters of Dallas approved funding in the 2006 Bond Program for the design and construction of the new Highland Hills Branch Library replacement facility located at 6200 Bonnie View Road in the South Central Service Area. A design contract was authorized in August 2009. A construction contract was authorized in August 2013.

SUBJECT

Authorize the second twelve-month renewal option to the service contract for the processing and sale of recycled materials for the period January 1, 2015 through December 31, 2015 – Greenstar Mid-America, LLC - Estimated Revenue: \$2,100,000

BACKGROUND

On August 9, 2006, the City Council approved an eighty-four month service contract, with three twelve-month renewal options, with Mid-America Recycling Company d/b/a Vista Fibers of Dallas to process and sell the recycled material collected in the Dallas Residential Recycling Program. Mid-America Recycling was purchased by Greenstar North America Holdings, Inc. in 2008, and the contract was assumed by the new owner, with the entity renamed Greenstar Mid-America, LLC. In January 2013, 100% of the ownership of Greenstar Mid-America, LLC was transferred from Greenstar North America Holdings to WM Recycle America, LLC. This was a change of ownership only, and the entity Greenstar Mid-America, LLC continued to perform under the solid waste franchise ordinance and the service contract with the City.

The original term of the contract was January 1, 2007 through December 31, 2013, with three one year renewal options. The contract provides processing services for recyclable materials collected in the residential recyclable program. All materials are delivered to the processing facility by the City or the City's selected collection contractor. This agreement allows for revenue sharing between the City of Dallas and Greenstar Mid-America, LLC. through the sale of over 50,000 tons of recycled material collected annually.

BACKGROUND(Continued)

This partnership also encourages environmental stewardship through an enhanced recycling educational program with an annual contribution of \$1.00 per ton, payable to the City quarterly, for public education. This program includes direct mailings, educational videos, radio/TV public service announcements, media tours, billboards, bus display ads, magazines ads, attendance at community meetings and events. The amount of recycled material increased from 20,149 tons in 2007 to an estimated 53,000 tons in 2013.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On August 15, 2005, City Council was briefed as part of the Budget Workshop.

On September 19, 2005, City Council was briefed on twice-monthly single-stream residential recycling program.

On May 22, 2006, the Finance, Audit & Accountability and Quality of Life Committees were briefed on the City's Recycling Program.

On June 26, 2006, the Quality of Life Committee was briefed on the City's Recycling Program.

On August 2, 2006, City Council was briefed on the twice-monthly single-stream residential recycling program.

Resolution No. 06-2013, was approved by City Council on August 9, 2006, to authorize an eighty-four-month service contract, with three twelve-month renewal options, for the processing and sale of recycled material with the highest responsible bidder of three – Mid-America Recycling Company, LLC d/b/a Vista Fibers of Dallas.

Resolution No. 13-0971, was approved by City Council on June 12, 2013, to authorize consent to a transfer of control of 100% of the ownership interests of Greenstar Mid-America, LLC, a solid waste franchisee, from Greenstar North America Holdings, Inc. to WM Recycle America, LLC.

Resolution No. 13-1947, was approved by City Council on November 12, 2013, exercising the first of the three, twelve-month renewal options of the service contract, for the processing and sale of recycled material to Greenstar North America Holdings, Inc./ Waste Management Recycle America.

FISCAL INFORMATION

\$2,100,000.00 - Estimated Revenue

October 22, 2014

WHEREAS, in August 2007, the City Council authorized an eighty-four-month service contract, with three, twelve-month renewal options with Mid-America Recycling Company, LLC d/b/a Vista Fibers of Dallas for the processing and sale of recycled material collected in the residential recycling program for the City of Dallas; and

WHEREAS, in November 2013, the City Council approved exercising the first three, twelve-month renewal options of the service contract, for the processing and sale of recycled material to Greenstar North America Holdings, Inc. / Waste Management Recycle America.

WHEREAS, City recommends exercising the second three, renewal options effective January 1, 2015.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is hereby authorized to exercise the second twelve-month renewal option of the service contract for the processing and sale of recycled materials with Greenstar Mid-America, LLC for the period January 1, 2015 through December 31, 2015.

SUBJECT

Authorize Supplemental Agreement No. 4 to the contract with Moore Disposal Corporation to extend the contract term for four months from November 30, 2014 through March 31, 2015 for solid waste refuse removal and rental of refuse containers for City facilities - Not to exceed \$130,747, from \$2,592,990 to \$2,723,737 - Financing: Current Funds (subject to appropriations)

BACKGROUND

This Supplemental Agreement will increase funding for the current contract for solid waste refuse removal services for City facilities and extend the contract term. A new contract has been solicited by Business Development and Procurement. Recommendation for award of the contract is scheduled for December 10, 2014. This increase is necessary to allow services to continue uninterrupted while Sanitation Services awards a new contract and allows time for possible transition of services between the old and new vendor.

This service will provide solid waste collection and rental of various size containers for City facilities. This collection service will provide services throughout the City and various suburbs. City facilities serviced under this contract include City Hall, Kay Bailey Hutchison Convention Center Dallas, Central Library, Meyerson Symphony Center, Service Centers, Oak Cliff Municipal Center, Dallas Water Utilities facilities and the Jack Evans Police Building.

PRIOR ACTION / REVIEW (COUNCIL BOARDS, COMMISSIONS)

Resolution No. 07-2336, was approved by City Council on August 22, 2007, to authorized a sixty-month service contract for solid waste refuse removal and rental of refuse containers for City of Dallas facilities.

Administrative Action No. 13-5062, issued January 2013 to extend the service contract from October 31, 2012 to October 31, 2013 with no funds added.

Administrative Action No. 13-6122, issued August 2013 to extend the contract from November 1, 2013 to December 31, 2013 and increase additional funds of \$50,000.00 to the agreement.

Resolution No. 13-1921, was approved November 13, 2013 to extend the term to November 30, 2014 and increase additional funds of \$364,000.00 to the agreement.

Authorize **(1)** deposit of the amount awarded by the Special Commissioners in the condemnation suit styled City of Dallas v. Robert L. Kelsoe, et al., Cause No. CC-13-06469-B, pending in Dallas County Court at Law No. 2, to acquire approximately 2,173 square feet of land located on the south side of IH-20, near the intersection of Seagoville Road and Horizon Hills Drive for the Southwest 120/96-inch Water Transmission Pipeline Project; and **(2)** settlement of the condemnation suit for an amount not to exceed the award - Not to exceed \$164,568, increased from \$7,432 (\$5,432, plus closing costs and title expenses not to exceed \$2,000) to \$172,000 (\$170,000, plus closing costs and title expenses not to exceed \$2,000) - Financing: Water Utilities Capital Construction Funds

BACKGROUND

This item authorizes deposit of the amount awarded by the Special Commissioners for the acquisition of approximately 2,173 square feet of land. The original offer of \$5,432 was based on an independent appraisal. The offer was not accepted by the owners and the City filed an eminent domain case to acquire the land. After a hearing, the Special Commissioners awarded \$170,000.

The City has no control over the Special Commissioners appointed by the county court at law judges or any award that is subsequently rendered by the Special Commissioners. The City, in order to acquire possession of the property and proceed with its improvements, must deposit the amount awarded by the Special Commissioners in the registry of the Court.

Authorize **(1)** deposit of the amount awarded by the Special Commissioners in the condemnation proceeding styled City of Dallas v. Ronald Dale Rains, et al., Cause No. 90714CC, pending in Kaufman County Court at Law to acquire approximately 99,166 square feet of land located in Kaufman County for the Lake Tawakoni 144-inch Pipeline Project; and **(2)** settlement of the lawsuit arising from the condemnation proceedings for an amount not to exceed the award - Not to exceed \$187,000, increased from \$280,000 (\$275,636, plus closing costs and title expenses not to exceed \$4,364) to \$467,000 (\$463,000, plus closing costs and title expenses not to exceed \$4,000) - Financing: Water Utilities Capital Construction Funds

BACKGROUND

This item authorizes deposit of the amount awarded by the Special Commissioners for the acquisition of approximately 99,166 square feet of land, which was reduced from 99,480 square feet due to a revised survey. The original offer of \$275,636 was based on an independent appraisal. The offer was not accepted by the owners and the City filed an eminent domain case to acquire the land. After a hearing, the Special Commissioners awarded \$463,000. The City filed objections to the award and this matter is currently pending litigation.

The City has no control over the Special Commissioners appointed by the county court at law judges or any award that is subsequently rendered by the Special Commissioners. The City, in order to acquire possession of the property and proceed with its improvements, must deposit the amount awarded by the Special Commissioners in the registry of the Court.

A RESOLUTION AUTHORIZING THE ACQUISITION OF REAL PROPERTY FOR A NEGOTIATED PRICE HIGHER THAN THE AUTHORIZED PURCHASE AMOUNT.

WHEREAS, the Dallas City Council by the FIRST RESOLUTION authorized acquisition, by purchase and/or eminent domain, of the PROPERTY INTERESTS in the PROPERTY held by OWNER for the PROJECT (all said capitalized terms being defined below); and

WHEREAS, OWNER refused the FIRST RESOLUTION PURCHASE AMOUNT, but has agreed to the SETTLEMENT AMOUNT stated herein; and

WHEREAS, the City Council desires to authorize the City Manager to acquire the PROPERTY INTERESTS in the PROPERTY for the negotiated PURCHASE AMOUNT stated herein: **Now, Therefore,**

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the following definitions shall apply to this resolution:

“CITY”: The City of Dallas

“FIRST RESOLUTION”: Resolution No. 13-0200 approved by the Dallas City Council on January 23, 2013, to authorize the purchase and/or eminent domain for a purchase amount of \$35,206 (\$33,091, plus closing costs and title expenses not to exceed \$2,115)

“PROJECT”: Southwest 120/96-inch Water Transmission Pipeline Project

“USE”: The construction, use, and maintenance of a pipeline or lines for transmission of treated water together with such appurtenant facilities as may be necessary, provided, however to the extent fee title to the PROPERTY is acquired, such title and the PROPERTY shall not be limited to or otherwise deemed restricted to the USE herein provided.

“OWNER”: Jesse Foster, provided, however, that the term “OWNER” as used in this resolution means all persons having an ownership interest, regardless of whether those persons are actually named herein.

“PROPERTY INTEREST”: Fee Simple, subject to the exceptions, reservations, covenants, conditions and/or interests, if any provided in the form instrument more particularly described in Exhibit “B” attached hereto and made a part hereof for all purposes.

October 22, 2014

“PROPERTY”: Approximately 4,002 square feet of land Dallas County, Texas, and being the same property more particularly described in “Exhibit A”, attached hereto and made a part hereof for all purposes, and any and all improvements, rights and appurtenances appertaining hereto.

“FIRST RESOLUTION PURCHASE AMOUNT”: \$35,206

“SETTLEMENT AMOUNT”: \$111,834

“CLOSING COSTS AND TITLE EXPENSES”: Not to exceed \$3,000

“REVISED AUTHORIZED AMOUNT”: \$114,834

SECTION 2. That the City Manager, and/or the City Manager’s designees, is hereby authorized and directed to consummate and accept the (purchase/donation), grant, and conveyance to the CITY of the PROPERTY INTEREST in and to the PROPERTY pursuant to the conveyance instrument substantially in the form described in Exhibit “B”, attached hereto and made a part hereof for all purposes, and approved as to form by the City Attorney and to execute, deliver and receive such other usual and customary documents necessary, appropriate and convenient to consummating the transaction.

SECTION 3. That to the extent the PROPERTY is being purchased wholly or partly with bond proceeds CITY has obtained an independent appraisal of the PROPERTY’S market value. (If this language was in the first resolution, delete this section and renumber the following sections.)

SECTION 4. That OWNER has been provided with a copy of the Landowner’s Bill of Rights as contemplated by applicable state statute. (if this language was not in the 1st resolution)

SECTION 5. That the City Controller is authorized to draw checks for the SETTLEMENT AMOUNT, closing costs and title expenses, payable out of Fund 3115, Dept. DWU, Unit PW40, Activity MPSA, Object 4210, Program 706623, CT-DWU706623CPAT (\$35,206), and Fund 3115, Dept. DWU, Unit PW40, Activity MPSA, Object 4210, Program 706623, CT-DWU706623CPDH (\$79,628), and said payment shall be delivered to a title insurance company after evidence of satisfactory title has been provided to and approved by the City Attorney. The SETTLEMENT AMOUNT - \$111,834 and the CLOSING COSTS AND TITLE EXPENSES - \$3,000 together shall not exceed the REVISED AUTHORIZED AMOUNT - \$114,834, which includes amounts authorized in the FIRST RESOLUTION.

October 22, 2014

SECTION 6. That the CITY is to have possession and/or use, as applicable, of the PROPERTY at closing; and the CITY will pay any CLOSING COSTS AND TITLE EXPENSES. All costs and expenses described in this section shall be paid from the previously described funds.

SECTION 7. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

EXHIBIT "B"

EASEMENT – ACCESS [Specific Location]

Grantor, for Grantor and Grantor's heirs, successors and assigns ("the holder of the easement") does hereby reserve an easement over, on and across the property described in Attachment "1", attached hereto and made a part hereof by reference for all purposes, (the "Easement Property") to provide free and uninterrupted pedestrian, vehicular and utility access to and from Grantor's adjoining or abutting property, being more fully described in Attachment "2", attached hereto and made a part hereof by reference for all purposes, (the "Dominant Estate Property") and portions thereof, in a manner as not to endanger or interfere with the safe, efficient and/or convenient use of and activity on the property described in Exhibit "A" by City.

The easement is appurtenant to and runs with the Dominant Estate Property and all portions of it, whether or not the easement is referenced in any conveyance of the Dominant Estate Property or any portion of it. The easement binds and inures to the benefit of Grantor and City and their respective heirs, successors, and assigns.

The easement is perpetual.

This easement is nonexclusive, and City reserves for City and City's successors and assigns the right to convey the same or similar easement or other rights or easements to others. Notwithstanding any provision of this easement reservation to the contrary, City and City's successors and assigns shall in all respects and at all times have the superior and paramount right of use, access and control of the Easement Property, without any liability for damages, destruction or injury to any improvements located in the easement, from time to time.

Professionally engineered plans and specifications bearing the seal of a professional engineer currently registered in the State of Texas showing any and all improvements desired by the holder of the easement, including without limitation, fill or removal of soil within the easement, paving, support, protection of City's uses, utility lines, structures and facilities, must be submitted to and approved in writing by the City of Dallas Water Department ("DWU") in advance of any construction by the holder of the easement. No vehicle, equipment or machinery exceeding a total weight of 15,000 lbs may come on the easement or any use be allowed to exist that would exceed said weight limit at any time during normal use unless confined to the designated access points on improvements the plans and specifications for which are structurally designed and constructed with supporting appurtenances that meet or exceed H20 highway design capacity and that protect the City's facilities from all imposed loading. The parties acknowledge and agree that the paramount consideration in the evaluation of any proposed improvements is to fully and completely accommodate City's uses (current, anticipated, and/or potential) of the property described in Exhibit "A" and any facilities it may install. Consequently, City's determinations in this regard are conclusive and final. All such improvements and maintenance of the Easement Property will be at the sole expense of the holder of the easement and must be constructed in a good and workmanlike manner in

conformity with the approved plans and specifications. The holder of the easement will maintain the Easement Property in a neat, clean and safe condition at all times.

The holder of the easement agrees to indemnify, defend and hold City and City's successors in interest harmless from any loss, attorney's fees, court and other costs, expenses or claims attributable to any breach or default of any provision of this easement by the holder and/or any negligent act or omission by the holder with regard to this easement. In the event the holder of the easement shall place any unpermitted structure, improvement, use or material within the Easement Property and fails to remove same immediately upon receipt of notice from City, City shall have the right, but not the obligation, to remove such structure, improvement, use and/or material, and the holder of the easement shall reimburse City for any and all costs connected with such action immediately upon demand.

WHEREAS, the City Council of the City of Dallas, acting pursuant to law and upon the request and petition of ATA Apartments Limited Partnership, a Delaware limited partnership; hereinafter referred to as **GRANTEE**, deems it advisable to abandon, relinquish and quitclaim the City of Dallas' right, title and interest in and to the hereinafter described tract of land to **GRANTEE**, and is of the opinion that, subject to the terms and conditions herein provided, said easement is no longer needed for municipal use, and same should be abandoned, relinquished and quitclaimed to **GRANTEE** as hereinafter provided, for the consideration hereinafter stated; and

WHEREAS, the City Council of the City of Dallas is of the opinion that the best interest and welfare of the City will be served by abandoning, relinquishing and quitclaiming the same to **GRANTEE** for the consideration and subject to the terms and conditions hereinafter more fully set forth; **Now, Therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City of Dallas hereby abandons and relinquishes all of its right, title and interest in and to the tract of land described in Exhibit A, attached hereto and made a part hereof; subject, however, to the conditions hereinafter more fully set out.

SECTION 2. That for and in monetary consideration of the sum of **FIVE THOUSAND FOUR HUNDRED AND NO/100 (\$5,400.00) DOLLARS** paid by **GRANTEE**, and the further consideration described in Section 8, the City of Dallas does by these presents **FOREVER QUITCLAIM** unto the said **GRANTEE**, subject to the conditions, reservations, and exceptions hereinafter made and with the restrictions and upon the covenants below stated, all its right, title and interest in and to that certain tract or parcel of land hereinabove described in Exhibit A. **TO HAVE AND TO HOLD** all of such right, title and interest in and to the property and premises, subject aforesaid, together with all and singular the rights, privileges, hereditaments and appurtenances thereto in any manner belonging unto the said **GRANTEE** forever.

SECTION 3. That upon payment of the monetary consideration set forth in Section 2, **GRANTEE** accepts the terms, provisions, and conditions of this ordinance.

SECTION 4. That the City Controller is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction - Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 5. That the abandonment, relinquishment and quitclaim provided for herein are made subject to all present zoning and deed restrictions, if the latter exist, and are subject to all existing easement rights of others, if any, whether apparent or non-apparent, aerial, surface, underground or otherwise.

SECTION 6. That the terms and conditions contained in this ordinance shall be binding upon **GRANTEE**, its successors and assigns.

SECTION 7. That the abandonment, relinquishment and quitclaim provided for herein shall extend only to that interest the Governing Body of the City of Dallas may legally and lawfully abandon, relinquish and quitclaim.

SECTION 8. That as a condition of this abandonment and as a part of the consideration for the quitclaim to **GRANTEE** herein, **GRANTEE**, its successors and assigns, agree to indemnify, defend, release and hold the City of Dallas whole and harmless against any and all claims for damages, fines, penalties, costs or expenses to persons or property that may arise out of, or be occasioned by or from: (i) the use and occupancy of the property described in Exhibit A by **GRANTEE**, its successors and assigns; (ii) the presence, generation, spillage, discharge, release, treatment or disposition of any Hazardous Substance on or affecting the area set out in Exhibit A, (iii) all corrective actions concerning any discovered Hazardous Substances on or affecting the area described in Exhibit A, which **GRANTEE**, its successors and assigns agree to undertake and complete in accordance with applicable federal, state and local laws and regulations; and (iv) the abandonment, closing, vacation and quitclaim by the City of Dallas of the area set out in Exhibit A. **GRANTEE**, its successors and assigns hereby agree to defend any and all suits, claims, or causes of action brought against the City of Dallas on account of same, and discharge any judgment or judgments that may be rendered against the City of Dallas in connection therewith. For purposes hereof, “Hazardous Substance” means the following: (a) any “hazardous substances” under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq., as amended; (b) any “hazardous substance” under the Texas Hazardous Substances Spill Prevention and Control Act, TEX. ORDINANCE NO. _____

An ordinance providing for the abandonment and relinquishment of a portion of a water easement, located in City Block E/8222 in the City of Dallas and County of Dallas, Texas; providing for the quitclaim thereof to IMT Capital III Prestonwood LP; providing for the terms and conditions of the abandonment, relinquishment and quitclaim made herein; providing for the conveyance of a new easement, to the City of Dallas and the relocation of existing facilities; providing for the indemnification of the City of Dallas against damages arising out of the abandonment herein; providing for the consideration to be paid to the City of Dallas; providing a future effective date for the abandonment, relinquishment and quitclaim made herein; providing for the payment of the publication fee; and providing an effective date for this ordinance.

ooo0ooo

WHEREAS, the City Council of the City of Dallas, acting pursuant to law and upon the request and petition of IMT Capital III Prestonwood LP, a Delaware limited partnership; hereinafter referred to as **GRANTEE**, deems it advisable to abandon, relinquish and quitclaim the City of Dallas' right, title and interest in and to the hereinafter described tract of land to **GRANTEE**, and is of the opinion that, subject to the terms and conditions herein provided, said easement is no longer needed for municipal use, and same should be abandoned, relinquished and quitclaimed to **GRANTEE** as hereinafter provided, for the consideration hereinafter stated; and

WHEREAS, the City Council of the City of Dallas is of the opinion that the best interest and welfare of the City will be served by abandoning, relinquishing and quitclaiming the same to **GRANTEE** for the consideration and subject to the terms and conditions hereinafter more fully set forth; **Now, Therefore**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City of Dallas hereby abandons and relinquishes all of its right, title and interest in and to the tract of land described in Exhibit A, attached hereto and made a part hereof; subject, however, to the conditions and future effective date hereinafter more fully set out.

SECTION 2. That for and in monetary consideration of the sum of **FIVE THOUSAND FOUR HUNDRED AND NO/100 (\$5,400.00) DOLLARS** paid by **GRANTEE**, and the further consideration described in Sections 8 and 10, the City of Dallas does by these presents **FOREVER QUITCLAIM** unto the said **GRANTEE**, subject to the conditions, reservations, future effective date and exceptions hereinafter made and with the restrictions and upon the covenants below stated, all its right, title and interest in and to that certain tract or parcel of land hereinabove described in Exhibit A. **TO HAVE AND TO HOLD** all of such right, title and interest in and to the property and premises, subject aforesaid, together with all and singular the rights, privileges, hereditaments and appurtenances thereto in any manner belonging unto the said **GRANTEE** forever.

SECTION 3. That upon payment of the monetary consideration set forth in Section 2, **GRANTEE** accepts the terms, provisions, and conditions of this ordinance.

SECTION 4. That the City Controller is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction - Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 5. That the abandonment, relinquishment and quitclaim provided for herein are made subject to all present zoning and deed restrictions, if the latter exist, and are subject to all existing easement rights of others, if any, whether apparent or non-apparent, aerial, surface, underground or otherwise.

SECTION 6. That the terms and conditions contained in this ordinance shall be binding upon **GRANTEE**, its successors and assigns.

SECTION 7. That the abandonment, relinquishment and quitclaim provided for herein shall extend only to that interest the Governing Body of the City of Dallas may legally and lawfully abandon, relinquish and quitclaim.

SECTION 8. That as a condition of this abandonment and as a part of the consideration for the quitclaim to **GRANTEE** herein, **GRANTEE**, its successors and assigns, agree to indemnify, defend, release and hold whole and harmless the City of Dallas of, from and against any and all claims for damages, fines, penalties, costs or expenses to persons or property that may arise out of, or be occasioned by or from: (i) the use and occupancy of the property described in Exhibit A by **GRANTEE**, its successors and assigns; (ii) the presence, generation, spillage, discharge, release, treatment or disposition of any Hazardous Substance on or affecting the area set out in Exhibit A, (iii) all corrective actions concerning any discovered Hazardous Substances on or affecting the area described in Exhibit A, which **GRANTEE**, its successors and assigns agree to undertake and complete in accordance with applicable federal, state and local laws and regulations; and (iv) the abandonment, closing, vacation and quitclaim by the City of Dallas of the area set out in Exhibit A. **GRANTEE**, its successors and assigns hereby agree to defend any and all suits, claims, or causes of action brought against the City of Dallas on account of same, and discharge any judgment or judgments that may be rendered against the City of Dallas in connection therewith. For purposes hereof, "Hazardous Substance" means the following: (a) any "hazardous substances" under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq., as amended; (b) any "hazardous substance" under the Texas Hazardous Substances Spill Prevention and Control Act, TEX. WATER CODE, Section 26.261 et seq., as amended; (c) petroleum or petroleum-based products (or any derivative or hazardous constituents thereof or additives thereto), including without limitation, fuel and lubricating oils; (d) any "hazardous chemicals" or "toxic chemicals" under the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq., as amended; (e) any "hazardous waste" under the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq., as amended; and (f) any "chemical substance" under the Toxic Substance Control Act, 15 U.S.C. Section 2601 et seq., as amended. References to particular acts or codifications in this definition include all past and future amendments thereto, as well as applicable rules and regulations as now or hereafter promulgated thereunder.

SECTION 9. That this abandonment, relinquishment and quitclaim of the City's right, title and interest in and to said water easement shall not become effective until and unless: (i) the existing water main installations and facilities are relocated, at **GRANTEE's** expense, to the new easement to be provided by **GRANTEE** and acceptable to the Director of Department of Sustainable Development and Construction, as is hereinafter provided; and (ii) plans for the construction and relocation of water main installations within the new easement are approved by the Director of Department of Sustainable Development and Construction; and (iii) said construction and relocation of water main installations are completed, approved and accepted in writing by the Director of Department of Sustainable Development and Construction. All work shall be done at the sole cost of **GRANTEE** and to the satisfaction of the Director of Department of Sustainable Development and Construction.

SECTION 10. That as a condition of this abandonment and relinquishment and as a part of the consideration for the quitclaim made herein, **GRANTEE** shall record a final replat of adjoining properties within one year after passage of this ordinance showing the dedication of not less than 18,037 square feet for a water easement in City Block E/8222, satisfactory to the Director of Department of Sustainable Development and Construction. This final replat shall be recorded by **GRANTEE** in the Deed Records of Dallas County, Texas after its approval by the City Plan Commission of the City of Dallas. Failure to record a final replat in accordance with the terms of this section shall render this ordinance null and void, and of no further effect. Further, the final replat shall be filed with the Department of Sustainable Development and Construction of the City of Dallas before a certified copy of this ordinance shall be delivered to **GRANTEE**.

SECTION 11. That at such time as the instrument described in Section 10 above is executed and delivered to the City of Dallas and has been approved as to form by the City Attorney it be accepted, and thereafter, the Director of Department of Sustainable Development and Construction is authorized and directed to record said instrument in the Deed Records of Dallas County, Texas; and the recorded instrument shall be forwarded to the City Secretary for permanent record.

SECTION 12. That the City Secretary is hereby authorized and directed to certify a copy of this ordinance for recordation in the Deed Records of Dallas County, Texas, which certified copy shall be delivered to the Director of Department of Sustainable Development and Construction, or designee. Upon receipt of the monetary consideration set forth in Section 2, the recording of the final replat as set forth in Section 10, plus the fee for the publishing of this ordinance, which **GRANTEE** shall likewise pay, the Director of Department of Sustainable Development and Construction, or designee shall deliver to **GRANTEE** a certified copy of this ordinance. The Director of Department of Sustainable Development and Construction, or designee, shall be the sole source for receiving certified copies of this ordinance for one year after its passage.

SECTION 13. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

ORDINANCE NO. _____

An ordinance providing for the abandonment of portions of Darien Street and Pollard Street (formerly Main Street) located adjacent to City Blocks 7242, 7244 and 7245 in the City of Dallas and County of Dallas, Texas; providing for the quitclaim thereof to Cross Street Services, Inc.; providing for the terms and conditions of the abandonment and quitclaim made herein; providing for barricading; providing for the indemnification of the City of Dallas against damages arising out of the abandonment herein; providing for the consideration to be paid to the City of Dallas; providing for the payment of the publication fee; providing a future effective date for this abandonment; and providing an effective date for this ordinance.

ooo0ooo

WHEREAS, the City Council of the City of Dallas, acting pursuant to law and upon the request and petition of Cross Street Services, Inc., an Arkansas corporation, hereinafter referred to as **GRANTEE**, deems it advisable to abandon and quitclaim the hereinafter described tracts of land to **GRANTEE**, and is of the opinion that, subject to the terms and conditions herein provided, said street rights-of-way are not needed for public use, and same should be abandoned and quitclaimed to **GRANTEE**, as hereinafter stated; and

WHEREAS, the City Council of the City of Dallas is of the opinion that the best interest and welfare of the public will be served by abandoning and quitclaiming the same to **GRANTEE** for the consideration and subject to the terms and conditions hereinafter more fully set forth;

Now, Therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the tracts of land described in Exhibit A, which is attached hereto and made a part hereof for all purposes, be and the same are abandoned, vacated and closed insofar as the right, title and interest of the public are concerned; subject, however, to the conditions and future effective date hereinafter more fully set out.

SECTION 2. That for and in monetary consideration of the sum of **NINETEEN THOUSAND NINE HUNDRED EIGHTY-THREE AND NO/100 DOLLARS (\$19,983.00)**

paid by **GRANTEE**, and the further consideration described in Sections 8, 9 and 10, the City of Dallas does by these presents **FOREVER QUITCLAIM** unto the said **GRANTEE**, subject to the conditions, reservations, future effective date and exceptions hereinafter made and with the restrictions and upon the covenants below stated, all of its right, title and interest in and to the certain tracts of land hereinabove described in Exhibit A. **TO HAVE AND TO HOLD** all of such right, title and interest in and to the property and premises, subject aforesaid, together with all and singular the rights, privileges, hereditaments and appurtenances thereto in any manner belonging unto the said **GRANTEE** forever.

SECTION 3. That upon payment of the monetary consideration set forth in Section 2, **GRANTEE** accepts the terms, provisions, future effective date and conditions of this ordinance.

SECTION 4. That the City Controller is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction-Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 5. That the abandonment and quitclaim provided for herein are made subject to all present zoning and deed restrictions, if the latter exist, and are subject to all existing easement rights of others, if any, whether apparent or non-apparent, aerial, surface, underground or otherwise, and are further subject to the conditions contained in Exhibit B, which is attached hereto and made a part hereof for all purposes.

SECTION 6. That the terms and conditions contained in this ordinance shall be binding upon **GRANTEE**, its successors and assigns.

SECTION 7. That the abandonment and quitclaim provided for herein shall extend only to the public right, title, easement and interest, and shall be construed to extend only to that interest the Governing Body of the City of Dallas may legally and lawfully abandon

and vacate.

SECTION 8. That as a condition of this abandonment and as a part of the consideration for the quitclaim to **GRANTEE** herein, **GRANTEE**, its successors and assigns, agree to indemnify, defend, release and hold whole and harmless the City of Dallas of, from and against any and all claims for damages, fines, penalties, costs or expenses to persons or property that may arise out of, or be occasioned by or from: (i) the use and occupancy of the property described in Exhibit A by **GRANTEE**, its successors and assigns; (ii) the presence, generation, spillage, discharge, release, treatment or disposition of any Hazardous Substance on or affecting the areas set out in Exhibit A; (iii) all corrective actions concerning any discovered Hazardous Substances on or affecting the areas described in Exhibit A, which **GRANTEE**, its successors and assigns, agree to undertake and complete in accordance with applicable federal, state and local laws and regulations; and (iv) the abandonment, closing, vacation and quitclaim by the City of Dallas of the areas set out in Exhibit A. **GRANTEE**, its successors and assigns, hereby agree to defend any and all suits, claims, or causes of action brought against the City of Dallas on account of same, and discharge any judgment or judgments that may be rendered against the City of Dallas in connection therewith. For purposes hereof, "Hazardous Substance" means the following: (a) any "hazardous substances" under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq., as amended; (b) any "hazardous substance" under the Texas Hazardous Substances Spill Prevention and Control Act, TEX. WATER CODE, Section 26.261 et seq., as amended; (c) petroleum or petroleum-based products (or any derivative or hazardous constituents thereof or additives thereto), including without limitation, fuel and lubricating oils; (d) any "hazardous chemicals" or "toxic chemicals" under the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq., as amended; (e) any "hazardous waste" under the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq., as amended; and (f) any "chemical substance" under the Toxic Substance Control Act, 15 U.S.C. Section 2601 et seq., as amended. References to particular acts or codifications in this definition include all past and future amendments thereto, as well as applicable rules and regulations as now or hereafter promulgated thereunder.

SECTION 9. That as a condition of this abandonment and as a part of the consideration for the quitclaim made herein, **GRANTEE** shall file a final replat of the adjoining properties within one year of the effective date of this ordinance and prior to the issuance of any building permits affecting the tracts of land abandoned and quitclaimed herein. This final replat shall be recorded by **GRANTEE** in the official real property records of the county in which the abandoned areas are located after its approval by the City Plan Commission of the City of Dallas. This abandonment shall not become effective unless and until this replat is complete. Failure to record a final replat in accordance with the terms of this section shall render this ordinance null and void and of no further effect.

SECTION 10. That as a condition of this abandonment and as a part of the consideration for the quitclaim made herein, **GRANTEE** shall, immediately upon the effectiveness of this ordinance, close, barricade and/or place signs in the areas described in Exhibit A in accordance with detailed plans approved by the Director of Department of Sustainable Development and Construction. **GRANTEE's** responsibility for keeping the areas described in Exhibit A closed, barricaded and/or the signs in place shall continue until the street improvements and intersection returns are removed by **GRANTEE**, its successors and assigns, to the satisfaction of the Director of Department of Sustainable Development and Construction.

SECTION 11. That the City Secretary is hereby authorized and directed to certify a copy of this ordinance for recordation in the official real property records of the county in which the abandonment areas are located, which certified copy shall be delivered to the Director of Department of Sustainable Development and Construction, or designee. Upon receipt of the monetary consideration set forth in Section 2, plus the fee for the publishing of this ordinance, which **GRANTEE** shall likewise pay, and the filing of the final replat set forth in Section 9, the Director of Department of Sustainable Development and Construction, or designee: (i) shall deliver to **GRANTEE** a certified copy of this ordinance, and (ii) is authorized to and shall prepare and deliver a **QUITCLAIM DEED** with regard to the areas abandoned herein, to **GRANTEE** hereunder, same to be executed by the City Manager on behalf of the City of Dallas, attested by the City Secretary and approved as to form by the City Attorney.

The Director of Department of Sustainable Development and Construction, or designee, shall be the sole source for receiving certified copies of this ordinance for one year after its passage.

SECTION 12. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

ADDITIONAL ABANDONMENT PROVISIONS

That as a condition hereof, this abandonment is subject to any utilities or communication facilities, including without limitation water and wastewater lines, gas lines, and storm sewers, ("Facilities") presently located within the abandoned area described in Exhibit "A", owned and/or operated by the City of Dallas or any utility or communications company, public or private, ("Utility") and to the rights of any Utility for the use of the abandoned area for its Facilities. It is the intent of the foregoing to confirm and maintain and there is hereby reserved and excepted unto the City of Dallas, and not abandoned or conveyed hereunder, an easement (to which this abandonment is made expressly subject) over, upon, under, through, in, and across the abandoned area for each Utility for its respective Facilities located therein at the time of this abandonment, together with the right to make any subsequent alterations, additions, expansions, upgrades or modifications to such Facilities as may, from time to time be deemed necessary or convenient by the Utility owning and/or operating same. No buildings, structures (above or below ground) or trees shall be constructed or placed within the abandoned area without written consent of each affected Utility. Each Utility shall have the full right to remove and keep removed all or part of any buildings, fences, trees, or other improvements or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective Facilities lying within the abandoned area and shall at all times have the full right of ingress and egress to or from and upon the abandoned area for the purposes of reconstructing, removing, relocating, inspecting, patrolling, maintaining, expanding, upgrading, and/or adding to all or part of its Facilities without the necessity at any time of procuring the permission of anyone. The easement reserved hereunder and the conditions and restrictions to which this abandonment is subject shall remain for the benefit of the applicable Utility and/or operators of the Facilities until said Facilities are removed and relocated from the abandoned area. The relocation, removal or adjustment of any or all such Facilities, if made necessary by GRANTEE'S (whether one or more natural persons or legal entities) use of the abandonment area, shall be at the expense of GRANTEE herein, or GRANTEE'S successors and assigns. Should GRANTEE'S relocation or removal of the Facilities require the obtaining of new easements, the acquisition of same shall be at the expense of GRANTEE, GRANTEE'S successors and assigns. If any of the Facilities (or relocations thereof) are allowed to remain on any part of the abandoned area, the easements and buildings restrictions provided herein shall remain thereon. Upon removal or relocation of all of the Facilities, any easements reserved or created herein relating to such removed or relocated Facilities shall terminate, and any building restrictions herein created shall cease.

SUBJECT

Authorize the **(1)** deposit of the amount awarded by the Special Commissioners in the condemnation proceeding styled City of Dallas v. PNYX, Ltd., a Texas Limited Partnership, et al., Cause No. CC-14-02822-A, pending in Dallas County Court at Law No. 1, to acquire approximately 988 square feet of land, including any improvements, located on Continental Avenue at its intersection with North Riverfront Boulevard for the reconstruction of Continental Avenue; and **(2)** settlement of the condemnation proceeding for an amount not to exceed the award - Not to exceed \$44,696 (\$41,496 being the amount of the award, plus closing costs and title expenses not to exceed \$3,200); an increase of \$3,557 from the amount Council originally authorized for this acquisition - Financing: General Obligation Commercial Paper Funds

BACKGROUND

On January 22, 2014, the City Council authorized the acquisition of this property, by Resolution No. 14-0215. The property owner was offered \$37,939, which was based on a written appraisal from an independent certified appraiser. The property owner did not accept the offer and the City filed an eminent domain proceeding to acquire the property. After a hearing before the Special Commissioners on September 12, 2014, the property owner was awarded \$41,496. This item authorizes deposit of the amount awarded by the Special Commissioners for the property, which is \$3,557 more than the City Council originally authorized for this acquisition, plus closing costs and title expenses not to exceed \$3,200.

The City has no control over the Special Commissioners appointed by the judge or any award that is subsequently rendered by the Special Commissioners. The City, in order to acquire possession of the property and proceed with its improvements, must deposit the amount awarded by the Special Commissioners in the registry of the Court.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

Authorized acquisition on January 22, 2014, by Resolution No. 14-0215.

Council will be briefed by memorandum concerning this item.

Authorize a construction contract with METCO Engineering, Inc., lowest responsible bidder of four, for construction of the Emergency Backup Generator (2255 Irving Boulevard) and Cole Park Switchgear (Cole Park Pump Station) Projects – Not to exceed \$249,300 – Financing: Stormwater Drainage Management Capital Construction Funds

BACKGROUND

The Trinity Watershed Management Department operates and maintains flood protection systems for the City of Dallas by operating and maintaining the Dallas Floodway consisting of drainage structures, channels, levees, fourteen pump stations and other facilities across the City. The pump stations are continuously monitored and controlled by operations from the Flood Control Division offices at 2255 Irving Boulevard.

Electrical improvements are needed at two locations. The 2255 Irving Boulevard location requires electrical improvements as well as connection of an emergency backup power generator to the electrical system. The Cole Park Pump Station, located at 3112 Cambrick, requires repairs to the electrical switchgear. These repairs are necessary to ensure operational reliability.

This action will authorize a contract with METCO Engineering, Inc., lowest responsive bidder of four, to perform the work needed at these facilities.

Authorize an increase in the contract with Ratliff Hardscape, Ltd. for the installation of entry enhancements and for additional miscellaneous items along the project for the AT&T Trail Project – Not to exceed \$379,107, from \$ 2,005,343 to \$2,384,450 – Financing: Private Funds

BACKGROUND

The Trinity River Corridor Master Implementation Plan identified the creation of a multipurpose trail system along the length of the Great Trinity Forest. The purpose of this trail system is to improve public and maintenance access to a portion of the Great Trinity Forest and provide recreational uses such as walking, jogging, biking, and horseback riding. The City of Dallas has constructed approximately 4 miles of this trail system.

On May 15, 2012 the City entered into an agreement with AT&T to accept a \$2.5 million grant in exchange for the naming rights and non-competitor naming opportunities of approximately 4.25 miles of portions of Trinity Trails Phases II, III, IV and V. The approximate 4.25 miles of Trinity Trails, including rest areas, structures or other physical improvements and features along this portion of the trail, shall be marked and exclusively named the “AT&T Trail” for a period of forty (40) years after completion of the project.

This action authorizes Change Order No. 3 with Ratliff Hardscape, Ltd. for additional work including the installation of entry enhancements, adding AT&T logo to benches, and additional miscellaneous items such as grass seeding, lime treatment to subgrade, and removal of dead trees along the project.

SUBJECT

Authorize Interlocal Agreements with the City of Lancaster, the City of DeSoto, and the City of Cedar Hill to allow the City of Dallas to construct, own, and operate a 96-inch water transmission main within the corporate limits of Lancaster, DeSoto, and Cedar Hill
- Financing: No cost consideration to the City

BACKGROUND

The City of Dallas is currently undertaking the design and property acquisition of approximately 32 miles of 96-inch and 120-inch water transmission pipeline starting from the Eastside Water Treatment Plant in Sunnyvale to the Summit Ground Storage Tanks in Cedar Hill. The pipeline will be located in Dallas and several neighboring cities, including Sunnyvale, Mesquite, Balch Springs, Hutchins, Lancaster, DeSoto, Duncanville, and Cedar Hill.

The water transmission main is required to facilitate conveyance of treated water to the south and southwestern portions of Dallas and its customer cities. Installation of the water transmission main is needed to meet near and long-term demands associated with population growth as determined through master planning efforts. The overall pipeline is sized to meet year 2050 water demands and will provide flexibility, redundancy, reliability, increased capacity, and improved operation to Dallas Water Utilities' existing system.

This action will allow the City of Dallas to enter into agreements for the construction, operation, and maintenance of a 96-inch water transmission pipeline within the corporate limits of Lancaster, DeSoto, and Cedar Hill. These agreements have been approved by the City Councils of Lancaster, DeSoto, and Cedar Hill. The agreements include provisions for review of construction plans, separation requirements for crossing and parallel utilities, design and construction administration by the City of Dallas, as well as notification and coordination for the construction, operation, and maintenance of the pipeline.

BACKGROUND (Continued)

Agreements with the remaining cities within the pipeline route are being negotiated and will be presented to the City Council for approval at a future date.

Authorize **(1)** a thirty-year contract with the City of Cedar Hill to continue providing treated water services, from September 26, 2014 through September 25, 2044, with estimated annual revenue in the amount of \$3,146,686; and **(2)** a Reciprocal Agreement for Water and or Wastewater Services, with an estimated annual expenditure of \$1,250 - Financing: Water Utilities Current Funds: (\$1,250, annually) (subject to annual appropriations) and Estimated Annual Revenue: \$3,146,686

BACKGROUND

This item is for authorization to enter into a new wholesale treated water contract, including Reciprocal Water and/or Wastewater Agreement, with the City of Cedar Hill, Texas. This entity is currently receiving City of Dallas treated water under an existing wholesale treated water contract which will expire on September 26, 2014.

The City of Cedar Hill is located within Dallas Water Utilities' service area and desires to continue to purchase treated water from the City of Dallas under the terms of a standard wholesale treated water customer contract.

The existing wholesale treated water contract also includes a Reciprocal Agreement for Water and/or Wastewater Services which provides for service to retail customers across corporate boundary lines on a temporary basis until facilities are extended by the city requiring the service, providing the service is requested by the city requiring it and approved by the city providing it. Dallas and Cedar Hill share common corporate boundary lines in Southern Dallas County.

Authorize an Advance Funding Agreement with the State of Texas, acting through the Texas Department of Transportation, for construction of water and wastewater main relocations and appurtenance adjustments in Northwest Highway (Loop 12) from west of Harry Hines Boulevard to west of Midway Road - Not to exceed \$1,753,000 - Financing: Water Utilities Capital Construction Funds (\$23,000) and Water Utilities Capital Improvement Funds (\$1,730,000)

BACKGROUND

This action consists of the construction of approximately 172 feet of 6-inch water main, 2,956 feet of 8-inch water main, 2,143 feet of 8-inch wastewater main, and routine water and wastewater appurtenance adjustments in conjunction with construction of intersection improvements by the Texas Department of Transportation (TxDOT) in Northwest Highway (Loop 12) from west of Harry Hines Boulevard to west of Midway Road. TxDOT has designed the intersection improvements and Dallas Water Utilities (DWU) has designed the water and wastewater utility relocations. TxDOT will administer the project during construction and has agreed to incorporate DWU's water and wastewater main relocations and appurtenance adjustments into their construction contracts.

Under the Advance Funding Agreement with the State of Texas, acting through TxDOT, DWU will provide the funding and construction inspection services for the water and wastewater main relocations and appurtenance adjustments. TxDOT will be responsible for administering the construction of the water and wastewater main relocations and appurtenance adjustments. Contract No. 14-347/348F
Water and Wastewater Main Relocations and Adjustments
in Northwest Highway (Loop 12) from west of Harry Hines Boulevard
to west of Midway Road

October 22, 2014

WHEREAS, the Texas Department of Transportation (TxDOT) has plans for construction of water and wastewater main relocations and appurtenance adjustments in Northwest Highway (Loop 12) from west of Harry Hines Boulevard to west of Midway Road; and,

WHEREAS, TxDOT has agreed to incorporate Dallas Water Utilities' (DWU) water and wastewater main relocations and appurtenance adjustments in Northwest Highway (Loop 12) from west of Harry Hines Boulevard to west of Midway Road into their contract; and,

WHEREAS, TxDOT has submitted an acceptable Advance Funding Agreement that incorporates DWU's relocations and adjustments in advance of paving into the State's construction plans; and,

WHEREAS, under the Advance Funding Agreement with the State of Texas, acting through TxDOT, DWU will provide funding, construction inspection services, and approval of any design changes for the water and wastewater main relocations and adjustments; and,

WHEREAS, the Advance Funding Agreement will allow the State to proceed with the advertisement, award of the construction contract, and provide contract administration.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is hereby authorized to enter into an Advance Funding Agreement with the State of Texas, acting through the Texas Department of Transportation, for construction of water and wastewater main relocations and appurtenance adjustments in Northwest Highway (Loop 12) from west of Harry Hines Boulevard to west of Midway Road, after approval of the contract documents by the City Attorney.

Section 2. That the City Controller is hereby authorized to pay the amount of \$1,753,000.00 from the Water Capital Improvement Fund, Water Construction Fund, Wastewater Capital Improvement Fund, and Wastewater Construction Fund as follows:

SUBJECT

Authorize a contract for roof maintenance and repair service at all Dallas Water Utilities owned buildings - Texas Roof Management, Inc., lowest responsible bidder of two - Not to exceed \$1,065,983 - Financing: Water Utilities Capital Construction Funds

BACKGROUND

Dallas Water Utilities owns buildings with approximately 1.4 million square feet of roof systems that have an estimated replacement value of \$12,000,000. In FY2012-13, a roof assessment was performed on all buildings located at all water and wastewater treatment plants, pump stations, and off-site facilities. The comprehensive assessment provided roof maintenance guidelines and a schedule, which will be addressed under this contract.

Approval of this action will provide the means to have manufacturers' certified roofing specialists perform maintenance and repairs at all Dallas Water Utilities facilities. Maintaining roofs will extend the life of the roof system and the buildings, and will provide protection to various types of critical equipment, including motors, pumps, electrical instrumentation, and process controls. Ongoing roof maintenance ensures the continued reliable water and wastewater services that are provided to approximately 2.3 million customers in Dallas and its customer cities.

SUBJECT

Authorize Supplemental Agreement No. 1 to the engineering contract with CH2M HILL Engineers, Inc., for additional engineering services to provide construction management services for construction contracts related to **(1)** water quality improvements at the Elm Fork Water Treatment Plant and the Bachman Water Treatment Plant; and **(2)** relocation of a 48-inch wastewater main just north of the Bachman Lake Dam - Not to exceed \$3,963,775, from \$3,611,650 to \$7,575,425 - Financing: Water Utilities Capital Improvement Funds

BACKGROUND

This action consists of providing construction management services for year two of water quality improvement construction contracts at the Elm Fork Water Treatment Plant and the Bachman Water Treatment Plant. Construction management services are also being provided for a \$15M project to relocate 5,700 feet of 48-inch wastewater main via tunneling, just north of the Bachman Lake Dam. The contract will manage and coordinate an anticipated \$190M of new construction at the listed sites, including the current \$48M water quality improvements project at the Bachman Water Treatment Plant. This construction management contract was planned as a phased approach to match each fiscal year's construction projects with construction management needs. The intent of the annual authorization via supplemental agreements is to assure continuity in management and review of services.

Construction management services under this contract will plan and coordinate construction projects as the City's representative. This contract will both partner with and augment current City staff assigned to these projects. The construction management firm will be responsible for ensuring that all work is accomplished in accordance with the project plans and specifications, in a manner that meets the operational objectives, negotiating change orders, and aiding in resolution of any conflicts.

BACKGROUND (Continued)

Construction management services are necessary to efficiently schedule and stage complex, simultaneous construction activities with multiple contractors. Additional construction management services include schedule and budget evaluations, value engineering, constructability reviews, accuracy checks on cost estimates, monitoring the quality of the construction work, and documenting the materials, labor, and equipment used.

SECTION 5. That the CITY is to have possession of the PROPERTY at closing; and the CITY will pay any title expenses and closing costs. In the event of condemnation, the CITY will pay court costs as may be assessed by the Special Commissioners or the court. Further, that litigation expenses determined by the City Attorney to be necessary are authorized for payment. All costs and expenses described in this section shall be paid from the previously described funds.

October 22, 2014

SECTION 6. That if the OWNER refuses to accept the OFFER AMOUNT the CITY will appropriate the PROPERTY INTEREST in the PROPERTY for the PROJECT under the laws of eminent domain and the provisions of the Charter of the City of Dallas. In such case, the City Attorney is authorized and requested to file the necessary suit(s) and take the necessary action for the prompt acquisition of the PROPERTY INTEREST in the PROPERTY by condemnation or in any manner provided by law.

SECTION 7. That in the event it is subsequently determined that additional persons other than those named herein have an interest in the PROPERTY, the City Attorney is authorized and directed to join said parties as defendants in said condemnation suit(s).

SECTION 8. That to the extent the PROPERTY is being purchased wholly or partly with bond proceeds CITY has obtained an independent appraisal of the PROPERTY'S market value.

SECTION 9. That OWNER has been provided with a copy of the Landowner's Bill of Rights as required by Texas Property Code Section 21.0112.

SECTION 10. That in the event the Special Commissioners in Condemnation appointed by the Court return an award that is the same amount or less than the OFFER AMOUNT, the City Attorney is hereby authorized to settle the lawsuit for that amount and the City Controller is hereby authorized to issue a check drawn on the previously described funds in an amount not to exceed the Commissioners' award made payable to the County Clerk of Dallas County, to be deposited into the registry of the Court, to enable the CITY to take possession of the PROPERTY without further action of the Dallas City Council.

SECTION 11. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

1	Cinthia Hinojosa Collazo	\$ 270	\$2,000	\$ 2,270	385
2	Lula Cornelius Earl Cornelius	\$ 1,110	\$2,000	\$ 3,110	1,303
3	Sherita Briscoe Leon D. Thompson Reburt K. Thompson Chinequa Cole Adrian Cole	\$ 4,326	\$2,000	\$ 6,326	2,702

Provided, however, that the term "OWNER" as used in this resolution means all persons having an ownership interest, regardless of whether those persons are actually named herein.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the USE of the PROPERTY for the PROJECT is a public use.

October 22, 2014

SECTION 2. That public necessity requires that the CITY acquire the PROPERTY INTEREST in the PROPERTY for the PROJECT.

SECTION 3. That for the purpose of acquiring the PROPERTY INTEREST in the PROPERTY, the Assistant Director of the Department of Sustainable Development and Construction Department, Real Estate Division, or designee, is hereby authorized and directed to offer the OFFER AMOUNT as payment for the PROPERTY INTEREST in the PROPERTY.

SECTION 4. That in the event the OWNER accepts the OFFER AMOUNT, the City Controller is authorized and directed to draw a warrant in favor of the OWNER, or the then current owner of record, or the title company closing the transaction described herein in the OFFER AMOUNT and CLOSING COSTS AND TITLE EXPENSES payable out of 2003 Bond Funds – Specified Street Projects Fund, Fund No. 4R21, Department PBW, Unit R793, Activity SSUD, Program No. PB03R793, Object 4250, Encumbrance No. for each is stated below. The OFFER AMOUNT, CLOSING COSTS and TITLE EXPENSES together shall not exceed the AUTHORIZED AMOUNT below:

Parcel No.	Owner	Offer Amount Not to Exceed	Closing Costs	Authorized Amount	Encumbrance No.
1	Cinthia H. Collazo	\$ 270	\$2,000	\$ 2,270	SUSSDR79364
2	Lula Cornelius Earl Cornelius	\$ 1,110	\$2,000	\$ 3,110	SUSSDR79365
3	Sherita Broscoe Leon D. Thompson Reburt K. Thompson Chinequa Cole Adrian Cole	\$ 4,326	\$2,000	\$ 6,326	SUSSDR79366

SECTION 5. That the CITY is to have possession of the PROPERTY at closing; and the CITY will pay any title expenses and closing costs. In the event of condemnation, the CITY will pay court costs as may be assessed by the Special Commissioners or the court. Further, that litigation expenses determined by the City Attorney to be necessary are authorized for payment. All costs and expenses described in this section shall be paid from the previously described funds.

October 22, 2014

SECTION 6. That if the OWNER refuses to accept the OFFER AMOUNT the CITY will appropriate the PROPERTY INTEREST in the PROPERTY for the PROJECT under the laws of eminent domain and the provisions of the Charter of the City of Dallas. In such case, the City Attorney is authorized and requested to file the necessary suit(s) and take the necessary action for the prompt acquisition of the PROPERTY INTEREST in the PROPERTY by condemnation or in any manner provided by law.

SECTION 7. That in the event it is subsequently determined that additional persons other than those named herein have an interest in the PROPERTY, the City Attorney is authorized and directed to join said parties as defendants in said condemnation suit(s).

SECTION 8. That to the extent the PROPERTY is being purchased wholly or partly with bond proceeds CITY has obtained an independent appraisal of the PROPERTY'S market value.

SECTION 9. That OWNER has been provided with a copy of the Landowner's Bill of Rights as required by Texas Property Code Section 21.0112.

SECTION 10. That in the event the Special Commissioners in Condemnation appointed by the Court return an award that is the same amount or less than the OFFER AMOUNT, the City Attorney is hereby authorized to settle the lawsuit for that amount and the City Controller is hereby authorized to issue a check drawn on the previously described funds in an amount not to exceed the Commissioners' award made payable to the County Clerk of Dallas County, to be deposited into the registry of the Court, to enable the CITY to take possession of the PROPERTY without further action of the Dallas City Council.

SECTION 11. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

APPROVED AS TO FORM:
WARREN M. S. ERNST, City Attorney

BY 
Assistant City Attorney

A RESOLUTION DETERMINING UPON THE NECESSITY OF ACQUIRING REAL PROPERTY AND AUTHORIZING ITS APPROPRIATION AND/OR CONDEMNATION FOR PUBLIC USE.

DEFINITIONS: For the purposes of this resolution, the following definitions of terms shall apply:

"CITY": The City of Dallas

"PROPERTY": Located under approximately 4,691 square feet in area, lying between the subsurface elevations of 180 feet and 359 feet (U.S. Survey Feet), inclusive, North American Vertical Datum of 1988, located in Dallas County, Texas, the boundary of which property being more particularly described in "Exhibit A", attached hereto and made a part hereof for all purposes.

"PROJECT": Mill Creek/Peaks Branch/State Thomas Drainage Relief Tunnel Project

"USE": The below ground construction, installation, use, and maintenance of a deep tunnel for transmission of storm drainage.

"PROPERTY INTEREST": Flood Control Tunnel Easement

"OWNER": Rosey Doyle, Ida Nash, Lurlee Green, Bessie Still, Lola Lane, Issac Lane, Monroe Lane, Truedy Lane, Gustray Simon, Herman Simon, James Simon, Zula Henderson, John Simon, Burel Simon, Artie Crump, Eddie Woods, and Earnest West Riley, provided, however, that the term "OWNER" as used in this resolution means all persons having an ownership interest, regardless of whether those persons are actually named herein.

"OFFER AMOUNT": \$422.00

"CLOSING COSTS AND TITLE EXPENSES": Not to exceed \$1,800.00

"AUTHORIZED AMOUNT": \$2,222.00

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the USE of the PROPERTY for the PROJECT is a public use.

October 22, 2014

SECTION 2. That public necessity requires that the CITY acquire the PROPERTY INTEREST in the PROPERTY for the PROJECT.

SECTION 3. That for the purpose of acquiring the PROPERTY INTEREST in the PROPERTY, the Assistant Director of the Department of Sustainable Development and Construction Department, Real Estate Division, or such person as she may designate, is hereby authorized and directed to offer the OFFER AMOUNT as payment for the PROPERTY INTEREST in the PROPERTY.

SECTION 4. That in the event the OWNER accepts the OFFER AMOUNT, the City Controller is authorized and directed to draw a warrant in favor of the OWNER, the then current owner of record, or the title company closing the transaction described herein in the OFFER AMOUNT payable out of 2006 Bond Funds: Fund No. 1T23, Department TWM, Unit T525, Activity SDRS, Program No. PB06T525, Object 4210, Encumbrance No. CT-PBW06T525A4, CLOSING COSTS AND TITLE EXPENSES payable out of 2006 Bond Funds: Fund No. 1T23, Department TWM, Unit T525, Activity SDRS, Program No. PB06T525, Object 4230, Encumbrance No. CT-PBW06T525A5. The OFFER AMOUNT, CLOSING COSTS and TITLE EXPENSES together shall not exceed the AUTHORIZED AMOUNT.

SECTION 5. That the CITY is to have possession of the PROPERTY at closing; and the CITY will pay the CLOSING COSTS AND TITLE EXPENSES. In the event of condemnation, the CITY will pay court costs as may be assessed by the Special Commissioners or the court. Further, that litigation expenses determined by the City Attorney to be necessary are authorized for payment. All costs and expenses described in this section shall be paid from the previously described funds.

SECTION 6. That if the OWNER refuses to accept the OFFER AMOUNT, the CITY will appropriate the PROPERTY INTEREST in the PROPERTY for the PROJECT under the laws of eminent domain and the provisions of the Charter of the City of Dallas. In such case, the City Attorney is authorized and requested to file the necessary proceeding(s) and take the necessary action for the prompt acquisition of the PROPERTY INTEREST in the PROPERTY by condemnation or in any manner provided by law.

SECTION 7. That in the event it is subsequently determined that additional persons other than those named herein have an interest in the PROPERTY, the City Attorney is authorized and directed to join said parties as defendants in said condemnation proceedings or suit(s).

SECTION 8. That to the extent the PROPERTY is being purchased wholly or partly with bond proceeds CITY has obtained an independent appraisal of the PROPERTY'S market value.

October 22, 2014

SECTION 9. That OWNER has been provided with a copy of the Landowner's Bill of Rights as required by Texas Property Code Section 21.0112.

SECTION 10. That in the event the City Attorney files a condemnation proceeding because the OWNER refused to accept the OFFER AMOUNT; and in the event the special commissioners appointed by the Court return an award that is the same amount or less than the OFFER AMOUNT, the City Attorney is hereby authorized to settle the condemnation proceeding, or if the condemnation proceeding becomes a lawsuit, the lawsuit, for amount not to exceed the OFFER AMOUNT; and the City Controller is hereby authorized to issue a check drawn on the previously described funds in an amount not to exceed the OFFER AMOUNT made payable to the County Clerk of Dallas County, to be deposited into the registry of the Court, to enable the CITY to take possession of the PROPERTY without further action of the Dallas City Council; and the City Controller is hereby authorized to issue a check drawn on the previously described funds in an amount not to exceed \$1,800.00 for CLOSING COSTS AND TITLE EXPENSES in favor of the title company closing the transaction described herein. The Award, CLOSING COSTS AND TITLE EXPENSES together shall not exceed the AUTHORIZED AMOUNT.

SECTION 11. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

A RESOLUTION DETERMINING UPON THE NECESSITY OF ACQUIRING REAL PROPERTY AND AUTHORIZING ITS APPROPRIATION AND/OR CONDEMNATION FOR PUBLIC USE.

DEFINITIONS: For the purposes of this resolution, the following definitions of terms shall apply:

"CITY": The City of Dallas

"PROPERTY": Located under approximately 6,230 square feet in area, lying between the subsurface elevations of 186 feet and 365 feet (U.S. Survey Feet), inclusive, North American Vertical Datum of 1988, located in Dallas County, Texas, the boundary of which property being more particularly described in "Exhibit A", attached hereto and made a part hereof for all purposes.

"PROJECT": Mill Creek/Peaks Branch/State Thomas Drainage Relief Tunnel Project

"USE": The below ground construction, installation, use, and maintenance of a deep tunnel for transmission of storm drainage.

"PROPERTY INTEREST": Flood Control Tunnel Easement

"OWNER": Thung Van Tran, provided, however, that the term "OWNER" as used in this resolution means all persons having an ownership interest, regardless of whether those persons are actually named herein.

"OFFER AMOUNT": \$3,426.00

"CLOSING COSTS AND TITLE EXPENSES": Not to exceed \$2,000.00

"AUTHORIZED AMOUNT": \$5,426.00

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the USE of the PROPERTY for the PROJECT is a public use.

SECTION 2. That public necessity requires that the CITY acquire the PROPERTY INTEREST in the PROPERTY for the PROJECT.

October 22, 2014

SECTION 3. That for the purpose of acquiring the PROPERTY INTEREST in the PROPERTY, the Assistant Director of the Department of Sustainable Development and Construction Department, Real Estate Division, or such person as she may designate, is hereby authorized and directed to offer the OFFER AMOUNT as payment for the PROPERTY INTEREST in the PROPERTY.

SECTION 4. That in the event the OWNER accepts the OFFER AMOUNT, the City Controller is authorized and directed to draw a warrant in favor of the OWNER, the then current owner of record, or the title company closing the transaction described herein in the OFFER AMOUNT payable out of 2006 Bond Funds: Fund No. 1T23, Department TWM, Unit T525, Activity SDRS, Program No. PB06T525, Object 4210, Encumbrance No. CT-PBW06T525LW, CLOSING COSTS AND TITLE EXPENSES payable out of 2006 Bond Funds: Fund No. 1T23, Department TWM, Unit T525, Activity SDRS, Program No. PB06T525, Object 4230, Encumbrance No. CT-PBW06T525LX. The OFFER AMOUNT, CLOSING COSTS and TITLE EXPENSES together shall not exceed the AUTHORIZED AMOUNT.

SECTION 5. That the CITY is to have possession of the PROPERTY at closing; and the CITY will pay the CLOSING COSTS AND TITLE EXPENSES. In the event of condemnation, the CITY will pay court costs as may be assessed by the Special Commissioners or the court. Further, that litigation expenses determined by the City Attorney to be necessary are authorized for payment. All costs and expenses described in this section shall be paid from the previously described funds.

SECTION 6. That if the OWNER refuses to accept the OFFER AMOUNT, the CITY will appropriate the PROPERTY INTEREST in the PROPERTY for the PROJECT under the laws of eminent domain and the provisions of the Charter of the City of Dallas. In such case, the City Attorney is authorized and requested to file the necessary proceeding(s) and take the necessary action for the prompt acquisition of the PROPERTY INTEREST in the PROPERTY by condemnation or in any manner provided by law.

SECTION 7. That in the event it is subsequently determined that additional persons other than those named herein have an interest in the PROPERTY, the City Attorney is authorized and directed to join said parties as defendants in said condemnation proceedings or suit(s).

SECTION 8. That to the extent the PROPERTY is being purchased wholly or partly with bond proceeds CITY has obtained an independent appraisal of the PROPERTY'S market value.

SECTION 9. That OWNER has been provided with a copy of the Landowner's Bill of Rights as required by Texas Property Code Section 21.0112.

October 22, 2014

SECTION 10. That in the event the City Attorney files a condemnation proceeding because the OWNER refused to accept the OFFER AMOUNT; and in the event the special commissioners appointed by the Court return an award that is the same amount or less than the OFFER AMOUNT, the City Attorney is hereby authorized to settle the condemnation proceeding, or if the condemnation proceeding becomes a lawsuit, the lawsuit, for amount not to exceed the OFFER AMOUNT; and the City Controller is hereby authorized to issue a check drawn on the previously described funds in an amount not to exceed the OFFER AMOUNT made payable to the County Clerk of Dallas County, to be deposited into the registry of the Court, to enable the CITY to take possession of the PROPERTY without further action of the Dallas City Council; and the City Controller is hereby authorized to issue a check drawn on the previously described funds in an amount not to exceed \$2,000.00 for CLOSING COSTS AND TITLE EXPENSES in favor of the title company closing the transaction described herein. The Award, CLOSING COSTS AND TITLE EXPENSES together shall not exceed the AUTHORIZED AMOUNT.

SECTION 11. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

SUBJECT

A resolution consenting to the condemnation and acceptance of the award of the Special Commissioners of approximately 16,169 square feet of City-owned land to Union Pacific Railroad Company v. City of Dallas, et al, Cause No. CC-14-01387-D, located at 8414 Forney Road - Revenue: \$27,134

BACKGROUND

This item consents to the condemnation and acceptance of the award of the Special Commissioners of approximately 16,169 square feet of City-owned land to Union Pacific Railroad Company.

This is an eminent domain case filed by Union Pacific Railroad Company against the City for the acquisition of City-owned land declared unwanted and unneeded by Resolution No. 09-0163. The Petition in Condemnation was filed on March 24, 2014. As required by law, the judge appointed three special commissioners to determine the compensation for the acquisition of the property. The Commissioners' hearing was held on May 30, 2014, and determined the property's market value was \$27,134.

Because an entity with condemning authority is seeking to condemn property owned by the City, the City Council needs to formally consent to the acquisition of the property if it has no objection to the acquisition.

The compensation amount is based upon an independent appraisal.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

Council declared this property unwanted and unneeded on January 14, 2009, by Resolution No. 09-0163.

Council will be briefed in Closed Session on September 17, 2014.

This item was deferred at the request of Councilmember Davis on September 24, 2014.

OWNER/APPLICANT/REPRESENTATIVE: Roy & Pam Jefferson

REQUEST: An application for an amendment to and the renewal of Specific Use Permit No. 1285 for a child-care facility on property zoned an R-7.5(A) Single Family District.

SUMMARY: The applicant proposes to continue the child-care facility on the property and to amend the site plan to reduce the required parking spaces for the use from 8 to 4. Specific Use Permit No. 1285 was originally approved on February 11, 2004; however, the original Certificate of Occupancy for a child-care facility was issued on June 4, 1996.

CPC RECOMMENDATION: Approval for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a revised site plan and revised conditions.

STAFF RECOMMENDATION: Approval for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a revised site plan and revised conditions.

STAFF RECOMMENDATION:

Staff recommends approval of this renewal subject to conditions based upon the following:

1. *Compatibility with surrounding uses and community facilities* –This use has been a service to a community and is compatible to the surrounding areas.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The existing child-care facility provides a service to this area of the City and does not appear to negatively impact to the adjacent properties.
3. *Not a detriment to the public health, safety, or general welfare* – The proposed request to continue the child-care facility will not be a detriment to the public health, safety or general welfare.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – Based on information depicted on the existing site plan associated with Specific Use Permit No. 1285, the request complies all applicable zoning regulations and standards.

BACKGROUND INFORMATION:

- The ± 0.69 acre request site is developed with a three buildings on two lots for a total of 3,978 square feet of building area for the child-care facility.
- The original application submitted for this case was for an automatic renewal. However, when staff visited the site, several discrepancies between the site and the approved site plan were found. Some of the issues were a storage box and additional parking spaces striped on the site located on the front yard setback.

STAFF ANALYSIS:**Comprehensive Plan:**

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *forwardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies a portion of the request site is being in a Residential Building Block.

A Residential Building Block represents the life-blood of Dallas, the traditional neighborhood of single-family detached homes. Dallas has many neighborhoods that match this description, including Winnetka Heights, Preston Hollow, Lakewood and Wheatley Place. Single-family dwellings are the dominate land use in these areas. Some shops, restaurants or institutional land uses such as schools and religious centers that serve neighborhood residents may be located at the edges or at key intersections.

Land Use Compatibility:

Specific Use Permit No. 1285 was originally approved on February 11, 2004; however, the original Certificate of Occupancy for a child-care facility was issued on June 4, 1996. The use has been in the property for over eighteen years.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The City Council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the City.

The applicant's request, subject to the attached revised site plan and conditions is consistent with the requirements of the Dallas Development Code. Therefore, staff recommends approval for a five-year period with eligibility for automatic renewal for additional five-year periods, subject to a revised site plan and revised conditions.

Development Standards:

District	Setbacks		Density	Height	Lot Coverage	Special Standards	Primary Uses
	Front	Side/Rear					
R-7.5(A) Single Family	25'	5'	1 Dwelling Unit/ 7,500 sq. ft.	30'	45%		Single family

Traffic:

The Engineering Section of the Department of Sustainable Development and Construction has reviewed the requested amendment and determined that it will not significantly impact the surrounding roadway system.

Parking:

Sec. 51A-4.204 (3)(c) of the Dallas Development Code allows establishes that if an SUP is required for the child-care facility use, the off-street parking requirement may be established in the ordinance granting the SUP. A child-care facility requires one parking space for every 500 square feet of area. The revised site plan reflects a parking design that meets Code requirements. The changes in the layout of the parking result in the need to reduce the required parking spaces in the site plan. The applicant is requesting to reduce the required number of parking spaces from 8 to 4. The code allows such reductions for child-care facilities. The Engineering Department has indicated that such reduction would not be a detriment to the area or existing traffic conditions.

Landscaping:

No new development is proposed. Therefore, no additional landscaping is required. Any new development on the property will require landscaping per Article X of the Dallas Development Code.

CPC MINUTES – September 18, 2014

Motion: It was moved to recommend **approval** of an amendment to and the renewal of Specific Use Permit No. 1285 for a child-care facility for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a revised site plan and revised conditions on property zoned an R-7.5(A) Single Family District on the south line of Forney Road, east of Urban Avenue.

PROPOSED CONDITIONS

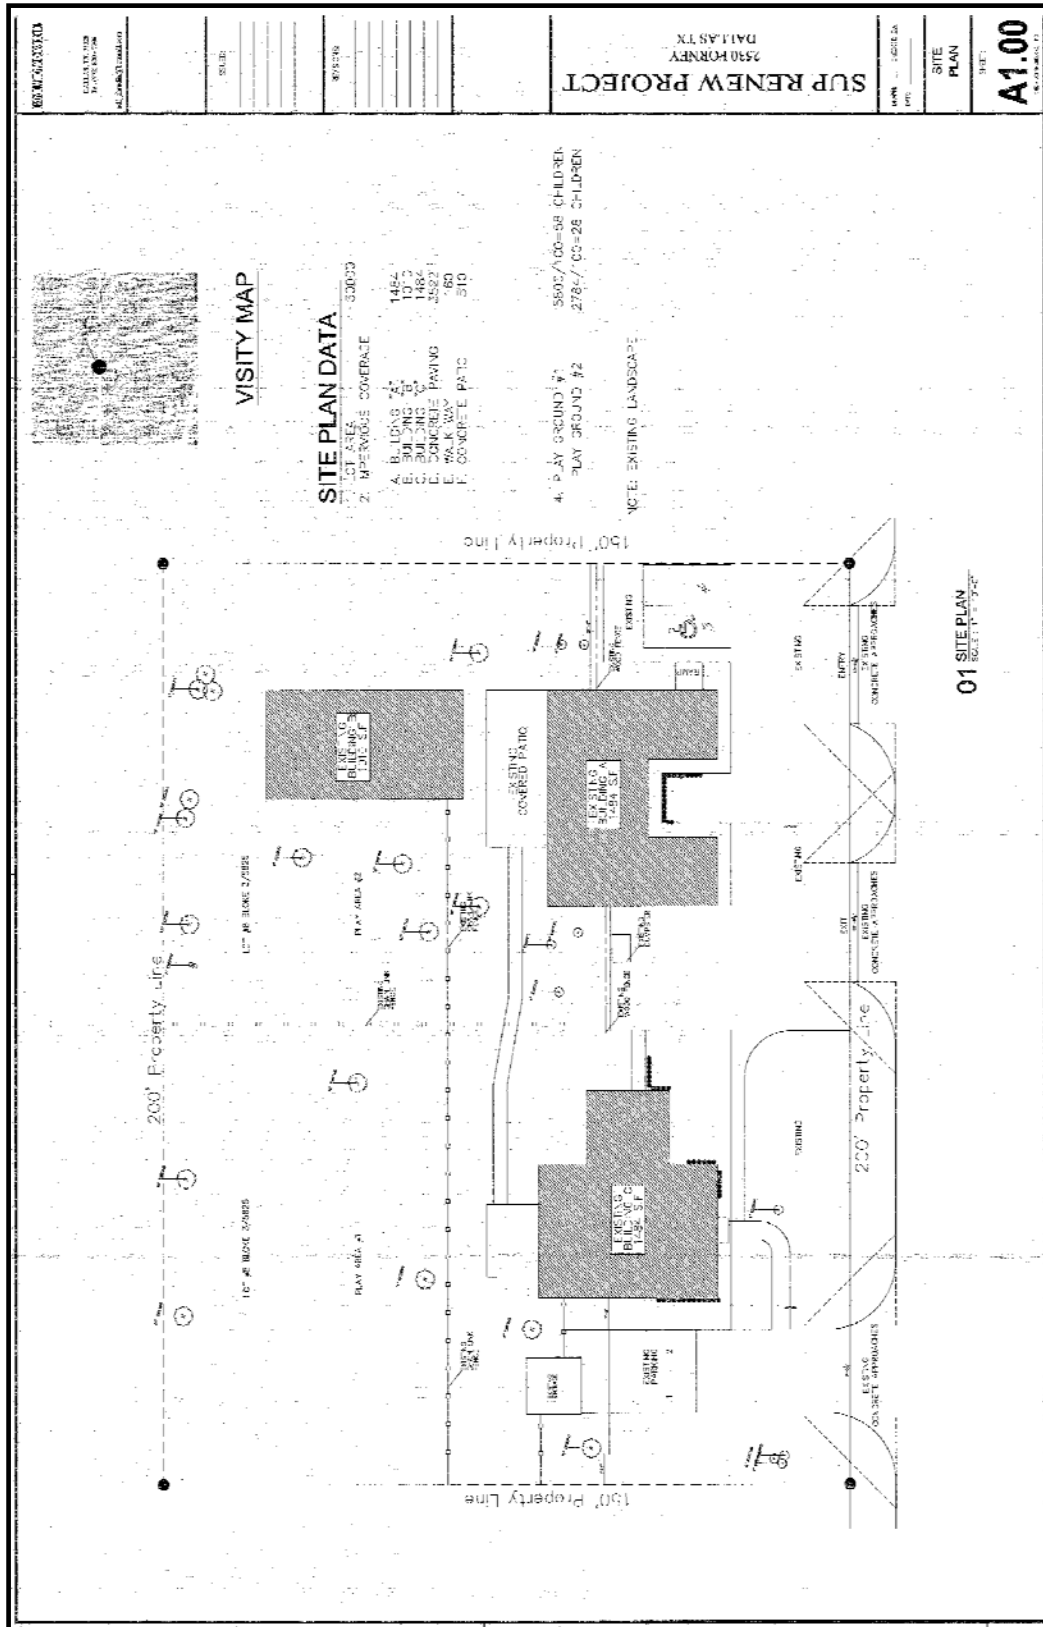

PROPOSED CONDITIONS SUP No. 1285 Z123-375(OTH)

SECTION 2. That this specific use permit is granted upon the following conditions:

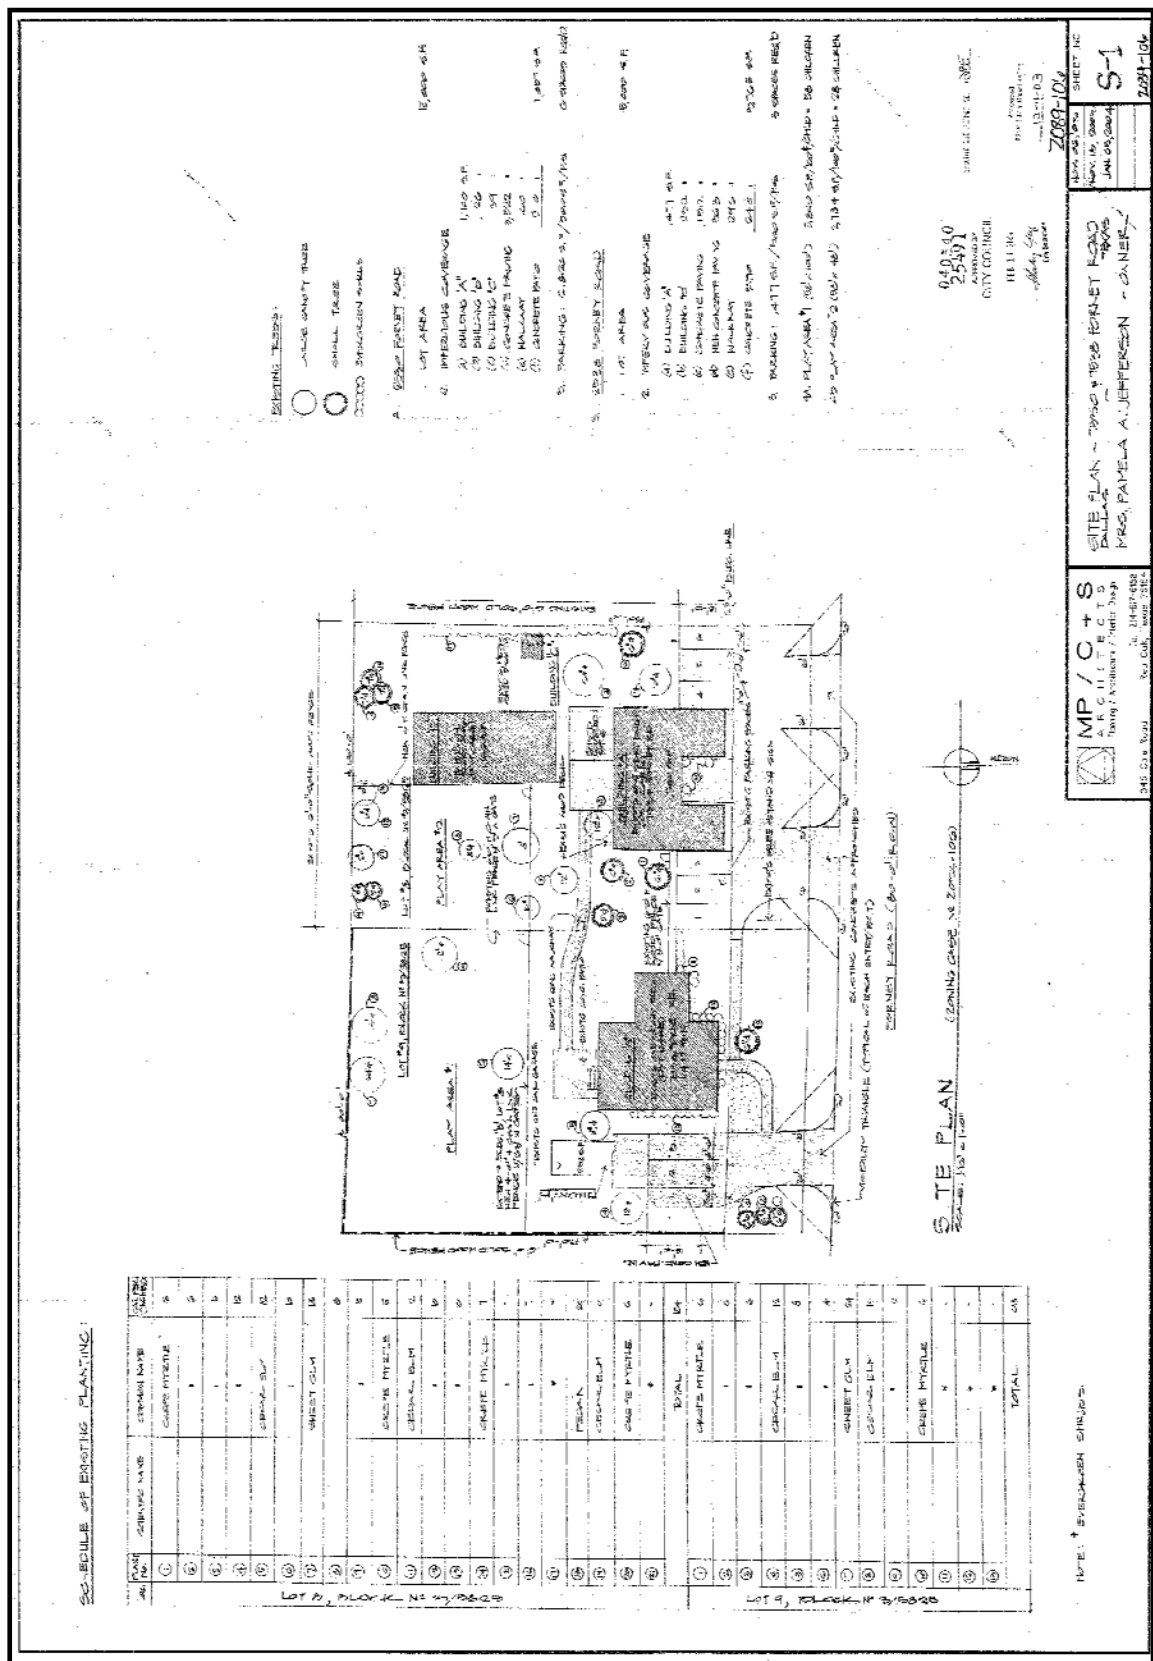

1. USE: The only use authorized by this specific use permit is a child-care facility.
2. SITE PLAN: Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit is approved for a time period that expires on (five years from passage of the ord.) ~~February 10, 2009~~, and is eligible for automatic renewal for additional five-year periods, pursuant to Section 51A-4.219 of CHAPTER 51A of the Dallas City Code, as amended. In order for automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for application for automatic renewal is strictly enforced).
4. LANDSCAPING: Landscaping must be provided as shown on the attached site plan.
5. DRIVE: A circular drive or similar area must be provided for the off-street loading and unloading of children in the location shown on the attached site plan.
6. FENCING: The outdoor play area must be enclosed by a minimum four-foot high fence, as shown on the attached site plan.
7. HOURS OF OPERATION: The child-care facility may only operate between 6:00 a.m. and 6:00 p.m., Monday through Friday.
8. The maximum floor area is 3,978 square feet.

9. INGRESS AND EGRESS: Ingress and egress must be provided in the location shown on attached site plan.
10. PARKING: A minimum of 4 off-street parking spaces must be provided in the location shown on the attached site plan.
11. SCREENING: A minimum six-foot-high solid screening fence must be provided as shown on the attached site plan. Any parking areas that face adjacent residential uses must be screened with a minimum of 6-foot solid screening fence.
12. MAINTENANCE: The entire Property must be properly maintained in a state of good repair and neat appearance.
13. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

REPRESENTATIVE/APPLICANT/OWNER: Angel Godoy

REQUEST: An application to amend and renew Specific Use Permit No. 1717 for a vehicle display, sales, and service use on property zoned Subdistrict 1 in Planned Development District No. 535, the C.F. Hawn Special Purpose District No. 3.

SUMMARY: The applicant requests renewal of Specific Use Permit No. 1717 to allow for the continued operation of the vehicle sales, display, and service use. The site is developed with a ±3,200-square-foot building and includes ±3,094-square feet of improved display area. No new construction is proposed by this application. Amendments have been made to the site plan to accurately reflect the site conditions (i.e., a decrease in paved surface area and reconfiguration of parking).

CPC RECOMMENDATION: **Approval** for a three-year period with eligibility for automatic renewals for additional three-year periods, subject to a revised site plan and conditions.

STAFF RECOMMENDATION: **Approval** for a three-year period with eligibility for automatic renewals for additional three-year periods, subject to a revised site plan and conditions.

STAFF RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not a Specific Use Permit shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The existing vehicle display, sales, and service use appears to operate compatibly with the surrounding land uses.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The existing vehicle display, sales, and service use provides a service to this area of the City and does not appear to negatively impact to the adjacent properties.
3. *Not a detriment to the public health, safety, or general welfare* – The existing vehicle display, sales, and service use is not a detriment to the public health, safety, or general welfare.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – Based on information depicted on the site plan, it complies with all applicable zoning regulations and standards. No variances or special exceptions are requested.

BACKGROUND INFORMATION:

- On August 13, 2008, the City Council Specific approved Specific Use Permit No. 1717 for a three-year period. On August 10, 2011, the City Council approved renewal for a three-year period.

Surrounding Zoning History:

There has been no zoning activity in the vicinity of the request site within the last five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
CF Hawn Freeway	US Highway	Variable
Haymarket Street	Collector	60 feet

Traffic:

The Engineering Section of the Building Inspection Division of the Department of Sustainable Development and Construction has reviewed the requested amendment and determined that it will not significantly impact the surrounding roadway system.

Surrounding Land Uses:

	Zoning	Land Use
North	PDD No. 535	Auto-related
East	PDD No. 535	Retail
South	PDD No. 535	Undeveloped
West	PDD No. 535	Auto-related

STAFF ANALYSIS:**Comprehensive Plan:**

The comprehensive plan does not make a specific land use recommendation related to the request, however the *forwardDallas! Vision Illustration*, adopted June 2006, is comprised of a series of Building Blocks that depicts general land use patterns. Building Blocks are generalized patterns without well-defined boundaries that indicate where certain types and densities of development might logically occur.

The Plan identifies the request site as being within a *Commercial Center of Corridor* Building Block. These areas primarily function as service and job destinations and are similar to Business Centers or Corridors, but are smaller and incorporate less density. These corridors, commonly at the intersection of major streets, are easily accessed via automobiles. Buckner Boulevard is an example of a Commercial Corridor. Buildings in these areas tend to be on separate parcels and stand one to five stories with offices, restaurants and a range of retail and commercial uses. In addition to jobs and services, Commercial Centers or Corridors also may include multifamily housing in low- to mid-rise apartment buildings or condominiums. Landscaping and urban design will enhance the visitor's experience and is used to separate sidewalks from major roads and define pedestrian routes in large parking lots. For large shopping centers, this may involve adding public plazas or other "town center" features. Public transit enhancements as well as quality access and visibility are important components of successful auto-oriented development.

The applicant's request generally complies with the following goal and policy of the Comprehensive Plan.

LAND USE

GOAL 1.2 PROMOTE DESIRED DEVELOPMENT

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns.

Land Use Compatibility:

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

The applicant's request conforms with the applicable zoning regulations and standards and is consistent with the intent of the Dallas Development Code. Therefore, staff recommends approval for a three-year period with eligibility for automatic renewal for additional three-year periods subject to a site plan and conditions.

Parking:

Pursuant to the Dallas Development Code, the off-street parking requirement for the vehicle sales, display, and service use is one space per 500 square feet of floor area and area exclusive of parking area. Therefore, the ±3,200-square-foot building and ±3,094-square feet of display area require space 13 spaces. As illustrated on the site plan, 13 spaces are provided.

Landscaping:

No new development is proposed. Therefore, no additional landscaping is required. Any new development on the property will require landscaping per Article X of the Dallas Development Code.

APPLICANT/OWNER: Clay E. Cooley

REPRESENTATIVE: Ed Hicks, Jr.

REQUEST: An application for a CS Commercial Service District and a Specific Use Permit for an Auto auction on property zoned and IR Industrial Research District.

SUMMARY: The applicant is proposing to utilize a portion of the property of the existing vehicle display, sales, and service use for an auto auction one day per week. The requested auto auction is not a permitted use under the existing IR District, but is permitted by SUP in a CS District. The balance of operations for the vehicle display, sales, and service use will continue as a matter of right under the requested CS District.

CPC RECOMMENDATION: Approval of a CS District, and approval of a Specific Use Permit for an Auto Auction for a ten-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan and conditions.

STAFF RECOMMENDATION: Approval of a CS District, and approval of a Specific Use Permit for an Auto Auction for a ten-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

Staff recommends approval of the CS based upon:

1. *Performance impacts upon surrounding property* – The requested zoning district represents a reduction of certain permitted industrial uses, while the requested auto auction possesses similar operational aspects as that of the existing regional serving retail use.
2. *Traffic impact* – Trip generations are not expected to increase over levels normally generated by the existing vehicle display, sales, and service use.
3. *Comprehensive Plan or Area Plan Conformance* – The request is in compliance with the designated Building Block for the area.

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The proposed auto auction will be limited to one day per week, with minimal increase in activity over that currently experienced with the vehicle sales and service operation.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The request will expand the scope of the existing vehicle display, sales, and service use by adding this component to its operation.
3. *Not a detriment to the public health, safety, or general welfare* – The proposed use is consistent with the existing use (vehicle sales and service) as well as possessing any operational characteristics that could affect adjacent uses.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The request will utilize existing improvements on the property with no additional development/infrastructure required to support the use.

Zoning History: There has been no recent zoning activity in the immediate area relevant to the request.

Thoroughfare/Street

Existing & Proposed ROW

Composite Drive

Local; 60' ROW

IH 35 (site fronts on but has no access) Freeway; Variable ROW

Traffic: The Engineering Section of the Building Inspection Division of the Department of Sustainable Development and Construction has reviewed the requested zoning change as well as the operational aspects associated with an auto auction and determined that the proposed development will not significantly impact the street system.

STAFF ANALYSIS:

Comprehensive Plan: The request site lies within an area considered a Commercial Center or Corridor. These areas primarily function as service and job destinations and are similar to Business Centers or Corridors, but are smaller and incorporate less density. These corridors, commonly at the intersection of major streets, are easily accessed via automobiles. Buckner Boulevard is an example of a Commercial Corridor. Buildings in these areas tend to be on separate parcels and stand one to five stories with offices, restaurants and a range of retail and commercial uses. In addition to jobs and services, Commercial Centers or Corridors also may include multifamily housing in low- to mid-rise apartment buildings or condominiums. Landscaping and urban design will enhance the visitor's experience and is used to separate sidewalks from major roads and define pedestrian routes in large parking lots. For large shopping centers, this may involve adding public plazas or other "town center" features. Public transit enhancements as well as quality access and visibility are important components of successful auto-oriented development.

Land Use Compatibility: The request site is improved to support a vehicle display, sales, and service use. The applicant is requesting to utilize a portion of the site for an auto auction; the existing zoning does not permit the use. As noted on the attached site plan and within staff's recommended conditions, existing improvements will be utilized to accommodate this use for one day per week.

The site is surrounded by a mix of nonresidential uses; the applicant's service area for the existing auto sales use to the north, retail, office, and a lodging use. While the site's western property line fronts along the IH 35 alignment, no access to the freeway exists for uses in this area (Walnut Hill Lane exit to the north serves this general area).

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing

certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

When compared to an IM District (permits the auto auction by SUP), the CS District generally would have a lesser impact, use-wise, on adjacent properties. The applicant has agreed with staff to pursue a CS District, which permits the auto auction by SUP while retaining conformity (allowed by right) of the vehicle display, sales, and service use.

With respect to the attached conditions for the auto auction, due to the restricted days of operation, staff is recommending a liberal time period in that the impact on adjacent properties will be minimal.

Landscaping: Minimal landscape materials exist on the property. As the applicant is not proposing additional floor area or an increase in nonpermeable surface area, additional landscaping is not required, nor recommended by staff.

CPC MINUTES – September 18, 2014

Motion: It was moved to recommend **approval** of a CS Commercial Service District and **approval** of a Specific Use Permit for an Auto Auction for a ten-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan and conditions on property zoned an IR Industrial Research District, on the west line of Composite Drive, south of Walnut Hill Lane.

APPLICANT: Verizon Wireless

OWNER: Military Lovett, LP

REQUEST: An application for a Specific Use Permit for a tower/antenna for cellular communication limited to a monopole cellular tower on property zoned a CR-D1 Community Retail District with a D-1 Liquor Control Overlay.

SUMMARY: The applicant proposes to construct a monopole cellular tower ninety-five (95) feet in height on an undeveloped site. Community Retail (CR) permits this use by Specific Use Permit and does not change the zoning. Monopole cellular tower uses are permitted by right up to sixty-five (65) feet in height, otherwise a Specific Use Permit (SUP) is required.

CPC RECOMMENDATION: **Approval** for a ten-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan and conditions.

STAFF RECOMMENDATION: **Approval** for a ten-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The area is predominantly surrounded by undeveloped land to the west and north, residential to the east and south and retail immediately south. The setback provided from streets and homes help mitigate any potential incompatibility concerns with surrounding land uses. The setback from the nearest residential lot line is southeast of the request at a distance of 290 feet. Facing east to the next nearest residential line is approximately 340 feet. The third nearest residential lot line is 422 feet from the request.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The proposed use neither contributes nor is a detriment to the welfare of the adjacent properties.
3. *Not a detriment to the public health, safety, or general welfare* – It is not foreseen that the use would be a detriment to the public health, safety or general welfare.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The proposed monopole cellular tower will be in compliance with City of Dallas Development Code requirements and Federal regulations. No variances are requested.

BACKGROUND INFORMATION:

Zoning History:

There has been no recent zoning request within the last five years.

Thoroughfares/Streets:

Thoroughfares/Street	Type	Existing ROW
Military Parkway	Principal Arterial	100 feet
Lawnview Avenue	Major Arterial	60 feet

Traffic:

The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that it will not significantly impact the surrounding street system for the proposed development.

Surrounding Land Uses:

	Zoning	Land Use
Site	CR	Undeveloped
North	CR	Undeveloped
South	CR,R-10(A)	Retail, residential
East	TH-3(A)	Residential
West	CR	Undeveloped

Comprehensive Plan:

The request site is located in an area considered a Residential Neighborhood in *forward Dallas*. This Building Block represents the life-blood of Dallas, the traditional neighborhood of single-family detached homes. Dallas has many neighborhoods that match this description, including Winnetka Heights, Preston Hollow, Lakewood and Wheatley Place. Single-family dwellings are the dominate land use in these areas. Some shops, restaurants or institutional land uses such as schools and religious centers that serve neighborhood residents may be located at the edges or at key intersections.

STAFF ANALYSIS:**Land Use Compatibility:**

The surrounding land uses are residential to the east, retail to the south, and undeveloped to the west and north.

The request is subject to residential proximity slope requirements since the tower will exceed 26 feet in height and is adjacent to a TH Townhouse District. The one to three slope (285 feet required) is met by the applicant. The distance from the nearest residential lot is more than three times the height of the proposed structure. The closest residential property line is southeast to Lovett Avenue at a distance of 290 feet. The next nearest residential line on the north side of Howard Avenue is approximately 340

feet. The last residential line on Hunnicut Street facing northeast is 422 feet from the request site.

Residentially zoned property to the:	Required RPS setback (as measured from monopole to residentially zoned property line)	Proposed RPS setback (as measured from monopole to residentially zoned property line)
Lovett Ave. (SE)	285 ft.	290 ft.
Lovett Ave and Howard. (E)	285 ft.	340 ft.
Hunnicut Street. (NE)	285 ft.	422 ft.

Landscaping:

The request will not trigger the requirements of Article X of the Dallas Development Code.

Proposed SUP Conditions

1. USE: The only use authorized by this specific use permit is a tower/antenna for cellular communication.
2. SITE PLAN: Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit expires on (ten years), but is eligible for automatic renewal for additional ten-year periods pursuant to Section 51A-4.219 of Chapter 51A of the Dallas City Code, as amended. For automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for applications for automatic renewal is strictly enforced.)
4. DESIGN: The tower/antenna for cellular communication must be a monopole.
5. HEIGHT: The tower/antenna for cellular communication may not exceed 95 feet in height.
6. ILLUMINATION: The tower/antenna for cellular communication may not be illuminated, except as required by the Federal Aviation Administration.
7. SCREENING: Mechanical equipment shall have screening consisting of landscaping or a solid fence with a minimum height of six feet.
8. MAINTENANCE: The Property must be properly maintained in a state of good repair and neat appearance.
9. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

REPRESENTATIVE: Bryan Piper

REQUEST: An application for an IM Industrial Manufacturing District on property zoned an IR Industrial Research District.

SUMMARY: The applicant proposes to change the existing zoning to allow for the construction of a maintenance facility and an office. The existing IR District does not permit the use, thus the request for an IM District which permits an equipment storage yard or maintenance facility. The request site is currently undeveloped and is proposed to be used for an equipment storage yard or maintenance facility. The applicant would like the option to build a construct an office for RKM Utility Services, Inc. in the future. No specific date is specified by the applicant.

CPC RECOMMENDATION: Approval

STAFF RECOMMENDATION: Approval

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

Staff recommends approval based upon:

1. *Performance impacts upon surrounding property* - Per Chapter 51A of the Dallas Development Code, the purpose of the IM Industrial Manufacturing District is to provide areas that would allow for the development of “Heavy Industrial Manufacturing Uses with Accompanying Open Storage and Supporting Commercial Uses”. The zoning change to IM will be consistent with the surrounding land uses of the property that include IM and IR.
2. *Traffic impact* – The Engineering Section of the Department of Sustainable Development and Construction has determined that the applicant’s request will not have a negative impact on the street system. Access to the site from both westbound and eastbound Northwest Highway is via the Luna Road exit (west of the property). The anticipated commercial traffic will not impact any other uses in the immediate area.
3. *Comprehensive Plan or Area Plan Conformance* – The requests is consistent with the Industrial Areas Building Block for the area.

Zoning History:

There have been two zoning changes requested in the area.

1. Z112-156 (RB) On June 27, 2012, the City Council adopted a Specific Use Permit 1965 for a Metal Salvage Facility, and approved a zoning change with deed restrictions to IM Industrial Manufacturing District on a property zoned an IR Industrial Research District on property on the north side of W. Northwest Highway.
2. Z001-179/11407-NW(EB) On August 24, 2012, the City Council adopted a Specific Use Permit 1446 for an Alcoholic Beverage Establishment on a property zoned IR Industrial Research District on property on the west side of Spangler Road, east of the railroad.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
Northwest Highway	State Highway	Variable ROW
Luna Road	Major Arterial	60 feet

Traffic:

The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined it will not significantly impact the surrounding street system.

Surrounding Land Uses:

	Zoning	Land Use
Site	IR	Vacant; undeveloped
North	IR	Vacant; undeveloped
East	SUP 1965	Vacant structure
South	IM- Industrial Manufacturing	Storage Warehouse
West	IR	Vacant structure

COMPREHENSIVE PLAN: The forwardDallas! Comprehensive Plan was adopted by the City Council in June 2006. The forwardDallas! Comprehensive Plan outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in an Industrial Area.

Industrial Area Building Blocks are important employment centers for Dallas. They occupy large areas of land and are usually situated near significant roads and heavy rail lines. Technological changes in this employment sector and the need to move goods nationwide from a central location have combined to offer a significant number of jobs within these Industrial Areas. Dallas examples include Agile Port, parts of West Dallas along Interstate 30 and the Stemmons industrial area around Irving Boulevard.

These areas include a mix of low- and medium-density industrial buildings. They consist of industrial yards and campuses separate from other uses due to the nature of the enterprises. This type of area includes logistics and warehousing, industries with strong potential for growth. These areas have a large amount of surface parking and are accessed primarily by car and truck. Urban design is oriented toward function rather than aesthetics. These areas include a broad range of ancillary support uses that should be concentrated within an industrial park rather than at the perimeter where they could negatively impact adjacent residential uses. New residential uses should be discouraged.

Land Use Compatibility:

The request site is currently undeveloped with the property remaining in its natural state. It is the applicant's intention to use the property as a construction equipment storage yard and/or maintenance facility. Although no immediate plans are in place, the applicant would like the capability to build an office on the site one day.

The site location consists of two parcels, both with one frontage each. The smaller parcel fronts Luna Road and the larger parcel fronts Northwest Highway. The predominant land use in the immediate area consists of industrial/commercial uses in all directions.

Development Standards:

DISTRICT	SETBACKS		Density	Height	Lot Coverage	Special Standards	PRIMARY Uses
	Front	Side/Rear					
IR - Existing Industrial research	15'	30' adjacent to residential OTHER: No Min.	2.0 FAR overall 0.75 office/ retail 0.5 retail	200' 15 stories	80%	Proximity Slope Visual Intrusion	Industrial, wholesale distribution & storage, supporting office & retail

Landscaping:

Landscaping of the property must comply with Article X.

REQUEST: An application for a Specific Use Permit for a tattoo studio and a body piercing studio on property zoned Tract A of Planned Development District No. 269, the Deep Ellum/Near East Side Special Purpose District.

SUMMARY: The request is to operate a tattoo and body piercing studio [AE Tattoo] in an approximately 4,200-square-foot existing one-story structure.

CPC RECOMMENDATION: **Approval** for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a site plan and conditions.

STAFF RECOMMENDATION: **Approval** for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a site plan and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The requested tattoo and body piercing studio use is compatible with the adjacent retail, restaurant, and personal service uses. The use should not impact the surrounding area negatively from a land use perspective. The primary uses in PDD No. 269 consist of restaurants, commercial, retail and personal service, bars, lounge and taverns with and without dance halls, and office uses.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The proposed use should contribute to the viability of the area to offer services that complement those permitted within the Deep Ellum/Near East Side PDD.
3. *Not a detriment to the public health, safety, or general welfare* – It is not foreseen that the uses would be a detriment to the public health, safety or general welfare of the community.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The request will comply with all zoning regulations and standards.

South	PDD No. 269	Commercial, parking lot & vacant tract
East	PDD No. 269	Restaurant, vacant lots & structures
West	PDD No. 269	Personal service, commercial & retail

COMPREHENSIVE PLAN:

The *fowardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The plan outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request, and it identifies the request site as being in an Urban Mixed Use Building Block.

The Urban Mixed-Use Building Block incorporates a vibrant mix of residential and employment uses at a lower density than the Downtown Building Block. These areas are typically near Downtown, along the Trinity River or near major transit centers. Examples include Uptown, the City Place/West Village area, Stemmons Design District, Cedars and Deep Ellum. Urban Mixed-Use Building Blocks provide residents with a vibrant blend of opportunities to live, work, shop and play within a closely defined area. Buildings range from high-rise residential or mid-rise commercial towers to townhomes and small corner shops. Good access to transit is a critical element. Similar to Downtown, the Urban Mixed-Use Building Blocks offer employment and housing options and are important economic growth areas for businesses. People on foot or bike can enjoy interesting storefronts at ground level with benches, public art, on-street parking and wide sidewalks, creating an appealing streetscape. Large parking areas and other auto-oriented land uses are typically located at the edges.

STAFF ANALYSIS:

Land Use Compatibility:

On May 28, 2014, the City Council approved an amendment to PDD No. 269 which requires a SUP for the requested uses as well as prohibiting another similar uses within 300 feet. The proposed tattoo and body piercing studio meets the distance requirement. There are no other tattoo or body piercing studios within 300 feet of the subject site. The adjacent land uses includes a masonic lodge and the DART rail line (CBD-Fair Park Link) to the north; commercial and retail uses to the west and south; commercial uses, restaurant, parking lot, vacant lots and structures to the east.

The request complies with the general provisions of PDD No. 269 for consideration of the SUP at this location.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Parking:

In PDD No. 269, there is a provision that no off-street parking spaces are required for the first 5,000 square feet of floor area in a retail-related use or professional, personal service, and custom crafts use that has a separate certificate of occupancy if the use is located in an original building. According to the Dallas County Appraisal District, the building was constructed in 1912. Although no off-street parking would be required, 20 parking spaces are provided: 10 remote within walking distance of the subject site; 4 on-site; and 6 are available on Main Street and Exposition Avenue adjacent to the main use.

Landscaping:

Landscaping is required in accordance with Article X of the Dallas Development Code. However, the applicant's request will not trigger any Article X requirements, as no new construction is proposed.

SIZE OF REQUEST: ± 2.6 acres

CENSUS TRACT: 87.01

APPLICANT: Kowathar Ijak, Stop N Shop Food Mart

OWNER: Plaza Now Corporation

REPRESENTATIVE: Hisham Awadelkariem

REQUEST: An application for a D-1 Liquor Control Overlay and a Specific Use Permit for the sale of alcoholic beverages in conjunction with a general merchandise or food store 3,500 square feet or less on property zoned a CR-D Community Retail District with a D Liquor Control Overlay.

SUMMARY: The applicant proposes the sale of alcoholic beverages for off-premise consumption in conjunction with the existing 1,860-square-foot convenience store [Stop N Shop Food Mart]. The site is developed with a 16,800-square-foot building that houses several retail, office, general merchandise stores among other uses. The general merchandise or food store use is permitted by right, but the D Liquor Control Overlay prohibits the sale of alcoholic beverages on the property. No new construction is proposed by this application.

CPC RECOMMENDATION: Approval of a D-1 Liquor Control Overlay and approval of a Specific Use Permit for a two-year period, subject to a site plan and conditions.

STAFF RECOMMENDATION: Approval of a D-1 Liquor Control Overlay and approval of a Specific Use Permit for a two-year period with eligibility for automatic renewals for additional five-year periods, subject to a site plan and conditions.

STAFF RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The existing use is compatible with the surrounding land uses. The sale of alcoholic beverages in conjunction with the main use does not affect compatibility.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The addition of alcoholic beverage sales to the existing use does not appear to negatively impact the adjacent properties.
3. *Not a detriment to the public health, safety, or general welfare* – The existing general merchandise or food store complies with Chapter 12B (Convenience Store) requirements. The purpose of regulating convenience stores is to protect the health, safety, and welfare of the citizens of the City of Dallas by reducing the occurrence of crime, preventing the escalation of crime, and increasing the successful prosecution of crime that occurs in convenience stores in the city.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – Based on information depicted on the site plan, it complies with all applicable zoning regulations and standards. No variances or special exceptions are requested.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
E Ledbetter Drive	Minor Arterial	60 feet
Great Trinity Forest Way	Principal Arterial	107 feet
Haas Drive	Collector	60 feet

Traffic:

The Engineering Section of the Department of Sustainable Development and Construction has reviewed the requested amendment and determined that it will not significantly impact the surrounding roadway system.

Surrounding Land Uses:

	Zoning	Land Use
Site	CR - D	Retail
North	R-5(A)	Single family residential
East	MF-2(A)	Residential and auto service center
South	CR	Retail, residential, auto service center and church
West	CR - D	Undeveloped and retail

STAFF ANALYSIS:

Comprehensive Plan: The *ForwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The Forward Dallas! Comprehensive Plan is a guide or blueprint for existing and proposed developments throughout the City of Dallas. The request site is located within the Multi-modal corridor Building Block. Transit centers support a compact mix of employment, retail, cultural facilities and housing. Multi-modal corridors should encourage the redevelopment of aging auto-oriented commercial strip development while respecting existing single family neighborhoods. While normally located around DART light-rail or commuter rail stations, these building blocks could also be focused streetcar or enhanced bus corridors such as bus rapid transit. Examples of transit centers include the Mockingbird Station area, the Cityplace Station area and the Westmoreland Station area, and examples of multi-modal corridors include the Lancaster and Ferguson Road corridor. These areas offer dense mixed use at the transit station or multi-modal corridor and then transition to multi-family and single-family housing at the edge. Of all the Building Blocks, this incorporates the greatest range of building structures and land uses, including multi-story residential above retail to townhomes to single-family residences. Transit centers and multi-modal corridors may sometimes be near residential neighborhoods and call for appropriate mitigation requirements. Areas currently developed with single-family or duplex uses should generally be maintained unless redevelopment is addressed through an Area Planning process. Multi-modal corridors in particular would diminish quickly in scale, density, and intensity away from the corridor, respecting existing single family neighborhoods while maintaining a strong focus on transit orientation and access. Interactive public plazas and/or civic uses will be centrally located and residential roof terraces and balconies overlooking transit station areas add “eyes on the street” that can aid public safety.

Land Use Compatibility:

The applicant's request conforms to the applicable zoning regulations and standards and is consistent with the intent of the Dallas Development Code. The proposed sale of alcoholic beverages in conjunction with the existing convenience store is not anticipated to negatively impact the adjacent properties.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Staff recommends approval for a two-year period with eligibility for automatic renewal for additional five-year periods subject to a site plan and conditions. The short initial time period will allow re-evaluation of the request to ensure ongoing compliance.

Development Standards:

District	Setbacks		Density/ FAR	Height	Lot Coverage	Special Standards	Primary Uses
	Front	Side/Rear					
CR Community retail	15'	20' adjacent to residential OTHER: No Min.	0.75 FAR overall 0.5 office	54' 4 stories	60%	Proximity Slope Visual Intrusion	Retail & personal service, office

Parking:

Pursuant to the Dallas Development Code, the off-street parking requirement for a general merchandise or food store use is one (1) space per 200 square feet of floor area. Therefore, the ±1,860-square-foot convenience store requires 9 parking spaces. As depicted on the site plan, 64 spaces are provided to serve all the uses located on the site.

Landscaping:

No new development is proposed. Therefore, no additional landscaping is required. Any new development on the property will require landscaping per Article X of the Dallas Development Code.

CPC MINUTES – September 18, 2014

Motion: It was moved to recommend **approval** of a D-1 Liquor Control Overlay and **approval** of a Specific Use Permit for the sale of alcoholic beverages in conjunction with a general merchandise or food store 3,500 square feet or less for a two-year period, subject to a site plan and conditions on property zoned a CR-D Community Retail District with a D Liquor Control Overlay on the west corner of Great Trinity Forest Way and Haas Drive.

Z134-186**

1. USE: The only use authorized by this specific use permit is the sale of alcoholic beverages in conjunction with a general merchandise or food store use 3,500 square feet or less.
2. SITE PLAN: The sale of alcoholic beverages in conjunction with a general merchandise or food stores use 3,500 square feet or less is allowed only in the location shown in the site plan. Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit expires on (two years), but is eligible for automatic renewal for additional five-year periods, pursuant to Section 51A-4.219 of Chapter 51A of the Dallas City Code, as amended. For automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for applications for automatic renewal is strictly enforced.)
4. MAINTENANCE: The Property must be properly maintained in a state of good repair and neat appearance.
5. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

APPLICANT/OWNER: KIPP Dallas-Fort Worth, Inc.

REQUEST: An application to amend and expand Specific Use Permit No. 1995 for an open-enrollment charter school on property zoned a CR Community Retail District and an NO(A) Neighborhood Office District.

SUMMARY: The applicant proposes to expand Specific Use Permit No. 1995 for an open-enrollment charter school to include a 7.5-acre property recently acquired by the school. While no new buildings or classrooms are proposed at this time, the school will add pre-K services. In addition, the amendment will allow for the construction of playground equipment and athletic fields and will accommodate future expansion. Any future construction will require an amended site plan.

CPC RECOMMENDATION: **Approval** for an eighteen-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan, traffic management plan and conditions.

STAFF RECOMMENDATION: **Approval** for a five-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan, traffic management plan and conditions.

STAFF RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not a Specific Use Permit shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The existing building and use is compatible in scale and character with the surrounding uses. The playground equipment and athletic fields proposed by this application will not be lighted and are not anticipated to impact compatibility.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The proposed expansion is not anticipated to negatively impact the adjacent properties and will provide a valuable service to this area of the city.
3. *Not a detriment to the public health, safety, or general welfare* – The proposed use is not anticipated to be a detriment to the public health, safety, or general welfare.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – Based on information depicted on the site plan, the request will comply with all applicable zoning regulations and standards. No variances or exceptions are proposed.

BACKGROUND INFORMATION:

- On September 20, 2012, the City Council approved Specific Use Permit No. 1995 for a twenty-year period with eligibility for automatic renewal for additional ten-year periods subject to a site plan, traffic management plan, and conditions.
- The existing charter school serves kindergarten through eighth grade and includes 45 classrooms. The school will add pre-K services; however, no new buildings or classrooms are proposed at this time.
- The hours of operation will remain Monday through Friday from 7:00 am to 6:00 pm for normal school activities.

Surrounding Zoning History:

1. **Z112-133:** On February 22, 2012, the City Council approved a Specific Use Permit for an open enrollment charter school on property zoned an NO(A) Neighborhood Office and CR Community Retail District.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
Camp Wisdom Road	Principal arterial	100 feet
Westmoreland Road	Principal arterial	100 feet

Traffic:

The Engineering Section of the Department of Sustainable Development Construction and has reviewed the requested amendment and determined that it will not significantly impact the surrounding roadway system. Traffic circulation will continue to be regulated through the traffic management plan included in this report.

Surrounding Land Use:

	Zoning	Land Use
North	R-7.5(A)	Single family
East	MC-1; MO-1 with deed restrictions; CR	Undeveloped; retail
South	RR	Retail
West	RR; CR	Retail; undeveloped

STAFF ANALYSIS:**Comprehensive Plan:**

The request site is located in an area considered a Commercial Center or Corridor. These areas primarily function as service and job destinations and are similar to Business Centers or Corridors, but are smaller and incorporate less density. These corridors, commonly at the intersection of major streets, are easily accessed via automobiles. Buckner Boulevard is an example of a Commercial Corridor. Buildings in these areas tend to be on separate parcels and stand one to five stories with offices, restaurants and a range of retail and commercial uses. In addition to jobs and services, Commercial Centers or Corridors also may include multifamily housing in low- to mid-rise apartment buildings or condominiums. Landscaping and urban design will enhance the visitor's experience and is used to separate sidewalks from major roads and define

pedestrian routes in large parking lots. For large shopping centers, this may involve adding public plazas or other “town center” features. Public transit enhancements as well as quality access and visibility are important components of successful auto-oriented development.

Land Use Compatibility:

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

The applicant’s request conforms with the applicable zoning regulations and standards and is generally consistent with the intent of the Dallas Development Code. Therefore, staff recommends approval for a five-year period with eligibility for automatic renewal for additional five-year periods subject to a site plan and conditions.

Parking:

Pursuant to §51A-4.210 of the Dallas Development Code, the off-street parking requirement for a school is 1.5 spaces per kindergarten and elementary classroom and 3.5 spaces per junior high classroom. Therefore, the proposed charter school requires 92 parking spaces. As depicted on the site plan, 240 spaces are provided.

Landscaping:

New development or site work will require landscaping per Article X of the Dallas Development Code.

CPC Minutes: September 18, 2014:

Motion: It was moved to recommend **approval** of amend and expand Specific Use Permit No. 1995 for an open-enrollment charter school for an eighteen-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan, traffic management plan and conditions on property zoned a CR Community Retail District and an NO(A) Neighborhood Office District on the north side of West Camp Wisdom Road and the east side of South Westmoreland Road.

5. HOURS OF OPERATION: The open-enrollment charter school may only operate between 7:00 a.m. and 6 00 p.m. Monday through Friday.

6. INGRESS-EGRESS: Ingress and egress must be provided in the locations shown on the attached site plan. No other ingress or egress is permitted.

7. OFF-STREET PARKING: Off-street parking must be located as shown on the attached site plan.

8. LIGHTING: Lighting of athletic fields and outdoor play areas is prohibited.

9. TRAFFIC MANAGEMENT PLAN:

(a). In general. Operation of the open-enrollment charter school must comply with the attached traffic management plan.

(b) Queuing. Queuing is only permitted inside the Property. Student drop-off and pick-up are not permitted within city rights-of-way.

(c) Traffic study.

(1) The Property owner or operator shall prepare a traffic study evaluating the sufficiency of the traffic management plan. The initial traffic study must be submitted to the director by March 1, 2014. After the initial traffic study, the Property

owner or operator shall submit updates of the traffic study to the director by March 1 of each even-numbered year.

- (2) The traffic study must be in writing, performed by a licensed engineer, based on a minimum of four samples taken on different school days at different drop-off and pick-up times over a two-week period, and must contain an analysis of the following:

- A. ingress and egress points;
- B. queue lengths;
- C. number and location of personnel assisting with loading and unloading of students;
- D. drop-off and pick-up locations;
- E. drop-off and pick-up hours for each grade level;
- F. hours for each grade level; and
- G. circulation.

- (3) Within 30 days after submission of a traffic study, the director shall determine if the current traffic management plan is sufficient.

- (A) If the director determines that the current traffic management plan is sufficient, the director shall notify the applicant in writing.
- (B) If the director determines that the current traffic management plan results in traffic hazards or traffic congestion, the director shall require the Property owner to submit an amended traffic management plan. If the Property owner fails to submit an amended traffic management plan within 30 days, the director shall notify the city plan commission.

(d) Amendment process.

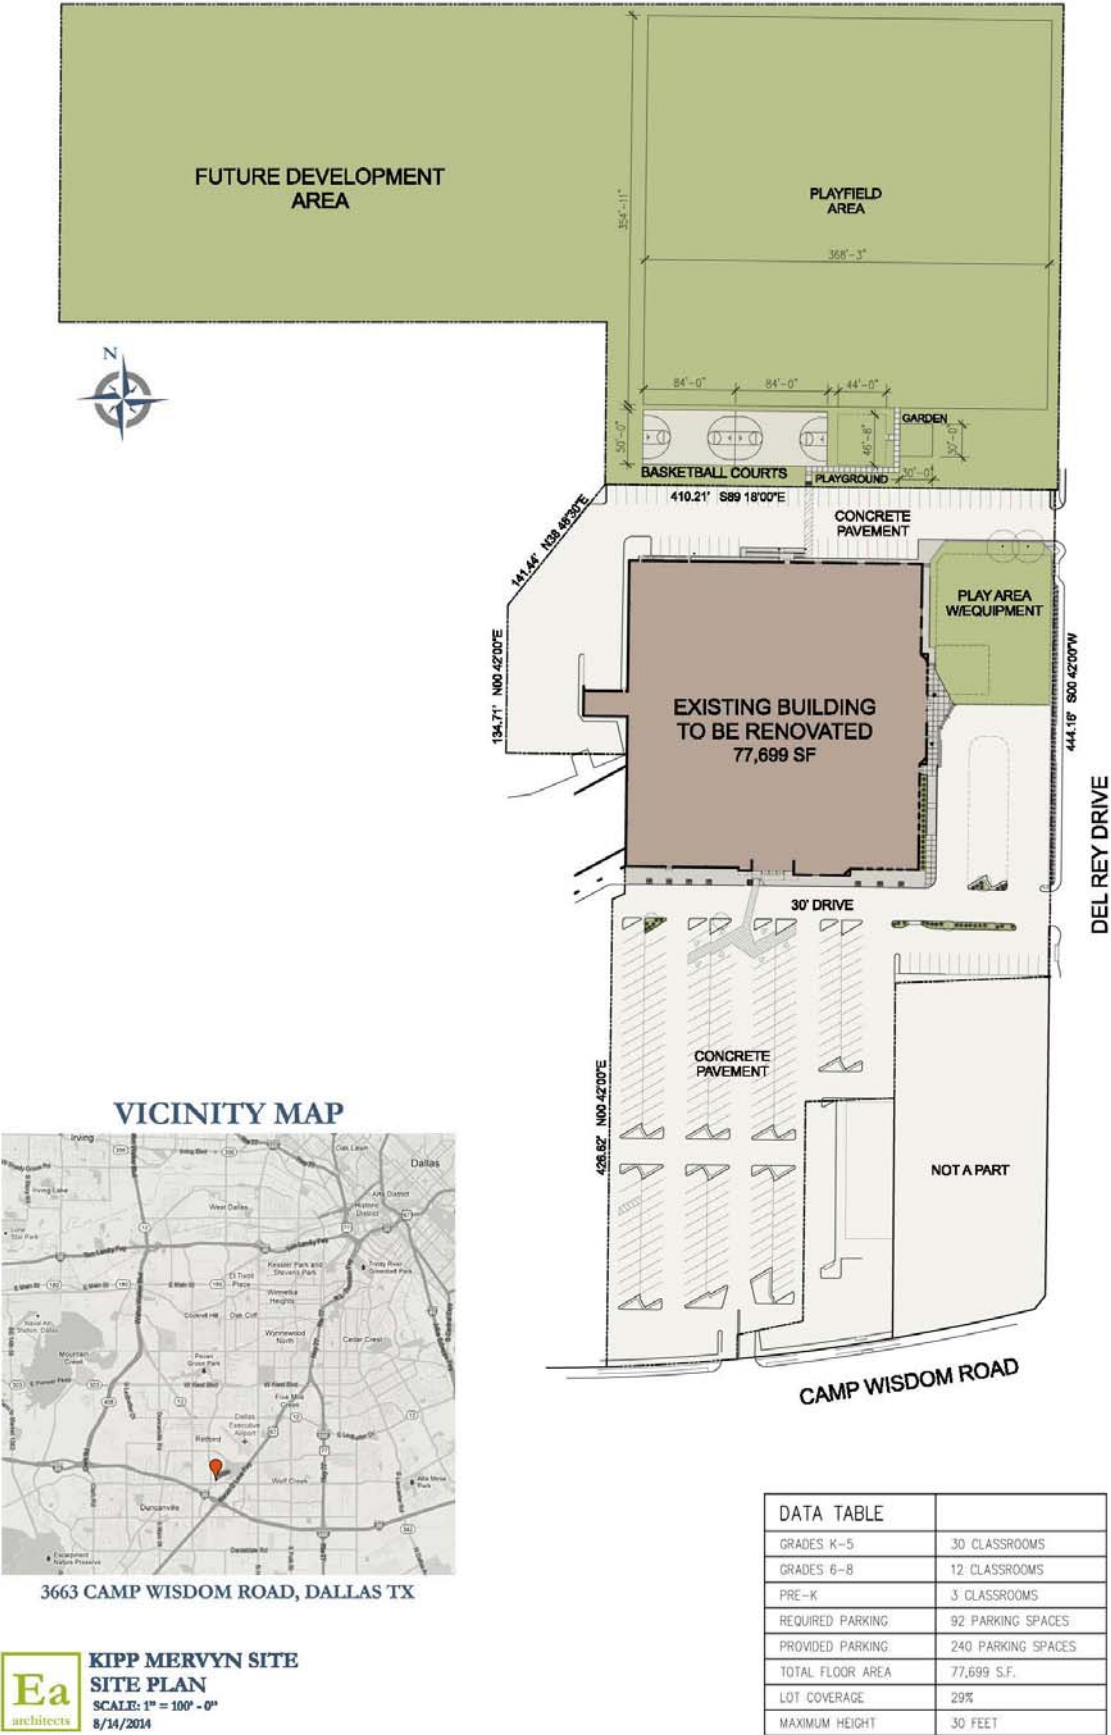

- (1) A traffic management plan may be amended using minor plan amendment fee and public hearing process in Section 51A-1.105(k)(3) of Chapter 51A of the Dallas City Code, as amended.

- (2) The city plan commission shall authorize changes in a traffic management plan if the proposed amendments improve queuing or traffic circulation; eliminate traffic hazards; or decrease traffic congestion.

10. MAINTENANCE: The Property must be properly maintained in a state of good repair and neat appearance.

11. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

Traffic Management Plan:

Traffic Management Plan and Queuing Analysis
KIPP Destiny Elementary Z____-____
3663 Camp Wisdom Road, Dallas, TX
August 15, 2014

Introduction:

The KIPP Destiny Elementary campus is an adaptive reuse of an unused department store located in a commercial center on the northeast corner of Camp Wisdom Road and Westmoreland Road. The school operation is an expansion of an existing public charter school already in operation in the Dallas area.

The school started with approximately 190 students (Pre-K and K) for the 2013-2014 school year, and will add one grade level per year. Thus, the 2014-2015 school year will have students in Pre-K through 1st grade. The school may ultimately grow to up to 1,000 students within 5-8 years. The school will start with approximately 13 staff members which will grow to approximately 80 when the student numbers reach 1,000. The building has a total of 45 classrooms. The following table shows the approximate distribution of classrooms, actual student distribution will vary by year:

Grade	Classrooms	Drop-Off Time	Dismissal Time
Pre-K	3	7:00-7:15 AM	3:45-5:00 PM
Kindergarten	5	7:00-7:15 AM	3:45-5:00 PM
1 st Grade	5	7:00-7:15 AM	3:45-5:00 PM
2 nd Grade	5	7:00-7:15 AM	3:45-5:00 PM
3 rd Grade	5	7:00-7:15 AM	3:45-5:00 PM
4 th Grade	5	7:00-7:15 AM	3:45-5:00 PM
5 th Grade	5	7:00-7:15 AM	3:45-5:00 PM
6 th Grade	4	7:00-7:15 AM	3:45-5:00 PM
7 th Grade	4	7:00-7:15 AM	3:45-5:00 PM
8 th Grade	4	7:00-7:15 AM	3:45-5:00 PM
Total	45		

Morning drop-off is presently from 7:00-7:15 AM for all students, with school starting at 7:15 AM. Afternoon dismissal is presently at 3:45 PM, with older classes likely to extend to between 4:30 and 5:00 PM. The drop-off time can be modified to match the school operations. When the student population using the pick-up loading areas grows beyond a certain point, separate dismissals will be required. The pick-up time periods can be modified as long as pick-ups are divided into groups that are separated by at least 15 minutes.

Public charter schools can achieve bus usage of around 50%. While a similar percentage is likely at this campus, a bus usage of 30% is assumed for this campus in order to ensure a conservative analysis of the queuing demand. The TMP is expandable to handle all 1,000 students in the unlikely event that buses are not used.

Proposed TMP Operation:

The proposed TMP has three loading areas which will operate the same in both the drop-off and pick-up time periods.

The North Loading Area is entered from Westmoreland Road at an existing median opening. The vehicle path passes behind the shopping center to a loading area on the north side of the school building, using the existing access easements. Once onto the school's property, vehicles will queue until reaching the loading area, where staff members will assist with loading and unloading. The queue can be double-stacked if necessary. Once loaded or unloaded, the vehicles exit to southbound Del Rey Drive, which leads to Camp Wisdom Road. The North Loading Area has approximately 920' (46 vehicles) of queuing distance available.

The South Loading Area is entered from westbound Camp Wisdom Road at an existing right-in/right-out driveway. The vehicle path proceeds towards the school building, then turns west to a loading area on the south side of the school building. Due to the width of the angled parking aisles, the queue cannot be easily double stacked. To increase queue distance on the property, when necessary the inbound vehicle path is directed by a staff member to use additional northbound parking aisles before rejoining the main queue as it reaches the loading area. Once loaded or unloaded, the vehicles exit through the parking lot to Camp Wisdom Road, using the driveway and median opening between Westmoreland Road and Del Rey Drive. The South Loading Area has approximately 1,120' (56 vehicles) of queuing distance available.

The East Bus Loading Area is accessed from Del Rey Drive. The buses circulate through the parking lot east of the building, loading from an area adjacent to the building. Space is available for temporary bus stacking if necessary, but no buses will be stored on the site overnight. The bus circulation area is completely separated from the parent vehicle circulation areas, although the buses exit along Del Rey Drive which overlaps with the exit from the North Loading Area. The East Bus Loading Area can accommodate two buses loading or unloading at the same time, and up to seven buses can be queued in the loop circulation path, with more stacked in the center of the loop when needed.

At all locations loading is performed on the passenger side, and no students have to cross vehicle paths. For the afternoon pick-up time period, arriving vehicles will display a sticker or placard indicating which student(s) they are picking up. The traffic administrator posted in advance of the loading stations looks for this information and calls ahead to the loading station so that the appropriate students are waiting at the correct loading station when the vehicle arrives. When the vehicles have come to a stop at the loading station, the students are loaded into the vehicles with the assistance of the staff member at each loading station.

The school will use multiple pick-up groups depending on the number of students. When the student population using a loading area grows above 200, the students will be split into two groups with dismissals separated by at least 15 minutes. With the North and South Loading Areas active and balanced in numbers, the school can accommodate up to 400 students with a single dismissal time, and 800 students with two dismissal times. Since busing is expected to transport at least 30% of the student population, two dismissal times are all that should be required for the school. Even if there is no busing from the school, the full 1,000 students can be accommodated with two dismissal times at one loading area and three at the other.

Queuing Analysis:

Based on observations of queuing at other public charter schools in the DFW area, KHA uses a design standard for projecting queue demands at similar sites. The expected maximum queue in vehicles is equal to 20% of the largest number of students dismissed at one time. Students using buses or walking/biking are deducted from the student number since they do not attract personal vehicles to the campus. This method accounts for the differences in how schools divide up the pick-up time period, as some dismiss all students in one group and therefore have higher vehicle demands in a short time period, while some spread out the dismissals over two or more groups. The projected queue formula can be stated as:

$$(\text{Students dismissed in time period} - \text{Students using other modes}) * 0.20 = \text{Number of vehicle in queue}$$

By design of the TMP, for each loading area the largest number of students dismissed at one time is 200, with no further deductions for busing. Therefore, the projected maximum queue length is:

$$(200 \text{ students dismissed} - 0 \text{ Students using buses}) * 0.20 = 40 \text{ vehicles in queue}$$

The projected queue of 40 vehicles translates to 800' of queuing distance. This distance is well in excess of the recommended values for equivalent Texas schools found in the Texas Transportation Institute (TTI) research report 0-4286 *Operations and Safety Around Schools* published in January 2004. The more conservative (longer queues) KHA method reflects the nature of charter schools which draw from a large area and tend to have fewer students arriving as pedestrians or by bicycle than traditional public schools.

The projected maximum queue demand of 800' can easily be accommodated within the queue distances available in both the North and South Loading Areas. The North Loading Area has 920' of distance available in the TMP, which is approximately 120' of queuing distance available in excess of the demand.

Projected Queue Demand:	800'	40 Vehicles
Available Queuing Distance:	920'	46 Vehicles
Surplus (Deficiency):	120'	6 Vehicles

The South Loading Area has 1,120' of distance available in the TMP, which is approximately 320' of queuing distance available in excess of the demand.

Projected Queue Demand:	800'	40 Vehicles
Available Queuing Distance:	1,120'	56 Vehicles
Surplus (Deficiency):	320'	16 Vehicles

Parking:

The 3663 Camp Wisdom school property contains in excess of 200 parking spaces. The school use, with 33 elementary classrooms at 1.5 spaces each and 12 middle school classroom at 3.5 spaces each, requires only 92 parking spaces per Dallas City Code §51A-4.202(17)(C).

Summary:

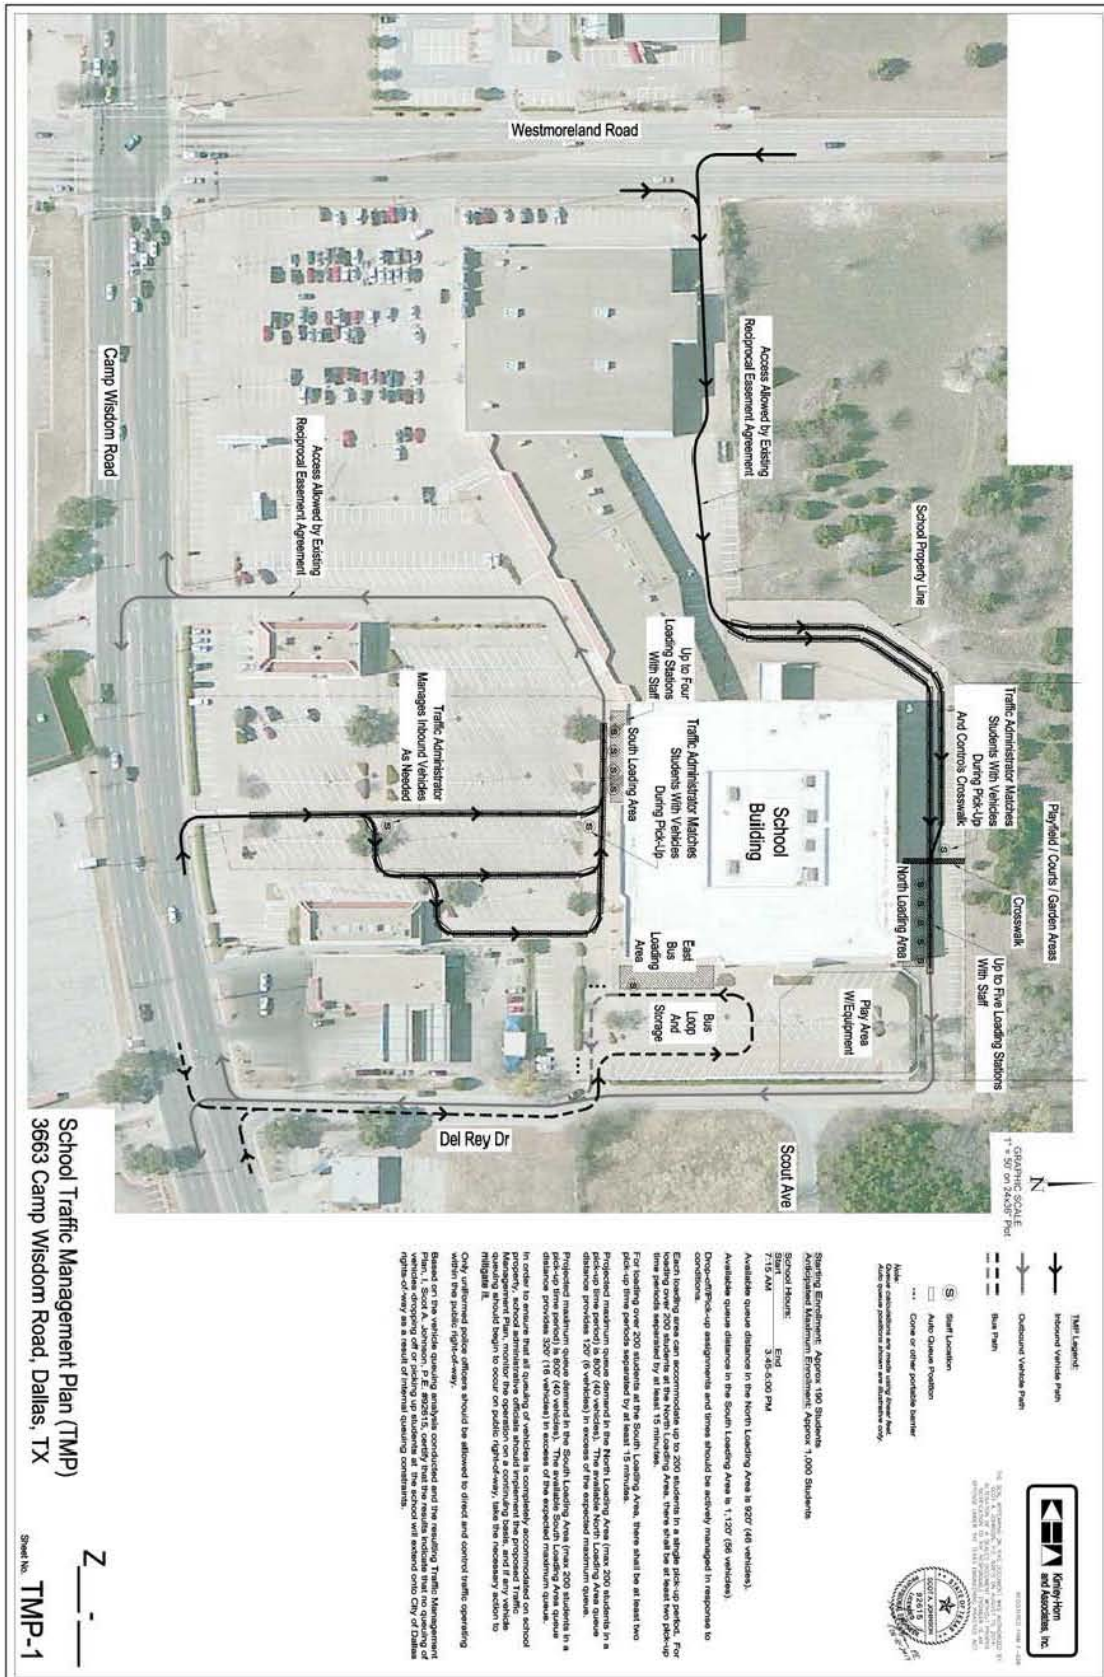

This TMP and the attached TMP plan define the drop-off and pick-up procedures for the public charter school at 3663 Camp Wisdom Road with a maximum of 1,000 students. The TMP vehicle routes provide an available queue distance within the site that is greater than the projected maximum expected queue for the school's operations. The school traffic will never be allowed to queue vehicles in the ROW of any City street or alley, nor will the traffic on any City street be stopped or diverted. The property owner/school administrator is responsible for the administration of the TMP and minimizing the impact of the vehicle queue on the City streets. Only uniformed police officers should be allowed to direct and control traffic operating within the public right-of-way.

Based on the vehicle queuing analysis conducted and the resulting Traffic Management Plan, I, Scot A. Johnson, P.E. #92615, certify that the results indicate that no queuing of vehicles dropping off or picking up students at 3663 Camp Wisdom Road will extend onto City of Dallas rights-of-way as a result of internal queuing constraints.

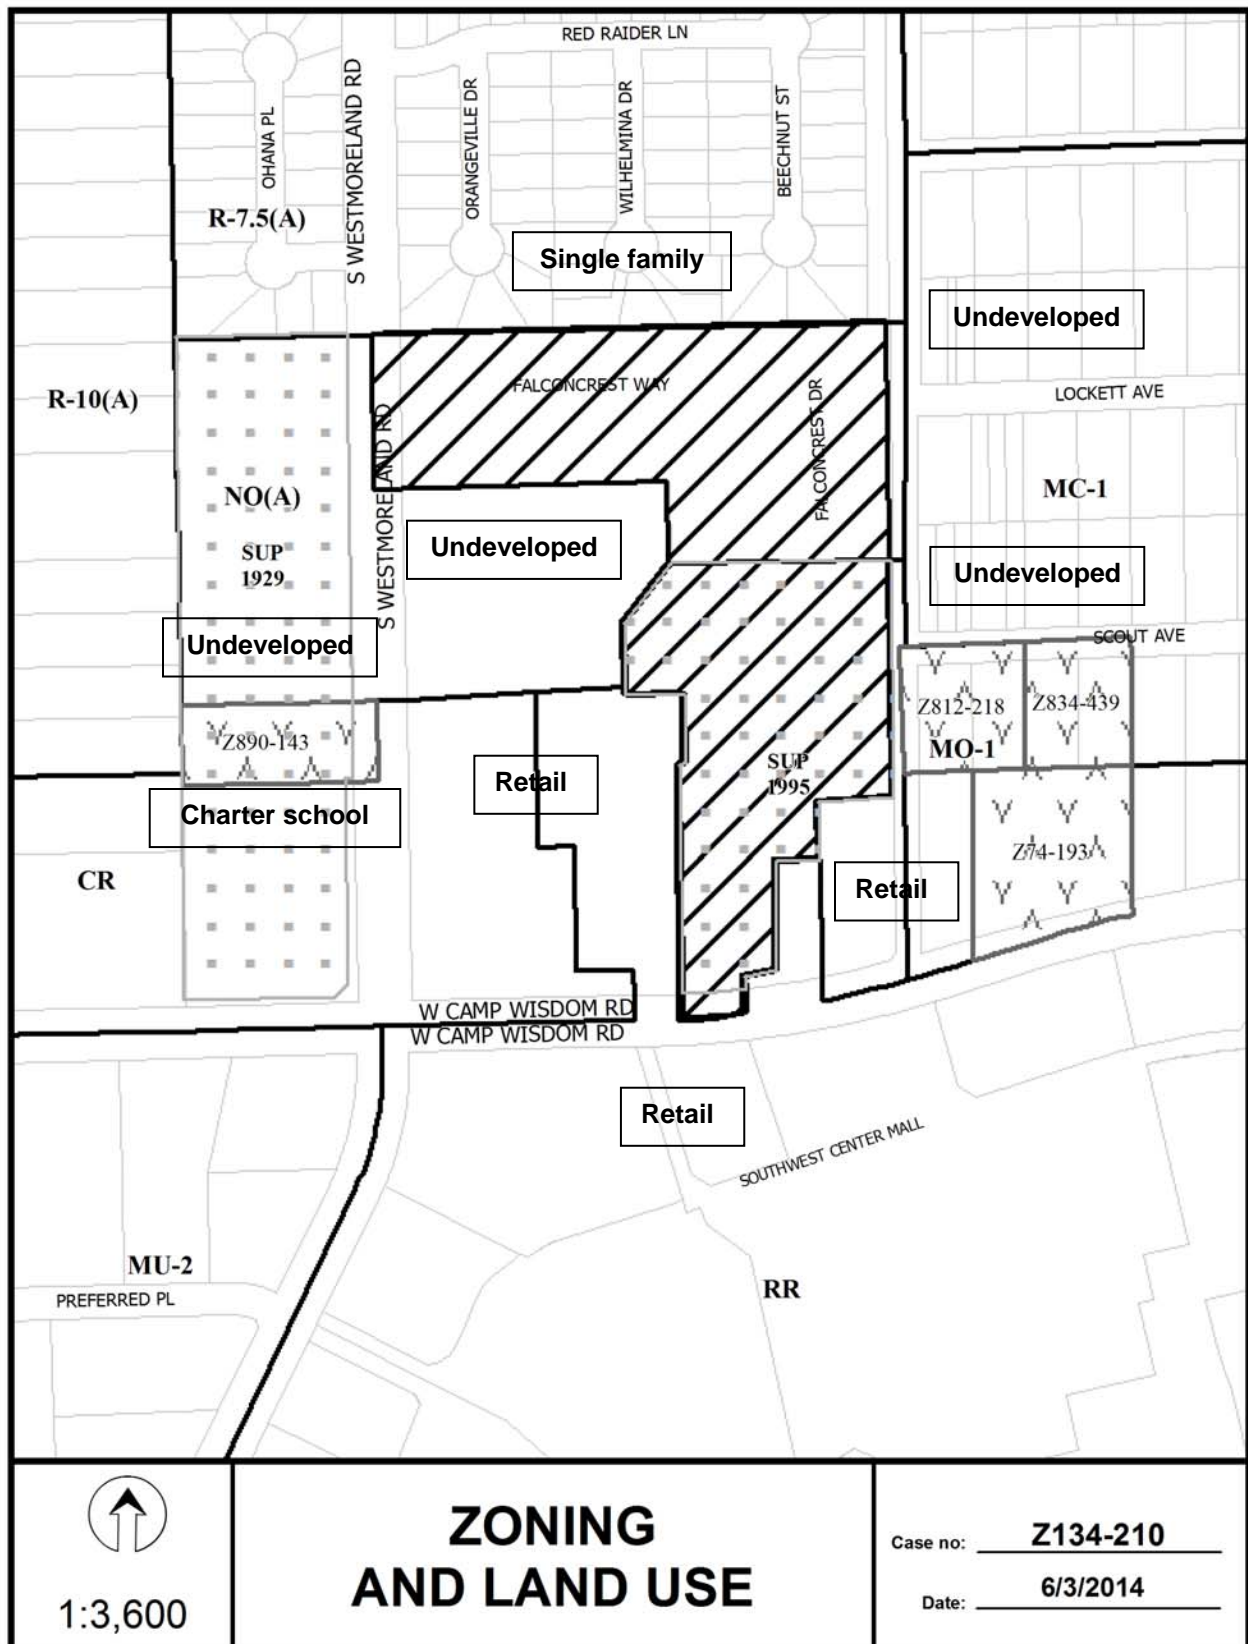

In order to ensure that all queuing of vehicles is completely accommodated on school property, the school administrative officials should implement the proposed Traffic Management Plan, monitor the operation on a continuing basis, and if any vehicle queuing should begin to occur on public right-of-way, take the necessary action to mitigate it.

SIZE OF REQUEST: Approx. 15.54 Acres **CENSUS TRACT:** 113

APPLICANT: DART

REPRESENTATIVE: Martin Krueger

OWNER: University of North Texas System

REQUEST: An application for a Specific Use Permit for a Transit passenger station or transfer center on property zoned an NS(A) Neighborhood Service District and an R-5(A) Single Family District.

SUMMARY: The applicant is proposing to develop the site with an at-grade mass transit passenger station along DART's Blue Line, inclusive of surface parking, bus lanes, and kiss-and-ride spaces. The site is currently undeveloped. In summary, staff is supportive of the applicant's request, subject to revising the site plan and landscape plan (attached to this report) to comply with screening and landscape requirements, and the attached conditions. As it has been made clear by the applicant, they wish to have the City Council consider approving the site plan and landscape plan as submitted, both have been reviewed by staff and presented herein.

CPC RECOMMENDATION: Approval for a permanent period, subject to a site plan, landscape plan and conditions.

STAFF RECOMMENDATION: Approval for a permanent period, subject to a site plan, landscape plan and conditions.

GUIDING CRITERIA FOR RECOMMENATION:

Staff recommends approval of the request, subject a revised site plan and conditions, based upon:

1. *Compatibility with surrounding uses and community facilities* – The proposed improvements will be in scale with the character of scattered single family development in the immediate area. Additionally, the rail platform will be at grade (as opposed to elevated).
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – Mass transit facilities enhance accessibility for area residents and tenants/employees of nonresidential and institutional developments.
3. *Not a detriment to the public health, safety, or general welfare* – Mass transit facilities have been located throughout the city in close proximity to the density they serve; residential areas and employment centers/areas.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – Staff has had discussions with the applicant's representative regarding the applicant's request, which is requesting relief from the following: 1) screening of off-street parking when adjacent to residentially zoned property, and 2) landscape plan that complies with Article X, but lacks required landscape buffers when adjacent to residentially zoned property. Suggestions were offered to address this: 1) revise application to a PDD with alternative screening and landscaping; 2) maintain an application for an SUP, which provides the City Council an ability to approve a landscape plan that, '...as a minimum, impose landscaping requirements that are reasonably consistent with the standards and purposes of Article X.' Screening of off-street parking areas must comply with the requirements of the Dallas Development Code (six foot-tall solid screening of parking areas adjacent to residentially zoned property), or, '...a site plan approved by the City Council.' The attached letter provided by the UNT system outlines the anticipated relationship between the campus and the applicant's transit station. As staff supports the seamless interaction between both developments, flexibility in accepting both items noted above is not an option.

Zoning History: There has been no recent zoning activity in the immediate area relevant to the request.

Street

Designation; Existing & Proposed ROW

University Hills Boulevard

Principal Arterial; 107' & 107' ROW

Traffic: The Engineering Section of the Department Sustainable Development and Construction has reviewed the request and determined that it will not significantly impact the surrounding street system.

Comprehensive Plan: The request site is located in an area considered a Residential Neighborhood. This Building Block represents the life-blood of Dallas, the traditional neighborhood of single-family detached homes. Dallas has many neighborhoods that match this description, including Winnetka Heights, Preston Hollow, Lakewood and Wheatley Place. Single-family dwellings are the dominate land use in these areas. Some shops, restaurants or institutional land uses such as schools and religious centers that serve neighborhood residents may be located at the edges or at key intersections.

GOAL 1.2 Promote desired development.

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns.

STAFF ANALYSIS:

Land Use Compatibility: The request site is undeveloped. The applicant is proposing to develop the site with an at-grade mass transit passenger station, inclusive of surface parking, bus lanes, and kiss-and-ride spaces. This station will serve as the first expansion from the current terminus of the Blue Line at the Ledbetter Station (approx. three miles to the north). The proposed station represents an orderly expansion through South Oak Cliff with a focus to support the campus development for the UNT system and anticipated development within the general area. As a matter comprehension to the overall efforts to extend DART's Blue Line to this area, the organization will be acquiring an additional eight (approx.) acres from the State in order to provide for the 100 foot-wide right-of-way that will capture proposed and future improvements for this station. As noted on the attached site plan, the site will provide for two future access points (north and east) to serve as a seamless connection to the proposed UNT-D campus.

While the immediate area to the south and southeast is developed with scattered single family uses, utility and institutionally-owned residentially zoned properties are found to wrap the north/northeast portion of the site; Dallas Water Utilities' Southcliff Pump Station, and the proposed campus for the University of North Texas at Dallas (UNT-D), respectively.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing

certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

As noted in the Guiding Criteria for Recommendation, above, staff presented two options to the applicant to address development of the proposed transit station. It was communicated to the applicant's representative that the PDD would be a valid option to capture screening and perimeter landscaping that was sensitive (as relating to future cross access options between the UNT-D campus and the station platform) to the final buildout of both properties. Specifically, staff is recommending a three foot-tall berm augmented with landscape materials around the parking area while providing for physical openings to allow train riders to traverse across the property. It should be noted these openings can be adjusted in the future by the property owner submitting an application minor amendment for consideration of revisions to the affected areas of the site.

Landscaping: As an undeveloped parcel, the site possesses native vegetation across its boundary. A tree survey will be required as part of the development process. Additionally, the applicant is requesting landscaping that meets the spirit of Article X, lacking required landscape buffers when adjacent to residentially zoned property.

The attached landscape plan represents what the applicant will ask the City Council to approve, thus it has been reviewed by the chief arborist and is presented in anticipation of the Council's public hearing.

CPC MINUTES – September 18, 2014

Motion: It was moved to recommend **approval** of a Specific Use Permit for a Transit passenger station or transfer center for a permanent period, subject to a revised site plan, landscape plan and conditions on property zoned an NS(A) Neighborhood Service District and an R-5(A) Single Family District, along the east line of University Hills Boulevard, north of Killough Boulevard.

Re: Z134-215 Specific Use Permit – DART UNT Dallas Station

Dear Mr. Brown,

This letter is written in support of Dallas Area Rapid Transit (DART) and their efforts to pursue a Specific Use Permit for the purpose of constructing a light rail transit station and bus transfer center on property abutting the University of North Texas at Dallas (UNT Dallas) campus.

The proposed UNT Dallas Station site plan was collaboratively developed in a cooperative arrangement between DART and University of North Texas System, including input from UNT Dallas staff over the last two years. UNTS is wholly supportive of the design. The parking lot layout, road alignments, and specifically the minimal landscape buffer space and lack of physical barriers, fences or other visual screening devices along DART's northern and eastern property boundaries is consistent with the future development of the campus as outlined in our campus master plan. Our intent in working with DART on this design was to integrate DART's station parking facilities and the UNT Dallas campus. The absence of physical barriers, such as landscape buffers and fences, is consistent with this integration.

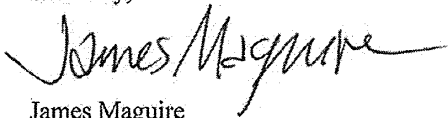

When implemented in the future, our planned University Promenade, located adjacent to DART's eastern property boundary, will provide the main pedestrian linkage between the campus and the light rail station. We have also coordinated with DART on the location of a future campus access drive and an adjacent pedestrian walkway. This walkway will provide the initial pedestrian connection between the campus and the DART station until the University Promenade is implemented. In order to ensure that our students, faculty and staff have unobstructed views between this walkway and the rail station, there must not be any screen fences, hedges or other visual barriers along the property boundaries. This approach supports the safe access for students walking between the campus and the station.

Specific Use Permit – DART UNT Dallas Station

We whole-heartedly support DART in their efforts, and eagerly anticipate the construction of their light rail station and the advent of DART service to our campus at the earliest possible time. We believe the improved mobility options DART provides will be a catalyst to the future growth of the UNT Dallas campus and to the surrounding area.

Sincerely,

A public hearing to receive comments regarding an application for and an ordinance granting a Planned Development District for RR Regional Retail District uses and a truck stop on property zoned an RR Regional Retail District on the northwest corner of R.L. Thornton Freeway and West Wheatland Road

Recommendation of Staff and CPC: Approval, subject to a development plan, landscape plan and conditions

Z134-271(WE)

FILE NUMBER: Z134-271(WE) **DATE FILED:** June 4, 2014
LOCATION: R.L. Thornton Freeway and West Wheatland Road, northwest corner
COUNCIL DISTRICT: 8 **MAPSCO:** 74-D
SIZE OF REQUEST: Approx. 3.608 acres **CENSUS TRACT:** 111.05

APPLICANT: Victron Stores, LP

OWNER: Kurosh Amini & David Nuafi

REPRESENTATIVE: Kenneth D. Baca

REQUEST: An application for a Planned Development District for RR Regional Retail District uses and a truck stop on property zoned an RR Regional Retail District.

SUMMARY: The purpose of this request is to allow 18-wheelers to use the fueling pumps to fuel their trucks. The applicant proposes to develop a one-story, 7,600 square foot general merchandise or food store with fueling pumps. In addition, the proposed development will have a restaurant that will be located within the proposed development. The proposed Planned Development District will prohibit several amenities that are typically located within a truck stop such as overnight truck parking on the premises, parking trucks on site for a period of time, a truck lounge and show facilities. The proposed development will also provide a general merchandise or food store with a fueling station for other vehicles, which is permitted by right, within the RR Regional Retail District.

CPC RECOMMENDATION: Approval, subject to a development plan, landscape plan and conditions.

STAFF RECOMMENDATION: Approval, subject to a development plan, landscape plan and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

Staff recommends approval the Planned Development District based upon:

1. *Performance impacts upon surrounding property* – The proposed PDD is not anticipated to have a negative impact on the surrounding areas due to the surrounded properties being undeveloped and conditions that will be incorporated to limit the impact. . The truck activities will be restricted to fueling vehicles only.
2. *Traffic impact* – The Engineering Section of the Department of Sustainable Development and Construction has determined that the request for the PDD will not have a negative impact on the street system.
3. *Comprehensive Plan or Area Plan Conformance* – The *forwardDallas! Comprehensive Plan* shows that the request site is located in a Commercial Center or Corridor Building Block and is consistent with the building block and surrounding area.
4. *Justification for PD Planned Development District Zoning as opposed to a straight zoning district* – The applicant's request for a Planned Development District will allow for a truck stop use to be added to the main uses that are permitted in an RR Regional Retail District. The RR Regional Retail District permits, by right, a general merchandise or food store greater than 3,500 square feet with fueling pumps, but it does not allow for a truck stop use. A truck stop use is permitted only in a Commercial or Industrial area by a Specific Use Permit.

BACKGROUND INFORMATION:

- The request site is currently undeveloped and is adjacent to the R.L. Thornton Freeway.
- The surrounding land uses consist of several undeveloped tracts of land. Approximately 194 feet west of the request site are properties that are developed with multifamily uses and an adult day care facility and community service center (SUP No. 1345).

Zoning History: There has been one recent zoning change requested in the area.

1. Z101-244 - On August 10, 2011, the City Council amended Specific Use Permit No. 1345 for a community service center and an adult day care facility for a ten year period with eligibility for automatic renewals for additional ten year periods.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
South R.L. Thornton Freeway		Variable width lanes	Variable width lanes
West Wheatland Road	Principal Arterial	60 ft.	90 ft.

Traffic: The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that the proposed SUP and PDD amendment will not have a negative impact on the surrounding street system. The analysis is based upon the traffic worksheet the applicant provided during the application submittal.

Surrounding Land Uses:

	Zoning	Land Use
Site	RR	Undeveloped
North	RR	Undeveloped
South	RR	Undeveloped
East		R.L. Thornton Freeway
West	RR	Undeveloped

COMPREHENSIVE PLAN: The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *forwardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in a Commercial Center or Corridor Building Block.

These areas primarily function as service and job destinations and are similar to Business Centers or Corridors, but are smaller and incorporate less density. These corridors, commonly at the intersection of major streets, are easily accessed via automobiles. Buckner Boulevard is an example of a Commercial Corridor. Buildings in these areas tend to be on separate parcels and stand one to five stories with offices, restaurants and a range of retail and commercial uses. In addition to jobs and services, Commercial Centers or Corridors also may include multifamily housing in low- to mid-rise apartment buildings or condominiums. Landscaping and urban design will enhance the visitor's experience and is used to separate sidewalks from major roads and define pedestrian routes in large parking lots. For large shopping centers, this may involve adding public plazas or other "town center" features. Public transit enhancements as well as quality access and visibility are important components of successful auto-oriented development.

LAND USE

GOAL 1.2 PROMOTE DESIRED DEVELOPMENT

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns.

STAFF ANALYSIS:

Land Use Compatibility:

The proposed development is appropriate from a land use perspective, which includes a truck stop use. The site's location is adjacent to a major freeway (R.L. Thornton Freeway frontage road) and is in close proximity to Interstate 20. Access onto West Wheatland Road from the proposed development is prohibited. The proposed development will strictly limit the trucks ingress and egress from R.L. Thornton Freeway frontage road and will limit the fueling activity to the northern portion of the site. The proposed Planned Development conditions will also restrict specific activities that are associated with a truck stop, such as prohibit shower facilities, gaming activities, a trucker's lounge, overnight truck parking or truck parking on the premises and off-street parking for the trucks.

Approximately 194 feet west of the request site are properties that are developed with multifamily uses and an adult day care facility and community service center (SUP No. 1345).

Landscaping: Landscaping the proposed development will be in accordance with the attached landscape plan. The applicant could not landscape the site in accordance with Article X because of a conflict with an existing utilities easement that is located along the R.L. Thornton Freeway frontage road. The number of street trees required along R.L. Thornton Freeway is 8 but the applicant will plant and maintain 4 trees along the frontage road. Staff supports the attached landscape plan because the remaining site will meet Article X, landscaping requirements except for the portion of the site where planting trees will conflict with the underground utilities.

Access Agreement: The applicant owns the adjacent property to the west of the request site and will provide an access agreement that will allow an additional driveway approach from West Wheatland Road onto the site.

CPC Action – September 18, 2014

Motion: It was moved to recommend **approval** of a Planned Development District for RR Regional Retail District uses and a truck stop, subject to a revised development plan, landscape plan and revised conditions with the following additions: 1) Under Section 51P-__108, OFF STREET PARKING AND LOADING, add a subsection “(b)”, to read as follows: “Commercial motor vehicles are prohibited from utilizing ingress/egress points other than the one ingress/egress point denoted on the development plan.”, 2) Prior to Council consideration add a label to the development plan to restrict access of commercial motor vehicles to the 45 ft. ingress/egress point on the east side of the property and prohibit ingress/egress from all other locations, and 3) Under Section 51P-__111, SIGNS, add a subsection “(b)” to read as follows: “Signs shall be posted on the site to direct commercial motor vehicles to utilizing ingress/egress point denoted on the development and to prohibit utilization of other ingress/egress points.”, on property zoned an RR Regional Retail District on the northwest corner of R.L. Thornton Freeway and West Wheatland Road.

SEC. 51P-____.105. MAIN USES PERMITTED.

(a) The uses permitted in this district are the same as those uses permitted in the RR Regional Retail District, subject to the same conditions applicable in the RR Regional Retail District, as set out in the Dallas Development Code, as amended. For example, a use permitted in the RR Regional Retail District only by specific use permit (SUP) is permitted in this planned development district only by SUP; a use subject to development impact review (DIR) in the RR Regional Retail District is subject to DIR in this planned development district; etc.

(b) Truck Stop is permitted by right

(c) The following uses are prohibited in this district.

- Shower facilities
- Truck scale
- Trucker's lounge
- Gaming activities
- Off-street parking for Truckers
- Overnight truck parking or truck parking on premises

SEC. 51P-____.106. ACCESSORY USES.

As a general rule, an accessory use is permitted in any district in which the main use is permitted. Some specific accessory uses, however, due to their unique nature, are subject to additional regulations in Section 51A-4.217. For more information regarding accessory uses, consult Section 51A-4.217.

SEC. 51P-____.107. YARD, LOT, AND SPACE REGULATIONS.

(Note: The yard, lot, and space regulations in this section must be read together with the yard, lot and space regulations in Division 51A-4.400. In the event of a conflict, between this section and Division 51A-4.400, this section controls.

The yard, lot, and space regulations for the RR Regional Retail District apply.

SEC. 51P-____.108. OFF-STREET PARKING AND LOADING.

(a) Consult the use regulations in Division 51A-4.200 for the specific off-street parking/loading requirements for each use.

(b) Commercial motor vehicles are prohibited from utilizing ingress/egress points other than the one ingress/egress point denoted on the development plan.

SEC. 51P-____.109 ENVIRONMENTAL PERFORMANCE STANDARDS.

See Article VI.

SEC. 51P-____.110. LANDSCAPING.

- (a) Landscaping must be provided in accordance with the landscape plan.
- (b) All plant materials must be maintained in a healthy, growing condition.

SEC. 51P-____.111. SIGNS.

- (a) Signs must comply with the provisions for business zoning districts in Article VII.
- (b) Signs shall be posted on the site to direct commercial motor vehicles to utilize the ingress/egress point denoted on the development plan and to prohibit utilization of other ingress/egress points.

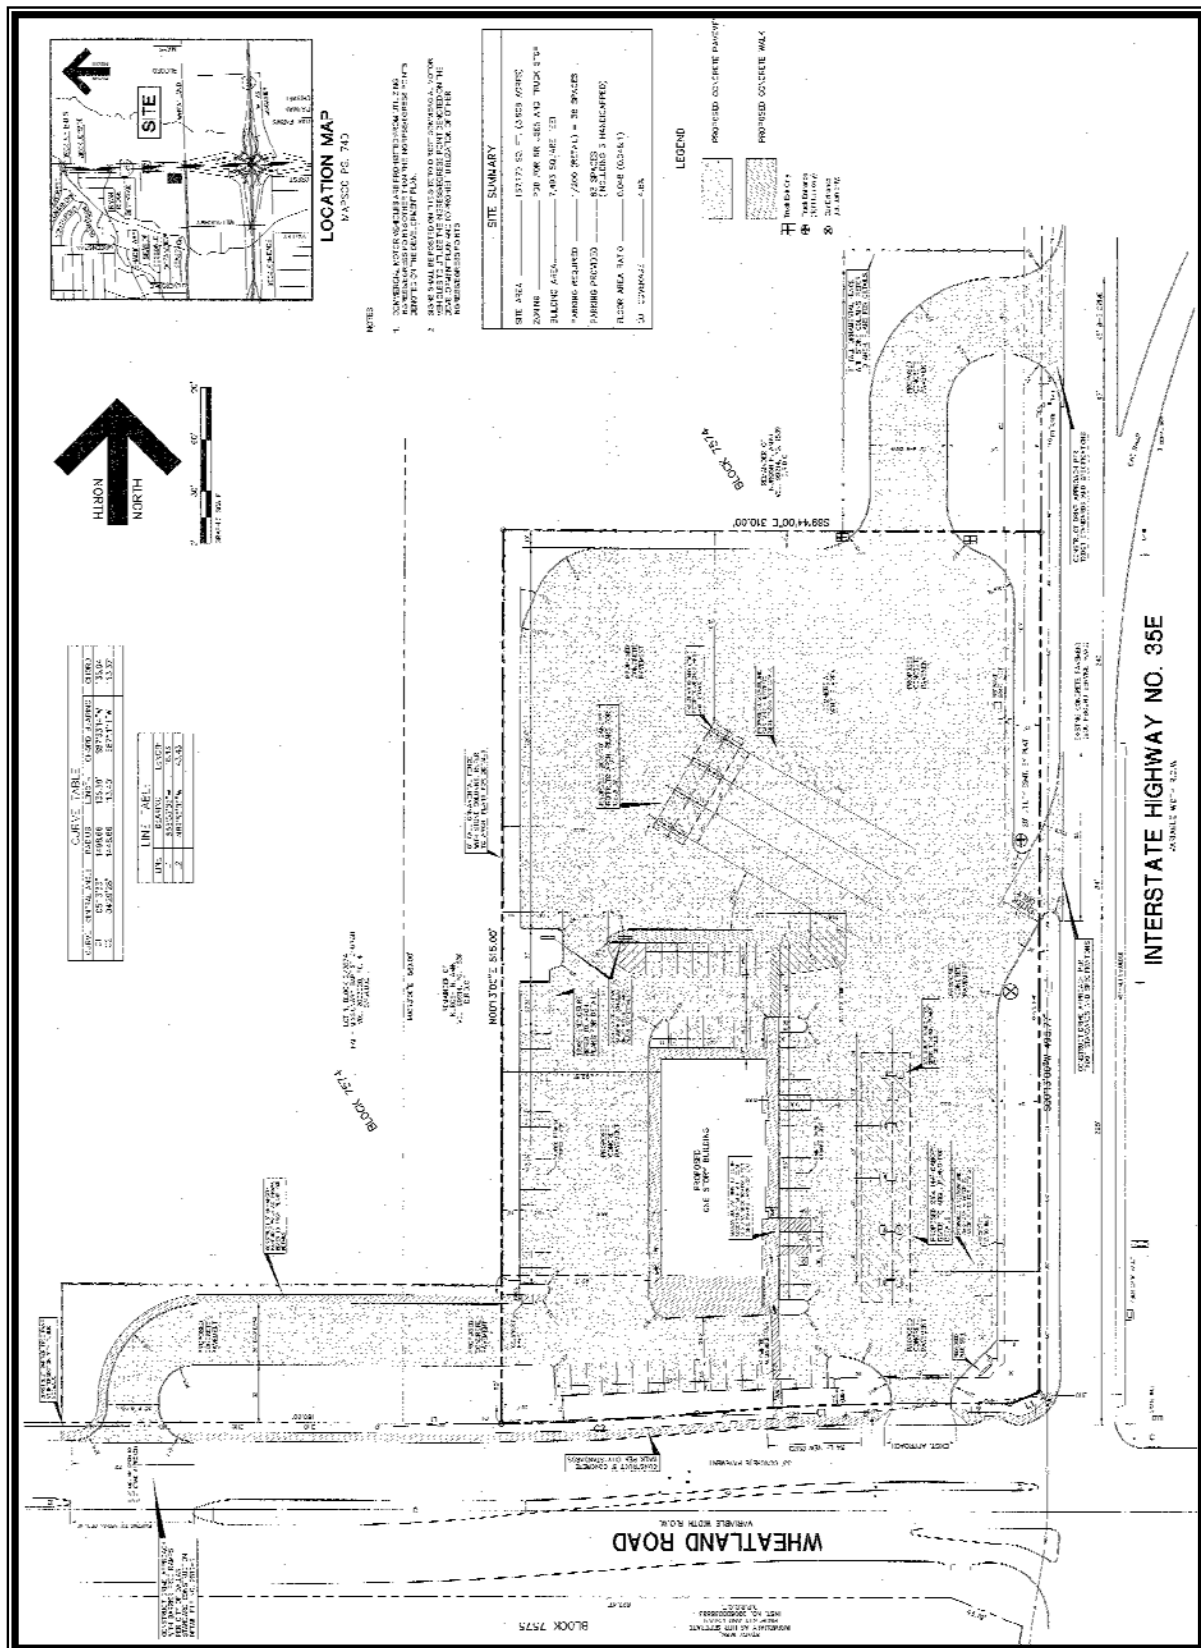

SEC. 51P-____.112. ADDITIONAL PROVISIONS.

- (a) The Property must be properly maintained in a state of good repair and neat appearance.
- (b) Development and use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the city.

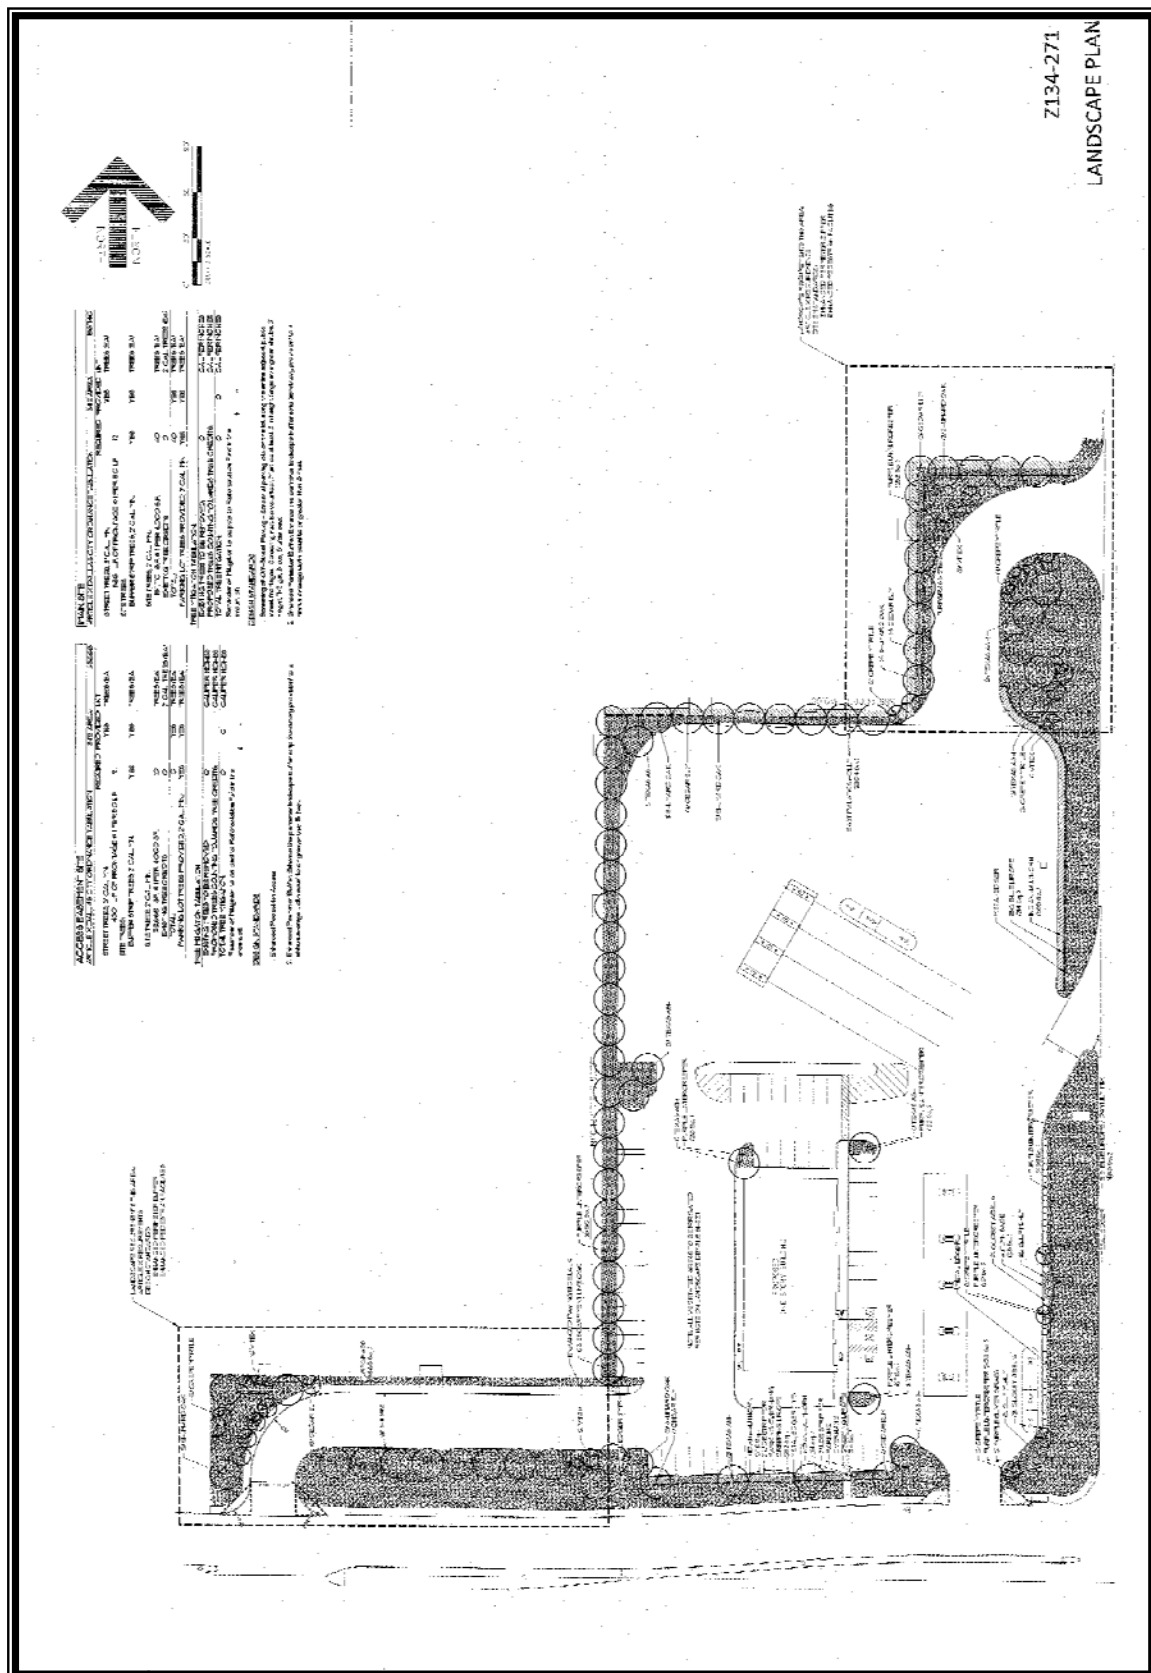

SEC. 51P-____.113 COMPLIANCE WITH CONDITIONS.

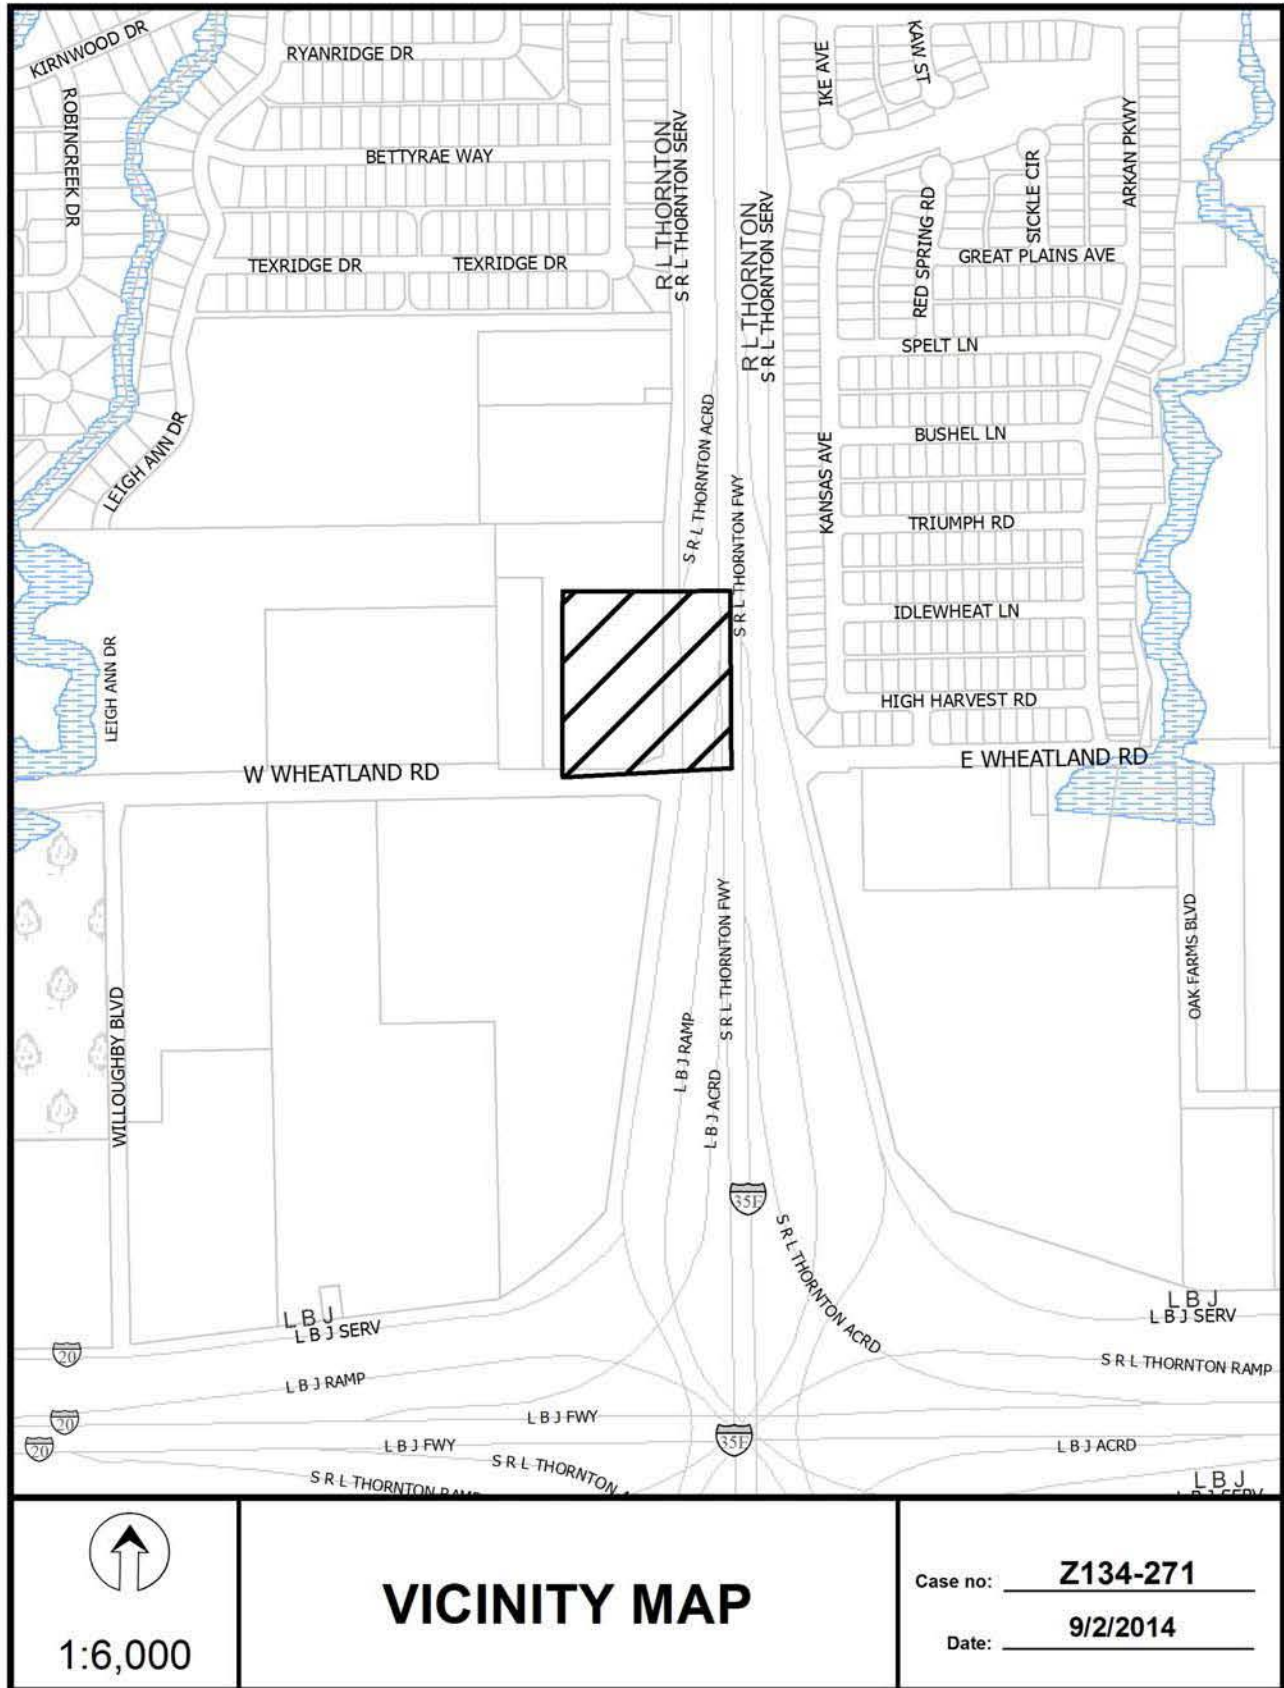

- (a) All paved areas, permanent drives, streets, and drainage structures, if any, must be constructed in accordance with standard city specifications, and completed to the satisfaction of the director of public works and transportation.
- (b) The building official shall not issue a building permit to authorize work, or a certificate of occupancy to authorize the operation of a use, until there has been full compliance with this article, the Dallas Development Code, the construction codes, and all other ordinances, rules, and regulations of the city.

SIZE OF REQUEST: Approx. 7.68 acres

CENSUS TRACT: 79.03

OWNER/APPLICANT: Zion Lutheran Church

REPRESENTATIVE: Karl A. Crawley, Masterplan.

REQUEST: An application for a Specific Use Permit for a private school on property zoned an R-7.5(A) Single Family District.

SUMMARY: The applicant's request is for a Specific Use Permit to be able to continue the use of the property as a private school and to add 8,280 square feet for classrooms and 11,300 square feet for a gymnasium. The total square footage for the school will be 34,620 square feet. The current enrollment is 275 students from Kindergarten through 8th grade. The improvements will allow for a maximum enrollment of 296 students.

CPC RECOMMENDATION: **Approval** for a ten-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan, traffic management plan, and conditions.

STAFF RECOMMENDATION: **Approval** for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a site plan, traffic management plan, and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The existing building and proposed expansion are compatible in scale and character with the surrounding single-family and multifamily uses.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The existing church and private school have not negatively impacted the adjacent properties and provide a valuable service to this area of the city.
3. *Not a detriment to the public health, safety, or general welfare* – The existing private school has not been a detriment to the public health, safety, or general welfare.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The proposed use and site plan as proposed, comply with all the zoning regulations and standards.

Thoroughfares/Streets:

Thoroughfares/Street	Type	Existing ROW
E. Lovers Lane	Principal Arterial	60 ft.
Skillman Street	Principal Arterial	100 ft.

Traffic: The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that it will not negatively impact the surrounding street system.

STAFF ANALYSIS:**Comprehensive Plan:**

The forwardDallas! Comprehensive Plan was adopted by the City Council in June 2006. The forwardDallas! Comprehensive Plan outlines several goals and policies which can

serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in an urban neighborhood building block.

The Urban Neighborhood block is predominately residential but is distinguished from other neighborhoods by the wide variety of housing options they provide and easy access to public transit. Housing choices should include single-family detached dwellings, townhomes and low- to midrise condominiums or apartments. These neighborhoods will have concentrations of shops and offices along key corridors or at key intersections, providing important services and job opportunities within walking distance of residences.

The applicant proposes to continue the use of the property for a private school. The applicant's request is in compliance with the goals and policies in the *forwardDallas! Comprehensive Plan*.

Land Use Compatibility:

The proposed use is complimentary to the neighborhood and creates a sense of community in the area. The adjacent land uses to the property are single family and surrounding uses include single family, townhomes and multifamily. The school and the church have been operating on the site since 1957. The school is a nonconforming use since it started operation before the SUP requirement was established. The applicant is requesting an SUP due to the expansion of the facilities.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The request does not appear to have an adverse impact on the surrounding zoning and land uses.

Landscaping: The applicant is proposing an addition of approximately 34,620 square feet. This improvement will trigger landscape requirements. The landscaping of the property must comply with Article X.

**PROPOSED CONDITIONS
Z134-272**

1. USE: The only use authorized by this specific use permit is a private school.
2. SITE PLAN: Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit expires on (ten years from the passage of the ordinance), but is eligible for automatic renewal for additional ten-year periods pursuant to Section 51A-4.219 of Chapter 51A of the Dallas City Code, as amended. For automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for applications for automatic renewal is strictly enforced.)
4. CLASSROOMS: Maximum number of classrooms is 15.
5. INGRESS/EGRESS: Ingress and egress must be provided as shown on the attached site plan. No other ingress or egress is permitted. No other ingress or egress is permitted.
6. OFF-STREET PARKING: Parking must be located as shown on the attached site plan.
7. TRAFFIC MANAGEMENT PLAN:
 - A. In general. Operation of the open-enrollment charter school must comply with the attached traffic management plan.
 - B. Queuing. Queuing is only permitted inside the Property. Student drop-off and pick-up are not permitted within city rights-of-way.
 - C. Traffic management plan.
 - i. The Property owner or operator shall prepare an update to the traffic management plan evaluating the sufficiency of the plan. The initial update of the traffic management plan must be submitted to the director by November 1, 2016. After the initial traffic study, the Property owner or operator shall submit updates of the traffic study to the director by November 1 of each two years thereafter (beginning 2018).

ii. The traffic management plan must be in writing, performed by a licensed engineer, based on a minimum of four samples taken on different school days at different drop-off and pick-up times over a two-week period, and must contain an analysis of the following:

- a. ingress and egress points;
- b. queue lengths;
- c. number and location of personnel assisting with loading and unloading of students;
- d. drop-off and pick-up locations;
- e. drop-off and pick-up hours for each grade level;
- f. hours for each grade level; and
- g. circulation.

iii. Within 30 days after submission of a traffic study, the director shall determine if the current traffic management plan is sufficient.

a. If the director determines that the current traffic management plan is sufficient, the director shall notify the applicant in writing.

b. If the director determines that the current traffic management plan results in traffic hazards or traffic congestion, the director shall require the Property owner to submit an amended traffic management plan. If the Property owner fails to submit an amended traffic management plan within 30 days, the director shall notify the city plan commission.

D. Amendment process.

(1) A traffic management plan may be amended using the minor plan amendment fee and public hearing process in Section 51A-1.105(k)(3).

(2) The city plan commission shall authorize changes in a traffic management plan if the proposed amendments improve queuing or traffic circulation; eliminate traffic hazards; or decrease traffic congestion.

9. MAINTENANCE: The Property must be properly maintained in a state of good repair and neat appearance.

10. GENERAL REQUIREMENTS: Use of the Property must comply with all federal

Z134-272(OTH)

and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

CPC Minutes – September 18, 2014

Motion: It was moved to recommend **approval** of a Specific Use Permit for a private school for a ten-year period with eligibility for automatic renewals for additional ten-year periods, subject to a site plan, traffic management plan (submitted in two-year intervals) and conditions on property zoned an R-7.5(A) Single Family District on the northeast corner of East Lovers Lane and Skillman Street.

TRAFFIC MANAGEMENT PLAN

Traffic Management Plan For
Zion Lutheran Church and School
6121 East Lovers Lane, Dallas Texas

Prepared for the City of Dallas
By:
Jacobs Engineering Inc.

June 1, 2014

Rev 1 July 24, 2014

Rev 2 August 31, 2014

Introduction

Zion Lutheran Church and School was constructed in its present location in 1957 with a Sanctuary addition completed in 1984. The school currently has 275 students enrolled including Prekindergarten and Kindergarten through 8th grade. Zion is proposing the addition of a new music room, three replacement classrooms, school office and a new gymnasium. The construction of the new classrooms will allow adaptive reuse of three existing classrooms for youth and adult programs by the church. Zion does not anticipate a significant change in enrollment due to the addition, as the new facilities are intended to increase the level of service for the school and church and provide an improved image of Zion in the community.

Overview

The maximum capacity at Zion Lutheran School is not intended to be significantly impacted by the addition with enrollment estimated to be capped at 296 students. The normal school day for PreSchool and K-8 is from 8:30 am to 3:30 pm Monday through Friday. However hours vary due to extended care and after school activities. Drop off and pickup for Prekindergarten is separated from the K-8 drop off / pick up function and will not be affected by the proposed modifications. Drop-off and pickup for K-8 will be slightly modified due to building construction, however the queuing area and length will not be changed.

Traffic Flow and Queuing

The K-8 school area receives its ingress and egress traffic from Lovers Lane which the facilities front. Lovers Lane is a 6 lane divided thoroughfare with an eastbound left turn lane into the site. All queuing for the school is accommodated on site with vehicle staging for drop off and pickup on the north end of the parking lot that serves the church on Sundays. See attached site plan. Approximately 176 K-8 students are dropped off and picked up by personal vehicles each day. 25 of the 176 are dropped off before the 8:15 bell (between 7:00 and 8:15). Entry into the building for regular school begins at 8:15 with class starting at 8:30. After school 40+ students out of the 176 are picked up at various times between 3:45 and 6:00pm due to afterschool activities.

The Prekindergarten program includes 90 current students with 6 classrooms that range in size from a max of 12 to 18 per day. Morning drop off is dispersed between 7:00-8:15 for early extended care arrivals with the remaining Prekindergarten students dropped off between 8:15 and 8:30. Pick up for Prekindergarten students is from 3:45 – 6:00 pm.

*Early arrivals begin at 7:30 am (see above)

**Late pickup extends to 6:00 pm (see above)

The site layout provides 650 feet of queue space with single file queuing and 1300 feet of queue space with double file queuing between the site entrance and the school drop off area which historically has proven to be more than sufficient by a factor of 2 to 4. Assuming an average vehicle length of 20 feet, around 33 vehicles can be accommodated with single file queuing while 66 vehicles can be accommodated with double file queuing.

Currently during the peak period on days without afterschool activities up to 20-25 vehicles may queue during the peak period, however on a typical day no more than 6-8 vehicles queue, limiting the pickup line to the north boundary of the parking lot. (see attached photos below). Based on the trip rates provided in the Institute of Transportation Engineers (ITE) *Trip Generation Manual, 9th Edition*, for an Elementary School (ITE Code 520) around 37 vehicles (296 students * 0.28 ITE Factor * 0.45 Entering Trips) are estimated to queue up during the pick-up time frame. This is assuming that all the vehicles arrive before the scheduled pick-up time and form a queue.

Recommendation

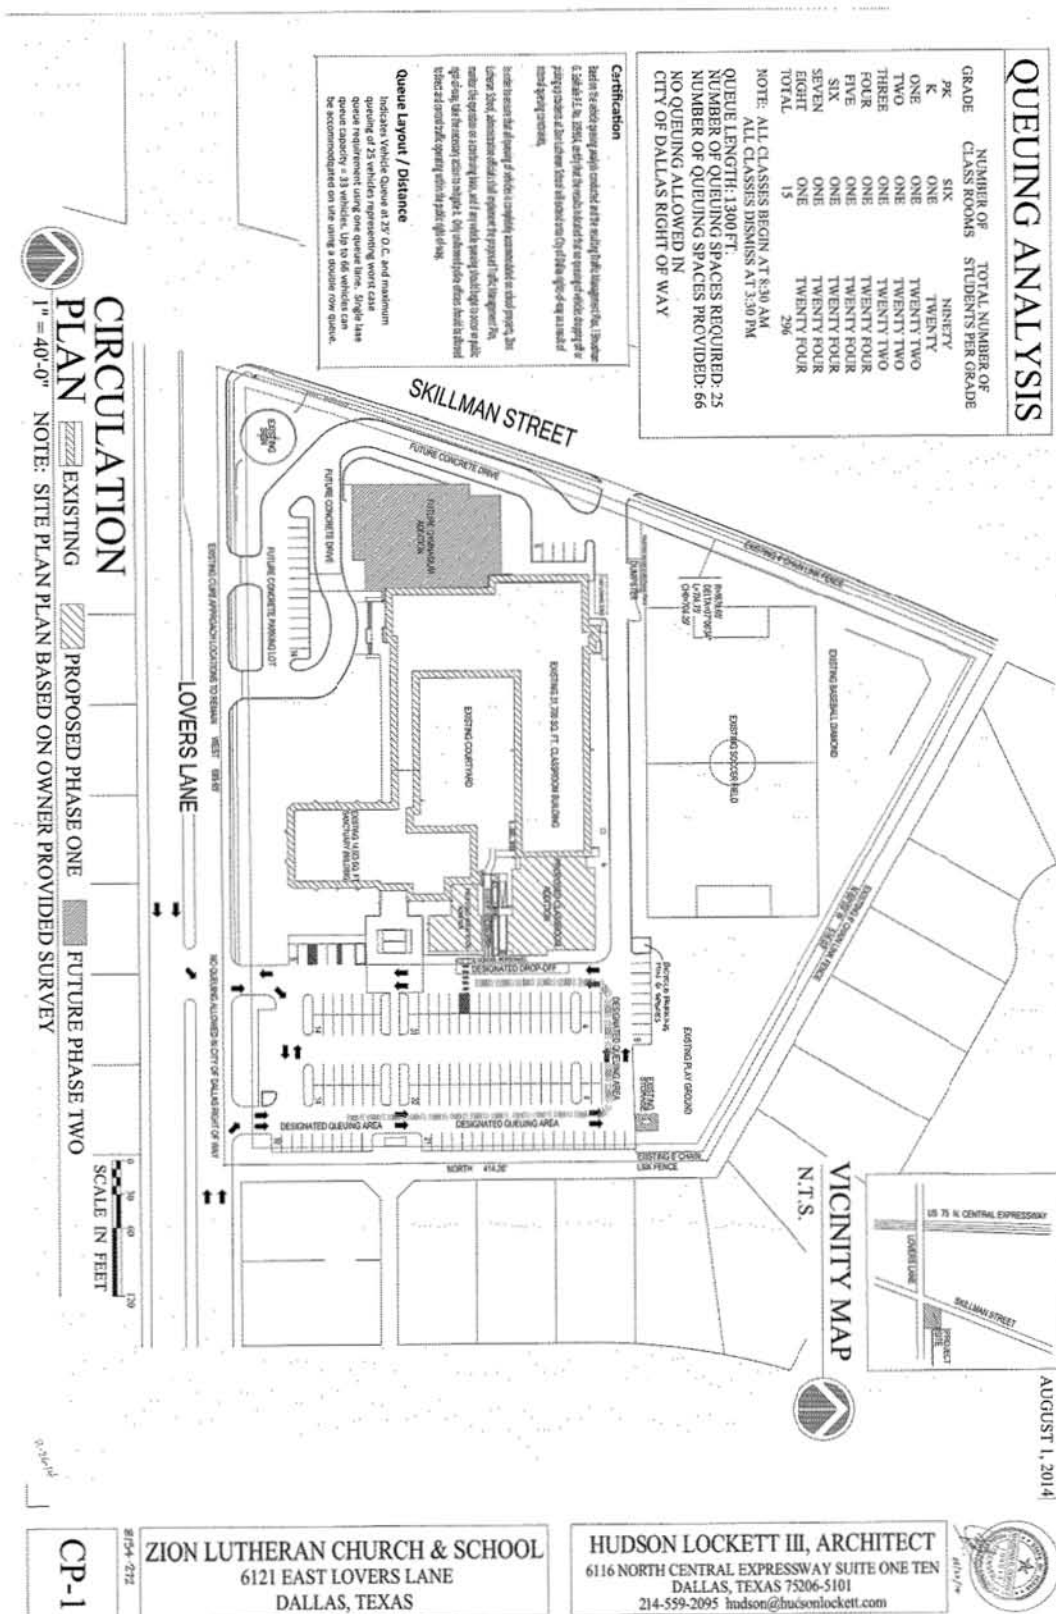

The proposed church and school modifications will not substantially changing the number of students on campus therefore the current traffic management plan used by Zion Lutheran School is adequate to serve the facility modifications and will remain in place. Zion continuously monitors the effectiveness of the drop-off and pick up process and has the flexibility using the current parking lot to make changes as required to maintain effectiveness.

Certification

Based on the vehicle queuing analysis conducted and the resulting Traffic Management Plan, I Bushang G. Gokhale P.E. No. 109914, certify that the results indicated that no queuing of vehicles dropping off or picking up students at Zion Lutheran School will extend onto City of Dallas rights-of-way as a result of internal queuing constraints,

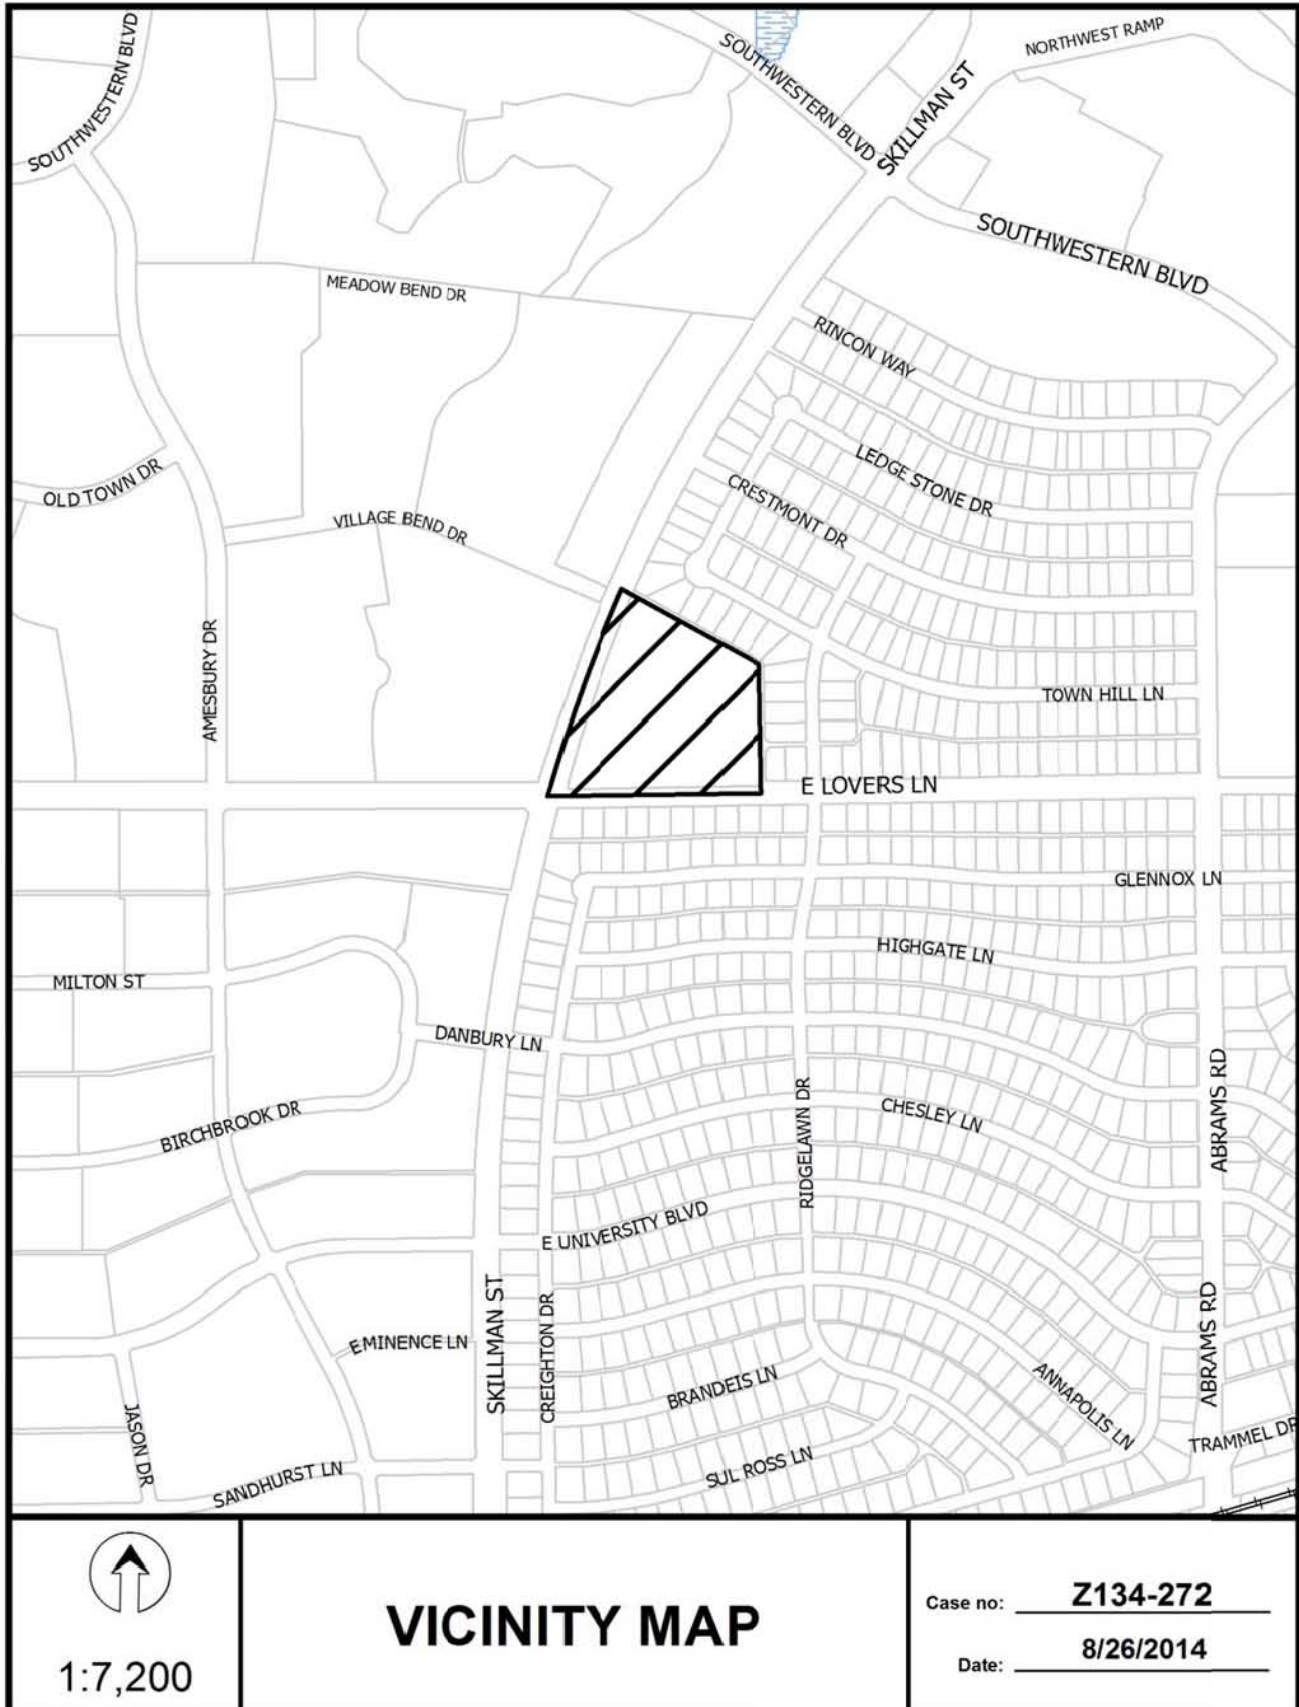

In order to ensure that all queuing of vehicles is completely accommodated on school property, Zion Lutheran School, administrative officials shall implement the proposed Traffic Management Plan, monitor the operation on a continuing basis, and if any vehicle queuing should begin to occur on public right-of-way, take the necessary action to mitigate it. Only uniformed police officers should be allowed to direct and control traffic operating within the public right-of-way.

DATE FILED: May 14, 2014

LOCATION: West side of Marvin D. Love Freeway, south of West Pentagon Parkway

COUNCIL DISTRICT: 4

MAPSCO: 64-E

SIZE OF REQUEST: ± 3.172 acres

CENSUS TRACT: 61.00

OWNER/ APPLICANT/ REPRESENTATIVE: Bolanle Mustapha

REQUEST: An application for an NS(A) Neighborhood Service District and an amendment to deed restrictions volunteered by the applicant on property zoned an NO(A) Neighborhood Office District.

SUMMARY: The applicant proposes to utilize the property for a child-care facility, office uses and neighborhood service uses allowed in the NS(A) district. The property has deed restrictions. The applicant is voluntarily amending the existing deed restrictions to prohibit certain uses to prohibit: 1) Dry cleaning or laundry store, 2) General Merchandise of food store 3,500 square feet or less, 3) Motor vehicle fueling station and 4) Restaurant without drive in or drive through service.

CPC RECOMMENDATION: Approval, subject to amended deed restrictions volunteered by the applicant.

STAFF RECOMMENDATION: Approval, subject to amended deed restrictions volunteered by the applicant.

GUIDING CRITERIA FOR RECOMMENDATION:

Staff recommends approval based upon:

1. *Performance impacts upon surrounding property* – Even though the proposed zoning would allow more intense land uses. The property is currently utilized for medical office uses. The applicant is proposing to continue the use of the property for office and to add child-care facility, which is already allowed as a limited use in the current zoning of the property. The proposed use will not have an adverse impact on the property.
2. *Traffic impact* – The request site is currently developed with two buildings with approximately 7,300 square feet total. The applicant is not proposing any new development. The existing development and proposed use will not have any impact on the existing street system.
3. *Comprehensive Plan or Area Plan Conformance* – The *forwardDallas!* *Comprehensive Plan* states that this area is within the Residential Neighborhood Use Building Block, which would typically support smaller areas of neighborhood serving uses. Staff supports this request.

BACKGROUND INFORMATION:

- There are two properties for this request with approximately 1.4 acres of land. The southern lot is developed with two buildings with approximately 7,300 square feet total. The northern lot is undeveloped. The applicant is not planning on having any new structures in the properties.
- The property is adjacent to a single family to the north, west and south. The surrounding uses are single family to the north, west and south, and the access road to Marvin D. Love Freeway to the east of the property.
- The applicant is requesting the zoning change from an NO(A) to NS(A) to be able to operate a child-care facility without the limitations established by Section 51A-4.218 of the Development Code. The proposed use, child-care facility is allowed in the existing zoning district NO(A) Neighborhood Office District; however, the child-care facility use is permitted by right as a limited use subject to restrictions in Section 51A-4.218.

SEC. 51A-4.218. Limited Uses.

- (a) A limited use must be contained entirely within a building and be primarily for the service of the occupants of the building.
- (b) A limited use may not have a floor area that in combination with the floor areas of other limited uses in the building exceeds 10 percent of the floor area of the building.

- (c) A limited use must:
 - (1) have no exterior public entrance except through the general building entrances; and
 - (2) have no exterior advertising signs on the same lot.
- Included in this report is a copy of the existing deed restrictions and the amended deed restrictions volunteered by the applicant. The existing deed restrictions on the property do not refer to the use of the property. The amendment volunteered by the applicant refer to prohibition of the following uses:
 - 1. Dry cleaning or laundry store,
 - 2. General Merchandise of food store 3,500 square feet or less,
 - 3. Motor vehicle fueling station and
 - 4. Restaurant without drive in or drive through service.

STAFF ANALYSIS:

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *forwardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in a Residential Building Block.

The Residential Building Block represents the life-blood of Dallas, the traditional neighborhood of single-family detached homes. Dallas has many neighborhoods that match this description, including Winnetka Heights, Preston Hollow, Lakewood and Wheatley Place. Single-family dwellings are the dominate land use in these areas. Some shops, restaurants or institutional land uses such as schools and religious centers that serve neighborhood residents may be located at the edges or at key intersections.

The requested zoning district and proposed development are consistent with the Residential Building Block guidelines.

The following are the comprehensive plan's goals and policies that support the request:

Land Use Element:

GOAL 1.1 Align Land Use Strategies with the economic development priorities
Policy 1.1.5 Strengthen existing neighborhoods and promote neighborhoods' unique characteristics.

GOAL 2.1 Promote balanced growth

Policy 2.1.1 Ensure that zoning is flexible enough to respond to changing economic conditions.

Neighborhood Element:

GOAL 7.1 Promote vibrant and viable neighborhoods

Policy 7.1.2 Promote neighborhood-development compatibility.

Land Use Compatibility:

The proposed use is compatible with the surrounding area. The applicant is proposing to utilize the property for a child-care facility and medical office, and office uses. Staff is comfortable recommending approval of this request.

During the City Plan Commission public hearing, the applicant offered to amend the existing deed restrictions to prohibit certain uses that the neighboring community considered a nuisance to the existing surrounding residential uses. The applicant volunteered to amend the existing conditions to prohibit such uses.

Staff is comfortable recommending approval of this request.

Development Standards:

DISTRICT	Setbacks		Density	Height	Lot Coverage	Special Standards	Primary Uses
	Front	Side/Rear					
Existing							
NO(A) Neighborhood Office	15'	20' adjacent to residential OTHER: No Min.	0.5 FAR	30' 2 stories	50%	Proximity Slope Visual Intrusion	Office
Proposed							
NS(A) Neighborhood service	15'	20' adjacent to residential OTHER: No Min.	0.5 FAR	30' 2 stories	40%		Retail & personal service, office

Parking:

Pursuant to the Dallas Development Code, off-street and loading required parking must be provided in accordance with Division 51A-4.200 for the specific off-street parking and loading requirements for each use.

Landscaping:

Landscape requirements are triggered when new construction over 2,000 square feet is proposed. Landscaping of the property must be provided in accordance with Article X of the Dallas Development Code.

CPC Minutes – August 21, 2014

Motion: It was moved to recommend **approval** of an NS(A) Neighborhood Service District on property zoned an NO(A) Neighborhood Office District with amended deed restrictions volunteered by the applicant to prohibit: 1) Dry Cleaning or laundry store, 2) General Merchandise or food store 3,500 square feet or less, 3) Motor vehicle fueling station and 4) Restaurant without drive in or drive through service on the west side of Marvin D. Love Freeway, south of West Pentagon Parkway.

2. No building permit may be issued on the property, until a site plan and elevation drawing of the proposed building has been submitted to and approved by the city Plan Commission of the city of Dallas
3. No structure may exceed one story, with the exception that off street parking, whether enclosed or unenclosed, is permitted underneath the structure, and the determination of the permitted one story does not include the parking area underneath the building. For purposes of this instrument, "story" means that portion of a building between any two successive floors or between the top floor and the ceiling above it.
4. The following [main](#) uses are not permitted:
 - Dry Cleaning or laundry store
 - General merchandise or food store 3,500 square feet or less
 - Motor vehicle fueling station
 - Restaurant without drive in or drive through service

IV.

That the preceding amendment was made following notice and public hearing before the City Plan Commission and City Council of the City as required in the Original Restrictions, and notice of such public hearing was given as would have been required by law for a zoning change on the Property. The Owner must file this instrument in the Deed Records of the county or counties where the Property is located at his or her sole cost and expense before the amendment becomes effective.

V.

That the Owner certifies and represents that there are no liens or mortgages, other than liens for ad valorem taxes, against the Property if there are no signatures of mortgagees or lienholders subscribed below.

VI.

That the invalidation of any provision in this instrument by any court shall in no way affect any other provision, which shall remain in full force and effect, and to this end the provisions are declared to be severable.

VII.

That it is expressly stipulated and understood that the preceding amendment of restriction number(s) _____ accomplished hereby shall in no manner operate to impair or reduce the enforceability of the Original Restrictions, as originally written, and that all restrictions and provisions contained in the deed restriction instrument dated _____, and recorded in Clerk's File No. _____ of the Deed Records of County, Texas, shall remain in full force and effect except as amended by Paragraph III of this instrument. Furthermore, it is expressly stipulated and understood that all provisions contained in the aforementioned deed restriction instrument apply to this instrument as if recited herein.

That the undersigned, Vernon and James Smith, are the owners of the following described property situated in Dallas County, Texas, being in particular part of City Block 6036, of the Hamilton McDowell Survey, Abstract No. 873, City of Dallas, Dallas County, Texas, and being a tract of approximately 3.1719 acres of land, said tract being hereafter referred to as "the property", and the same tract described in the attached Exhibit A incorporated herein by reference; and

That the undersigned owners do hereby impress all of the property with the following deed restrictions, to-wit:

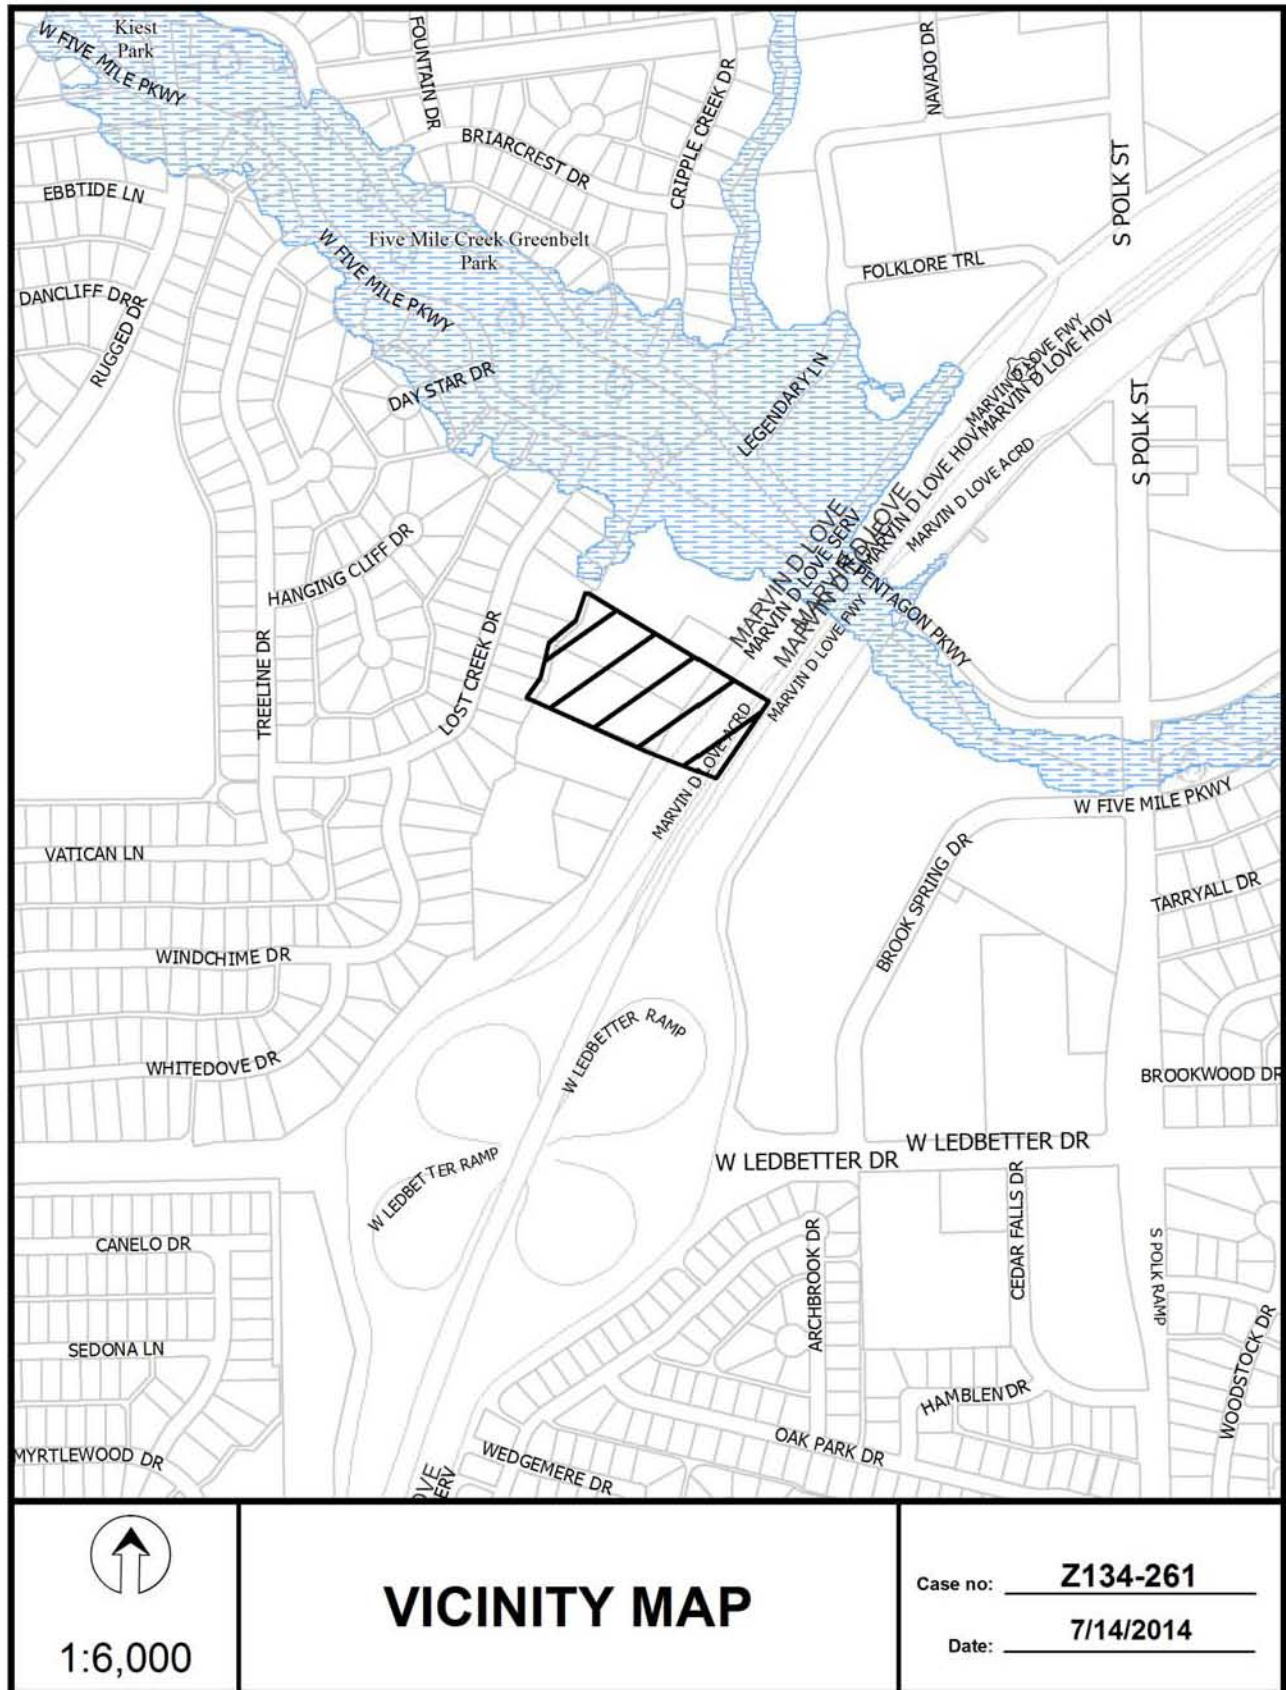

1. A 50 foot wide buffer strip along the western boundary line of the property, separating the adjacent uses from the property, must be left in its natural, vegetated state, including all trees. No above-grade construction is permitted in this strip, although such work as is required by the department of public works, or other city departments for connection to city infrastructure is permitted.
2. No building permit may be issued on the property, until a site plan and elevation drawing of the proposed building has been submitted to and approved by the City Plan Commission of the City of Dallas.
3. No structure may exceed one story, with the exception that off-street parking, whether enclosed or unenclosed, is permitted underneath the structure, and the determination of the permitted one story does not include the parking area underneath the building. For purposes of this instrument, "story" means that portion of a building between any two successive floors or between the top floor and the ceiling above it.

SUBJECT

Authorize a second amendment to the maintenance and support contract with Xerox Transportation Solutions, Inc., formally known as ASCOM Transportation Systems, Inc., for the Turnkey Parking Garage Revenue Control System at Dallas Love Field to extend the term of the contract from October 22, 2014 through June 1, 2015 - Not to exceed \$138,232, from \$1,600,273 to \$1,738,505 - Financing: Aviation Current Funds (subject to appropriations)

BACKGROUND

On October 10, 2001, Council authorized a contract for the maintenance of the installed computerized revenue control system for years two through ten after total system acceptance June 2, 2004 through June 2, 2014 at Dallas Love Field, in the amount of \$1,600,273.00.

This item is on the addendum as the contract term for the maintenance of the installed computerized revenue control system has ended and the Department of Aviation is requesting to extend the term of the contract from October 22, 2014 through June 1, 2015 to complete the bidding process for a new computerized revenue control system. This action will authorize a second amendment to the maintenance and support contract with Xerox Transportation Solutions, Inc., not to exceed \$138,231.63, increasing the contract from \$1,600,273.00 to \$1,738,504.63.

PRIOR ACTION / REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On October 10, 2001, authorized original maintenance and support contract for a Turnkey Parking Revenue Control System, by Resolution No. 01-3034.

October 22, 2014

WHEREAS, on October 10, 2001, Resolution No. 01-3034 authorized a contract between the City and the Vendor for the purpose of maintenance and support services of a computerized revenue control system; and,

WHEREAS, the City of Dallas desires to exercise the renewal option and extend the contract for maintenance and support services with Xerox Transportation Solutions, Inc., formally known as ASCOM Transportation Systems, Inc., from October 22, 2014 through June 1, 2015, in the amount of \$138,231.63.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is hereby authorized to execute the second amendment to the maintenance and support contract for the Turnkey Parking Garage Revenue Control System at Dallas Love Field with Xerox Transportation Solutions, Inc., formally known as ASCOM Transportation Systems, Inc., to extend the term of the contract from October 22, 2014 through June 1, 2015, under the same terms and conditions in an amount not to exceed \$138,231.63, from \$1,600,273.00 to \$1,738,504.63, after it has been approved as to form by the City Attorney.

Section 2. That the City Controller is hereby authorized to disperse funds in the amount of \$138,231.63 to Xerox Transportation Solutions, Inc., in accordance with the terms and provisions in the existing contract from the following:

Fund 0130; Dept. AVI; Unit 7709; Obj. 3210; Encumbrance CTAVIXEROXFY15; Vendor #503605

Section 3. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

BACKGROUND

This item was placed on the addendum to receive program income and reprogram federal funds which is a 60 day process.

BACKGROUND (continued)

On June 25, 2014, City Council adopted the FY 2014-15 Consolidated Plan Budget for the U.S. Department of Housing and Urban Development (HUD) Grant funds. The grant funds were available beginning on October 1, 2014. The FY 2014-15 Action Plan includes funding for Community Development Block Grant (CDBG) in the amount of \$13,572,496, HOME Investment Partnerships Program (HOME) in the amount of \$4,365,818, and Housing Opportunities for Persons with AIDS (HOPWA) in the amount of \$5,375,659 for various activities.

Following City Council initial approval on June 25, 2014 and reconsideration on August 13, 2014, the City of Dallas received notice of the decrease in HOPWA grant funding by \$405, from the original allocation of \$5,375,659 to the final allocation of \$5,375,254. Additional funds in the amount of \$1,688,052 resulting from unanticipated funds generated from converted properties, buy-outs, etc and refunds paid back to HUD as well as \$350,000 in unspent HOME Investment Partnerships Program funds have been identified.

On September 17, 2014, City Council authorized the creation of the Planning and Neighborhood Vitality Department by Ordinance No. 29478. The Community Development Block Grant (CDBG) Neighborhood Enhancement Program and Neighborhood Investment Program Infrastructure activities have been identified to be transferred to the Department of Planning and Neighborhood Vitality.

Federal regulations and the City's Citizen Participation Plan require a public hearing to receive comments. This Substantial Amendment will be made available for public review and comment from October 23, 2014 through December 10, 2014. A public hearing will be held on December 10, 2014. Final adoption is scheduled for December 10, 2014.

This council action will authorize **(1)** preliminary adoption of Substantial Amendment No. 1 to amend the FY 2014-15 Action Plan for the Community Development Block Grant, HOME Investment Partnerships Program, and the Housing Opportunities for Persons with AIDS grant to **(a)** increase appropriations in the HOME Investment Partnerships Program made possible by unanticipated program income and refunds in the amount of \$1,688,052; **(b)** reprogram prior year unspent HOME Investment Partnerships Program funds in the amount of \$350,000 to the Housing Development Loan Program; **(c)** use of HOME Investment Partnerships Program funds for the Housing Development Loan Program; **(d)** decrease appropriations in the Housing Opportunities for Persons with AIDS grant due to revision in the total award amount by \$405 from \$5,375,659 to \$5,375,254; and **(e)** transfer Community Development Block Grant Neighborhood Enhancement Program and Neighborhood Investment Program Infrastructure activities, and associated appropriations, from the Housing/Community Services Department to the newly created Planning and Neighborhood Vitality Department; and **(2)** a public hearing to be held on December 10, 2014 to receive comments on Substantial Amendment No. 1 to amend the FY 2014-15 Action Plan.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On May 14, 2014 City Council approved preliminary adoption of the Proposed FY 2014-15 Consolidated Plan Budget and the Proposed FY 2013-14 Reprogramming Budget and authorized a public hearing by Resolution No. 14-0787.

On June 11, 2014 City Council held a public hearing to receive comments on the Proposed FY 2014-15 Consolidated Plan Budget and the Proposed FY 2013-14 Reprogramming Budget.

On June 25, 2014, City Council adopted the FY 2014-15 Consolidated Plan Budget for the U.S. Department of Housing and Urban Development (HUD) Grant funds, by Resolution No. 14-1001.

On August 13, 2014, City Council reconsidered and amended the FY 2014-15 Consolidated Plan Budget by Resolution No. 14-1314.

On September 17, 2014 City Council authorized the creation of the Planning and Neighborhood Vitality Department by Ordinance No. 29478.

SUBJECT

Consideration of a resolution temporarily modifying the taxicab age limits set out in Section 45-7.2.1(a) of the Dallas City Code due to special circumstances - Financing: No cost consideration to the City

BACKGROUND

Section 45-7.2.1(a) of the Dallas City Code prohibits the operation of a vehicle as a taxicab if the vehicle is older than 60 months of age if it is not an alternative fuel vehicle or older than 84 months of age if it is an alternative fuel vehicle. Vehicle age is calculated from January 1 of the model year of the vehicle.

The City Council Transportation and Trinity River Project Committee is reviewing changes to the city's vehicle-for-hire regulations. One of the issues that the Committee is considering is eliminating the age requirement for vehicles operated as taxicabs. It is unlikely that any changes proposed by the Committee will receive final Council action prior to January 1, 2015. This means that taxi companies may be required to replace part of their vehicle fleet due to age prior to January 1, 2015, only to find that the vehicle age limitation was eliminated following Council action on changes to the transportation-for-hire regulations.

Section 45-7.2.1(c) allows City Council to modify or waive the taxicab age limits by resolution after a review of the specific circumstances. The proposed resolution extends the time period for replacing a vehicle used as a taxicab by four months.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

Transportation and Trinity River Project Committee will consider this matter at their special-called meeting on October 17, 2014 – recommendation pending.

FISCAL INFORMATION

No cost consideration to the City.

October 22, 2014

WHEREAS, Subsection (a) of Section 45-7.2.1, "Taxicab Age Limits," of Article VII, "Vehicles and Equipment," of Chapter 45, "Taxicabs," of the Dallas City Code, as amended, prohibits the operation of any vehicle as a taxicab in the city that is older than: (1) 60 months of age for a vehicle that is not an alternative fuel vehicle, or (2) 84 months of age for an alternative fuel vehicle;

WHEREAS, the city is reviewing its transportation-for-hire regulations, including the regulations in Section 45-7.2.1, in contemplation of adopting a new transportation-for-hire ordinance;

WHEREAS, Subsection (c) of Section 45-7.2.1 provides that the city council may modify the taxicab age limits set forth in Section 45-7.2.1 after a review of special circumstances; and

WHEREAS, the city council finds that it is in the public interest to temporarily modify the taxicab age limits by taking no action to enforce Section 45-7.2.1 for certain aged taxicabs pending a review of the applicable regulations; **Now, Therefore,**

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That, until May 1, 2015, the city council directs the city manager to take no action to enforce Section 45-7.2.1, "Taxicab Age Limits," of Article VII, "Vehicles and Equipment," of Chapter 45, "Taxicabs," of the Dallas City Code, for certain taxicabs as follows:

(a) A taxicab that is between 60 and 64 months of age for a vehicle that is not an alternative fuel vehicle.

(b) A taxicab that is between 84 and 88 months of age for an alternative fuel vehicle, if the vehicle was:

(A) purchased new as an alternative fuel vehicle; or

(B) converted to an alternative fuel vehicle within 30 days after the vehicle was purchased new.

SECTION 2. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

Sports Arena TIF - West Dallas Sub-district

- * Authorize a development agreement with Trinity Groves Residential I, L.P., to reimburse project costs related to the development of Trinity Groves mixed-use development in the West Dallas Sub-district of Tax Increment Financing Reinvestment Zone Seven (Sports Arena TIF District), in an amount not to exceed \$13,950,000 (of which \$7,606,727 is in the form of an Economic Development TIF Grant) from revenues accruing to Tax Increment Financing Reinvestment Zone Seven (Sports Arena TIF District) – Not to exceed \$13,950,000 - Financing: Sports Arena TIF District Funds (subject to appropriations)
- * A resolution declaring the intent of Tax Increment Financing District Reinvestment Zone Number Seven (Sports Arena TIF District) to reimburse Trinity Groves Residential I, L.P., up to \$13,950,000, for TIF-eligible project costs pursuant to the development agreement with Trinity Groves Residential I, L.P., - Financing: No cost consideration to the City

BACKGROUND

Trinity Groves is a long-term redevelopment initiative located in the West Dallas area. The planned redevelopment of the 80-acre site features new restaurants, retail, residential use, and office uses along Singleton Boulevard, west of the Margaret Hunt Hill Bridge.

Phase I (complete) currently houses around 80,000 square feet of restaurant space, a brewery, event space, and a restaurant incubator. Phase II (under construction) includes the conversion of two currently vacant buildings into approximately nine new restaurant spaces (26,000 gross square feet).

BACKGROUND (Continued)

Upon completion, a total of around 106,000 square feet of retail and event space will be available.

This project currently being considered, Trinity Grove Mixed-use development, will bring the first market rate housing (approximately 271,000 square feet/349 units) to the area. Trinity Grove Mixed-use development will also include approximately 34,200 square feet of retail space, and structured parking related to the development.

The recommended estimated private cost of the project is approximately \$57.6 million. The cost of TIF reimbursement for the project is \$13,950,000. The TIF funded-improvements include street reconstruction, pedestrian friendly streetscape, and an economic development grant to encourage high density development.

ESTIMATED SCHEDULE OF PROJECT

Project Start Date	December 2015
Project Completion Date	December 2018

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On October 28, 1998, City Council authorized the establishment of Tax Increment Financing Reinvestment Zone Number Seven, Sports Arena TIF District by Ordinance No. 23688, as amended.

On May 23, 2012, City Council amended the Project Plan and Reinvestment Zone Financing Plan for the Sports Arena TIF District by Ordinance No. 28672.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS) (Continued)

On April 9, 2014, City Council authorized a development agreement with Trinity Groves, LLC, for TIF funding for the Trinity Groves project in an amount not to exceed \$3,505,000 by Resolution No's: 14-0616 and 14-0617.

On October 2, 2014, the Sports Arena TIF District Board of Directors reviewed and recommended approval of a development agreement with Trinity Groves Residential I, L.P., for TIF funding for the Trinity Groves Mixed-use development project in an amount not to exceed \$13,950,000 (\$7,606,727 in the form of an Economic Development TIF Grant).

On October 6, 2014, the Economic Development Committee was briefed on the proposed Trinity Groves Mixed-use development project and recommended approval.

WHEREAS, in furtherance of the Sports Arena TIF District Project Plan and Reinvestment Zone Financing Plan and to promote within the Sports Arena TIF District: (1) development and diversification of the economy, (2) elimination of unemployment and underemployment, and (3) development and expansion of commerce, the City desires to provide economic incentives to the Owner for Trinity Groves, a long term redevelopment plan located in the West Dallas area, in the Sports Arena TIF District as depicted in the Map of Proposed Streetscape Improvements as **Exhibit A, Site Plan B and B1 and Conceptual Elevations C, C1 and C2**; and

October 22, 2014

WHEREAS, the expenditure of TIF funds supporting this development is consistent with promoting development and redevelopment of the Sports Arena TIF District in accordance with the purposes for its creation, the City's revised Public/Private Partnership Guidelines and Criteria, the ordinance adopted by the City Council approving the Project and Financing Plan, and is for the purpose of making public improvements consistent with and described in the Project and Financing Plan for the Sports Arena TIF District.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager, upon approval as to form by the City Attorney is hereby authorized to amend and execute a development agreement with Trinity Groves Residential I, L.P., and the City of Dallas, on behalf of the Sports Arena TIF District for the Trinity Groves Mixed-use development project and that the Sports Arena TIF revenues in an amount not to exceed \$13,950,000, (of which \$7,606,727 is in the form of an Economic Development TIF Grant), are hereby dedicated for TIF-eligible project costs associated with the Trinity Groves Mixed-use project located in the Sports Arena TIF District. These costs include, but are not limited to environmental remediation, streetscape improvements and a TIF Economic Development Grant, as shown in **Exhibit D – TIF Budget – Eligible Project Costs.**

Section 2. That the City Controller is hereby authorized to encumber and disburse funds from future tax increments and subject to future appropriations from:

Fund 0038, Department ECO, Unit P924, Object 3072, Activity SATI, Program No. SATIF0006, CT ECOP924A299, Vendor No. VC13565, in an amount not to exceed \$223,980;

Fund 0038, Department ECO, Unit P924, Object 4510, Activity SATI, Program No. SATIF0006, CT ECOP924A299, Vendor No. VC13565, in an amount not to exceed \$5,420,634;

Fund 0038, Department ECO, Unit P924, Object 4599, Activity SATI, Program No. SATIF0006, CT ECOP924A299, Vendor No. VC13565, in an amount not to exceed \$296,159;

Fund 0038, Department ECO, Unit P924, Object 4111, Activity SATI, Program No. SATIF0006, CT ECOP924A299, Vendor No. VC13565, in an amount not to exceed \$402,500;

October 22, 2014

Section 2. (Continued)

Fund 0038, Department ECO, Unit P924, Object 3016, Activity SATI, Program No. SATIF0006, CT ECO ECOP924A299, Vendor No. VC13565, in an amount not to exceed \$7,606,727; and

For a total not to exceed \$13,950,000.

Section 3. That Funds may be shifted among categories, except the Economic Development TIF Grant category, as long as the total TIF funding does not exceed \$13,950,000.

Section 4. That nothing in the resolution shall be construed to require the City to approve future dedications of Sports Arena TIF revenues (the “TIF Subsidy”) from any source of the City funds other than the Sports Arena TIF District Fund. Any portion of the TIF Subsidy that remains unpaid due to lack or unavailability of Sports Arena TIF District Funds shall no longer be considered project costs of the Sports Arena TIF District or the City and the obligation of the Sports Arena TIF District to pay the Trinity Groves Residential I, L.P., shall automatically expire.

Section 5. That in addition to the conditions set out in the Sections above, the Development Agreement is hereby expressly made subject to all of the following contingencies which must be performed or occur:

- A. Minimum private investment of \$36,000,000 for the Project (construction hard costs and construction related soft costs) for the Project.

The term “Invest” or “Investment” means the sum of all land acquisition costs and hard and soft construction costs paid, payable or actually incurred by or on behalf of the Owner, with respect to the Trinity Grove Mixed-use Project and the improvements thereon. Construction related soft costs include the following items: architecture and engineering, interior design and construction management. Construction management costs are solely intended to cover fee paid to an outside, third-party consultant who confirms the quality of work performed. Developer fees, legal fees, carrying or other similar costs shall not be considered toward this definition of project investment. The owner must provide verification of all expenditures.

- B. Construction of the Project shall include:

- 1. A minimum of 200,000 square feet of residential space (300 units); and
- 2. A minimum of 25,000 square feet of retail/restaurant space.

October 22, 2014

Section 5. (Continued)

- C. Obtain a building permit and start construction for the Project by December 31, 2015;
- D. Obtain a Certificate of Occupancy (CO) for the Project, private improvements by December 31, 2018;
- E. Obtain final acceptance of public infrastructure improvements associated with the Project, as evidenced by the issuance of a Green Tag from the Public Works and Transportation Department by December 31, 2018 and submit documentation to the Office of Economic Development (the "OED");
- F. Execute an Operating and Maintenance agreement for the Project public infrastructure improvements associated with the Project by December 31, 2018, for a period of 20 years;
- G. Prior to TIF Reimbursement the residential component of the Project shall begin leasing of units and 50% of the retail/restaurant space shall be occupied.
- H. The residential and retail/restaurant components of the Project shall not permanently vacated in their entirety at any time during the TIF Reimbursement payment period after initial occupancy. If the residential and/or retail/restaurant components are temporarily discontinued or closed, a 90 day cure period will be granted. In the event of casualty, Owner must demonstrate best efforts to expeditiously repair or rebuild;
- I. General Obligation bonds may be used to fund improvements on Herbert Street, Singleton Boulevard and Amonette Streets. If GO bond funds are used, TIF funds will be reduced by the amount of the GO bond funds;
- J. On August 29, 2014, the design for Trinity Grove Mixed-use Project was reviewed by the Urban Design Peer Review Panel (the "UDPRP"), an independent group of design, engineering, and/or planning professionals selected by the Dallas City Manager, as required for all Sports Arena TIF District projects. Recommendations by the UDPRP specifically related to Project include the following, which shall be incorporated into the design of the Project:
 - 1. Work with City staff to add on-street parking on Singleton Boulevard;
 - 2. Pay careful attention along the Singleton Boulevard retail experience to encourage design variety;

October 22, 2014

Section 5. (Continued)

3. Avoid a monolithic or sterile pedestrian experience, particularly as it applies to the individual storefronts, signage and potentially the alignments of storefront glazing;
 4. Work with the City staff to discuss options for including teaser parking along Singleton Boulevard as a means to buffer pedestrian activity from traffic and encourage traffic calming along Singleton Boulevard; and
 5. Address the impression of too much complexity of hardscape elements as depicted, primarily along Singleton Boulevard.
- K. Incorporate the design recommendations as evidenced by conceptual plans and site plans attached to the executed development agreement, material changes to such conceptual plans and site plans shall require review by the City Design Studio and/or UDPRP and approval of the Director. Construction in substantial conformance with the approved plans is a material element of this Agreement;
- L. Submit to the Director of the OED a quarterly status report for ongoing work on the Project, public improvements, as well as retail/restaurant leasing. The first report is due upon the end of the first calendar quarter following the date that the City delivers a fully executed copy of the development agreement to Owner. Status reports will be due once every three months after the Effective Date (Status Report form attached as **Exhibit E**);
- M. Mixed Income Housing Requirement: A minimum of 20% of all units shall meet affordable housing standards established by the City of Dallas Tax Increment Finance Districts Mixed Income Housing Guidelines approved, as amended, by the TIF Board on February 3, 2012 , which requires, but is not limited to the following:
1. Affordable units required to be available for a 15-year period (from the date of CO);
 2. If the total number of affordable units drops below 20%, a 90-day 'cure' period will be granted to allow Developer to bring Project into compliance, after which failure to comply is an event of default of the TIF Development Agreement;
 3. The Developer must submit semi-annual reports to the OED Staff (from the date of CO) with required information about compliance with the Affordable Housing requirements; and

October 22, 2014

Section 5. (Continued)

4. The affordable housing requirement shall apply to units of all sizes, excluding specialty units such as club suites, penthouse suites, etc. (although specialty units shall count towards the overall total of units for the project requirement). Affordable units shall be dispersed pro-rata among units by the number of bedrooms in each unit.
 5. Owner shall cooperate in good faith to comply with any additional requirements to improve the effectiveness of the housing program guidelines.
- N. Comply with the Business Inclusion and Development ("BID") process and reporting requirements, and make good faith efforts to achieve a goal of twenty-five percent (25%) Minority/Women-owned Business Enterprise ("M/WBE") participation for the TIF eligible Project costs for Streetscape Improvements, and a goal of twenty-five percent (25%) certified M/WBE participation for remaining private improvement construction expenditures. **Exhibit F** describes this process;
- O. If necessary, the Project deadline can be extended up to six months, subject to the Office of Economic Development Director's and Sports Arena TIF District Board of Director's approval; and
- P. The development agreement may not be assigned prior to completion. If Trinity Groves Residential I, L.P. is unable to complete the Trinity Groves mixed-use development, the development agreement shall terminate. After completion, the development agreement as well as the TIF Subsidy may be assigned subject to Director approval.

Section 6. That should Trinity Groves Residential I, L.P., not perform one or more of the contingencies listed above, the City Manager is authorized to terminate the development agreement and disallow the total TIF Subsidy up to an amount not to exceed \$13,950,000.

Section 7. That the inability to meet any of the specific conditions listed above, if not cured within 90 days after written notice of such failure is provided by the City to Owner, shall nullify the TIF financial commitments to this project.

Section 8. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

City's Business Inclusion and Development Program

Policy Statement

It is the policy of the City of Dallas to involve Minority and Women-Owned Business Enterprises (M/WBEs) to the greatest extent feasible on the City's construction, procurement and professional services contracts. It is the policy of the City of Dallas to encourage the growth and development of M/WBEs that can successfully compete for contracting opportunities. The City and its contractors shall not discriminate on the basis of race, color, religion, national origin, or sex in the award and performance of contracts. In consideration of this policy, the City of Dallas has adopted the Business Inclusion and Development (BID) Plan for all City of Dallas contracts.

Scope of Business Inclusion and Development Plan

The BID Plan shall apply to all contracts for the purchase of goods or services over \$50,000 with special emphasis on those contracts with first tier subcontracting opportunities. The provision of the BID Plan takes precedence over any departmental plans or procedures in conflict herewith, except for specific requirements mandated by the terms or conditions of agreements in force between the City and the Federal Government or the State of Texas that require different procedures than those described in the BID Plan.

The BID Plan Goals

The BID Plan establishes standard requirements for all prospective City of Dallas bidders/proposers to ensure a reasonable degree of participation by M/WBEs in all City contracts. It is the goal of the City that a certain percentage of work under each contract be performed by one or more M/WBEs.

On March 24, 2004, the City Council approved the following M/WBE participation goals (Council Resolution #041033). These goals were adopted without consideration for ethnicity or gender.

- Construction: 25.00%
- Architectural & Engineering: 25.66%
- Other Professional: 36.30%
- Other Services: 23.80%
- Goods: 18.00%

Prospective bidders/proposers are required to make a "good faith effort" to meet the established participation goals and must document their good faith effort to include M/WBEs in the contract.

October 22, 2014

WHEREAS, the City recognizes the importance of its role in local economic development; and

WHEREAS, the City has established Tax Increment Financing Reinvestment Zone Number Seven, ("Sports Arena TIF District" or "District") and established a Board of Directors for the District to promote development or redevelopment in the Sports Arena area pursuant to Ordinance No. 23688, authorized by the City Council on October 28, 1998, as authorized by the Tax Increment Financing Act, Chapter 311 of the Texas Tax Code, as amended; and

WHEREAS, on August 25, 1999, the City Council authorized the Sports Arena Tax Increment Financing District Project Plan and Reinvestment Zone Financing Plan by Ordinance No. 24002; as amended; and

WHEREAS, on May 23, 2012, City Council authorized an amendment to the Project Plan and Reinvestment Zone Financing Plan for the Sports Arena TIF District by Ordinance No. 28672; and

WHEREAS, on April 9, 2014, City Council authorized a development agreement with Trinity Groves, LLC, for TIF funding for the Trinity Groves project in an amount not to exceed \$3,505,000 by Resolution No's: 14-0616 and 14-0617; and

WHEREAS, on August 29, 2014, the Urban Design Peer Review Panel (the "UDPRP"), an independent group of design, engineering, and/or planning professionals selected by the Dallas City Manager, as required for all Sports Arena TIF District projects reviewed the Trinity Groves Mixed-use project; and

WHEREAS, on October 2, 2014, the Sports Arena TIF Board of Directors, reviewed and recommended approval of a TIF Reimbursement for Trinity Groves Residential I, L.P., for the Trinity Groves Mixed-use project in an amount not to exceed \$13,950,000; and

WHEREAS, on October 6, 2014, the Economic Development Committee was briefed and recommended approval of TIF funding for Trinity Groves Residential I, L.P., for the Trinity Groves Mixed-use project in an amount not to exceed \$13,950,000; and

WHEREAS, in furtherance of the Sports Arena TIF District Project Plan and Reinvestment Zone Financing Plan and to promote within the Sports Arena TIF District: (1) development and diversification of the economy, (2) elimination of unemployment and underemployment, and (3) development and expansion of commerce, the City desires to provide economic incentives to the Owner for Trinity Groves, a long term redevelopment plan located in the West Dallas area, in the Sports Arena TIF District as depicted in the Map of Proposed Streetscape Improvements as **Exhibit A**; and

October 22, 2014

WHEREAS, the expenditure of TIF funds supporting this development is consistent with promoting development and redevelopment of the Sports Arena TIF District in accordance with the purposes for its creation, the City's revised Public/Private Partnership Guidelines and Criteria, the ordinance adopted by the City Council approving the Project and Financing Plan, and is for the purpose of making public improvements consistent with and described in the Project and Financing Plan for the Sports Arena TIF District.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the findings, determinations and certifications contained in the recitals above are incorporated herein for all purposes.

Section 2. That the issuer expects to incur debt as one or more series of obligation for the purpose of paying the costs of the Project. The following is a general functional description of the Project for which the expenditures to be reimbursed or paid and a statement of the maximum principal amount of debt expected to be issued for such reimbursement purposes.

Project Description

Streetscape improvements and
TIF Grant (for cost related to project
financing) for the Trinity Groves
Mixed-use Project in Reinvestment
Zone Number Seven (Sports Center
TIF District).

Debt To Be Issued

Not to exceed \$13,950,000 as
provided by the Project Plan and
Reinvestment Zone Financing Plan

Section 3. That the total Sport Center TIF District participation in the Trinity Groves Mixed-use project shall not exceed an amount of \$13,950,000 for TIF-eligible project costs, all in accordance with the terms of the said development agreement.

Section 4. That nothing in the resolution shall be construed to require the City to approve payment from any source of City funds other than the Sports Center TIF District Fund and/or Tax Increment Bonds. Any funds expended under the development agreement that remain unpaid upon termination of the Sports Center TIF District, due to lack or unavailability of Sports Center TIF District Funds shall no longer be considered project costs of the Sports Center TIF District or the City and any obligation to pay Trinity Groves Residential I, L.P., shall automatically expire.

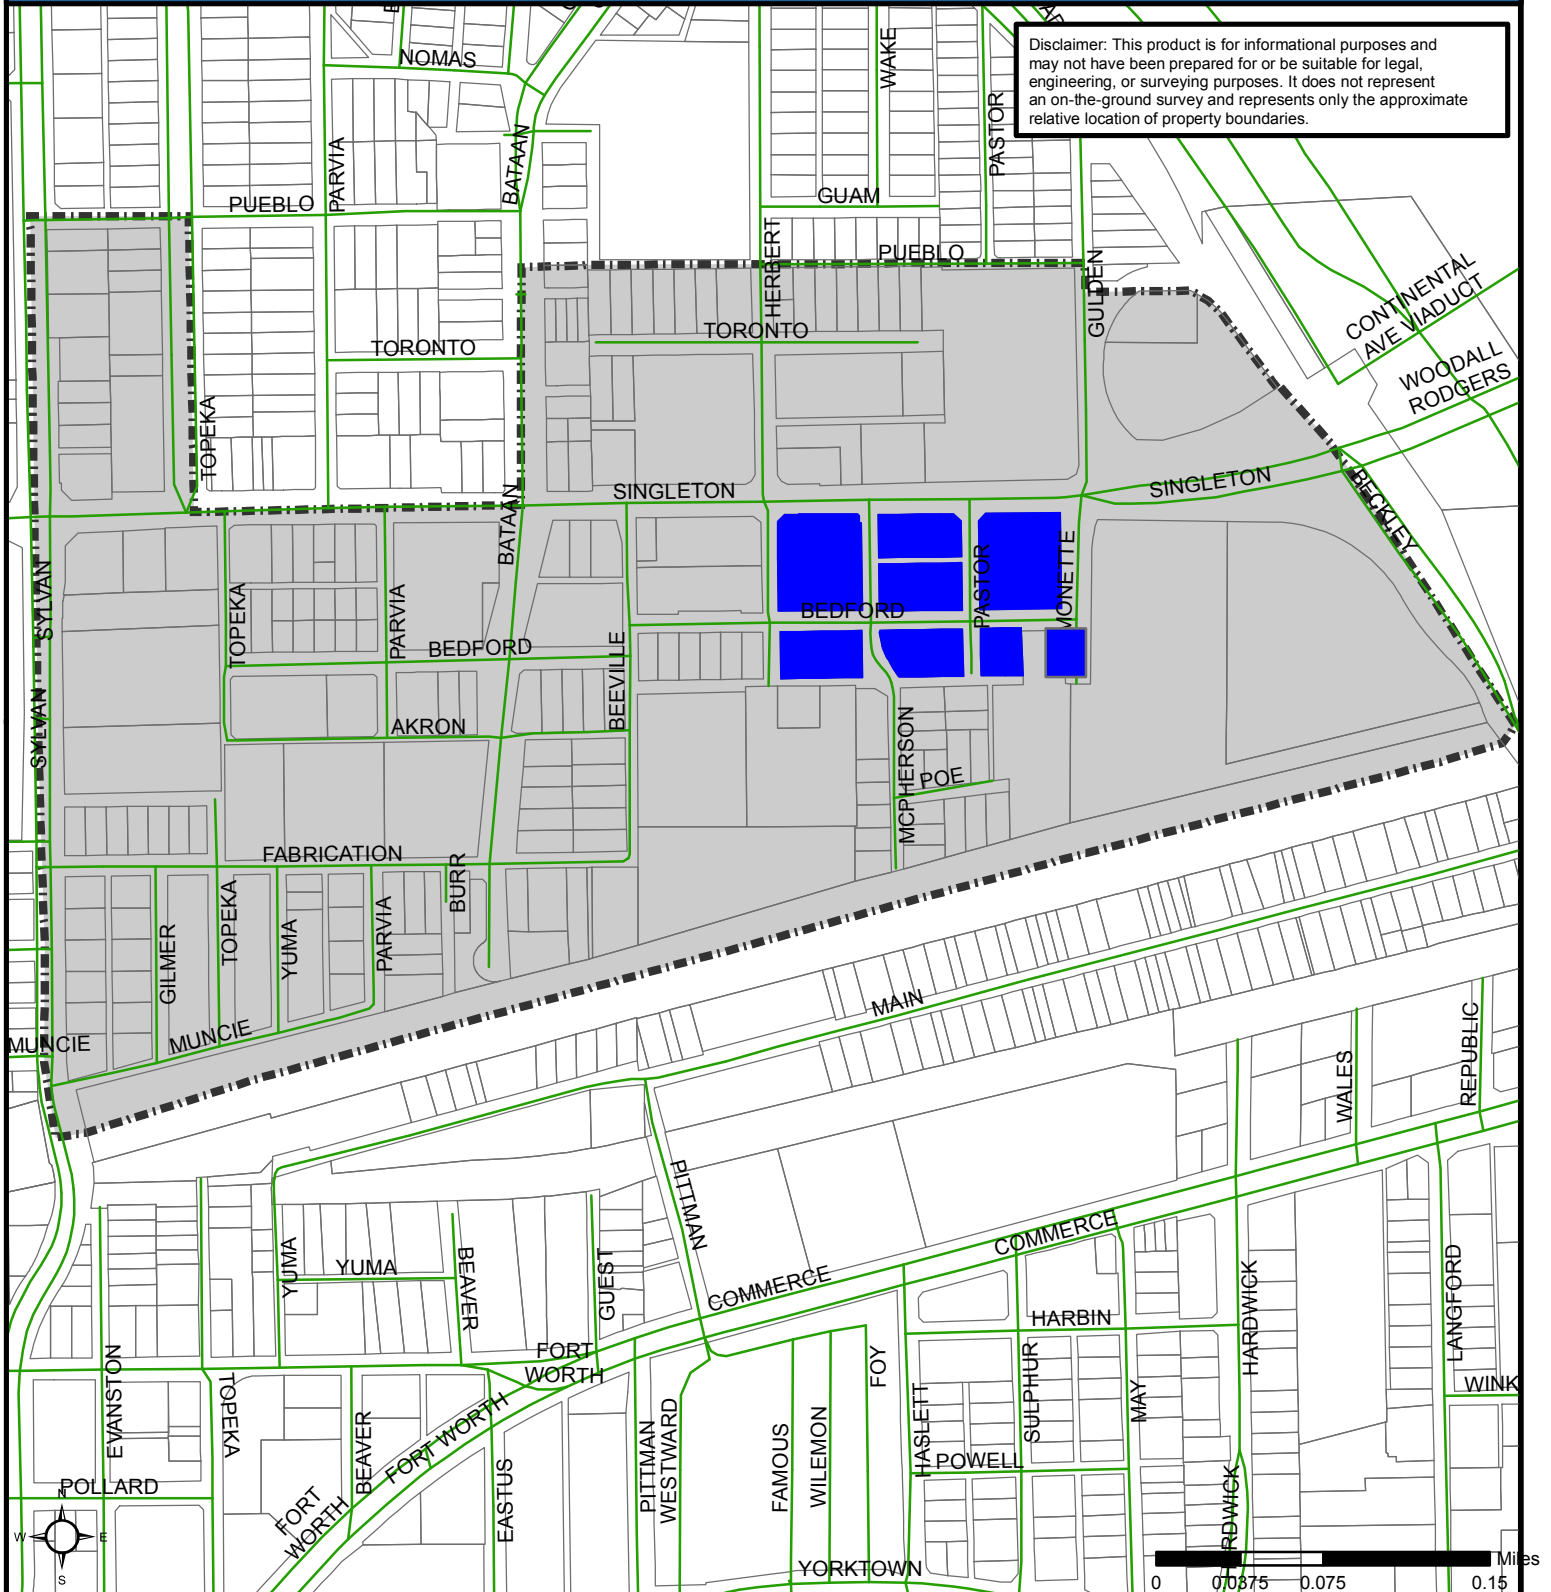

Section 5. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

SUBJECT

Authorize adoption of the City of Dallas State Legislative Program for the 84th Session of the Texas Legislature - Financing: No Cost Consideration to the City

BACKGROUND

Prior to the beginning of each state legislative session, the City of Dallas has historically adopted a state legislative program. The program sets forth issues of interest to the City Departments and gives the City Attorney's Office the authority to support legislation that upholds the City of Dallas home-rule authority, as well as oppose any legislation that diminishes resources or home-rule authority.

PRIOR ACTIONS/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

The Legislative Ad Hoc Committee was briefed on August 24, 2010.

The Legislative Ad Hoc Committee was briefed on October 5, 2010.

The City Council authorized adoption of the State 82nd Legislative Program on October 13, 2010, by Resolution No. 10-2573.

The Legislative Ad Hoc Committee was briefed on October 22, 2012.

The Dallas City Council was briefed on November 7, 2012.

The City Council authorized adoption of the State 83rd Legislative Program on November 14, 2012, by Resolution No. 12-2742.

FISCAL INFORMATION

No cost consideration to the City

October 22, 2014

WHEREAS, the 84th Session of the Texas Legislature will convene in January 2015; and,

WHEREAS, many legislative issues affecting local government will be considered; and,

WHEREAS, the City of Dallas has historically adopted a legislative program for consideration by the Legislature;

NOW, THEREFORE,

BE IT RESOVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City of Dallas Legislative Program for the 84th Session of the Texas Legislature is adopted.

SECTION 2. That the City Attorney is directed to communicate the items included in the state legislative program, a copy of which is attached as Exhibit A, to members of the Texas Legislature.

SECTION 3. That the City Attorney is directed to support legislation that upholds the City of Dallas' home-rule authority, as well as oppose legislation that diminishes resources or home-rule authority.

SECTION 4. That for those issues that arise during or prior to the Session for which there is no official City position and there is insufficient time to convene a meeting of the Legislative Ad Hoc Committee or the City Council, the Chair of the Legislative Ad Hoc Committee is authorized to represent and protect the interests of the City.

SECTION 5. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas and it is accordingly so resolved.

FOR COUNCIL RESOLUTION

CONSIDERED ON OCTOBER 22, 2014

GENERAL PRINCIPLES

The City of Dallas will:

- Support legislation to expand home-rule authority and facilitate the provision of services to Dallas residents
- Oppose legislation that preempts home-rule authority
- Form strategic alliances with other jurisdictions and stakeholders to advance the City's legislative goals
- Support legislative recommendations from City Task Forces (including, but not limited to, the Domestic Violence Task Force, the Education Task Force, the Fair Park Task Force, the LGBT Task Force, the Transportation-for-Hire Task Force and the Poverty Task Force) that are consistent with the policies of the City Council

LEGISLATIVE INITIATIVES

The City of Dallas will support the following initiatives:

FOCUS ON THE COMMUNITY

Promoting the development of vibrant, safe and sustainable neighborhoods is a priority for the City of Dallas. Pursue legislation related to:

- Removal of Blight – especially dealing with abandoned, vacant and nuisance properties
- Urban Land Bank – expand allowable uses, shorten timeframes, and reduce costs for conveying properties to end users
- Code Enforcement – expedite notice and cure of code violations
- Group Homes – expand authority to inspect and regulate retirement facilities and group homes

CULTURE, ARTS, RECREATION & EDUCATION

- Promote efforts to support the Arts
- Allow greater flexibility for public parks to work with private organizations to enhance public use of park lands
- Continue telecommunications discounts for libraries and programs that promote shared digital content and workforce development and training in public libraries
- Support Tuition Revenue Bonds for UNT Dallas campuses and other public institutions

CLEAN, HEALTHY ENVIRONMENT

- Reduce nitrogen oxide ["NOx"] emissions in non-attainment regions of Texas through regulation and inspections of diesel-powered on-road and off-road sources
- Reduce solid waste going into municipal landfills
- Establish "Texas Recycles Tires" program, similar to computer and TV recycling programs
- Enhance enforcement of civil citations

ECONOMIC VIBRANCY

- Encourage water conservation and reuse alternatives, allow for voluntary transfer of surface water and development of new water supplies and infrastructure through streamlined processes
- Support multi-modal choices and funding options for transportation, including High Speed Rail, light rail, streetcars, surface roads, pedestrian/bicycle/trails
- Remove prohibition on city authority to build permanent structures on city rights of way
- Support legislation naming Dallas as host of the 2036 Texas Bicentennial

E-GOV

- Ensure correct allocation of sales taxes between jurisdictions
- Require disclosure of sales price for commercial property
- Reform Appraisal Process so that appraisals accurately reflect fair-market value
- Set off individual/entities debt to local governments before refund or claim payment from state
- Protect governmental entities from false representations material to a governmental proceeding and allow for treble damages
- Provide for greater transparency and allow for broader options of funding mechanisms related to pension plans
- Base appeal of a cruelly treated animal case on the record rather than de novo

CITY OF DALLAS 2015 STATE LEGISLATIVE PROGRAM
84th SESSION OF THE TEXAS LEGISLATURE

- Allow collection of attorneys fees in frivolous ethics complaints and exempt pending ethics complaints from Chapter 552
- Satisfy notice requirement by publication on government's official website
- Allow submission of public information act requests via website and adequate charges to cover compliance costs
- Ensure lawyer-client privileged information is exempt from public information act without seeking Attorney General opinion
- Assure that protections under public information act can not be circumvented by subpoenas or requests made to third parties
- Add disclosure exception for governmental bodies regarding intellectual property that is pending patent protection
- Exempt information disclosed to adverse party in on-going litigation from public information act

PUBLIC SAFETY

- Increase penalties for graffiti repeat offenders and for burglaries of safes
- Create an on-premises "consumption only" license to allow for better regulation of the premises
- Allow for civil enforcement of handicap parking violations
- Provide State-wide oversight and funding for Texas Task Force 2
- Include obstruction of overpass, alley, bridge, and tunnels to list of passageways under offenses against public order and decency in Texas Penal Code
- Reform 911 fee statute to cover cost of service
