General Information

The Dallas City Council regularly meets on Wednesdays beginning at 9:00 a.m. in the Council Chambers, 6th floor, City Hall, 1500 Marilla. Council agenda meetings are broadcast live on WRR-FM radio (101.1 FM) and on Time Warner City Cable Channel 16. Briefing meetings are held the first and third Wednesdays of each month. Council agenda (voting) meetings are held on the second and fourth Wednesdays. Anyone wishing to speak at a meeting should sign up with the City Secretary's Office by calling (214) 670-3738 by 5:00 p.m. of the last regular business day preceding the meeting. Citizens can find out the name of their representative and their voting district by calling the City Secretary's Office.

If you need interpretation in Spanish language, please contact the City Secretary's Office at 214-670-3738 with a 48 hour advance notice.

Sign interpreters are available upon request with a 48-hour advance notice by calling (214) 670-3738 V/TDD. The City of Dallas is committed to compliance with the Americans with Disabilities Act.

The Council agenda is available in alternative formats upon request.

If you have any questions about this agenda or comments or complaints about city services, call 311.

Rules of Courtesy

City Council meetings bring together citizens of many varied interests and ideas. To insure fairness and orderly meetings, the Council has adopted rules of courtesy which apply to all members of the Council, administrative staff, news media, citizens and visitors. These procedures provide:

- That no one shall delay or interrupt the proceedings, or refuse to obey the orders of the presiding officer.
- All persons should refrain from private conversation, eating, drinking and smoking while in the Council Chamber.
- Posters or placards must remain outside the Council Chamber.
- No cellular phones or audible beepers allowed in Council Chamber while City Council is in session.

"Citizens and other visitors attending City Council meetings shall observe the same rules of propriety, decorum and good conduct applicable to members of the City Council. Any person making personal, impertinent, profane or slanderous remarks or who becomes boisterous while addressing the City Council or while attending the City Council meeting shall be removed from the room if the sergeant-at-arms is so directed by the presiding officer, and the person shall be barred from further audience before the City Council during that session of the City Council. If the presiding officer fails to act, any member of the City Council may move to require enforcement of the rules, and the affirmative vote of a majority of the City Council shall require the presiding officer to act." Section 3.3(c) of the City Council Rules of Procedure.

Información General

El Ayuntamiento de la Ciudad de Dallas se reúne regularmente los miércoles en la Cámara del Ayuntamiento en el sexto piso de la Alcaldía, 1500 Marilla, a las 9 de la mañana. Reglas de Cortesía

Las asambleas del Ayuntamiento Municipal reúnen a ciudadanos de diversos intereses e ideologías. Para asegurar la imparcialidad y el orden durante las asambleas, el Ayuntamiento ha adoptado ciertas reglas de cortesía que aplican a todos los miembros del Ayuntamiento, al personal administrativo, personal de los medios de comunicación, a los ciudadanos, y a visitantes. Estos reglamentos establecen lo siguiente:

- Ninguna persona retrasará o interrumpirá los procedimientos, o se negará a obedecer las órdenes del oficial que preside la asamblea.
- Todas las personas deben abstenerse de entablar conversaciones, comer, beber y fumar dentro de la cámara del Ayuntamiento.
- Anuncios y pancartas deben permanecer fuera de la cámara del Ayuntamiento.
- No se permite usar teléfonos celulares o enlaces electrónicos (*paggers*) audibles en la cámara del Ayuntamiento durante audiencias del Ayuntamiento Municipal.

"Los ciudadanos y visitantes presentes durante las asambleas del Ayuntamiento Municipal deben obedecer las mismas reglas de comportamiento, decoro y buena conducta que se aplican a los miembros del Ayuntamiento Municipal. Cualquier persona que haga comentarios impertinentes, utilice vocabulario obsceno o difamatorio, o que al dirigirse al Ayuntamiento lo haga en forma escandalosa, o si causa disturbio durante la asamblea del Ayuntamiento Municipal, será expulsada de la cámara si el oficial que esté presidiendo la asamblea así lo ordena. Además, se le prohibirá continuar participando en la audiencia ante el Ayuntamiento Municipal. Si el oficial que preside la asamblea no toma acción, cualquier otro miembro del Ayuntamiento Municipal puede tomar medidas para hacer cumplir las reglas establecidas, y el voto afirmativo de la mayoría del Ayuntamiento Municipal precisará al oficial que esté presidiendo la sesión a tomar acción." Según la sección 3.3(c) de las reglas de procedimientos del Ayuntamiento.

SUBJECT

Authorize **(1)** acceptance of FY 2016 grant from the Texas Department of Transportation Aviation Division for the Routine Annual Maintenance Program at Dallas Executive Airport in an amount not to exceed \$50,000 or 50% of eligible project costs whichever is less; **(2)** a local cash match in the amount of \$50,000 for airport maintenance projects; and **(3)** execution of the grant agreement - Total not to exceed \$100,000 - Financing: Aviation Current Funds (\$50,000) (subject to appropriations) and Texas Department of Transportation Grant Funds (\$50,000)

BACKGROUND

The Routine Airport Maintenance Project (RAMP) for fiscal year 2016 is a reimbursement that will enable the Department of Aviation to conduct needed repairs on the airport for annual maintenance. Some of the examples of these programs in the Ramp include runway crack seal and ramp area crack seal. The primary objective of the project is:

- Conduct repairs as needed under the Routine Airport Maintenance Program under the guidelines of Texas Department of Transportation (TxDOT).

TxDOT will determine that the repairs are within the scope of eligible projects for the TxDOT Grant for Routine Airport Maintenance Program Funds and will participate in an amount equal to 50% of the eligible project costs, TxDOT reimbursement not to exceed \$50,000.00.

PRIOR ACTION / REVIEW (COUNCIL, BOARDS, COMMISSIONS)

City Council authorized the acceptance of grant funds from TxDOT Aviation Division for RAMP maintenance cost on May 13, 2015 by Resolution No. 15-0834.

PRIOR ACTION / REVIEW (COUNCIL, BOARDS, COMMISSIONS) (Continued)

City Council authorized a two-year service contract for airport runway concrete crack and joint repairs with MRK Industrial Flooring, Inc. on August 26, 2015 by Resolution No. 15-1518.

Information about this item will be provided to the Economic Development Committee on May 16, 2016.

WHEREAS, Dallas Executive Airport has proven to be a significant economic generator within the city's southern sector; and,

WHEREAS, it is desirable to maintain the airport infrastructure to provide a safe and attractive environment for aircraft owners and operators to conduct business at Dallas Executive Airport; and,

WHEREAS, the Texas Department of Transportation has indicated that routine airport maintenance is a project that is eligible for state funding through their grant for Routine Airport Maintenance Program (RAMP) and will participate in an amount equal to 50% of the eligible costs, not to exceed \$50,000; and,

WHEREAS, on May 13, 2015, City Council authorized the acceptance of grant funds from TxDOT Aviation Division for RAMP maintenance costs in 2015 by Resolution No. 15-0834; and,

WHEREAS, the total maintenance cost for fiscal year 2016 is estimated to be up to \$100,000 and the City of Dallas will be responsible for the total project costs with a reimbursement by TxDOT of 50% of the total project cost in an amount not to exceed \$50,000; and,

WHEREAS, City Council authorized a two-year service contract for airport runway concrete crack and joint repairs with MRK Industrial Flooring, Inc. on August 26, 2015 by Resolution No. 15-1518.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS

Section 1. That the City Manager is hereby authorized to **(1)** accept FY 2016 grant from the Texas Department of Transportation Aviation Division (Grant CSJ No. M1618 DLEX) for the Routine Annual Maintenance Program (RAMP) at Dallas Executive Airport in an amount not to exceed \$50,000 or 50% of eligible project costs whichever is less; **(2)** provide a local cash match in the amount of \$50,000 for airport maintenance projects; and **(3)** execute the grant agreement for a total not to exceed \$100,000.

Section 2. That the Chief Financial Officer is hereby authorized to receive and deposit the grant reimbursement funds in an amount not to exceed \$50,000 in Fund S278, Dept. AVI, Unit 1747, Revenue Source 6526.

May 25, 2016

Section 3. That the City Manager is hereby authorized to increase appropriations in Fund S278, Dept. AVI, Unit 1747, Object Code 3099 in an amount not to exceed \$50,000 as approved by TxDOT for each fiscal year reimbursement.

Section 4. That the Chief Financial Officer is hereby authorized to reimburse Aviation Operating Fund 0130, Dept. AVI, Unit 7731, Object 5011 for the amount that is approved by TxDOT Routine Airport Maintenance Program (RAMP) for annual reimbursement from the Aviation Grant Fund S278 Dept. AVI, Unit 1747, Object 3099 in an amount not to exceed \$50,000.

Section 5. That the City Manager is hereby authorized to reimburse the granting agency any expenditures identified as ineligible and notify the appropriate City Council Committee of expenditures identified as ineligible not later than 30 days after the reimbursement.

Section 6. That the City Manager shall keep the appropriate City Council Committee informed of all final granting agency monitoring reports not later than thirty days after the receipt of the report.

Section 7. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

SUBJECT

Authorize a three-year service contract for emergency generator repair and maintenance - Clifford Power Systems, Inc. in the amount of \$431,280 and Allegiance Power Systems, Inc. in the amount of \$214,275, lowest responsible bidders of seven - Total not to exceed \$645,555 - Financing: Current Funds (\$630,255) and Convention and Event Services Current Funds (\$15,300) (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for service, for a specific term, which are ordered on an as needed basis.

This three year service contract will provide maintenance and repair of emergency electrical power generators. Each year, an annual preventative maintenance service schedule will be performed, followed by a quarterly preventative maintenance service schedule. Other repair services will be provided when there is a problem which would impede the generator from performing at optimum efficiency.

BACKGROUND (Continued)

This service contract will provide services for 93 generators throughout the City. Departments utilizing this service contract include but are not limited to Fire-Rescue, Equipment and Building Services, Park and Recreation, Communication and Information Services, Street Services and Convention and Event Services. The successful vendor is to insure that the station generators are serviced, maintained, and running properly throughout the year.

This solicitation was structured in a manner which required bidders to submit a response using unit pricing. This bid resulted in a 1.06% increase over comparable unit prices for services. Additionally, this solicitation also required bidders to submit discounts/mark ups on parts to be ordered from manufacturer's catalogs. Therefore this bid also resulted in an average percentage discount from manufacturer's catalog of 35% compared to an average discount of 10% for the bid awarded in 2011.

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 530 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, notifications were sent by the BDPS' ResourceLINK Team (RLT) to 25 chambers of commerce, the DFW Minority Business Council and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

The recommended vendor meets the wage floor rate of \$10.37 approved by City Council on November 10, 2015, by Resolution No. 15-2141.

PRIOR ACTION / REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On August 10, 2011, City Council authorized a three-year service contract for preventative maintenance and repairs for backup generators by Resolution No. 11-1978.

Information about this item will be provided to the Budget, Finance and Audit Committee on May 16, 2016.

SUBJECT

Authorize a three-year master agreement for smoke detectors for Fire-Rescue – Fine Line Products, lowest responsible bidder of six - Not to exceed \$227,220 - Financing: Current Funds

BACKGROUND

This action does not encumber funds; the purpose of a master agreement is to establish firm pricing for goods, for a specific term, which are ordered on an as needed basis.

This master agreement will provide smoke detectors for Fire-Rescue's (DFR) Smoke Detector Installation Program. Smoke detectors are installed in neighborhoods selected by DFR utilizing fire injury data to determine areas that have high rates of injury from fire. The smoke detectors are installed by DFR personnel and volunteers canvassing door-to-door, offering the smoke detectors to residents living in one and two family dwellings. Residents not available at the time of the canvas will be provided information on how to contact 311 to request a smoke detector. There is no charge to the residents for the smoke detector or installation service provided. The goal of this program is to provide a source for early fire detection thus reducing fire injuries and deaths in resident's homes.

This solicitation was structured in a manner which required bidders to submit a response using unit pricing. This bid resulted in a decrease of 4% over comparable unit prices for the bid awarded in 2013.

BACKGROUND (Continued)

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 706 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. SUBJECT

An ordinance amending Chapter 2 of the Dallas City Code by **(1)** changing the name of the guest prosecutor program to the guest assistant city attorney program; and **(2)** authorizing the city attorney to expand the volunteer guest prosecutor program to allow, under certain conditions, attorneys who work for private law firms or organizations that provide pro bono legal services to perform work for the city in hearing officer's court, municipal court, and other courts, and to appear before city, state, or federal boards, commissions, and agencies - Financing: No cost consideration to the City

BACKGROUND

The guest prosecutor program was established in 2000 by Ordinance 24219. The guest prosecutor program allows attorneys from private law firms to participate as guest prosecutors in municipal court, which permits private law firm attorneys to gain valuable trial experience while, at the same time, providing a public service that benefits the city and its residents.

This ordinance would expand the program to include attorneys from organizations that provide pro bono legal services and to allow the volunteer attorneys to appear in more forums.

PRIOR ACTION / REVIEW (COUNCIL, BOARDS, COMMISSIONS)

This item was briefed to the Budget, Finance, and Audit Committee on March 21, 2016.

FISCAL INFORMATION

No cost consideration to the City.

ORDINANCE NO. _____

An ordinance amending Chapter 2, “Administration,” of the Dallas City Code, by amending Section 2-20.1; changing the guest prosecutor program name to the guest assistant city attorney program; authorizing the city attorney to expand the volunteer guest prosecutor program to allow, under certain conditions, attorneys who work for private law firms or organizations that provide pro bono legal services to perform work for the city in hearing officer’s court, municipal court, and other courts, and to appear before city, state, or federal boards, commissions, and agencies; providing a saving clause; providing a severability clause; and providing an effective date.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That Section 2-20.1 of Article II, “Assistant City Attorneys,” of Chapter 2, “Administration,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 2-20.1. GUEST ASSISTANT CITY ATTORNEY [PROSECUTOR] PROGRAM.

(a) The city attorney is authorized to conduct a volunteer program known as the guest assistant city attorney ~~[prosecutor]~~ program. The purpose of the program is to allow attorneys who are employed by private law firms or organizations that provide pro bono legal services to obtain valuable trial experience ~~[at the municipal court level]~~ on a temporary and voluntary basis while, at the same time, providing a public service that benefits the city and its citizens.

(b) The city attorney may, without further city council approval, enter into arrangements with private law firms and organizations that provide pro bono legal services within the city through which volunteer attorneys are recommended and provided by the law firms and pro bono legal service organizations to perform work in hearing officer’s court, [the] municipal court, and other courts, and to appear before city, state, or federal boards, commissions, and agencies.

(c) To participate in the guest assistant city attorney program, a [every] volunteer attorney: [recommended by a private law firm for the guest prosecutor program]

- (1) must be approved by the city attorney;
- (2) pass a conflict of interests check and a background check; and

(3) may not owe the city any delinquent, taxes, fees, charges, or penalties.

(d) [(e)] While participating in the guest assistant city attorney [~~prosecutor~~] program, a volunteer attorney is not an employee of the city [~~but remains an employee of a private law firm~~], except that, for purposes of the city's officer and employee liability plan, a volunteer attorney is deemed a plan member under Section 31A-4(5)(D) of this code. The city is not [~~private law firm employing the volunteer attorney is solely and exclusively~~] liable for compensation or [~~and~~] benefits (including but not limited to workers' compensation insurance coverage) to be paid to the volunteer attorney during the period of participation in the guest assistant city attorney [~~prosecutor~~] program. Nothing in this section, or in any other provision of this code, may be construed to require the city to pay a volunteer attorney or the attorney's firm or organization for services rendered during the period of the volunteer attorney's participation in the program.

(e) [(d)] A volunteer attorney, while participating in the guest assistant city attorney [~~prosecutor~~] program, is subject to the direction of the city attorney and to the direction of any assistant city attorney designated to supervise the volunteer attorney.

(1) Guest assistant city attorneys prosecuting cases in municipal court. A volunteer attorney may [~~shall~~] prosecute cases in the municipal court and perform tasks incidental to work as a municipal prosecutor, if [~~as~~] directed by the city attorney. For purposes of this article, the city charter, and Section 45.201 of the Texas Code of Criminal Procedure, as amended, a volunteer attorney participating in the guest assistant city attorney program is deemed an assistant city attorney while carrying out the limited duties of prosecuting cases in municipal court and performing tasks incidental to work as a municipal prosecutor.

(2) Guest assistant city attorneys not prosecuting cases in municipal court. A volunteer attorney may handle cases in hearing officer's court or other courts, or appear before city, state, or federal boards, commissions, and agencies, and perform tasks incidental to those duties, if directed by the city attorney. For purposes of this article, the city charter, as amended, and any other applicable laws, a volunteer attorney participating in the guest assistant city attorney program is deemed an assistant city attorney while carrying out the limited duties of handling cases in hearing officer's court and other courts, and appearing before city, state, or federal boards commissions, and agencies, and performing tasks incidental to those duties.

(f) [(e)] While participating in the guest assistant city attorney [~~prosecutor~~] program, a volunteer attorney may [~~shall~~] not:

(1) perform any legal work for the city other than work described in this section and approved by the city attorney or any assistant city attorney designated to supervise the volunteer attorney; or

(2) represent any person in a lawsuit, claim, or other proceeding to which the city is a party, if the interests of that person are adverse to the interests of [~~against~~] the city.

(g) While participating in the guest assistant city attorney program, a private law firm or organization that provides pro bono legal services may not represent any person in a lawsuit,

claim, or other proceeding to which the city is a party, if the interests of that person are adverse to the interests of the city.

(h)(f) A volunteer attorney, while participating in the guest assistant city attorney ~~[prosecutor]~~ program, is subject to the restrictions of Chapter 12A ~~[Section 2-122]~~ of this code, as amended. A violation of any provision of Chapter 12A ~~[Section 2-122]~~, this section, or a directive of the city attorney or any assistant city attorney designated to supervise the volunteer attorney may result in termination of the volunteer attorney's participation in the program. The city attorney may also, in the city attorney's discretion, terminate any arrangement with the private law firm or organizations that provide pro bono legal services that employs a volunteer attorney who commits a violation of any provision described in this subsection.

SECTION 2. That Chapter 2 of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 3. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 4. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

SUBJECT

An ordinance amending Chapter 43A, "Swimming Pools," of the Dallas City Code by **(1)** amending definitions, enforcement authority, and safety standards for public and semi-public pools and spas; **(2)** adding Section 43A-3.1, incorporating Texas Health and Safety Code Regulations for multiunit pool enclosures; **(3)** adding Article IV on spa safety standards; and **(4)** making conforming changes; and providing a penalty not to exceed \$2,000 - Financing: No cost consideration to the City

BACKGROUND

Chapter 43A, "Swimming Pools", of the Dallas City Code establishes rules to regulate and inspect commercial pools, health club pools, hotel/motel and institutional pools. The current and proposed amendments do not impact pool design and construction requirements in Chapter 43A "Swimming Pools". The proposed ordinance would amend Sections 43A-1, 43A-2, 43A-3, 43A-6, 43A-9, 43A-11, 43A-15, 43A-16, 43A-19, 43A-20, and 43A-21 of Chapter 43A, "Swimming Pools", of the Dallas City Code.

The Quality of Life & Environment Committee was briefed by memorandum regarding the amendments on April 25, 2016 and May 9, 2016.

ORDINANCE NO. _____

An ordinance amending Chapter 43A, “Swimming Pools,” of the Dallas City Code by amending Sections 43A-1, 43A-2, 43A-3, 43A-6, 43A-9, 43A-11, 43A-15, 43A-16, 43A-19, 43A-20, and 43A-21; amending definitions, enforcement authority, and safety standards for public and semi-public pools and spas; adding Section 43A-3.1, incorporating Texas Health and Safety Code Regulations multiunit pool enclosures; adding Article IV on spa safety standards; making conforming changes; providing a penalty not to exceed \$2,000; providing a saving clause; providing a severability clause; and providing an effective date.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That Section 43A-1, “Definitions,” of Article I, “General Provisions,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended to read as follows:

“SEC. 43A-1. DEFINITIONS.

(a) The terms used in this chapter have the meanings ascribed to them in Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L, Section 182, as amended.

(b) In addition to the terms defined in Subsection (a), the terms in this chapter have the following meaning [this chapter]:

(1) DIRECTOR means the director of the department designated by the city manager to enforce and administer this chapter or the director’s designated representative.

(2) PERSON means an individual, partnership, company, corporation, association, firm, organization, institution, or similar entity.

(3) PRIVATE POOL means a swimming pool appurtenant to a single-family or duplex residence (including condominiums and townhouses) and used only by the occupants of the residence and their guests.

(4) PUBLIC POOL means a swimming pool to which the general public has access.

(5) SEMI-PUBLIC POOL means a swimming pool that is privately owned and open only to an identifiable class of persons, including, but not limited to, motel guests, apartment residents, and club members.

~~[(6) SWIMMING POOL or POOL means a structure that is used for swimming, bathing, or water play, including all equipment and appurtenant facilities.]]~~

SECTION 2. That Section 43A-2, "Permit Required; Application; Issuance," of Article I, "General Provisions," of Chapter 43A, "Swimming Pools," of the Dallas City Code is amended to read as follows:

"SEC. 43A-2. PERMIT REQUIRED; APPLICATION; ISSUANCE.

No person may construct, modify, or repair a [swimming] pool in the city without obtaining a permit. The application for a permit must be on a form provided by the building official and must be accompanied by the required fee and a specified number of copies of the plans of which the applicant seeks approval. If the building official and the director are satisfied that the proposed [swimming] pool will conform in all respects to the requirements of the law, a permit shall be issued by the building official to the applicant."

SECTION 3. That Section 43A-3, "Inspections and Reinspections," of Article I, "General Provisions," of Chapter 43A, "Swimming Pools," of the Dallas City Code is amended to read as follows:

"SEC. 43A-3. INSPECTIONS AND REINSPECTIONS.

(a) The director shall have all of the authority granted to the city under the Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L, Section 207, as amended, to [may] inspect a [swimming] pool at any reasonable time and [has authority] to enter upon the premises where a pool is located to the extent necessary to make a full examination for compliance with this chapter and state law.

(b) Advanced notice or permission for inspections or investigations by the director is not required. Public pools and semi-public pools, excluding multiunit, shall be inspected at least annually, and multiunit pools shall be inspected with the graded inspections for multitenant properties in accord with Chapter 27 of the Dallas City Code. For purposes of this subsection, "multiunit" has the meaning ascribed to it in Texas Health and Safety Code Section 757.001, as amended.

(c) Water samples from a pool may be taken.

(d) If a reinspection is required, the fee for the reinspection is \$43.”

SECTION 4. That Article I, “General Provisions,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended by adding a new Section 43A-3.1, “Incorporation of Health and Safety Code Regulations for Multiunit Pool Enclosures,” to read as follows:

“Sec. 43A-3.1. INCORPORATION OF HEALTH AND SAFETY CODE REGULATIONS FOR MULTIUNIT POOL ENCLOSURES.

The provisions of Texas Health and Safety Code Chapter 757, as amended, apply and supersede any regulations in this chapter for pools owned, controlled, or maintained by the owner or manager of a multiunit rental complex or by a property owner’s association and for doors and windows of rental dwellings opening into the pool yard of a multiunit rental complex or condominium, cooperative, or town home project.”

SECTION 5. That Subsection (e) of Section 43A-6, “Depth and Slope; Depth Markings,” of Article II, “Pool Design and Construction,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended to read as follows:

“(e) Depth of water must be marked at or above the water surface on the vertical pool wall or on the edge of the deck next to the pool, at maximum and minimum depth points, at points of break between deep and shallow areas, and at intermediate increments of depth, spaced at not more than 25 foot intervals around the entire perimeter of the pool. Depth markings and additional signage for pools must be consistent with the requirements in Texas Administrative Code Title 25, Chapter 265, Subsections 265.199(c)-(f), as amended. ~~[Markings must be in numerals of a minimum height of four inches and in a color contrasting with the background.]~~ Depth markers are not required for private pools.”

SECTION 6. That Section 43A-9, “Steps, Ladders, and Towers,” of Article II, “Pool Design and Construction,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended by adding a new Subsection (e) to read as follows:

“(e) Handrails, ladders, steps, seat ledges, and coping must also comply with the standards for pool safety in Texas Administrative Code Title 25, Part 1, Subchapter L, Chapter 265, Subsection 199(a), as amended.”

SECTION 7. That Subsection (c) of Section 43A-11, “Deck Area; Pool Enclosure; Spectator Separation,” of Article II, “Pool Design and Construction,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended to read as follows:

“(c) The pool enclosure must comply with requirements of the Dallas Building Code and Texas Administrative Code Title 25, Part 1, Subchapter L, Chapter 265, Section 200, as amended.”

SECTION 8. That Section 43A-15, “Lighting,” of Article II, “Pool Design and Construction,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended by adding Subsection (c) to read as follows:

“(c) Deck and underwater lighting must also comply with the standards in Texas Administrative Code Title 25, Part 1, Subchapter L, Chapter 265, Subsection 265.199(k), as amended.”

SECTION 9. That Section 43A-16, “Toilet Facilities,” of Article II, “Pool Design and Construction,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended by adding Subsection (c) to read as follows:

“(c) Dressing and toilet facilities at public and semi-public pools must comply with the standards in Texas Administrative Code Title 25, Part 1, Subchapter L, Chapter 265, Section 201, as amended.”

SECTION 10. That Section 43A-19, “Operation of a Pool,” Article III, “Maintenance and Operation of Swimming Pools,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended to read as follows:

“SEC. 43A-19. OPERATION OF A POOL.

(a) A manager of operations, a manager of premises on which a public or semi-public pool is located, or the owner of a public or semi-public pool shall not:

(1) knowingly permit a condition to exist that endangers the life, health, or safety of a swimmer or that violates a provision of this article;

(2) knowingly permit a person to swim in a pool who has skin abrasions, open sores, cuts, skin disease, eye disease, nasal or ear discharge, or communicable disease;

(3) ~~[knowingly permit a person to carry glass within a pool area or enclosure;~~

~~(4)] knowingly allow dogs within a pool area or enclosure;~~

~~(4[5]) fail to post placards containing pool regulations and instructions in conspicuous places within a pool area or enclosure;~~

~~(5[6]) fail to maintain a pool in accordance with the standards of health and safety provided in Sections 43A-20 and 43A-21;~~

(6) knowingly violate or permit any person to violate the regulations relating to food, beverages, and trash containers in Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L, Section 202, as amended; or

(7) knowingly violate or permit any person to violate the lifeguard training and personnel requirements in Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L, Subsection 265.199(g), as amended.

(b) A manager of operations, a manager of premises on which a public or semi-public pool is located, and the owner of a public or semi-public pool must also comply with pool and spa standards in Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L, Subsections 265.203(a)-(l), as amended.”

SECTION 11. That Section 43A-20, “Quality of Water; Public and Semi-Public Pools,” of Article III, “Maintenance and Operation of Swimming Pools,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended to read as follows:

“SEC. 43A-20. QUALITY OF WATER; PUBLIC AND SEMI-PUBLIC POOLS.

(a) Water quality. A manager of operations, a manager of premises on which a public or semi-public pool is located, and the owner of a public or semi-public pool must comply with the water quality standards in Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L, Subsection 265.204 and Figure 265.204(a), as amended. ~~[Acidity-alkalinity. The water in a public or semi-public pool must be maintained in an alkaline condition so that the pH of the water is between 7.2 and 8.2.~~

~~(b) Clarity. The water in a public or semi-public pool must be sufficiently clear to permit a distinct view of the main drain from outside the pool.]~~

(b[e]) Disinfectant. In a public or semi-public pool disinfectant capable of killing bacteria and algae, but not harmful to humans, shall be added to the pool water through a continuous feed machine. If chlorine or bromine is used, a residual level shall be maintained consistent with the levels in Texas Administrative Code Title 25, Part 1, Chapter 265,

Subchapter L, Subsection 265.204 and Figure 265.204(a), as amended [of one part per million of chlorine, or greater].

(c[d]) Algae. A public or semi-public pool must be kept free of algae.

(d[e]) Circulation. The recirculation system of a public or semi-public pool must be in operation at all times.

(e[f]) Heating. Hot water must not enter a public or semi-public pool at a temperature exceeding 110 degrees Fahrenheit.

(f[g]) Level. Fresh water must be added to a public or semi-public pool at a rate that will keep the pool water at a level sufficient to allow skimming devices or overflow gutters to work properly.

(g[h]) Cleaning. The walls, floors, equipment, and appurtenant facilities of a public or semi-public pool must be maintained in a clean and sanitary condition at all times.”

SECTION 12. That Section 43A-21, “Safety Equipment,” of Article III, “Maintenance and Operation of Swimming Pools,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is amended to read as follows:

“SEC. 43A-21. SAFETY EQUIPMENT.

Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L, Subsection 265.199(b), Subsections 265.199(g)-(h), and (j), and Subsection 265.199(i)(1)(A)-(B), as amended, are hereby adopted and incorporated by reference into this chapter [The following safety equipment must be available for use at anytime a public or semi-public pool is open:

(1) ~~a life pole or shepherd’s crook pole capable of reaching each part of a pool; and~~

(2) ~~a guard line separating the shallow portion from the deep portion of a pool at the break point depth].”~~

SECTION 13. That Article IV, “Spas,” of Chapter 43A, “Swimming Pools,” of the Dallas City Code is added to read as follows:

“ARTICLE IV. SPAS.

SEC. 43A-26. SPA SAFETY STANDARDS.

Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L, Subsection 265.205(f), as amended, is hereby adopted and incorporated by reference into this chapter.”

SECTION 14. That a person violating a provision of this ordinance, upon conviction, is punishable by a fine not to exceed \$2,000.

SECTION 15. That Chapter 43A of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 16. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 17. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): All

DEPARTMENT: Communication and Information Services

CMO: Mark McDaniel, 670-3256

MAPSCO: N/A

SUBJECT

Authorize **(1)** the release of funds from Entap, Inc. for the acquisition and service contract for a budget preparation management system in the amount of \$1,541,957; and **(2)** a one-year service contract for the implementation in the amount of \$1,141,296, and a thirty-month service contract for cloud services and support in the amount of \$400,661, for a budget preparation and management system - Oracle America, Inc., through the Department of Information Resources, State of Texas Cooperative - Not to exceed \$1,541,957 - Financing: Municipal Lease Agreement Funds (\$784,012) and Current Funds (\$757,945) (subject to annual appropriations)

BACKGROUND

This contract will provide the installation of a budget preparation management system and a subscription agreement for cloud services, which includes upgrades and support. The new budget preparation management system will allow for the integration of multiple applications to provide one centralized tool utilized by City staff for the development of the annual budget. Some additional advantages of the system include:

- Improved forecasting capabilities
- Continuity of business operations
- Improved implementation capability of enhancements to meet business needs
- Significant improvement in the quantity and timeliness of information used in budget decision-making

Currently, the City utilizes several different applications and manual processes to develop the annual budget, generate annual budget books, record and track performance measures and monitor the adopted budget. All of these tasks are accomplished with no integration between the various applications, including the financial and human resource systems. The implementation of the new budget preparation management system will provide a single application for the development and monitoring of the City's budget.

BACKGROUND (continued)

On March 25, 2015, a five-year service contract valued at \$2,292,719 was awarded to Entap, Inc. for the acquisition, maintenance and support of a Hyperion (an Oracle product) budget preparation management system. To continue performance while resolving a contract dispute, the City is awarding a service contract to Oracle for the implementation and support of the Hyperion system.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On March 25, 2015, City Council authorized an acquisition contract for software, hosting and a five-year service contract for maintenance and support of a budget preparation management system with Entap, Inc. by Resolution No. 15-0477.

Information about this item will be provided to the Budget, Finance and Audit Committee on May 16, 2016.

AGENDA ITEM # 9

KEY FOCUS AREA: Economic Vibrancy

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): 4, 8

DEPARTMENT: Housing/Community Services

CMO: Alan Sims, Chief of Neighborhood Plus, 670-1611

MAPSCO: 65E K M V 66K N S

SUBJECT

Authorize **(1)** approval of the development plan submitted to the Dallas Housing Acquisition and Development Corporation by Camden Homes, LLC for the construction of affordable houses; **(2)** the sale of 18 vacant lots (list attached) from Dallas Housing Acquisition and Development Corporation to Camden Homes, LLC; and **(3)** execution of a release of lien for any non-tax liens on the 18 properties that may have been filed by the City - Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. The City Council then established the Dallas Housing Acquisition and Development Corporation (DHADC) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

Camden Homes, LLC has submitted a proposal and development plan to DHADC for 18 lots shown on the attached list. The DHADC board of directors has approved the development plan and sale of the 18 lots, subject to City Council approval. This item will authorize City Council approval of the development plan submitted by Camden Homes, LLC to DHADC, the sale of those lots from DHADC to Camden Homes, LLC and the release of lien for any non-tax liens that may have been filed by the City. The vacant lots were purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens. DHADC's Deed without Warranty to Camden Homes, LLC will contain a reverter that returns the property to DHADC if a construction permit is not applied for by Camden Homes, LLC and construction financing is not closed within three years of conveyance.

BACKGROUND (continued)

Camden Homes, LLC will build affordable houses on the lots. The approximate square footage and sales prices of the houses will be from 1,200 to 2,100 square feet and from \$110,000 to \$150,000. The lots will be deed restricted for sale to low income families.

DHADC will receive \$90,000.00 for the sales price of the vacant lots to Camden Homes, LLC, as calculated from the 2015-16 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 28, 2004, City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code by Resolution No. 04-0458.

On September 21, 2015, the Housing Committee was briefed regarding the Urban Land Bank Demonstration Program which outlined the process and status of the program.

On April 21, 2016, the DHADC board of directors approved the development plan and sale of 18 lots from DHADC to Camden Homes, LLC.

Information about this item will be provided to the Housing Committee on May 16, 2016.

May 25, 2016

WHEREAS, on January 28, 2004, City Council established the Dallas Housing Acquisition and Development Corporation (DHADC) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C, by Resolution No. 04-0458; and

WHEREAS, Camden Homes, LLC submitted a proposal and development plan to DHADC for 18 lots shown on Exhibit "A" and the DHADC Board has approved the development plan and sale, subject to City Council approval; and

WHEREAS, the City Council desires to approve the development plan shown on Exhibit "B" indicating the approximate square footage and sales price ranges of the proposed houses submitted by Camden Homes, LLC and authorize the sale of the said 18 lots from DHADC to Camden Homes, LLC to build affordable houses;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the development plan shown on Exhibit "B" indicating the approximate square footage and sales price ranges of the proposed houses submitted by Camden Homes, LLC and the sale of 18 lots shown on Exhibit "A" from DHADC to Camden Homes, LLC is approved.

Section 2. That the City Manager, upon approval as to form by the City Attorney, is authorized to execute a Deed without Warranty and releases of lien for any non-tax liens that may have been filed by the City on the lots shown on Exhibit "A".

Section 3. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

SUBJECT

Authorize **(1)** approval of the development plan submitted to the Dallas Housing Acquisition and Development Corporation by Confia Homes, L.L.C. for the construction of affordable houses; **(2)** the sale of 11 vacant lots (list attached) from Dallas Housing Acquisition and Development Corporation to Confia Homes, L.L.C.; and **(3)** execution of a release of lien for any non-tax liens on the 11 properties that may have been filed by the City - Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. The City Council then established the Dallas Housing Acquisition and Development Corporation (DHADC) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

Confia Homes, L.L.C. has submitted a proposal and development plan to DHADC for 11 lots shown on the attached list. The DHADC board of directors has approved the development plan and sale of the 11 lots, subject to City Council approval. This item will authorize City Council approval of the development plan submitted by Confia Homes, L.L.C. to DHADC, the sale of those lots from DHADC to Confia Homes, L.L.C. and the release of lien for any non-tax liens that may have been filed by the City. The vacant lots were purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens. DHADC's Deed without Warranty to Confia Homes, L.L.C. will contain a reverter that returns the property to DHADC if a construction permit is not applied for by Confia Homes, L.L.C. and construction financing is not closed within three years of conveyance.

BACKGROUND (continued)

Confia Homes, L.L.C. will build affordable houses on the lots. The approximate square footage and sales prices of the houses will be from 1,300 to 1,400 square feet and from \$90,000 to \$115,000. The lots will be deed restricted for sale to low income families.

DHADC will receive \$55,000.00 for the sales price of the vacant lots to Confia Homes, L.L.C., as calculated from the 2015-16 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 28, 2004, City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code by Resolution No. 04-0458.

On September 21, 2015, the Housing Committee was briefed regarding the Urban Land Bank Demonstration Program which outlined the process and status of the program.

On April 21, 2016, the DHADC board of directors approved the development plan and sale of 11 lots from DHADC to Confia Homes, L.L.C.

Information about this item will be provided to the Housing Committee on May 16, 2016.

Authorize **(1)** approval of the development plan submitted to the Dallas Housing Acquisition and Development Corporation by Cooper Homes, Inc. for the construction of affordable houses; **(2)** the sale of 17 vacant lots (list attached) from Dallas Housing Acquisition and Development Corporation to Cooper Homes, Inc.; and **(3)** execution of a release of lien for any non-tax liens on the 17 properties that may have been filed by the City - Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. Cooper Homes, Inc. has submitted a proposal and development plan to DHADC for 17 lots shown on the attached list. The DHADC board of directors has approved the development plan and sale of the 17 lots, subject to City Council approval. This item will authorize City Council approval of the development plan submitted by Cooper Homes, Inc. to DHADC, the sale of those lots from DHADC to Cooper Homes, Inc. and the release of lien for any non-tax liens that may have been filed by the City. The vacant lots were purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens. DHADC's Deed without Warranty to Cooper Homes, Inc. will contain a reverter that returns the property to DHADC if a construction permit is not applied for by Cooper Homes, Inc. and construction financing is not closed within three years of conveyance.

BACKGROUND (continued)

Cooper Homes, Inc. will build affordable houses on the lots. The approximate square footage and sales prices of the houses will be from 1,200 to 1,500 square feet and from \$120,000 to \$150,000. The lots will be deed restricted for sale to low income families.

DHADC will receive \$95,000.00 for the sales price of the vacant lots to Cooper Homes, Inc., as calculated from the 2015-16 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 28, 2004, City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code by Resolution No. 04-0458.

On September 21, 2015, the Housing Committee was briefed regarding the Urban Land Bank Demonstration Program which outlined the process and status of the program.

On April 21, 2016, the DHADC board of directors approved the development plan and sale of 17 lots from DHADC to Cooper Homes, Inc.

Information about this item will be provided to the Housing Committee on May 16, 2016.

WHEREAS, on January 28, 2004, City Council established the Dallas Housing Acquisition and Development Corporation (DHADC) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C, by Resolution No. 04-0458; and

WHEREAS, Cooper Homes, Inc. submitted a proposal and development plan to DHADC for 17 lots shown on Exhibit "A" and the DHADC Board has approved the development plan and sale, subject to City Council approval; and

WHEREAS, the City Council desires to approve the development plan shown on Exhibit "B" indicating the approximate square footage and sales price ranges of the proposed houses submitted by Cooper Homes, Inc. and authorize the sale of the said 17 lots from DHADC to Cooper Homes, Inc. to build affordable houses;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the development plan shown on Exhibit "B" indicating the approximate square footage and sales price ranges of the proposed houses submitted by Cooper Homes, Inc. and the sale of 17 lots shown on Exhibit "A" from DHADC to Cooper Homes, Inc. is approved.

Section 2. That the City Manager, upon approval as to form by the City Attorney, is authorized to execute a Deed without Warranty and releases of lien for any non-tax liens that may have been filed by the City on the lots shown on Exhibit "A".

Section 3. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

AGENDA ITEM # 12

KEY FOCUS AREA: Economic Vibrancy

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): 4

DEPARTMENT: Housing/Community Services

CMO: Alan Sims, Chief of Neighborhood Plus, 670-1611

MAPSCO: 65C

SUBJECT

Authorize **(1)** approval of the development plan submitted to the Dallas Housing Acquisition and Development Corporation by Milton Semper for the construction of affordable houses; **(2)** the sale of 2 vacant lots (list attached) from Dallas Housing Acquisition and Development Corporation to Milton Semper; and **(3)** execution of a release of lien for any non-tax liens on the 2 properties that may have been filed by the City - Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. The City Council then established the Dallas Housing Acquisition and Development Corporation (DHADC) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

Milton Semper has submitted a proposal and development plan to DHADC for 2 lots shown on the attached list. The DHADC board of directors has approved the development plan and sale of the 2 lots, subject to City Council approval. This item will authorize City Council approval of the development plan submitted by Milton Semper to DHADC, the sale of those lots from DHADC to Milton Semper and the release of lien for any non-tax liens that may have been filed by the City. The vacant lots were purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens. DHADC's Deed without Warranty to Milton Semper will contain a reverter that returns the property to DHADC if a construction permit is not applied for by Milton Semper and construction financing is not closed within three years of conveyance.

BACKGROUND (continued)

Milton Semper will build affordable houses on the lots. The approximate square footage and sales prices of the houses will be from 1,700 to 1,900 square feet and from \$108,000 to \$124,000. The lots will be deed restricted for sale to low income families.

DHADC will receive \$10,000.00 for the sales price of the vacant lots to Milton Semper, as calculated from the 2015-16 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 28, 2004, City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code by Resolution No. 04-0458.

On September 21, 2015, the Housing Committee was briefed regarding the Urban Land Bank Demonstration Program which outlined the process and status of the program.

On April 21, 2016, the DHADC board of directors approved the development plan and sale of 2 lots from DHADC to Milton Semper.

Information about this item will be provided to the Housing Committee on May 16, 2016.

SUBJECT

Authorize a contract with C Solano SL for the design, fabrication and installation of a site-specific artwork honoring the Vaughn Brothers at Kiest Park located at 3080 South Hampton Road - Not to exceed \$75,200 - Financing: 2006 Bond Funds (\$47,200) and Capital Gifts, Donation and Development Funds (\$28,000)

BACKGROUND

This action authorizes a contract for the design, fabrication and installation of public art at Kiest Park honoring the contributions of Jimmie Lee Vaughan and Stevie Ray Vaughan, known as the Vaughan Brothers, as approved by the Public Art Committee of the Cultural Affairs Commission, the full Cultural Affairs Commission, the Planning and Design Committee of the Park and Recreation Board, and the full Park and Recreation Board.

The artist, Casto Solano, was selected via competitive selection process as directed by the City of Dallas Cultural Policy, and was approved by the Public Art Committee on April 12, 2016 and by the Cultural Affairs Commission on April 21, 2016.

On March 27, 2015, by Resolution No. 15-0952, the City Council approved a contract with the Oak Cliff Foundation authorizing the Foundation to participate in the development of the project scope, and the artist selection process, and authorized acceptance of \$68,000 from the Foundation in support of the project (\$28,000 to augment the project budget and \$40,000 for future maintenance needs). The Oak Cliff Foundation donated the funds for the Kiest Park public art project to the City of Dallas on October 20, 2015 and February 10, 2016.

ESTIMATED SCHEDULE OF PROJECT

Purchase Materials and begin fabrication	June 2016
Fabrication of artwork 50% complete	May 2017
Fabrication of artwork 100% complete	July 2017

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On May 27, 2015, City Council authorized (1) the receipt and deposit of funds from the Oak Cliff Foundation in an amount not to exceed \$68,000; (2) the establishment of appropriations in the amount of \$68,000 in the Capital Gift, Donation and Development Fund; and (3) a contract with the Oak Cliff Foundation to contribute \$68,000 to the funding for the Kiest Park public art project by Resolution No. 15-0952.

On April 12, 2016, the Public Art Committee recommended Casto Solano to fabricate and install the proposed design.

On April 21, 2016, the Cultural Affairs Commission approved Casto Solano to fabricate and install the proposed design.

On May 19, 2016, the Park and Recreation Board will consider authorizing a contract for Casto Solano to fabricate and install the approved design for the Kiest Park public art project; a tribute to Stevie Ray and Jimmie Vaughan at the approved location in Kiest Park located at 300 South Hampton Road.

Information about this item will be provided to the Arts, Culture and Libraries Committee on May 16, 2016.

Authorize a contract with Phoenix I Restoration and Construction, Ltd., best value proposer of five, for renovations at Bachman Recreation Center located at 2750 Bachman Drive - Not to exceed \$576,240 - Financing: 2006 Bond Funds

BACKGROUND

On March 18, 2016, five proposals were received for renovations at Bachman Recreation Center. Phoenix I Restoration and Construction, Ltd. was selected as the best value proposer for the Base Price and Alternate Nos. 1, 2 , 3, 4 and 5, in the amount of \$576,240. The scope of work includes: roof replacement; re-grading in front of building; cleaning and painting steel at existing pool shed; exterior masonry façade repairs; building perimeter joint sealant; replacing storefront and two exterior doors at gymnasium; painting porte-cochère and replacing light fixtures.

Proposals based on RFCSP are evaluated on pre-set criteria which include cost, qualifications of the prime contractor, construction amount and schedule ratings, which are based on mathematical formulas, with the best price and best schedule being given the highest scores. Ratings "1" to "10" are given for each criterion with "10" being the best rating. These ratings are multiplied by the weighting to obtain the score for each criterion.

Authorize **(1)** a Project Specific Agreement with Dallas County for funding participation in the design and construction of paving and drainage improvements for Sylvan Avenue from Fort Worth Avenue to Singleton Boulevard; **(2)** the receipt and deposit of funds from Dallas County in an amount not to exceed \$3,000,000; and **(3)** an increase in appropriations in the amount of \$3,000,000 in the Capital Projects Reimbursement Fund - Not to exceed \$3,000,000 - Financing: Capital Projects Reimbursement Funds

BACKGROUND

Sylvan Avenue from Fort Worth Avenue to Singleton Boulevard is a partnership project between the City of Dallas and Dallas County. This project was submitted and subsequently selected for implementation in Dallas County's 2008 Major Capital Improvement Program (MCIP) Fifth Call for Projects. This action will authorize a Project Specific Agreement with Dallas County for funding participation for the design and construction of paving and drainage improvements for Sylvan Avenue from Fort Worth Avenue to Singleton Boulevard.

The scope of the project entails reconstructing the existing six-lane divided roadway to a four-lane divided roadway with dedicated bike lanes; this project will also provide new traffic signals, enhanced crosswalks at signalized intersections, landscaping, drainage improvements, and water and wastewater upgrades. The City is the lead agency for this project and is responsible for administering the design and construction. The design for this project is complete, and construction is estimated to commence summer 2016 and be complete in late 2017.

Second Avenue Bridge over White Rock Creek

- * Authorize a waiver agreement with the Texas Department of Transportation for the local match fund participation requirement on the northbound Second Avenue Bridge over White Rock Creek as an approved project for the Federal Off-System Bridge Program - Financing: No cost consideration to the City
- * Authorize a Local Project Advanced Funding Agreement with the Texas Department of Transportation for the replacement or rehabilitation of the northbound Second Avenue Bridge over White Rock Creek as an approved project for the Federal Off-System Bridge Program - Financing: No cost consideration to the City

BACKGROUND

The Federal Off-system Bridge Program is administered by the Texas Department of Transportation (TxDOT) to replace or rehabilitate structurally deficient or functionally obsolete bridges located on public roads and streets off the designated state highway system. Under this program, TxDOT selects certain bridges or cross-drainage structures to be programmed for replacement or rehabilitation. The eligibility of those structures and the extent of proposed improvements depend on their condition as determined by the state's inspection reports. Under this program, the funding participation ratio of eligible costs are usually 80% federal, 10% state, and 10% local to be funded by the City of Dallas. In this particular case, however, the local share will be waived.

Texas Administrative Code, Title 43, Section 15.55(d) provides that the 10 percent City match fund participation requirement may be waived if the City requests such a waiver provided that the City agrees to perform, or cause to be performed, an equivalent dollar amount of structural improvement work on other deficient bridges or deficient mainlane cross-drainage structures within its jurisdiction. This type of structural improvement work is referred to as an "Equivalent-Match Project" (EMP).

BACKGROUND (Continued)

The project on which local fund participation is to be waived is referred to as the "Participation-Waived Project" (PWP). The northbound Second Avenue Bridge (National Bridge Inventory Structure No. 18-057-09S23-40-003) over White Rock Creek will be the "Participation-Waived" Project to be repaired by TxDOT at a cost of \$1,036,965. The southbound Second Avenue Bridge (NBI Structure No. 18-057-09S23-40-008) over White Rock Creek will be the Equivalent-Match Project that the City of Dallas will perform the structural and safety improvements at a cost of \$210,720, and receive a waiver of the local match fund participation requirement on the "Participation-Waived" Project. The design of the EMP project was funded by the 2012 Bond Program and the design contract was awarded by Council on January 13, 2016. This action will authorize the waiver and advanced funding agreement with TxDOT, which is necessary for the replacement or rehabilitation of the "Participation-Waived" Project.

AGENDA ITEM # 22

KEY FOCUS AREA: Clean, Healthy Environment

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): 3, 6, 8, 13

DEPARTMENT: Sanitation Services

CMO: Joey Zapata, 670-3009

MAPSCO: 26R, 33F, 63E, 67K

SUBJECT

Authorize Supplemental Agreement No. 3 to the contract with Biggs & Mathews Environmental, Inc. to exercise the second of three, twelve-month renewal options to the professional engineering contract for hydrogeology and groundwater monitoring at McCommas Bluff landfill, Northeast Transfer Station, Northwest Transfer Station and Southwest Transfer Station - Not to exceed \$153,539, from \$995,430 to \$1,148,969 - Financing: Sanitation Current Funds (subject to annual appropriations)

BACKGROUND

On June 26, 2013, City Council authorized a twenty-four month professional engineering contract, with three twelve-month renewal options, with Biggs & Mathews Environmental, Inc. for hydrogeology and groundwater monitoring at McCommas Bluff Landfill, Northeast Transfer Station, Northwest Transfer Station and Southwest Transfer Station. This action will exercise the second of three twelve-month renewal options.

The operation of the City's solid waste disposal facilities, which includes the McCommas Bluff Landfill, Northeast Transfer Station, Northwest Transfer Station and Southwest Transfer Station, is governed by state-issued operational permits. Each permit requires environmental protections for air, water and waste, as regulated by the Texas Commission on Environmental Quality (TCEQ).

BACKGROUND (continued)

The regulatory requirements include:

- Periodic groundwater monitoring
- Environmental compliance (Tier II Annual Report, Air Emission Inventory Annual Report, Green House Gas Annual Report, Groundwater Test and Monitoring Quarterly Results, and updating the Spill Prevention Countermeasures and Control Plan and Storm Water Pollution Prevention Plan)
- Reporting and implementing response actions related to ground water protection
- Leachate monitoring/disposal and related services
- Site operation plan revisions and permit modifications
- Installation and maintenance of monitoring instruments

A portion of the monitoring services require specialized equipment and technical expertise that is best performed by a professional engineering services contractor who has trained environmental sampling staff, equipment, an analytical chemistry laboratory and statistical analysis software for interpreting monitoring results that are needed to complete the regulatory requirements.

SUBJECT

Authorize **(1)** a Local Project Advance Funding Agreement with the Texas Department of Transportation for a U.S. Department of Transportation - Federal Highway Administration 2015 Highway Safety Improvement Program grant to design, upgrade and construct seven traffic signals and associated off system intersection improvements at Arapaho Road and Montfort Drive/Knoll Trail Drive, Colorado Boulevard and Marsalis Avenue, Forest Lane and Plano Road, Harry Hines Boulevard and Empire Central Drive, Illinois Avenue and Bonnie View Road, Marsh Lane and Royal Lane, Martin Luther King Jr. Boulevard and Colonial Avenue/Ervay Street; **(2)** a required local match in the amount of \$213,421; and **(3)** an amendment to Resolution No. 16-0648, previously approved on April 27, 2016, to identify a required local match for design of the traffic signals in the amount of \$163,700 - Total not to exceed \$2,209,371 - Financing: Texas Department of Transportation Grant Funds (\$1,832,251) and Current Funds (\$213,421)

BACKGROUND

The City of Dallas was awarded grant funding totaling \$6.22 million from the 2015 Highway Safety Improvement Program (HSIP) administered by the Texas Department of Transportation (TxDOT) to reconstruct and install several traffic signals at high accident intersections in the City of Dallas.

This action will use local matching funds totaling \$377,120.10 to leverage \$1,832,250.51 in Federal and State funds for construction and associated intersection improvements at seven intersections for a total not to exceed cost of \$2,209,370.61. Specifically, the City is required to pay State fees in the amount of \$20,890.10, professional design services in the amount of \$163,700.00 (through a separate contract with Kimley-Horn and Associates), and 10% match for Direct State Engineering and construction costs for off system intersections, totaling \$192,530.00, bringing the City's portion of the project to \$377,120.10.

BACKGROUND (Continued)

Any change orders or overruns are the responsibility of the City of Dallas.

The traffic signals will be constructed over three years. Design will commence in FY 2016 and construction of the seven (7) traffic signals will commence in FY 2017.

Construction of the seven signals listed below will commence in 2017.

- Arapaho Road and Montfort Drive/Knoll Trail Drive (CSJ#0918-47-152), (Upgrade) (CD 11)
- Colorado Boulevard and Marsalis Avenue (CSJ#0918-47-154), (Upgrade) (CD 1)
- Forest Lane and Plano Road (CSJ#0918-47-156), (Upgrade) (CD 10)
- Harry Hines Boulevard and Empire Central Drive (CSJ#0918-47-158), (Upgrade) (CD 2)
- Illinois Avenue and Bonnie View Road (CSJ#0918-47-159), (Upgrade) (CD 4)
- Marsh Lane and Royal Lane (CSJ#0918-47-162), (Upgrade) (CD 13)
- Martin Luther King Jr. Boulevard and Colonial Avenue/Ervay Street (CSJ#0918-47-163), (Upgrade) (CD 7)

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On April 27, 2016, City Council authorized a professional services contract with Kimley-Horn and Associates, Inc. to provide traffic signal design services for 39 traffic signals at various intersections and other related tasks by Resolution No. 16-0648.

Information about this item will be provided to the Transportation and Trinity River Project Committee on May 23, 2016.

WHEREAS, the City of Dallas desires to enter into a Local Project Advance Funding Agreement (LPAFA) with the Texas Department of Transportation (TxDOT) for a U.S. Department of Transportation - Federal Highway Administration 2015 Highway Safety Improvement Program (HSIP) Project to fund the design, upgrade and/or construction of seven traffic signals and associated off system intersection improvements at Arapaho Road and Montfort Drive/Knoll Trail Drive, Colorado Boulevard and Marsalis Avenue, Forest Lane and Plano Road, Harry Hines Boulevard and Empire Central Drive, Illinois Avenue and Bonnie View Road, Marsh Lane and Royal Lane, Martin Luther King Jr. Boulevard and Colonial Avenue/Ervay Street; and,

WHEREAS, on April 27, 2016, City Council authorized a professional services contract with Kimley-Horn and Associates, Inc. to provide traffic signal design services by Resolution No. 16-0648, the portion of the match funding for this project totals \$163,700.00; and,

WHEREAS, the Federal/State portion of the grant is \$1,832,250.51 and the City of Dallas local match is \$377,120.10 for a total amount not to exceed \$2,209,370.61; and,

WHEREAS, the City of Dallas will issue a warrant check at the beginning of the project in the amount of \$213,420.10 for the off system locations; and,

WHEREAS, the City of Dallas will be responsible for any change orders or bid overruns; and,

WHEREAS, that this action hereby authorizes an amendment to Resolution No. 16-0648, previously approved on April 27, 2016, to identify a required local match for design of the traffic signals in the amount of \$163,700.00.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

May 25, 2016

Section 1. That the City Manager is hereby authorized to execute a Local Project Advance Funding Agreement with the Texas Department of Transportation for a U.S. Department of Transportation - Federal Highway Administration 2015 Highway Safety Improvement Program grant to design, upgrade and construct seven traffic signals and associated off system intersection improvements, Agreement numbers CSJ#0918-47-152 (Arapaho Road and Montfort Drive/Knoll Trail Drive), CSJ#0918-47-154 (Colorado Boulevard and Marsalis Avenue), CSJ#0918-47-156 (Forest Lane and Plano Road), CSJ#0918-47-158 (Harry Hines Boulevard and Empire Central Drive), CSJ#0918-47-159 (Illinois Avenue and Bonnie View Road), CSJ#0918-47-162 (Marsh Lane and Royal Lane), and CSJ#0918-47-163 (Martin Luther King Jr. Boulevard and Colonial Avenue/Ervay Street), CFDA 20.205, which may be terminated under the conditions as stated in the Master Agreement. This LPAFA may be terminated by the State if the project is inactive for thirty-six (36) months or longer and no expenditures have been charged against federal funds; and that this action hereby authorizes an amendment to Resolution No. 16-0648, previously approved on April 27, 2016, to identify a required local match for design of the traffic signals in the amount of \$163,700.00.

Section 2. That the Chief Financial Officer is hereby authorized to issue a warrant check to TxDOT in the amount of \$213,420.10, Vendor #020318, in accordance with the terms and conditions of the agreement from Fund 0001, Dept. STS, Unit 3049, Obj. 4820.

Section 3. That the Chief Financial Officer is hereby authorized to reclassify the disbursement to a Prepaid Expense, BSA 032B, if required by general accepted accounting principles.

Section 4. That the Chief Financial Officer is hereby authorized to deposit any unused Current Funds advanced to TxDOT pertaining to this project into Fund 0001, Department STS, BSA 032B.

Section 5. That the City Manager is hereby authorized to reimburse the granting agency any expenditures identified as ineligible and notify the appropriate City Council Committee of expenditures identified as ineligible not later than 30 days after the reimbursement.

Section 6. That the City Manager shall keep the appropriate City Council Committee informed of all final granting agency monitoring reports not later than 30 days after the receipt of the report.

Section 7. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

Authorize **(1)** the deposit of the amount awarded by the Special Commissioners in the condemnation proceeding styled City of Dallas v. Diann Tessman Slaton, et al., Cause No. CC-14-01509-B, pending in Dallas County Court at Law No. 2, to acquire approximately 27.68 acres of land located at 1005 IH-20, Hutchins, Texas for the Southwest 120/96-inch Water Transmission Pipeline Project; **(2)** an amendment to Resolution No. 11-0174, previously approved on January 12, 2011, to correct the funding information; and **(3)** settlement of the condemnation proceeding for an amount not to exceed the award - Not to exceed \$911,105 (\$904,259 being the amount of the award, plus closing costs and title expenses not to exceed \$6,846); an increase of \$222,000 from the amount Council originally authorized for this acquisition - Financing: Water Utilities Capital Improvement Funds

BACKGROUND

On January 12, 2011, City Council authorized the acquisition of this property by Resolution No. 11-0174. The property owners were offered \$180,852 which was based on a written appraisal from an independent certified appraiser. However, this offer did not include the lease for billboards. The property owners did not accept the offer.

On March 27, 2013, City Council authorized the acquisition of this property by Resolution No. 13-0521 based on a second appraisal performed determining a market value of \$683,955. The property owners did not accept the offer and the City filed an eminent domain proceeding to acquire the property. After a hearing on September 22, 2015, the Special Commissioners awarded the property owners \$904,259.

This item authorizes deposit of the amount awarded by the Special Commissioners for the property, which is \$215,154 more than the City Council originally authorized for this acquisition, plus closing costs and title expenses not to exceed \$6,846.

BACKGROUND (Continued)

The City has no control over the Special Commissioners appointed by the judge or any award that is subsequently rendered by the Special Commissioners. The City, in order to acquire possession of the property and proceed with its improvements, must deposit the amount awarded by the Special Commissioners in the registry of the Court.

WHEREAS, the City Council of the City of Dallas, acting pursuant to law and upon the request and petition of Alamo Manhattan BAD, LLC, a Texas limited liability company, hereinafter referred to as **GRANTEE**, deems it advisable to abandon and quitclaim the hereinafter described tracts of land to **GRANTEE**, and is of the opinion that, subject to the terms and conditions herein provided, said portions of Zang Boulevard are not needed for public use, and same should be abandoned and quitclaimed to **GRANTEE**, as hereinafter stated; and

WHEREAS, the City Council of the City of Dallas is of the opinion that the best interest and welfare of the public will be served by abandoning and quitclaiming the same to **GRANTEE** for the consideration and subject to the terms and conditions hereinafter more fully set forth; **Now, Therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the tracts of land described in Exhibit A, which is attached hereto and made a part hereof for all purposes, be and the same is abandoned, vacated and closed insofar as the right, title and interest of the public are concerned; subject, however, to the conditions hereinafter more fully set out.

SECTION 2. That for and in monetary consideration of the sum of **TWO HUNDRED TWENTY THOUSAND FOUR HUNDRED SEVENTY-SIX AND NO/100 DOLLARS (\$220,476.00)** paid by **GRANTEE**, and the further consideration described in Sections 8, 9 and 10, the City of Dallas does by these presents **FOREVER QUITCLAIM** unto the said **GRANTEE**, subject to the conditions, reservations, and exceptions hereinafter made and with the restrictions and upon the covenants below stated, all of its right, title and interest in and to the certain tracts of land hereinabove described in Exhibit A. **TO HAVE AND TO HOLD** all of such right, title and interest in and to the property and premises, subject aforesaid, together with all and singular the rights, privileges, hereditaments and appurtenances thereto in any manner belonging unto the said **GRANTEE** forever.

SECTION 3. That upon payment of the monetary consideration set forth in Section 2, **GRANTEE** accepts the terms, provisions, and conditions of this ordinance.

SECTION 4. That the Chief Financial Officer is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction-Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 5. That the abandonment and quitclaim provided for herein are made subject to all present zoning and deed restrictions, if the latter exist, and are subject to all existing easement rights of others, if any, whether apparent or non-apparent, aerial, surface, underground or otherwise, and are further subject to the conditions contained in Exhibit B, which is attached hereto and made a part hereof for all purposes.

SECTION 6. That the terms and conditions contained in this ordinance shall be binding upon **GRANTEE**, its successors and assigns.

SECTION 7. That the abandonment and quitclaim provided for herein shall extend only to the public right, title, easement and interest, and shall be construed to extend only to that interest the Governing Body of the City of Dallas may legally and lawfully abandon and vacate.

SECTION 8. That as a condition of this abandonment and as a part of the consideration for the quitclaim to **GRANTEE** herein, **GRANTEE**, its successors and assigns, agree to indemnify, defend, release and hold harmless the City of Dallas as to any and all claims for damages, fines, penalties, costs or expenses to persons or property that may arise out of, or be occasioned by or from: (i) the use and occupancy of the areas described in Exhibit A by **GRANTEE**, its successors and assigns; (ii) the presence, generation, spillage, discharge, release, treatment or disposition of any Hazardous Substance on or affecting the areas set out in Exhibit A; (iii) all corrective actions concerning any discovered Hazardous Substances on or affecting the areas described in Exhibit A, which **GRANTEE**, its successors and assigns, agree to undertake and complete in accordance with applicable federal, state and local laws and regulations; and (iv) the abandonment, closing, vacation and quitclaim by the City of Dallas of the areas set out in Exhibit A. **GRANTEE**, its successors and assigns, hereby agree to defend any and all suits, claims, or causes of action brought against the City of Dallas on account of same, and discharge any judgment or judgments that may be rendered against the City of Dallas in connection therewith. For purposes hereof, "Hazardous Substance" means the following: (a) any "hazardous substances" under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq., as amended; (b) any "hazardous substance" under the Texas Hazardous Substances Spill Prevention and Control Act, TEX. WATER CODE, Section 26.261 et seq., as amended; (c) petroleum or petroleum-based products (or any derivative or hazardous constituents thereof or additives thereto), including without limitation, fuel and lubricating oils; (d) any "hazardous chemicals" or "toxic chemicals" under the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq., as amended; (e) any "hazardous waste" under the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq., as amended; and

(f) any “chemical substance” under the Toxic Substance Control Act, 15 U.S.C. Section 2601 et seq., as amended. References to particular acts or codifications in this definition include all past and future amendments thereto, as well as applicable rules and regulations as now or hereafter promulgated thereunder.

SECTION 9. That as a condition of this abandonment and as a part of the consideration for the quitclaim made herein, **GRANTEE** shall file a final replat of the adjoining properties prior to the issuance of any building permits affecting the tracts of land abandoned and quitclaimed herein. This final replat shall be recorded by **GRANTEE** in the official real property records of the county in which the abandoned areas are located after its approval by the City Plan Commission of the City of Dallas.

SECTION 10. That as a condition of this abandonment and as a part of the consideration for the quitclaim made herein, **GRANTEE** shall, immediately upon the passage of this ordinance, close, barricade and/or place signs in the areas described in Exhibit A in accordance with detailed plans approved by the Director of Department of Sustainable Development and Construction. **GRANTEE's** responsibility for keeping the areas described in Exhibit A closed, barricaded and/or the signs in place shall continue until the street improvements and intersection returns are removed by **GRANTEE**, its successors and assigns, to the satisfaction of the Director of Department of Sustainable Development and Construction.

SECTION 11. That the City Secretary is hereby authorized and directed to certify a copy of this ordinance for recordation in the official real property records of the county in which the abandonment areas are located, which certified copy shall be delivered to the Director of Department of Sustainable Development and Construction, or designee. Upon receipt of the monetary consideration set forth in Section 2, plus the fee for the publishing of this ordinance, which **GRANTEE** shall likewise pay, the Director of Department of Sustainable Development and Construction, or designee: (i) shall deliver to **GRANTEE** a certified copy of this ordinance, and (ii) is authorized to and shall prepare and deliver a **QUITCLAIM DEED** with regard to the areas abandoned herein, to **GRANTEE** hereunder, same to be executed by the City Manager on behalf of the City of Dallas, attested by the City Secretary and approved as to form by the City Attorney.

The Director of Department of Sustainable Development and Construction, or designee, shall be the sole source for receiving certified copies of this ordinance for one year after its passage.

SECTION 12. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

ADDITIONAL ABANDONMENT PROVISIONS

That as a condition hereof, this abandonment is subject to any utilities or communication facilities, including without limitation water and wastewater lines, gas lines, and storm sewers, ("Facilities") presently located within the abandoned area described in Exhibit "A", owned and/or operated by the City of Dallas or any utility or communications company, public or private, ("Utility") and to the rights of any Utility for the use of the abandoned area for its Facilities. It is the intent of the foregoing to confirm and maintain and there is hereby reserved and excepted unto the City of Dallas, and not abandoned or conveyed hereunder, an easement (to which this abandonment is made expressly subject) over, upon, under, through, in, and across the abandoned area for each Utility for its respective Facilities located therein at the time of this abandonment, together with the right to make any subsequent alterations, additions, expansions, upgrades or modifications to such Facilities as may, from time to time be deemed necessary or convenient by the Utility owning and/or operating same. No buildings, structures (above or below ground) or trees shall be constructed or placed within the abandoned area without written consent of each affected Utility. Each Utility shall have the full right to remove and keep removed all or part of any buildings, fences, trees, or other improvements or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective Facilities lying within the abandoned area and shall at all times have the full right of ingress and egress to or from and upon the abandoned area for the purposes of reconstructing, removing, relocating, inspecting, patrolling, maintaining, expanding, upgrading, and/or adding to all or part of its Facilities without the necessity at any time of procuring the permission of anyone. The easement reserved hereunder and the conditions and restrictions to which this abandonment is subject shall remain for the benefit of the applicable Utility and/or operators of the Facilities until said Facilities are removed and relocated from the abandoned area. The relocation, removal or adjustment of any or all such Facilities, if made necessary by GRANTEE'S (whether one or more natural persons or legal entities) use of the abandonment area, shall be at the expense of GRANTEE herein, or GRANTEE'S successors and assigns. Should GRANTEE'S relocation or removal of the Facilities require the obtaining of new easements, the acquisition of same shall be at the expense of GRANTEE, GRANTEE'S successors and assigns. If any of the Facilities (or relocations thereof) are allowed to remain on any part of the abandoned area, the easements and buildings restrictions provided herein shall remain thereon. Upon removal or relocation of all of the Facilities, any easements reserved or created herein relating to such removed or relocated Facilities shall terminate, and any building restrictions herein created shall cease.

SUBJECT

An ordinance abandoning two variable width alley reservations, an alley site reservation, a portion of an alley easement, a detention area reservation, and a portion of a detention area reservation to the City of Dallas, the abutting owner, containing a total of approximately 139,787 square feet of land, located near the intersection of Garland Road and Tavaros Avenue, and providing for the dedication of approximately 5,967 square feet of land for needed right-of-way and approximately 12,511 square feet for needed detention area easements - Revenue: \$27,000, plus the \$20 ordinance publication fee

BACKGROUND

This item authorizes the abandonment of two variable width alley reservations, an alley site reservation, a portion of an alley easement, a detention area reservation, and a portion of a detention area reservation to the City of Dallas, the abutting owner. The area will be included with the property of the abutting owner for the construction of a parking garage benefiting the Dallas Arboretum. The owner will dedicate approximately 5,967 square feet of land for needed right-of-way and approximately 12,511 square feet for needed detention area easements. The abandonment fee is the minimum.

Notices were sent to 27 property owners located within 300 feet of the proposed abandonment areas. There were no responses received in opposition to this request.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

The Park and Recreation Board approved the acceptance of the bid on April 9, 2014.

Information about this item will be provided to the Economic Development Committee on May 16, 2016.

WHEREAS, the City Council of the City of Dallas, acting pursuant to law and upon the request and petition of the City of Dallas, a Texas municipal corporation, hereinafter referred to as **GRANTEE**, deems it advisable to abandon and quitclaim the hereinafter described tracts of land to **GRANTEE**, and is of the opinion that, subject to the terms and conditions herein provided, said reservations and portion of easement are not needed for public use, and same should be abandoned and quitclaimed to **GRANTEE**, as hereinafter stated; and

WHEREAS, the City Council of the City of Dallas is of the opinion that the best interest and welfare of the public will be served by abandoning and quitclaiming the same to **GRANTEE** for the consideration and subject to the terms and conditions hereinafter more fully set forth; **Now, Therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the tracts of land described in Exhibit A, which is attached hereto and made a part hereof for all purposes, be and the same is abandoned, vacated and closed insofar as the right, title and interest of the public are concerned; subject, however, to the conditions and future effective date hereinafter more fully set out.

SECTION 2. That for and in monetary consideration of the sum of **TWENTY-SEVEN THOUSAND AND NO/100 DOLLARS (\$27,000.00)** paid by the Dallas Arboretum & Botanical Society, Inc., and the further consideration described in Sections 8, 9, and 10, the City of Dallas does by these presents **FOREVER QUITCLAIM** unto the said **GRANTEE**, subject to the conditions, reservations, future effective date, and exceptions hereinafter made and with the restrictions and upon the covenants below stated, all of its right, title and interest in and to the certain tracts of land hereinabove described in Exhibit A. **TO HAVE AND TO HOLD** all of such right, title and interest in and to the property and premises, subject aforesaid, together with all and singular the rights, privileges, hereditaments and appurtenances thereto in any manner belonging unto the said **GRANTEE** forever.

SECTION 3. That upon payment of the monetary consideration set forth in Section 2, **GRANTEE** accepts the terms, provisions, future effective date and conditions of this ordinance.

SECTION 4. That the Chief Financial Officer is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction-Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 5. That the abandonment and quitclaim provided for herein are made subject to all present zoning and deed restrictions, if the latter exist, and are subject to all existing easement rights of others, if any, whether apparent or non-apparent, aerial, surface, underground or otherwise.

SECTION 6. That the terms and conditions contained in this ordinance shall be binding upon **GRANTEE**, its successors and assigns.

SECTION 7. That the abandonment and quitclaim provided for herein shall extend only to the public right, title, easement and interest, and shall be construed to extend only to that interest the Governing Body of the City of Dallas may legally and lawfully abandon and vacate.

SECTION 8. That as a condition of this abandonment and as a part of the consideration for the quitclaim to **GRANTEE** herein, **GRANTEE**, its successors and assigns, to the extent allowed by law, agree to indemnify, defend, release and hold harmless the City of Dallas as to any and all claims for damages, fines, penalties, costs or expenses to persons or property that may arise out of, or be occasioned by or from: (i) the use and occupancy of the areas described in Exhibit A by **GRANTEE**, its successors and assigns; (ii) the presence, generation, spillage, discharge, release, treatment or disposition of any Hazardous Substance on or affecting the areas set out in Exhibit A; (iii) all corrective actions concerning any discovered Hazardous Substances on or affecting the areas described in Exhibit A, which **GRANTEE**, its successors and assigns, agree to undertake and complete in accordance with applicable federal, state and local laws and regulations; and (iv) the abandonment, closing, vacation and quitclaim by the City of Dallas of the areas set out in Exhibit A. **GRANTEE**, its successors and assigns, hereby agree to defend any and all suits, claims, or causes of action brought against the City of Dallas on account of same, and discharge any judgment or judgments that may be rendered against the City of Dallas in connection therewith. For purposes hereof, "Hazardous Substance" means the following: (a) any "hazardous substances" under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq., as amended; (b) any "hazardous substance" under the Texas Hazardous Substances Spill Prevention and Control Act, TEX. WATER CODE, Section 26.261 et seq., as amended; (c) petroleum or petroleum-based products (or any derivative or hazardous constituents thereof or additives thereto), including without limitation, fuel and lubricating oils; (d) any "hazardous chemicals" or "toxic chemicals" under the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq., as amended; (e) any "hazardous waste" under the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq., as amended; and

(f) any “chemical substance” under the Toxic Substance Control Act, 15 U.S.C. Section 2601 et seq., as amended. References to particular acts or codifications in this definition include all past and future amendments thereto, as well as applicable rules and regulations as now or hereafter promulgated thereunder.

SECTION 9. That as a condition of this abandonment and as a part of the consideration for the quitclaim made herein, Dallas Arboretum & Botanical Society, Inc. shall record a final replat of the adjoining properties within (1) one year of the effective date of this ordinance showing the dedication by reservation of not less than 5,967 square feet of needed variable width alley reservations and not less than 112 square feet for an alley site reservation in City Block 6/5284, and not less than 9,196 square feet for a detention area easement in City Block 6/5284 and not less than 3,315 square feet for a detention area easement in City Block 6/5284. This final replat shall be recorded by **GRANTEE** in the official real property records of the county in which the abandoned area and the dedicated property are located, after its approval by the City Plan Commission of the City of Dallas. This abandonment shall not be effective unless and until this dedication is completed and failure to record a final replat in accordance with the term of this section shall render this ordinance null and void and of no further effect. Further, the final replat shall be recorded in the official real property records of the county in which the abandoned area is located before a certified copy of this ordinance shall be delivered to **GRANTEE**.

SECTION 10. That as a condition of this abandonment and as a part of the consideration for the quitclaim made herein, **GRANTEE** shall, immediately upon the effectiveness of this abandonment, close, barricade and/or place signs in the area described in Exhibit A Tracts 1, 2, 3 and 4 in accordance with detailed plans approved by the Director of Department of Sustainable Development and Construction. **GRANTEE's** responsibility for keeping the area described in Exhibit A Tracts 1, 2, 3 and 4 closed, barricaded and/or the signs in place shall continue until the street improvements and intersection returns are removed by **GRANTEE**, its successors and assigns, to the satisfaction of the Director of Department of Sustainable Development and Construction.

SECTION 11. That the City Secretary is hereby authorized and directed to certify a copy of this ordinance for recordation in the official real property records of the county in which the abandonment area is located, which certified copy shall be delivered to the Director of Department of Sustainable Development and Construction, or designee. Upon receipt of the monetary consideration set forth in Section 2, plus the fee for the publishing of this ordinance, which **GRANTEE** shall likewise pay, and the filing of the final replat set forth in Section 9, the Director of Department of Sustainable Development and Construction, or designee: (i) shall deliver to **GRANTEE** a certified copy of this ordinance, and (ii) is authorized to and shall prepare and deliver a **QUITCLAIM DEED** with regard to the area abandoned herein, to **GRANTEE** hereunder, same to be executed by the City Manager on behalf of the City of Dallas, attested by the City Secretary and approved as to form by the City Attorney. The Director of Department of Sustainable Development and Construction, or designee, shall be the sole source for receiving certified copies of this ordinance for one year after its passage.

SUBJECT

An ordinance abandoning a drainage reservation, a sanitary sewer reservation, a sanitary sewer easement and a water reservation to the City of Dallas, the abutting owner, containing a total of approximately 9,087 square feet of land, located near the intersection of Garland Road and Tavaros Avenue, and providing for the dedication of drainage easements, water easements and wastewater easements containing a total of approximately 16,098 square feet - Revenue: \$5,400 plus the \$20 ordinance publication fee

BACKGROUND

This item authorizes the abandonment of a drainage reservation, a sanitary sewer reservation, a sanitary sewer easement, and a water reservation to the City of Dallas. These areas will be included with the property of the abutting owner for the construction of a parking garage benefiting the Dallas Arboretum. The owner will dedicate drainage easements, water easements and wastewater easements containing a total of approximately 16,098 square feet. The cost for this abandonment is the minimum processing fee pursuant to the Dallas City Code, therefore, no appraisal is required.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

The Park and Recreation Board approved the acceptance of the bid on April 9, 2014.

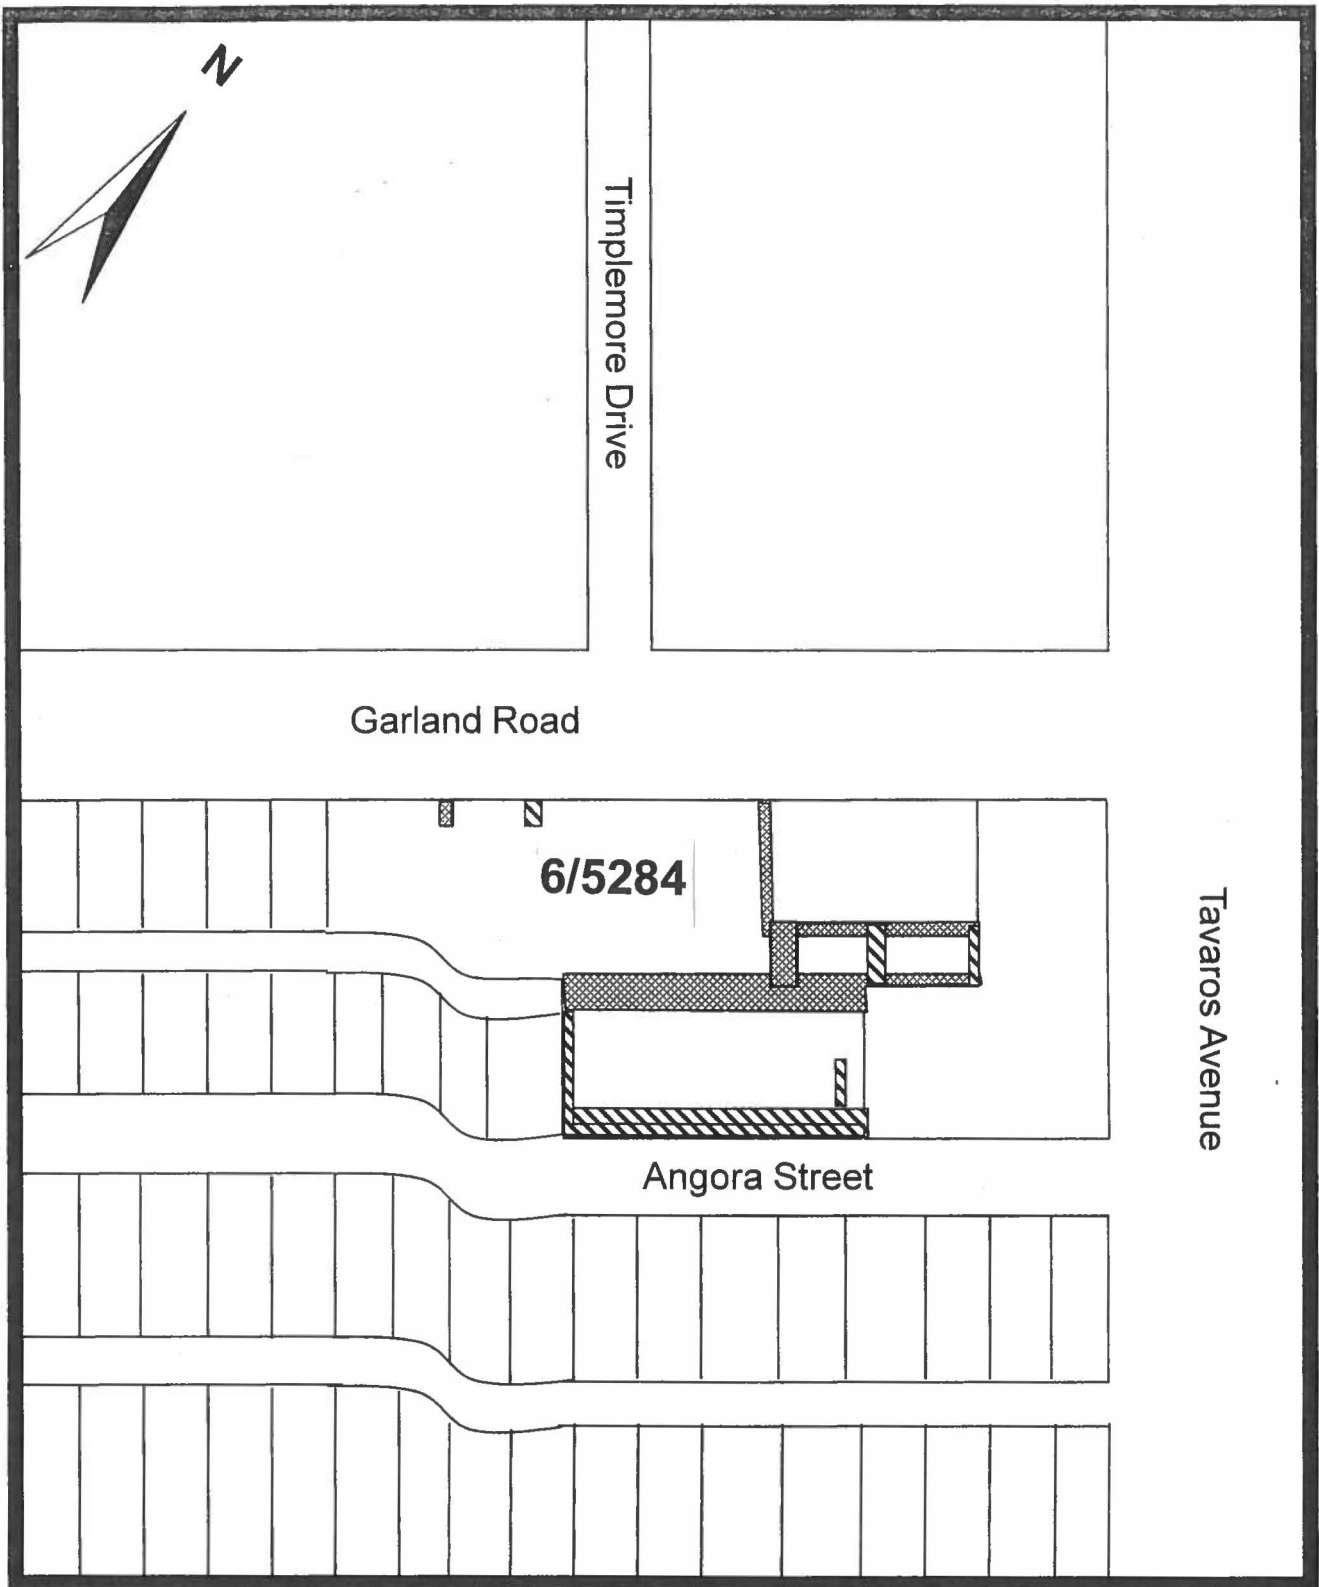

Information about this item will be provided to the Economic Development Committee on May 16, 2016.

WHEREAS, the City Council of the City of Dallas, acting pursuant to law and upon the request and petition of City of Dallas, a Texas municipal corporation; hereinafter referred to as **GRANTEE**, deems it advisable to abandon, relinquish and quitclaim the City of Dallas' right, title and interest in and to the hereinafter described tracts of land to **GRANTEE**, and is of the opinion that, subject to the terms and conditions herein provided, said reservations and easements are no longer needed for municipal use, and same should be abandoned, relinquished and quitclaimed to **GRANTEE** as hereinafter provided, for the consideration hereinafter stated; and

WHEREAS, the City Council of the City of Dallas is of the opinion that the best interest and welfare of the City will be served by abandoning, relinquishing and quitclaiming the same to **GRANTEE** for the consideration and subject to the terms and conditions hereinafter more fully set forth; **Now, Therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City of Dallas hereby abandons and relinquishes all of its right, title and interest in and to the tracts of land described in Exhibit A, attached hereto and made a part hereof; subject, however, to the conditions and future effective date hereinafter more fully set out.

SECTION 2. That for and in monetary consideration of the sum of **FIVE THOUSAND FOUR HUNDRED AND NO/100 (\$5,400.00) DOLLARS** paid by the Dallas Arboretum and Botanical Society, Inc., and the further consideration described in Sections 8, 9, and 10, the City of Dallas does by these presents **FOREVER QUITCLAIM** unto the said **GRANTEE**, subject to the conditions, reservations, future effective date and exceptions hereinafter made and with the restrictions and upon the covenants below stated, all its right, title and interest in and to those certain tracts or parcels of land hereinabove described in Exhibit A. **TO HAVE AND TO HOLD** all of such right, title and interest in and to the property and premises, subject aforesaid, together with all and singular the rights, privileges, hereditaments and appurtenances thereto in any manner belonging unto the said **GRANTEE** forever.

SECTION 3. That upon payment of the monetary consideration set forth in Section 2, **GRANTEE** accepts the terms, provisions, and conditions of this ordinance.

SECTION 4. That the Chief Financial Officer is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction - Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 5. That the abandonment, relinquishment and quitclaim provided for herein are made subject to all present zoning and deed restrictions, if the latter exist, and are subject to all existing easement rights of others, if any, whether apparent or non-apparent, aerial, surface, underground or otherwise.

SECTION 6. That the terms and conditions contained in this ordinance shall be binding upon **GRANTEE**, its successors and assigns.

SECTION 7. That the abandonment, relinquishment and quitclaim provided for herein shall extend only to that interest the Governing Body of the City of Dallas may legally and lawfully abandon, relinquish and quitclaim.

SECTION 8. That as a condition of this abandonment and as a part of the consideration for the quitclaim to **GRANTEE** herein, **GRANTEE**, its successors and assigns, to the extent allowed by law, agree to indemnify, defend, release and hold harmless the City of Dallas as to any and all claims for damages, fines, penalties, costs or expenses to persons or property that may arise out of, or be occasioned by or from: (i) the use and occupancy of the areas described in Exhibit A by **GRANTEE**, its successors and assigns; (ii) the presence, generation, spillage, discharge, release, treatment or disposition of any Hazardous Substance on or affecting the areas set out in Exhibit A, (iii) all corrective actions concerning any discovered Hazardous Substances on or affecting the areas described in Exhibit A, which **GRANTEE**, its successors and assigns agree to undertake and complete in accordance with applicable federal, state and local laws and regulations; and (iv) the abandonment, closing, vacation and quitclaim by the City of Dallas of the areas set out in Exhibit A. **GRANTEE**, its successors and assigns hereby agree to defend any and all suits, claims, or causes of action brought against the City of Dallas on account of same, and discharge any judgment or judgments that may be rendered against the City of Dallas in connection therewith. For purposes hereof, "Hazardous Substance" means the following: (a) any "hazardous substances" under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq., as amended; (b) any "hazardous substance" under the Texas Hazardous Substances Spill Prevention and Control Act, TEX. WATER CODE, Section 26.261 et seq., as amended; (c) petroleum or petroleum-based products (or any derivative or hazardous constituents thereof or additives thereto), including without limitation, fuel and lubricating oils; (d) any "hazardous chemicals" or "toxic chemicals" under the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq., as amended;

(e) any “hazardous waste” under the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq., as amended; and (f) any “chemical substance” under the Toxic Substance Control Act, 15 U.S.C. Section 2601 et seq., as amended. References to particular acts or codifications in this definition include all past and future amendments thereto, as well as applicable rules and regulations as now or hereafter promulgated thereunder.

SECTION 9. That this abandonment, relinquishment and quitclaim of the City's right, title and interest in and to said easement and reservations shall not become effective until and unless: (i) the existing installations and facilities are relocated, at **GRANTEE's** expense, to the new easement, if needed to be provided by **GRANTEE** and acceptable to the Director of Department of Sustainable Development and Construction, as is hereinafter provided; and (ii) plans for the construction and relocation of installations within the new easement are approved by the Director of Department of Sustainable Development and Construction; and (iii) said construction and relocation of installations are completed, approved and accepted in writing by the Director of Department of Sustainable Development and Construction. **GRANTEE** will grant the new easement at no cost consideration to the City and all work shall be done at the sole cost of **GRANTEE** and to the satisfaction of the Director of Department of Sustainable Development and Construction.

SECTION 10. That as a condition of this abandonment and relinquishment and as a part of the consideration for the quitclaim made herein, **GRANTEE** shall record a final replat of adjoining properties within one year after passage of this ordinance showing the dedication of not less than 8,086 square feet for three drainage easements in City Block 6/5284, 225 square feet for a water easement in City Block 6/5284, and 7,787 square feet for three wastewater easements in City Block 6/5284 satisfactory to the Director of Department of Sustainable Development and Construction. This final replat shall be recorded by **GRANTEE** in the Deed Records of Dallas County, Texas after its approval by the City Plan Commission of the City of Dallas. Failure to record a final replat in accordance with the terms of this section shall render this ordinance null and void, and of no further effect.

Further, the final replat shall be filed with the Department of Sustainable Development and Construction of the City of Dallas before a certified copy of this ordinance shall be delivered to **GRANTEE**.

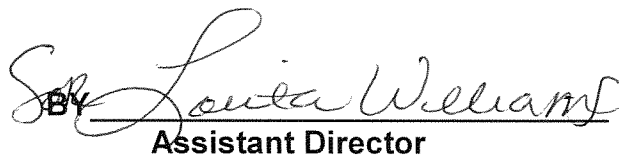

SECTION 11. That the City Secretary is hereby authorized and directed to certify a copy of this ordinance for recordation in the Deed Records of Dallas County, Texas, which certified copy shall be delivered to the Director of the Department of Sustainable Development and Construction, or designee. Upon receipt of the monetary consideration set forth in Section 2, and the recording of the final replat as set forth in Section 10, plus the fee for the publishing of this ordinance, which **GRANTEE** shall likewise pay, the Director of the Department of Sustainable Development and Construction, or designee shall deliver to **GRANTEE** a certified copy of this ordinance. The Director of the Department of Sustainable Development and Construction, or designee, shall be the sole source for receiving certified copies of this ordinance for one year after its passage.

SECTION 12. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

WHEREAS, the City Council of the City of Dallas, acting pursuant to law and upon the request and petition of United States Cold Storage, L.P., a Texas limited partnership; hereinafter referred to as **GRANTEE**, deems it advisable to abandon, relinquish and quitclaim the City of Dallas' right, title and interest in and to the hereinafter described tract of land to **GRANTEE**, and is of the opinion that, subject to the terms and conditions herein provided, said easement is no longer needed for municipal use, and same should be abandoned, relinquished and quitclaimed to **GRANTEE** as hereinafter provided, for the consideration hereinafter stated; and

WHEREAS, the City Council of the City of Dallas is of the opinion that the best interest and welfare of the City will be served by abandoning, relinquishing and quitclaiming the same to **GRANTEE** for the consideration and subject to the terms and conditions hereinafter more fully set forth; **Now, Therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City of Dallas hereby abandons and relinquishes all of its right, title and interest in and to the tract of land described in Exhibit A, attached hereto and made a part hereof; subject, however, to the conditions hereinafter more fully set out.

SECTION 2. That for and in monetary consideration of the sum of **FIVE THOUSAND FOUR HUNDRED AND NO/100 (\$5,400.00) DOLLARS** paid by **GRANTEE**, and the further consideration described in Section 8, the City of Dallas does by these presents **FOREVER QUITCLAIM** unto the said **GRANTEE**, subject to the conditions, reservations, and exceptions hereinafter made and with the restrictions and upon the covenants below stated, all its right, title and interest in and to the certain tract or parcel of land hereinabove described in Exhibit A. **TO HAVE AND TO HOLD** all of such right, title and interest in and to the property and premises, subject aforesaid, together with all and singular the rights, privileges, hereditaments and appurtenances thereto in any manner belonging unto the said **GRANTEE** forever.

SECTION 3. That upon payment of the monetary consideration set forth in Section 2, **GRANTEE** accepts the terms, provisions, and conditions of this ordinance.

SECTION 4. That the Chief Financial Officer is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction - Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 5. That the abandonment, relinquishment and quitclaim provided for herein are made subject to all present zoning and deed restrictions, if the latter exist, and are subject to all existing easement rights of others, if any, whether apparent or non-apparent, aerial, surface, underground or otherwise.

SECTION 6. That the terms and conditions contained in this ordinance shall be binding upon **GRANTEE**, its successors and assigns.

SECTION 7. That the abandonment, relinquishment and quitclaim provided for herein shall extend only to that interest the Governing Body of the City of Dallas may legally and lawfully abandon, relinquish and quitclaim.

SECTION 8. That as a condition of this abandonment and as a part of the consideration for the quitclaim to **GRANTEE** herein, **GRANTEE**, its successors and assigns, agree to indemnify, defend, release and hold harmless the City of Dallas as to any and all claims for damages , fines , penalties , costs or expenses to persons or property that may arise out of, or be occasioned by or from: (i) the use and occupancy of the area described in Exhibit A by **GRANTEE**, its successors and assigns; (ii) the presence, generation, spillage, discharge, release, treatment or disposition of any Hazardous Substance on or affecting the area set out in Exhibit A, (iii) all corrective actions concerning any discovered Hazardous Substances on or affecting the area described in Exhibit A, which **GRANTEE**, its successors and assigns agree to undertake and complete in accordance with applicable federal, state and local laws and regulations; and (iv) the abandonment, closing, vacation and quitclaim by the City of Dallas of the area set out in Exhibit A. **GRANTEE**, its successors and assigns hereby agree to defend any and all suits, claims, or causes of action brought against the City of Dallas on account of same, and discharge any judgment or judgments that may be rendered against the City of Dallas in connection therewith. For purposes hereof, "Hazardous Substance" means the following: (a) any "hazardous substances" under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq., as amended; (b) any "hazardous substance" under the Texas Hazardous Substances Spill Prevention and Control Act, TEX. WATER CODE, Section 26.261 et seq., as amended; (c) petroleum or petroleum-based products (or any derivative or hazardous constituents thereof or additives thereto), including without limitation, fuel and lubricating oils; (d) any "hazardous chemicals" or "toxic chemicals" under the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq., as amended; (e) any "hazardous waste" under the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq., as amended; and (f) any "chemical substance" under the Toxic Substance Control Act, 15 U.S.C. Section 2601 et seq., as amended. References to particular acts or codifications in this definition include all past and future amendments thereto, as well as applicable rules and regulations as now or hereafter promulgated thereunder.

SECTION 9. That this abandonment, relinquishment and quitclaim of the City's right, title and interest in and to said water easement shall not become effective until and unless: (i) the existing installations and facilities are relocated, at **GRANTEE**'s expense, to the new easement, to be provided by **GRANTEE** and acceptable to the Director of Department of Sustainable Development and Construction, as is hereinafter provided; and (ii) plans for the construction and relocation of installations within the new easement are approved by the Director of Department of Sustainable Development and Construction; and (iii) said construction and relocation of installations are completed, approved and accepted in writing by the Director of Department of Sustainable Development and Construction. All work shall be done at the sole cost of **GRANTEE** and to the satisfaction of the Director of Department of Sustainable Development and Construction.

SECTION 10. That the City Secretary is hereby authorized and directed to certify a copy of this ordinance for recordation in the Deed Records of Dallas County, Texas, which certified copy shall be delivered to the Director of Department of Sustainable Development and Construction, or designee. Upon receipt of the monetary consideration set forth in Section 2, plus the fee for the publishing of this ordinance, which **GRANTEE** shall likewise pay, the Director of Department of Sustainable Development and Construction, or designee shall deliver to **GRANTEE** a certified copy of this ordinance. The Director of Department of Sustainable Development and Construction, or designee, shall be the sole source for receiving certified copies of this ordinance for one year after its passage.

SECTION 11. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

WHEREAS, the City Council of the City of Dallas, acting pursuant to law and upon the request and petition of Trinity Basin Preparatory, Inc., a Texas non-profit corporation; hereinafter referred to as **GRANTEE**, deems it advisable to abandon, relinquish and quitclaim the City of Dallas' right, title and interest in and to the hereinafter described tracts of land to **GRANTEE**, and is of the opinion that, subject to the terms and conditions herein provided, said easements are no longer needed for municipal use, and same should be abandoned, relinquished and quitclaimed to **GRANTEE** as hereinafter provided, for the consideration hereinafter stated; and

WHEREAS, the City Council of the City of Dallas is of the opinion that the best interest and welfare of the City will be served by abandoning, relinquishing and quitclaiming the same to **GRANTEE** for the consideration and subject to the terms and conditions hereinafter more fully set forth; **Now, Therefore**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City of Dallas hereby abandons and relinquishes all of its right, title and interest in and to the tracts of land described in Exhibit A, attached hereto and made a part hereof; subject, however, to the conditions hereinafter more fully set out.

SECTION 2. That for and in monetary consideration of the sum of **FIVE THOUSAND FOUR HUNDRED AND NO/100 (\$5,400.00) DOLLARS** paid by **GRANTEE**, and the further consideration described in Section 8, the City of Dallas does by these presents **FOREVER QUITCLAIM** unto the said **GRANTEE**, subject to the conditions, reservations, and exceptions hereinafter made and with the restrictions and upon the covenants below stated, all its right, title and interest in and to the certain tracts or parcels of land hereinabove described in Exhibit A. **TO HAVE AND TO HOLD** all of such right, title and interest in and to the property and premises, subject aforesaid, together with all and singular the rights, privileges, hereditaments and appurtenances thereto in any manner belonging unto the said **GRANTEE** forever.

SECTION 3. That upon payment of the monetary consideration set forth in Section 2, **GRANTEE** accepts the terms, provisions, and conditions of this ordinance.

SECTION 4. That the Chief Financial Officer is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction - Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 5. That the abandonment, relinquishment and quitclaim provided for herein are made subject to all present zoning and deed restrictions, if the latter exist, and are subject to all existing easement rights of others, if any, whether apparent or non-apparent, aerial, surface, underground or otherwise.

SECTION 6. That the terms and conditions contained in this ordinance shall be binding upon **GRANTEE**, its successors and assigns.

SECTION 7. That the abandonment, relinquishment and quitclaim provided for herein shall extend only to that interest the Governing Body of the City of Dallas may legally and lawfully abandon, relinquish and quitclaim.

SECTION 8. That as a condition of this abandonment and as a part of the consideration for the quitclaim to **GRANTEE** herein, **GRANTEE**, its successors and assigns, to the extent allowed by law, agree to indemnify, defend, release and hold harmless the City of Dallas as to any and all claims for damages, fines, penalties, costs or expenses to persons or property that may arise out of, or be occasioned by or from: (i) the use and occupancy of the areas described in Exhibit A by **GRANTEE**, its successors and assigns; (ii) the presence, generation, spillage, discharge, release, treatment or disposition of any Hazardous Substance on or affecting the areas set out in Exhibit A, (iii) all corrective actions concerning any discovered Hazardous Substances on or affecting the areas described in Exhibit A, which **GRANTEE**, its successors and assigns agree to undertake and complete in accordance with applicable federal, state and local laws and regulations; and (iv) the abandonment, closing, vacation and quitclaim by the City of Dallas of the areas set out in Exhibit A. **GRANTEE**, its successors and assigns hereby agree to defend any and all suits, claims, or causes of action brought against the City of Dallas on account of same, and discharge any judgment or judgments that may be rendered against the City of Dallas in connection therewith. For purposes hereof, "Hazardous Substance" means the following: (a) any "hazardous substances" under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq., as amended; (b) any "hazardous substance" under the Texas Hazardous Substances Spill Prevention and Control Act, TEX. WATER CODE, Section 26.261 et seq., as amended; (c) petroleum or petroleum-based products (or any derivative or hazardous constituents thereof or additives thereto), including without limitation, fuel and lubricating oils; (d) any "hazardous chemicals" or "toxic chemicals" under the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq., as amended; (e) any "hazardous waste" under the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq., as amended; and (f) any "chemical substance" under the Toxic Substance Control Act, 15 U.S.C. Section 2601 et seq., as amended. References to particular acts or codifications in this definition include all past and future amendments thereto, as well as applicable rules and regulations as now or hereafter promulgated thereunder.

SECTION 9. That the City Secretary is hereby authorized and directed to certify a copy of this ordinance for recordation in the Deed Records of Dallas County, Texas, which certified copy shall be delivered to the Director of Department of Sustainable Development and Construction, or designee.

Upon receipt of the monetary consideration set forth in Section 2, plus the fee for the publishing of this ordinance, which **GRANTEE** shall likewise pay, the Director of Department of Sustainable Development and Construction, or designee shall deliver to **GRANTEE** a certified copy of this ordinance. The Director of Department of Sustainable Development and Construction, or designee, shall be the sole source for receiving certified copies of this ordinance for one year after its passage.

SECTION 10. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

- A) Submit application for a preliminary plat within one year of the effective date of this ordinance and record a final replat of the adjoining properties within ~~two years~~ 30 months of the effective date of this ordinance showing any dedication by easement made necessary as noted in Section 9B below and shown in Exhibit C. This final replat shall be recorded by **GRANTEE** in the official real property records of the county in which the abandoned area and the dedicated property are located, after its approval by the City Plan Commission of the City of Dallas. This abandonment shall not be effective unless and until this dedication is completed and failure to record a final replat in accordance with the term of this section shall render this ordinance null and void and of no further effect. Further, the final replat shall be recorded in the official real property records of the county in which the abandoned area is located before a certified copy of this ordinance shall be delivered to **GRANTEE**.

- B) In conjunction with the preliminary plat submittal:
- (i) Submit landscape and parkway plans acceptable to the Department of Sustainable Development and Construction, Building Inspection Division and Engineering Division, for review and approval including the following:
 - 1) Provide a Pedestrian Access Easement along Community Drive from Overlake Drive to a point approximately 280 feet northeast of Community Drive's intersection with Northwest Highway which shall include:
 - a) a 5' landscape buffer within property where planted trees shall be included within the buffer; and
 - b) a 3' parkway to curb within City right-of-way; and
 - c) a 6' concrete sidewalk between the parkway and landscape buffer.
 - 2) Provide a Pedestrian Access Easement along Northwest Highway from the abandonment area of Straightway Drive to a point approximately 237 feet east of Community Drive which shall include:
 - a) a 5' landscape buffer within property; and
 - b) a 5' parkway to curb within the State right-of-way; and
 - c) a 6' concrete sidewalk between the parkway and landscape buffer.
- C) In conjunction with the filing of the final plat execute the approved plans by the Director of Sustainable Development and Construction and execute appropriate contracts for the construction of paving improvements.

This abandonment shall not be effective unless and until **GRANTEE** complies with this provision, and **GRANTEE's** failure to satisfy said conditions shall render this ordinance null and void and of no further effect.

SECTION 2. That, as consideration for amending Ordinance No. 29383, Northwest Overlake, L.L.C. and Rizos Land Group Northwest Highway, LLC agrees to pay monetary consideration in the sum of **FIVE THOUSAND FOUR HUNDRED AND NO/100 (\$5,400.00) DOLLARS** to the City of Dallas, and, by its tender thereof, accepts the terms and conditions of this ordinance.

SECTION 3. That the Chief Financial Officer is authorized to deposit the sum paid by **GRANTEE** pursuant to Section 2 above in the General Fund 0001, Department DEV, Balance Sheet 0519 and Department of Sustainable Development and Construction-Real Estate Division shall be reimbursed for the cost of obtaining the legal description, appraisal and other administrative costs incurred. The reimbursement proceeds shall be deposited in General Fund 0001, Department DEV, Unit 1183, Object 5011 and any remaining proceeds shall be transferred to the General Capital Reserve Fund 0625, Department BMS, Unit 8888, Revenue Source 8416.

SECTION 4. That the terms and conditions of Ordinance No. 29383 shall remain in full force and effect except as amended hereby.

SECTION 5. That the City Secretary is hereby authorized and directed to certify a copy of this ordinance for recordation in the official real property records of the county in which the abandonment area is located, which certified copy shall be delivered to the Director of Department of Sustainable Development and Construction, or designee. Upon receipt of the monetary consideration set forth in Section 2, plus the fee for publishing this ordinance which, **GRANTEE** shall likewise pay, and the filing of the replat set forth in Section 9 and completions of the dedications set forth in Section 9, the Director of Department of Sustainable Development and Construction, or designee, shall deliver to **GRANTEE** a certified copy of this ordinance. The Director of Department of Sustainable Development and Construction, or designee, shall be the sole source for receiving certified copies of this ordinance for one (1) year after its passage.

SECTION 6. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provision of the Charter of the City of Dallas and it is accordingly so ordained.

Authorize a professional services contract with LIM & Associates, Inc. for the engineering design of six erosion control improvement projects (list attached) - Not to exceed \$97,977 - Financing: 2012 Bond Funds (\$69,625) and Water Utilities Capital Improvement Funds (\$28,352)

BACKGROUND

This action will authorize a professional services contract with LIM & Associates, Inc. for the engineering design of six erosion control improvement projects. These projects were funded in the 2012 Bond Program. The erosion control projects have been divided into geographically based groups. This item will provide engineering design for Group 11 (Anderson Bonner Park Site 1, Kiowa Parkway Hike and Bike Trail, Abrams Road Bridge Hike and Bike Trail, Harry Moss Park Site 1, Martin Weiss Park Sites 1 and 3) as outlined in the 2012 Bond Program.

Erosion control improvement projects will include the installation of gabion walls, retaining walls, gabion mattresses, and slope and channel improvements to protect structures and minimize creek bank erosion along various creeks throughout the City.

Following are the locations, council district and design cost for each project. The selected consulting firm was selected following a qualifications-based selection process in accordance with the City of Dallas AD 4-5 procurement guidelines.

SUBJECT

Authorize a contract for the installation of water and wastewater mains at 39 locations (list attached) - RKM Utility Services, Inc., lowest responsible bidder of four - Not to exceed \$15,471,590 - Financing: Water Utilities Capital Improvement Funds

BACKGROUND

The project consists of the installation of approximately 54,324 feet of water and wastewater mains. This includes the installation of approximately 370 feet of 4-inch, 1,310 feet of 6-inch, 21,374 feet of 8-inch, 5,040 feet of 12-inch, 2,471 feet of 16-inch and 20 feet of 24-inch water mains, and approximately 10,914 feet of 8-inch, 1,490 feet of 10-inch, 330 feet of 12-inch, 10 feet of 15-inch, 6,300 feet of 16-inch, 3,540 feet of 18-inch, and 1,155 of 24-inch wastewater mains.

The existing water and wastewater mains were built between 1932 and 1983. These mains are contributing to an increase in maintenance costs as well as service interruptions. The installation of the proposed segments will improve the capacity of the water and wastewater systems and reduce maintenance costs.

SUBJECT

Authorize a contract for the construction of biological filtration optimization improvements at the East Side Water Treatment Plant - Oscar Renda Contracting, Inc., lowest responsible bidder of five - Not to exceed \$24,904,983 - Financing: Water Utilities Capital Improvement Funds

BACKGROUND

In June 2006, DWU initiated a two-part study to investigate water quality concerns and provide recommendations to improve water quality and stability. The study and requisite testing confirmed that the treated water chemically changes as it moves through the water distribution system. As a result, the Water Quality Report recommended implementation of enhanced organic removal at all three water treatment plants to help improve the quality and stability of Dallas' water. This biological optimization project is the final construction project of three projects necessary to accomplish the conversion to the enhanced organic removal process at the Eastside Water Treatment Plant.

This item includes a new backwash pump station, chemical storage and chemical feed facilities. The new backwash pump station will allow the filters to be backwashed with non-chlorinated finished water to encourage biological activity in the filters. This item also includes new chemical storage and feed facilities that will enhance the removal of organics by the filters and improve the stability of the potable water by reducing chlorine demand in the finished water. Also included are the required electrical, instrumentation, and yard piping improvements for a complete and functioning facility.

With the completion of this construction project and the on-going flocculation and sedimentation basin improvements project, the implementation of enhanced organic removal at the Eastside Water Treatment Plant will be complete allowing the City of Dallas to treat and deliver better quality water to its customers.

Authorize Supplemental Agreement No. 4 to the professional services contract with Black & Veatch Corporation to provide additional construction phase services for water quality improvements at the East Side Water Treatment Plant - Not to exceed \$2,910,000, from \$16,501,885 to \$19,411,885 - Financing: Water Utilities Capital Improvement Funds

BACKGROUND

In June 2006, DWU initiated a two-part study to investigate water quality concerns and provide recommendations to improve water quality and stability. The study and requisite testing confirmed that the treated water chemically changes as it moves through the water distribution system. As a result, the Water Quality Report recommended implementation of enhanced organic removal at all three water treatment plants to help improve the quality and stability of Dallas' water.

This action includes construction phase services for the concurrently awarded Biological Filtration Optimization improvements project at the Eastside Water Treatment Plant. This action also includes additional construction phase services required to complete the flocculation and sedimentation basin improvements project awarded by Council on September 10, 2014. These construction phase services include project coordination meetings, site visits, shop drawing reviews, development of operations and maintenance manuals, equipment performance witness testing, and start-up assistance.

With the completion of this supplemental agreement and related construction projects, the implementation of enhanced organic removal at the Eastside Water Treatment Plant will be complete allowing the City of Dallas to treat and deliver better quality water to its customers.

SUBJECT

A resolution naming the Lamar-McKinney Bridge (also known as the Continental Avenue Bridge) in honor of former Dallas Assistant City Attorney, Dallas Mayor, and United States Trade Representative, Ronald Kirk - Financing: No cost consideration to the City

BACKGROUND

Ronald Kirk, a former United States Trade Representative appointed by President Barack Obama and confirmed by the United States Senate in 2009, was responsible for the development and oversight of United States trade policy, including strategy, negotiation, and implementation and enforcement of multilateral, regional/bilateral, and sector specific trade agreements. He successfully negotiated to conclusion and congressional passage, trade agreements with Columbia, Panama, and Korea, as well as Russia's entry in the World Trade Organization. He was responsible for United States trade policy involving agriculture, industry, services and investment, intellectual property, environment, labor, and development and preference programs.

Mr. Kirk has served in the public and private sector for over 30 years, drawing on diverse legislative and economic experience at the local, state, and federal levels.

Ronald Kirk was born and raised in Austin, Texas. He holds a Bachelor of Arts in political science and sociology from Austin College in Sherman, Texas. He received his law degree from the University of Texas in Austin in 1979. He also received an honorary Humane Degree from Austin College and the Mickey Leland Leadership Award from Texas Southern University.

Ronald Kirk has served our country, our state, and the City of Dallas in various positions. He was appointed by Governor Ann Richards to serve as the Texas State Secretary. Mr. Kirk also served as Chair of the Texas General Service Commission and was a legislative aide to U.S. Senator Lloyd Benson.

BACKGROUND (Continued)

Ronald Kirk served as the Dallas Assistant City Attorney from 1983 to 1989 and was elected the first African-American Mayor of Dallas in 1995, serving in that office until 2001. During his leadership as Mayor, the City successfully passed the 1998 Bond Program, which included one of Dallas' largest public works projects, the Trinity River Corridor Project. In 1999, the City of Dallas broke ground on construction of the American Airlines Center, a project championed by Mayor Kirk while in office. He was instrumental in the establishment of Mountain Creek Park, as well as Pinnacle Park. Mayor Kirk was at the forefront of the very beginning of the restoration of Downtown Dallas. He passed seven budgets that focused on the critical needs of the City while maintaining and even lowering taxes.

Mr. Kirk is currently a Trustee for Austin College and the University of Texas Law School Foundation, as well as the Advisory Commission for the Center for American Progress.

The City of Dallas wishes to acknowledge and thank Ronald Kirk for his contributions to the United States, State of Texas, and City of Dallas by naming the Lamar-McKinney Bridge (also known as the Continental Avenue Bridge) the Ronald Kirk Bridge in his honor.

Authorize acquisition, including the exercise of the right of eminent domain, if such becomes necessary, from Carol Arriaga a/k/a Caroline Arriaga, of approximately 6,000 square feet of land improved with a single-family dwelling located near the intersection of Pontiac Avenue and Cadillac Drive for the Cadillac Heights City Service and Maintenance Facilities Project - Not to exceed \$23,500 (\$21,500, plus closing costs and title expenses not to exceed \$2,000) - Financing: 2006 Bond Funds

BACKGROUND

This item authorizes the acquisition of approximately 6,000 square feet of land improved with a single-family dwelling located near the intersection of Pontiac Avenue and Cadillac Drive for the Cadillac Heights City Service and Maintenance Facilities Project. The use of eminent domain is being pursued because the subject property is encumbered with title issues preventing the issuance of a title policy. The consideration is based on an independent appraisal. The relocation benefits are estimated to be \$62,000.

A RESOLUTION DETERMINING UPON THE NECESSITY OF ACQUIRING REAL PROPERTY AND AUTHORIZING ITS CONDEMNATION FOR PUBLIC USE.

DEFINITIONS: For the purposes of this resolution, the following definitions of terms shall apply:

"CITY": The City of Dallas

"PROPERTY": Approximately 6,000 square feet of property located in Dallas County, and being the same property more particularly described in "Exhibit A", attached hereto and made a part hereof for all purposes.

"PROJECT": Cadillac Heights Phase II

"USE": City service and maintenance facilities.

"PROPERTY INTEREST": Fee Simple

"OWNER": Carol Arriaga a/k/a Caroline Arriaga, provided, however, that the term "OWNER" as used in this resolution means all persons having an ownership interest, regardless of whether those persons are actually named herein.

"OFFER AMOUNT": \$21,500

"CLOSING COSTS AND TITLE EXPENSES": Not to exceed \$2,000

"AUTHORIZED AMOUNT": \$23,500

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the USE of the PROPERTY for the PROJECT is a public use.

SECTION 2. That public necessity requires that the CITY acquire the PROPERTY INTEREST in the PROPERTY for the PROJECT.

SECTION 3. That for the purpose of acquiring the PROPERTY INTEREST in the PROPERTY, the Assistant Director of the Department of Sustainable Development and Construction Department, Real Estate Division, or such person as she may designate, is hereby authorized and directed to offer the OFFER AMOUNT as payment for the PROPERTY INTEREST in the PROPERTY.

May 25, 2016

SECTION 4. That in the event the OWNER accepts the OFFER AMOUNT, the Chief Financial Officer is authorized and directed to draw a warrant in favor of the OWNER, or the then current owner of record, or the title company closing the transaction described herein in the OFFER AMOUNT and CLOSING COSTS AND TITLE EXPENSES payable out of Land Acquisition in Cadillac Heights Fund, Fund No. BT11, Department PBW, Unit T825, Activity LAAQ, Program No. PB06T825, Object 4210, Encumbrance No. SUSVL82572 The OFFER AMOUNT, CLOSING COSTS and TITLE EXPENSES together shall not exceed the AUTHORIZED AMOUNT.

SECTION 5. That the CITY is to have possession of the PROPERTY at closing; and the CITY will pay any title expenses and closing costs. In the event of condemnation, the CITY will pay court costs as may be assessed by the Special Commissioners or the court. Further, that litigation expenses determined by the City Attorney to be necessary are authorized for payment. All costs and expenses described in this section shall be paid from the previously described funds.

SECTION 6. That if the OWNER refuses to accept the OFFER AMOUNT, the CITY will appropriate the PROPERTY INTEREST in the PROPERTY for the PROJECT under the laws of eminent domain and the provisions of the Charter of the City of Dallas. In such case, the City Attorney is authorized and requested to file the necessary suit(s) and take the necessary action for the prompt acquisition of the PROPERTY INTEREST in the PROPERTY by condemnation or in any manner provided by law.

SECTION 7. That in the event it is subsequently determined that additional persons other than those named herein have an interest in the PROPERTY, the City Attorney is authorized and directed to join said parties as defendants in said condemnation suit(s).

SECTION 8. That to the extent the PROPERTY is being purchased wholly or partly with bond proceeds CITY has obtained an independent appraisal of the PROPERTY'S market value.

SECTION 9. That OWNER has been provided with a copy of the Landowner's Bill of Rights as required by Texas Property Code Section 21.0112.

SECTION 10. That in the event the Special Commissioners in Condemnation appointed by the Court return an award that is the same amount or less than the OFFER AMOUNT, the City Attorney is hereby authorized to settle the lawsuit for that amount and the Chief Financial Officer is hereby authorized to issue a check drawn on the previously described funds in an amount not to exceed the Commissioners' award made payable to the County Clerk of Dallas County, to be deposited into the registry of the Court, to enable the CITY to take possession of the PROPERTY without further action of the Dallas City Council.

May 25, 2016

SECTION 11. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

AGENDA ITEM # 41

KEY FOCUS AREA: Economic Vibrancy

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): 2, 7

DEPARTMENT: Public Works Department
Office Of Environmental Quality

CMO: Jill A. Jordan, P.E., 670-5299

MAPSCO: 45Q; 47Q

SUBJECT

Authorize a construction services contract with Unified Services of Texas, Inc. for replacement of underground fuel storage tanks at Dallas City Hall located at 1500 Marilla Street, and at the I.C. Harris Service Center located at 5620 Parkdale Drive - Not to exceed \$970,171 - Financing: 2006 Bond Funds (\$480,298) and Capital Construction Funds (\$489,873)

BACKGROUND

The two (2) 10,000-gallon existing underground fuel storage tanks at Dallas City Hall, located at 1500 Marilla Street, and the three (3) 10,000-gallon existing underground fuel storage tanks at the I.C. Harris Service Center located at 5620 Parkdale Drive have reached the end of their service life and are scheduled to be replaced. These improvements are part of a program to remove and replace several underground fuel storage tanks at different locations throughout the City that have reached the end of their service life.

The City of Dallas underground fuel storage tanks are overseen by the Office of Environmental Quality. The Office of Environmental Quality has put together a prioritized list to have several underground fuel storage tanks replaced throughout the City because they have reached the end of their service life. The tanks located at Dallas City Hall and the I.C. Harris Service Center are on the prioritized list and are scheduled to be replaced. This action will authorize a contract for construction for the removal and replacement of the underground fuel storage tanks located at Dallas City Hall and the I.C. Harris Service Center.

In December 2015, a Request for Bids was issued in accordance with the City of Dallas procurement guidelines. Unified Services of Texas, Inc. was identified through this process as the only responsive bidder of two (2), for the construction, removal, and replacement of the underground fuel storage tanks at Dallas City Hall located at 1500 Marilla Street, and the I.C. Harris Service Center located at 5620 Parkdale Drive.

BACKGROUND (Continued)

The two (2) bids submitted for this project were evaluated by taking into account the bidders' price, qualifications, experience, and responsiveness.

The bid received from Unified Services of Texas, Inc. was responsive, and at 3.3% below the engineers' estimated cost for construction. The bid received from D&H United Fueling Solutions, Inc. was non-responsive and therefore could not be considered.

Unified Services of Texas, Inc. was selected as the only responsive bidder of the two (2) bidders, and based on their submitted bid price and responsiveness, were recommended for award after a Public Works Department single bid review process was conducted and completed.

May 25, 2016

WHEREAS, the existing underground fuel storage tanks at Dallas City Hall and at the I. C. Harris Service Center have reached the end of their service life; and,

WHEREAS, on June 25, 2014, Resolution No. 14-1014 authorized a professional services contract with Arredondo, Zepeda, & Brunz, LLC to provide design services for a prototypical set of drawings, preparation of construction documents, and construction management services for the removal and replacement of underground fuel storage tanks at three sites: Dallas City Hall located at 1500 Marilla Street, the I. C. Harris Service Center located at 5620 Parkdale Drive, and Dallas Executive Airport Police Helipad located at 5775 South Hampton Road, in the amount of \$255,222.00 (subject to appropriations); and,

WHEREAS, on December 9, 2015, Resolution No. 15-2222 authorized the rejection of a single non-responsive bid for the removal and replacement of underground fuel storage tanks located at Dallas City Hall and the I. C. Harris Service Center, and the re-advertisement for new bids; and,

WHEREAS, two sealed bids were received and opened on February 19, 2016 and the bid received from Unified Services of Texas, Inc. was the most responsive; and,

WHEREAS, Unified Services of Texas, Inc. was recommended for contract award by the Department of Public Works after a Public Works Department single bid review process was conducted and complete; and,

WHEREAS, it is now desirable to authorize a construction contract with Unified Services of Texas, Inc. for construction, removal, and replacement of the of the underground fuel storage tanks at Dallas City Hall located at 1500 Marilla Street and the I.C. Harris Service Center located at 5620 Parkdale Drive, in an amount not to exceed \$970,170.97.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is hereby authorized to execute a construction contract with Unified Services of Texas, Inc. for the construction, removal, and replacement of the underground fuel storage tanks at Dallas City Hall located at 1500 Marilla Street and the I.C. Harris Service Center located at 5620 Parkdale Drive, in an amount not to exceed \$970,170.97, after it has been approved as to form by the City Attorney.

SUBJECT

Authorize a professional services contract with Alliance Geotechnical Group, Inc. for construction materials testing services during the construction phase of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project - Not to exceed \$2,764,000 - Financing: 2006 Bond Funds

BACKGROUND

The 2006 and 2012 Bond Programs provided funding for design and construction of storm drainage relief improvements for the Mill Creek / Peaks Branch / State-Thomas watersheds. This project is a deep underground storm drainage relief tunnel that will provide drainage and flooding relief to the lower areas of the Mill Creek watershed (around Baylor Hospital), Peaks Branch watershed (south of Buckner Park), and East Peaks Branch watershed (around Fair Park area). It will also provide drainage relief to the Woodall Rodgers area in the State-Thomas area.

The drainage relief tunnel project consists of approximately five miles of thirty-foot diameter storm drainage tunnel that is between seventy-five and one hundred fifty feet deep. The project includes an outfall structure on White Rock Creek and five intake shafts that will connect to existing storm drainage systems and collect overland floodwaters during heavy rain events. The project also includes street and surface drainage improvements at the intake and outfall sites.

In 2007, Council authorized a professional services contract to study and design drainage relief improvements to reduce flooding in the lower portions of the Mill Creek and Middle Peaks Branch watersheds. In 2009, Council authorized a change of alignment of both Mill Creek and Peaks Branch drainage relief systems that provided a deep underground tunnel that will drain both watersheds into Lower White Rock Creek. In 2012, Council authorized extending the tunnel to the State-Thomas area to reduce flooding in the State-Thomas and Uptown areas.

BACKGROUND (Continued)

The construction materials testing consultant will provide all labor, supervision, and equipment for performing field or laboratory analyses for soil, concrete, air and water testing, seismic, noise and light monitoring and other necessary services. These services will typically be related to tunnel excavation and lining, pump station, street paving, storm drainage, water, wastewater and other infrastructure improvements.

This action authorizes a professional services contract with Alliance Geotechnical Group, Inc. for construction materials testing services during the construction phase of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project.

May 25, 2016

WHEREAS, on June 13, 2007, Resolution No. 07-1833 authorized professional services contracts with four engineering firms, including Halff Associates, Inc., to provide program management and engineering design of major flood management and storm drainage projects; and,

WHEREAS, on March 25, 2009, Resolution No. 09-0835 authorized Supplemental Agreement No. 1 to the professional services contract with Halff Associates, Inc. to provide additional design and analysis for drainage relief for Mill Creek Phase I, and Middle Peaks Branch, Phases I and II, for scope of works to develop and update master drainage plans for Mill Creek and Middle Peaks Branch, including design of the Mill Creek, Phase II system; and,

WHEREAS, on January 11, 2012, Resolution No. 12-0136 authorized Supplemental Agreement No. 2 to the professional services contract with Halff Associates, Inc. to provide additional scope of work for design and analysis for drainage relief for the State-Thomas area, and for additional survey and right-of-way services for required property acquisition; and,

WHEREAS, on July 25, 2014, Administrative Action No. 14-6555 authorized Supplemental Agreement No. 3 to the professional services contract with Halff Associates, Inc. to provide additional design and analysis of water and wastewater main replacements in Carroll Avenue from Junius Street to Victor Street; and,

WHEREAS, on January 14, 2015, Resolution No. 15-0123 authorized Supplemental Agreement No. 4 to the professional services contract with Halff Associates, Inc. to provide for additional scope of work for design of water and wastewater facilities and right-of-way acquisition support during design; and,

WHEREAS, on January 14, 2015, Resolution No. 15-0120 authorized a professional services contract with Parsons Environment & Infrastructure Group, Inc. for preliminary construction management services during the design phase; and,

WHEREAS, this project requires specialized construction materials testing services for performing field or laboratory analyses for soil, concrete, air, and water testing, seismic, noise and light monitoring and other necessary services, it is now necessary to authorize a professional services contract with Alliance Geotechnical Group, Inc. for construction materials testing services during the construction phase of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project.

May 25, 2016

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is hereby authorized to enter into a contract with Alliance Geotechnical Group, Inc. for construction materials testing services during the construction phase of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project in an amount not to exceed \$2,764,000, after it has been approved as to form by the City Attorney.

Section 2. That the Chief Financial Officer is hereby authorized to disburse funds in accordance with the terms and conditions of the contract from:

Authorize a professional services contract with Black & Veatch Corporation for construction management services during the construction phase of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project - Not to exceed \$17,350,000 - Financing: 2006 Bond Funds

BACKGROUND

The 2006 and 2012 Bond Programs provided funding for design and construction of storm drainage relief improvements for the Mill Creek / Peaks Branch / State-Thomas watersheds. This project is a deep underground storm drainage tunnel that will provide drainage and flooding relief to the lower areas of the Mill Creek watershed (around Baylor Hospital), Peaks Branch watershed (south of Buckner Park), and East Peaks Branch watershed (around Fair Park area). BACKGROUND (Continued)

In 2012, Council authorized extending the tunnel to the State-Thomas area to reduce flooding in the State-Thomas and Uptown areas. In 2015, Council authorized a professional services contract with Parsons Environment & Infrastructure Group, Inc. to provide preliminary construction management services during the design phase, including a constructability review and reviews of construction costs and schedule. This contract was terminated at the end of the construction advertisement/bidding phase in March 2016.

The construction of the tunnel will utilize a tunnel boring machine and requires specialized construction management services due to the complexity and sophistication of tunnel construction. The construction manager will minimize the project risk and serve as an extension of City staff to provide professional supervision and experienced inspection of the construction.

This action authorizes a professional services contract with Black & Veatch Corporation to provide construction management services during construction including field inspection, administration, and project coordination during the construction of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project.

Mill Creek Tunnel

May 25, 2016

WHEREAS, on June 13, 2007, Resolution No. 07-1833 authorized professional services contracts with four engineering firms, including Halff Associates, Inc., to provide program management and engineering design of major flood management and storm drainage projects; and,

WHEREAS, on March 25, 2009, Resolution No. 09-0835 authorized Supplemental Agreement No. 1 to the professional services contract with Halff Associates, Inc. to provide additional design and analysis for drainage relief for Mill Creek Phase I, and Middle Peaks Branch, Phases I and II, for scope of works to develop and update master drainage plans for Mill Creek and Middle Peaks Branch, including design of the Mill Creek, Phase II system; and,

WHEREAS, on January 11, 2012, Resolution No. 12-0136 authorized Supplemental Agreement No. 2 to the professional services contract with Halff Associates, Inc. to provide additional scope of work for design and analysis for drainage relief for the State-Thomas area, and for additional survey and right-of-way services for required property acquisition; and,

WHEREAS, on July 25, 2014, Administrative Action No. 14-6555 authorized Supplemental Agreement No. 3 to the professional services contract with Halff Associates, Inc. to provide additional design and analysis of water and wastewater main replacements in Carroll Avenue from Junius Street to Victor Street; and,

WHEREAS, on January 14, 2015, Resolution No. 15-0123 authorized Supplemental Agreement No. 4 to the professional services contract with Halff Associates, Inc. to provide for additional scope of work for design of water and wastewater facilities and right-of-way acquisition support during design; and,

WHEREAS, on January 14, 2015, Resolution No. 15-0120 authorized a professional services contract with Parsons Environment & Infrastructure Group, Inc. for preliminary construction management services during the design phase; and,

WHEREAS, this project requires specialized construction management services due to the complexity and sophistication of tunnel construction, it is now necessary to authorize a professional services contract with Black & Veatch Corporation for construction management services during construction of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project.

May 25, 2016

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is hereby authorized to enter into a contract with Black & Veatch Corporation for construction management services for the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project in an amount not to exceed \$17,350,000, after it has been approved as to form by the City Attorney.

Section 2. That the Chief Financial Officer is hereby authorized to distribute funds in accordance with the terms and conditions of the contract from:

Flood Protection and Storm Drainage Facilities Fund	
Fund 3T23, Department TWM, Unit T525, Act. SDRS	
Obj. 4111, Program #PB06T525, CT TWM06T525G1	
Vendor #520478, in an amount not to exceed	\$17,350,000

Section 3. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

SUBJECT

Authorize a contract for construction of storm drainage improvements for the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project - Southland Mole JV, lowest responsive and responsible bidder of five - Not to exceed \$209,894,515 - Financing: General Obligation Commercial Paper Funds (\$209,179,636), Water Utilities Capital Construction Funds (\$25,600) and Water Utilities Capital Improvement Funds (\$689,279)

BACKGROUND

The 2006 and 2012 Bond Programs provided funding for design and construction of storm drainage relief improvements for the Mill Creek / Peaks Branch / State-Thomas watersheds. This project is a deep underground storm drainage tunnel that will provide drainage and flooding relief to the lower areas of the Mill Creek watershed (around Baylor Hospital), Peaks Branch watershed (south of Buckner Park), and East Peaks Branch watershed (around Fair Park area). It will also provide drainage relief to the Woodall Rodgers area in the State-Thomas area.

The drainage relief tunnel project consists of approximately five miles of thirty-foot diameter storm drainage tunnel that is between seventy-five and one hundred fifty feet deep. The project includes an outfall structure on White Rock Creek and five intake shafts that will connect to existing storm drainage systems and collect overland floodwaters during heavy rain events. The project also includes street and surface drainage improvements at the intake and outfall sites.

In 2007, Council authorized a professional services contract to study and design drainage relief improvements to reduce flooding in the lower portions of the Mill Creek and Middle Peaks Branch watersheds. In 2009, Council authorized a change of alignment of both Mill Creek and Peaks Branch drainage relief systems that provided a deep underground tunnel that will drain both watersheds into Lower White Rock Creek. In 2012, Council authorized extending the tunnel to the State-Thomas area to reduce flooding in the State-Thomas and Uptown areas.

BACKGROUND (Continued)

This action authorizes a contract with Southland Mole JV to construct storm drainage improvements for the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project including five miles of 30-foot diameter tunnel, five intake shafts and connections, an outfall shaft, a dewatering station, associated street and surface storm drainage improvements, and water and wastewater improvements.

SUBJECT

Authorize Supplemental Agreement No. 5 to the contract with Halff Associates, Inc. for design and analysis of drainage relief for Mill Creek, Peaks Branch, and State-Thomas areas, for additional scope of work for engineering design services required during construction of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project - Not to exceed \$6,126,500, from \$15,993,488 to \$22,119,988 - Financing: 2006 Bond Funds (\$6,105,000) and Water Utilities Capital Improvement Funds (\$21,500)

BACKGROUND

The 2006 and 2012 Bond Programs provided funding for design and construction of storm drainage relief improvements for the Mill Creek / Peaks Branch / State-Thomas watersheds. This project is a deep underground storm drainage tunnel that will provide drainage and flooding relief to the lower areas of the Mill Creek watershed (around Baylor Hospital), Peaks Branch watershed (south of Buckner Park), and East Peaks Branch watershed (around Fair Park area). It will also provide drainage relief to the Woodall Rodgers area in the State-Thomas area.

The drainage relief tunnel project consists of approximately five miles of thirty-foot diameter storm drainage tunnel that is between seventy-five and one hundred fifty feet deep. The project includes an outfall structure on White Rock Creek and five intake shafts that will connect to existing storm drainage systems and collect overland floodwaters during heavy rain events. The project also includes street and surface drainage improvements at the intake and outfall sites.

On June 13, 2007, Council authorized a professional services contract with Halff Associates, Inc., for the design of drainage relief improvements to reduce flooding in the lower portions of the Mill Creek and Middle Peaks Branch watersheds.

BACKGROUND (Continued)

Supplemental Agreement No. 1 authorized a change of alignment of both Mill Creek and Peaks Branch drainage relief systems that provided a deep tunnel that will drain both watersheds into Lower White Rock Creek and provided for the design of drainage relief improvements for Mill Creek, Phase II, which extends flooding protection through Fair Park to the Baylor Hospital and Buckner Park areas. Supplemental Agreement No. 2 provided for engineering design of the deep drainage tunnel extension to the State-Thomas area to reduce flooding in the State-Thomas and Uptown areas. Supplemental Agreement No. 3 provided for additional scope of work to design upgrades to water and wastewater facilities in the tunnel project area. Supplemental Agreement No. 4 provided for additional scope of work to design water and wastewater facilities related to the drainage tunnel and right-of-way acquisition support during design.

This action authorizes Supplemental Agreement No. 5 which provides for engineering design services required during construction including reviews of contractor submittals and RFIs, evaluations of contractor-proposed changes, and preparation of as-built drawings.

WHEREAS, on June 13, 2007, Resolution No. 07-1833 authorized professional services contracts with four engineering firms, including Halff Associates, Inc., to provide program management and engineering design of major flood management and storm drainage projects; and,

WHEREAS, on March 25, 2009, Resolution No. 09-0835 authorized Supplemental Agreement No. 1 to the professional services contract with Halff Associates, Inc. to provide additional design and analysis for drainage relief for Mill Creek Phase I, and Middle Peaks Branch, Phases I and II, for additional scope of work to develop and update master drainage plans for Mill Creek and Middle Peaks Branch, including design of the Mill Creek, Phase II system; and,

WHEREAS, on January 11, 2012, Resolution No. 12-0136 authorized Supplemental Agreement No. 2 to the professional services contract with Halff Associates, Inc. to provide additional scope of work for design and analysis for drainage relief for the State-Thomas area, and for additional survey and right-of-way services for required property acquisition; and,

WHEREAS, on July 25, 2014, Administrative Action No. 14-6555 authorized Supplemental Agreement No. 3 to the professional services contract with Halff Associates, Inc. to provide additional design and analysis of water and wastewater main replacements in Carroll Avenue from Junius Street to Victor Street; and,

WHEREAS, on January 14, 2015, Resolution No. 15-0123 authorized Supplemental Agreement No. 4 to the professional services contract with Halff Associates, Inc. to provide for additional scope of work for design of water and wastewater facilities and right-of-way acquisition support during design; and,

WHEREAS, on January 14, 2015, Resolution No. 15-0120 authorized a professional services contract with Parsons Environment & Infrastructure Group, Inc. for preliminary construction management services during the design phase; and,

WHEREAS, it is now necessary to authorize Supplemental Agreement No. 5 to the professional services contract with Halff Associates, Inc. to provide for engineering design services required during construction including reviews of contractor submittals, evaluations of contractor-proposed changes, and preparation of as-built drawings.

May 25, 2016

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is hereby authorized to execute Supplemental Agreement No. 5 to the contract with Halff Associates, Inc. for engineering design services required (including reviews of contractor submittals and RFIs, evaluations of contractor-proposed changes, and preparation of as-built drawings) during construction of the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel in an amount not to exceed \$6,126,500, increasing the contract from \$15,993,488, to \$22,119,988 after it has been approved as to form by the City Attorney.

Section 2. That the Chief Financial Officer is hereby authorized to disburse funds in accordance with the terms and conditions of the contract from:

Flood Protection and Storm Drainage Facilities Fund Fund 3T23, Department TWM, Unit T525, Act. SDRS Obj. 4111, Program #PB06T536, CT PBW06T523I1 Vendor #089861, in an amount not to exceed	\$6,105,000

SUBJECT

Authorize a conditional grant agreement with AAA Home Builder, LLC for construction of seven single family homes for the Fannie Project in West Dallas located on Fannie Street – Not to exceed \$140,000 - Financing: 2012 Bond Funds

BACKGROUND

On January 14, 2016, the City posted a Notice of Funding Availability (NOFA) for Owner Occupied Housing Development Projects requesting developers to submit proposals to build owner occupied homes in the city limits of Dallas. AAA Home Builder, LLC submitted a proposal to the City of Dallas for the development of seven single family units.

AAA Home Builder, LLC, has over eleven years of experience as a homebuilder in Dallas and Florida having constructed over 80 homes, 20 of them built in 2015. They have experience in commercial construction as well.

The homes will be 3-4 bedrooms, 2-2.5 baths and approximately 1,500-1,900 sq. ft. with completion of construction and occupancy within one year. AAA Home Builder, LLC has obtained private interim construction financing for the construction of the units. The City will provide bond funds for gap financing for construction of the units to be built and sold to mixed income families. A lien will be placed on the property for performance purposes and released on a partial basis as each home is built and sold to a homebuyer. Estimated private leverage will be \$1,040,000.

City Council approval of this item will authorize the City Manager to execute the conditional grant documents with AAA Home Builder, LLC for these funds.

Authorize a conditional grant agreement with Greenleaf Ventures, LLC for land development for 36 single family homes for the Buckner Terrace II Project to be located at 3831 North Prairie Creek Road – Not to exceed \$844,192 - Financing: 2012 Bond Funds

BACKGROUND

On January 14, 2016, the City posted a Notice of Funding Availability (NOFA) for Owner Occupied Housing Development Projects requesting developers to submit proposals to build owner occupied homes in the city limits of Dallas. Victor Toledo with Greenleaf Ventures, LLC submitted a proposal to the City of Dallas for the land development for 36 single family homes for mixed income families.

Greenleaf Ventures, LLC has had previous contracts with the City to build housing in West Dallas and Pleasant Grove. Since 2002, Greenleaf Ventures, LLC and their affiliates have contributed to the redevelopment in West Dallas by selling 381 new single family lots in Greenleaf I and II.

The proposal is for 3 and 4 bedroom homes at approximately 1400-1800 sq. ft. The developer has obtained private financing for the balance of the construction costs. A lien will be placed on the property for performance purposes and released on a partial basis as each lot is built out and sold to an eligible homebuyer. The City will provide Bond funds for gap financing for land development of the lots for the units to be built on and sold to mixed income families. The lots will be discounted by the amount of City funds provided per lot. The land development, construction of homes, and sale of units will be complete in two years. Estimated private leverage will be \$1,969,784.

The homeowners and the properties herein described are eligible for Reconstruction Program loans. The homeowners are below 80% AMFI and their names, ages and property addresses are as follows: Mary L. Shaw, a disabled female, 78 years old, residing at 2614 South Ewing Avenue; L.A. Ratcliff, a disabled male, 68 years old, residing at 3812 Atlanta Street; Bennie Frazier & Annie B. Frazier, an elderly couple, 77 & 74 years old, residing at 1422 Montague Avenue; John Lemons, a disabled male, 63 years old, residing at 1822 Mentor Avenue; Shirley Cole, a disabled female, 70 years old, residing at 7923 Rilla Avenue; and George Garcia & Maria O. Garcia, an elderly couple, 66 & 65 years old, residing at 3912 Hammerly Drive.

BACKGROUND (Continued)

Authorization by City Council is required before proceeding with on-site reconstruction of a home when all of the following conditions exist: (a) repairs necessary to meet the Quality Standards and all applicable codes cannot be accomplished within the program funding limits; (b) the condition of the home creates an imminent danger to the life, health and/or safety of the residents, and/or the neighborhood; and (c) repairs are not feasible to extend the life of the repaired structure beyond 15 years.

This action provides the authority to proceed with on-site reconstruction of six (6) single-family homes. Homeowners are allowed to select their builder from a certified list of contractors. The City provides the financing for the complete demolition and reconstruction for eligible homeowners. A lien and deed restrictions are placed on the home for twenty (20) years to ensure occupancy.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On May 25, 2011, City Council authorized modifications to the Reconstruction/SHARE Program Statement to increase the maximum Reconstruction Program Assistance Type One loan amount from up to \$93,400 to up to \$103,000, by Resolution No. 11-1349.

On January 22, 2014, City Council authorized modifications to the Reconstruction Program Statement to provide assistance as a twenty-year forgivable loan, by Resolution No. 14-0180.

Information about this item will be provided to the Housing Committee on May 16, 2016.

Authorize **(1)** a housing development loan in an amount not to exceed \$250,000; and **(2)** a conditional grant agreement in an amount not to exceed \$200,000 with KAH Holdings, Inc. dba Karrington & Company for construction of ten single family homes for the Ferguson Road Townhomes Project to be located in 7839 Ferguson Road - Total not to exceed \$450,000 - Financing: 2011-12 HOME Investment Partnership Program Grant Funds (\$57,260), 2012-13 HOME Investment Partnership Program Grant Funds (\$17,683), 2013-14 HOME Investment Partnership Program Grant Funds (\$42,053), FY 2014-15 HOME Program Income #1 (\$72,326), 2015-16 HOME Investment Partnership Program Grant Funds (\$60,678) and 2012 Bond Funds (\$200,000)

BACKGROUND

On January 14, 2016, the City posted a Notice of Funding Availability (NOFA) for Owner Occupied Housing Development Projects requesting developers to submit proposals to build owner occupied homes in the city limits of Dallas. KAH Holdings, Inc. dba Karrington & Company submitted a proposal to the City of Dallas for the development of ten housing units to be located at 7839 Ferguson Road.

KAH Holdings, Inc. dba Karrington & Company has had prior contracts with the City to develop veterans housing. KAH Holdings, Inc. dba Karrington & Company has obtained private interim construction financing for the construction of the units. Estimated private leverage will be \$1,325,000.

The project will receive HOME Investment Partnership Program Grant Funds from the U.S. Department of Housing and Urban Development (HUD) and 2012 Bond Funds. The City of Dallas will provide gap financing for construction of the units to be built and sold to households with mixed incomes which would range up to Area Median Family Income (AMFI) for HOME assisted units and above 80% AMFI for Bond assisted units.

BACKGROUND (continued)

The homes will be three-story, 2 bedroom, with approximately 1600-1700 sq. ft. and have open dining and living areas. The construction work and occupancy will be completed within two years. Upon sale, liens will be released but deed restrictions will remain on the property for 15 years.

City Council approval of this item will authorize the City Manager to execute the loan and conditional grant documents with KAH Holdings, Inc. dba Karrington & Company for these funds, subject to environmental clearance by the City of Dallas and HUD.

SUBJECT

Authorize a housing development loan with City Wide Community Development Corporation, a certified Community Housing Development Organization, for construction of five single family homes located on scattered sites in Dallas - Not to exceed \$225,000 - Financing: 2010-11 Neighborhood Stabilization Program 3 Funds (\$90,000), 2014-15 HOME Investment Partnership Program Funds (\$94,011) and FY 2014-15 HOME Program Income #1 (\$40,989)

BACKGROUND

On January 14, 2016, the City posted a Notice of Funding Availability (NOFA) for Owner Occupied Housing Development Projects requesting developers to submit proposals to build owner occupied homes in the city limits of Dallas. City Wide Community Development Corporation (CWCDC) submitted a proposal to the City of Dallas for the development of five single family housing units.

CWCDC is a certified Community Housing Development Organization (CHDO) and has had prior contracts with the City to develop homes in Dallas. In 2014-15, CWCDC completed construction and rented 42 multifamily units in this area to low-income households. CWCDC owns the lots located on scattered sites and is obtaining interim construction financing with a private lender for a portion of the construction of the units. Estimated private leverage will be \$487,665.

The project will receive FY 2014-15 HOME Investment Partnership Program Grant Funds and Neighborhood Stabilization Program Funds from the U.S. Department of Housing and Urban Development (HUD) for gap financing for construction of the units which allow CWCDC to offer these homes to households of varied income levels which would range up 120% of area median family income. The construction work will be completed within two years along with occupancy of the units. Upon sale of the homes, the lien will be released but deed restrictions will remain on the property for 15 years.

BACKGROUND (continued)

City Council approval of this item will authorize the City Manager to execute the loan documents with CWCDC for these funds, subject to environmental clearance by the City of Dallas and HUD.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On June 25, 2014, City Council approved the City of Dallas FY 2014-15 Consolidated Plan Budget for federal funds which included the HOME Investment Partnership Funds, CHDO Development Loans by Resolution No. 14-1001.

On December 9, 2015, City Council authorized the adoption of Substantial Amendment No. 4 for the Neighborhood Stabilization Program by Resolution No. 15-2263.

On January 13, 2016, City Council approved the Owner Occupied Housing Development Program Statement by Resolution No. 16-0079.

WHEREAS, Notre Dame Place, Inc. proposes to work with the City of Dallas to undertake the development of 14 single family homes in Oak Cliff; and

WHEREAS, the City desires for Notre Dame Place, Inc. to develop single family homes for mixed income families; **NOW, THEREFORE**,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That upon approval as to form by the City Attorney, the City Manager is authorized to (1) declare 14 City-owned lots located at East 9th Street and Starr Street shown on Exhibit "A" unwanted and unneeded and authorize their conveyance for no cost consideration to Notre Dame Place, Inc., a Texas nonprofit organization, by Deed without Warranty for affordable housing; and (2) authorize a housing development loan with Notre Dame Place, Inc., for construction of 14 single family homes for the La Estrella Project.

Section 2. That the Deed without Warranty to this Property will contain:

- (1) deed restrictions on the Property, acceptable to the City, requiring the Property to remain affordable to households whose incomes are less than 80% of the area median family income upon resale for ten (10) years after conveyance, and
- (2) a right of reverter with right of re-entry.

Section 3. That the Deed Restrictions will require the purchaser to:

- (1) restrict the sale and resale of owner-occupied property to low-income individuals or families for ten (10) years after conveyance,
- (2) require the nonprofit organization to develop the proposed housing unit within three (3) years after receiving the Deed without Warranty, and
- (3) require any low-income individual or family to maintain each housing unit and all improvements on the land during the ten (10) year period.

Section 4. That the City Manager is authorized to execute an instrument, approved as to form by the City Attorney, releasing the City's possibility of reverter with right of re-entry and terminating the deed restrictions to the Property upon compliance with all terms and conditions of the Proposal, and the deed restrictions.

Section 5. That the purchaser shall be responsible for the pro rata property taxes assessed from the date of closing for the remaining part of the then current calendar year. This Property shall be placed back on the tax rolls effective as of the date of execution of the deed.

Section 6. That if a title policy is desired, same shall be at the expense of the purchaser.

May 25, 2016

Section 7. That following approval as to form by the City Attorney, the City Manager is authorized to execute a housing development loan in an amount not to exceed \$489,322 with Notre Dame Place, Inc. for the development of 14 single family homes.

Section 8. That the terms of the loan agreement include:

APPLICANT: John Mathews

OWNER: Amedio Centerville LLC

REPRESENTATIVE: Parvez Malik, Business Zoom

REQUEST: An application for the renewal of Specific Use Permit No. 1864 for the sale of alcoholic beverages in conjunction with a general merchandise or food store greater than 3,500 square feet on property zoned a CR Community Retail District with a D-1 Liquor Control Overlay.

SUMMARY: The applicant proposes to continue to sell alcohol for off-premise consumption in conjunction with the existing general merchandise of food store. The SUP was originally approved on August 10, 2011, for a period of two years and was renewed on August 28, 2013, for another two-year period with eligibility for automatic renewals for additional five-year periods. In 2015, the applicant missed the deadline for the automatic renewal. The applicant is not proposing any changes to the site plan.

CPC RECOMMENDATION: **Approval** for a two-year period with eligibility for automatic renewals for additional five-year periods, subject to conditions.

STAFF RECOMMENDATION: **Approval** for a two-year period with eligibility for automatic renewals for additional five-year periods, subject to conditions.

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The sale of alcoholic beverages in conjunction with the existing general merchandise or food store greater than 3,500 square feet will not impact compatibility with the surrounding land uses.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The sale of alcoholic beverages in conjunction with the existing general merchandise or food store neither contributes to nor deters the welfare of adjacent properties.
3. *Not a detriment to the public health, safety, or general welfare* – The sale of alcoholic beverages is not a detriment to the public health, safety or general welfare of the public.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – Based on information depicted on the site plan, the proposed development complies with all applicable zoning regulations and standards of the City of Dallas. No variances or special exceptions are requested.

Zoning History: There have been no zoning requests in the area within the last five years.

Thoroughfares/Streets:

Thoroughfares/Street	Type	Existing ROW
Centerville Road	Collector	60 ft.

Traffic:

The Engineering Section of the Department of Sustainable Development and Construction reviewed the request and determined that it will not impact the surrounding roadway system.

STAFF ANALYSIS:**Comprehensive Plan:**

The fowardDallas! Comprehensive Plan was adopted by the City Council in June 2006. The fowardDallas! Comprehensive Plan outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in on a Residential Neighborhood.

This Building Block represents the life-blood of Dallas, the traditional neighborhood of single-family detached homes. Single-family dwellings are the dominate land use in these areas. Some shops, restaurants or institutional land uses such as schools and religious centers that serve neighborhood residents may be located at the edges or at key intersections. Neighborhood "pocket parks" provide open space for families. These areas rely primarily on cars for access, although traffic on neighborhood streets is expected to be low. Cut-through traffic or spill over from commercial areas will be strongly discouraged. While public transit may be available, typically it involves longer walks to bus stops or the need to drive to park-and-ride facilities. Newly developed neighborhoods may provide better pedestrian access to community services through shorter block lengths, narrower streets, sidewalks and greenbelts with hike and bike trails and might also provide improved access to transit service. Public investment will focus on protecting quality of life by providing amenities such as parks, trails, road improvements and strong code enforcement.

Surrounding Land Uses:

	Zoning	Land Use
Site	CR-D-1	Retail
North	R-7.5(A)	Single family
East	R-7.5(A)	Single Family
South	CR	Office and Auto service center
West	CR-D	Office and auto service center

Land Use Compatibility:

The approximately 0.11 acre site is zoned a CR Community Retail District with a D-1 Liquor Control Overlay and is developed with a multi-tenant building, which includes an approximately 5,158 square foot general merchandise or food store. Other uses on the request site include retail, personal service, and a vehicle or engine repair or maintenance use. The applicant is proposing to continue to sell alcohol for off-premise

consumption in conjunction with the general merchandise or food store on the property, which requires a Specific Use Permit.

The adjacent land uses are single family residential to the north, and office and auto service center to the west, within the same shopping center. Surrounding land uses are single family residential to the north, and east; office and auto service center to the south.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

The general merchandise use is also regulated by Chapter 12B of the Dallas City Code, Convenience Stores. This chapter applies to all convenience stores, which is defined as any business that is primarily engaged in the retail sale of convenience goods, or both convenience goods and gasoline, and has less than 10,000 square feet of retail floor space; the term does not include any business that has no retail floor space accessible to the public. The purpose of Chapter 12B is to protect the health, safety, and welfare of the citizens of the city of Dallas by reducing the occurrence of crime, preventing the escalation of crime, and increasing the successful prosecution of crime that occurs in convenience stores in the city. The applicant is up to date on this requirement.

Parking:

The Dallas Development Code requires off-street parking to be provided for a general merchandise or food store use at one space for each 200 square feet of floor area and two parking spaces for the motor vehicle fueling station. The proposed use requires 15 spaces for the proposed use. Parking must be provided as shown on the site plan.

Landscaping:

Landscaping is required in accordance with Article X of the Dallas Development Code. However, the applicant's request does not trigger any Article X requirements, as no new construction is proposed on the site.

CPC ACTION:
April 21, 2016

Motion: It was moved to recommend **approval** of a renewal of Specific Use Permit No. 1864 for the sale of alcoholic beverages in conjunction with a general merchandise or food store greater than 3,500 square feet for a two-year period with eligibility for automatic renewals for additional five-year periods, subject to conditions on property zoned a CR Community Retail District with a D-1 Liquor Control Overlay northwest of the intersection of Centerville Road and Aledo Drive.

CPC Recommended SUP Conditions

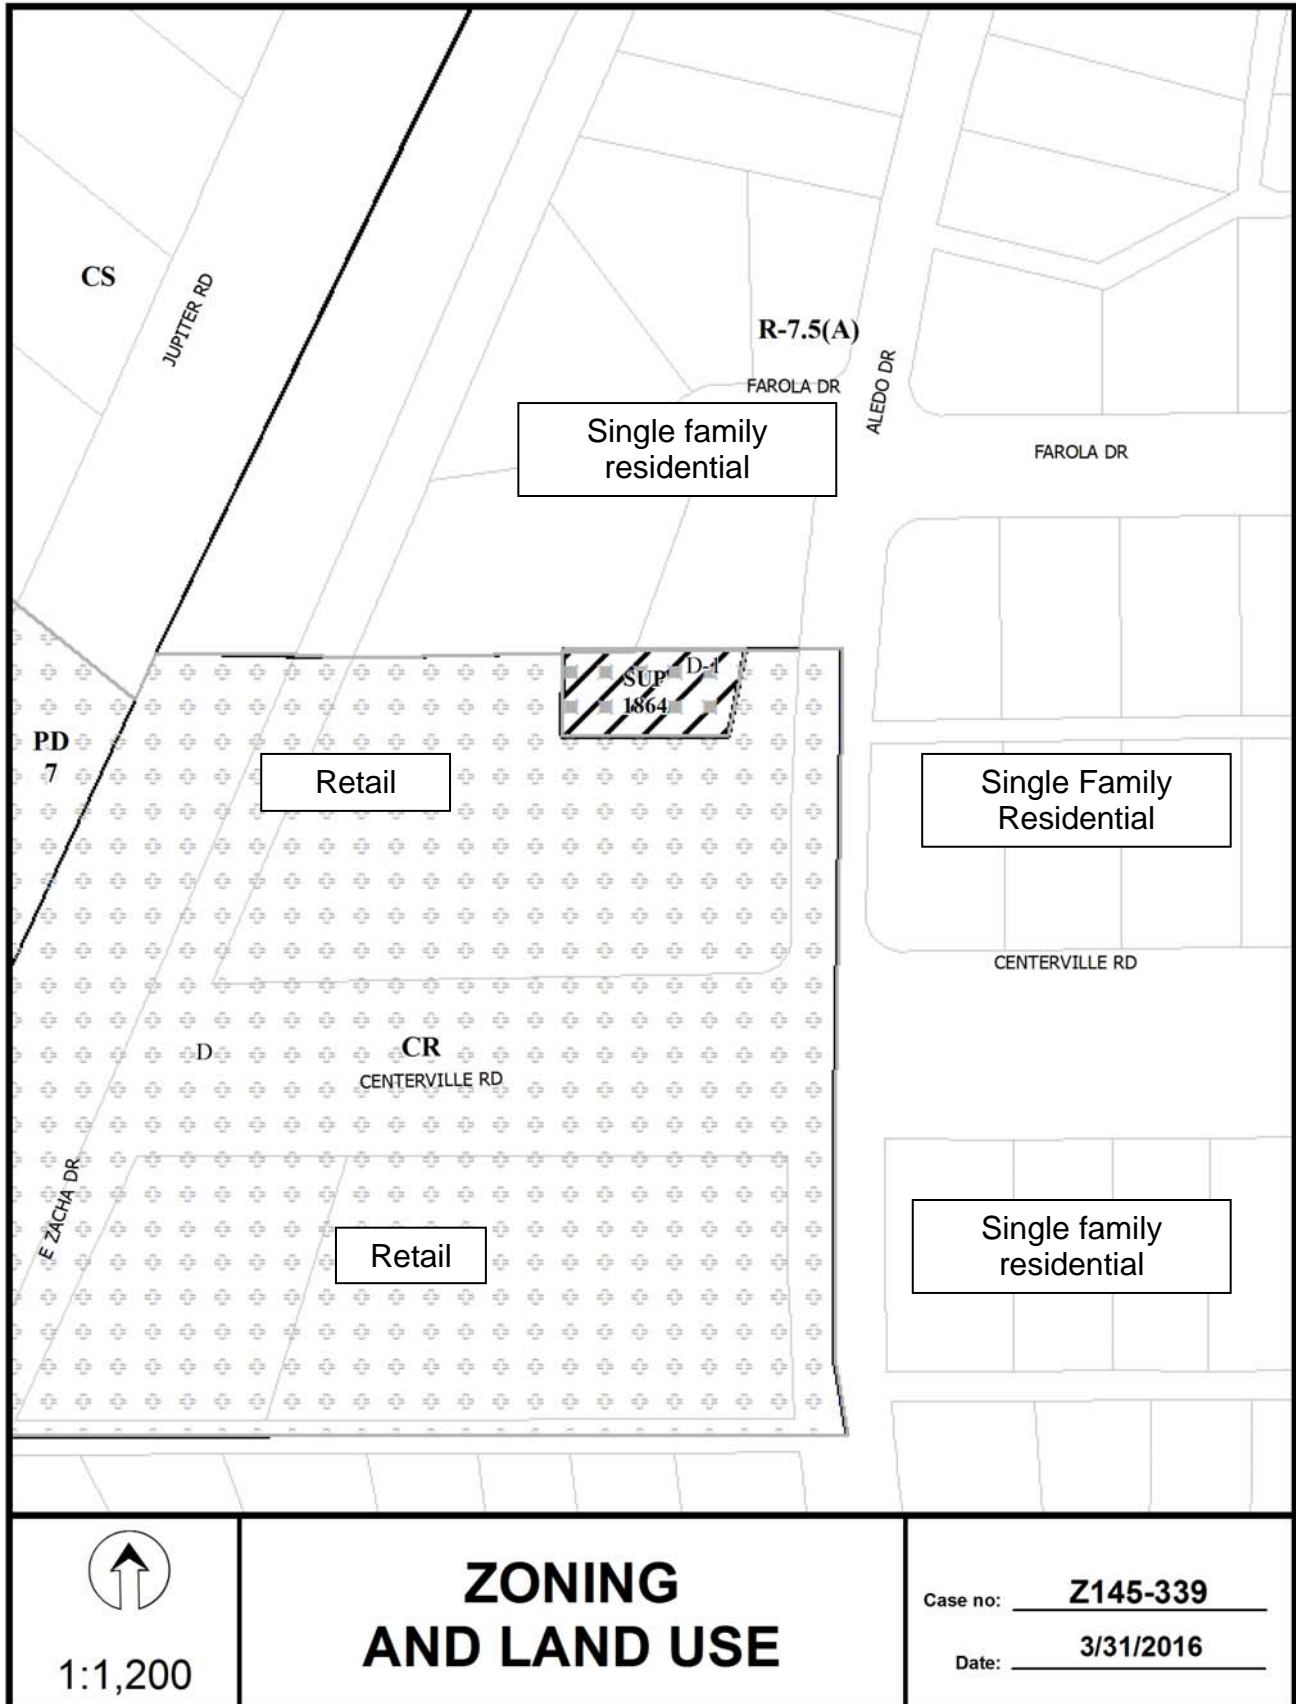

1. USE: The only use authorized by this specific use permit is the sale of alcoholic beverages for off-premise consumption as part of the operation of a general merchandise or food store greater than 3,500 square feet.
2. SITE PLAN: Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit expires on ~~(August 18, 2015)~~(two years), but is eligible for automatic renewal for additional five-year periods, pursuant to Section 51A-4.219 of Chapter 51A of the Dallas City Code, as amended. For automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for applications for automatic renewal is strictly enforced.)
4. SCREENING: A minimum six-foot-high solid screening fence must be maintained along the northern boundary of the Property. The screening fence must be located outside of the visibility obstruction triangle. Screening must be constructed before issuance of a building permit, alcohol measurement certification, or certificate of occupancy.
5. MAINTENANCE: The Property must be properly maintained in a state of good repair and neat appearance.
6. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

APPLICANT / OWNER: Exodus Ministries

REPRESENTATIVE: Preston Jones, Divine Homes

REQUEST: An application for a Specific Use Permit for a child-care facility on property zoned an MF-2(A) Multifamily District.

SUMMARY: The purpose of this request is to allow for the operation of a child-care facility within an existing multifamily complex. The applicant will convert an existing 780 square foot storage room into a child-care facility. The child-care facility will operate between the hours of 7:00 a.m. to 6:00 p.m., Monday through Friday.

CPC RECOMMENDATION: **Approval** for a five-year period, subject to a site plan and conditions.

STAFF RECOMMENDATION: **Approval** for a five-year period, subject to a site plan and conditions.

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The proposed child-care facility is compatible with the surrounding residential developments. The proposed child-care facility will operate within an existing two-story multifamily complex and will operate between 7:00 a.m. to 6:00 p.m., Monday through Friday.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The child-care facility will provide a service to the existing residents within the existing multifamily complex and is an appropriate use at this location.
3. *Not a detriment to the public health, safety, or general welfare* – This use will not be a detriment to the public health, safety or general welfare of the community.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The request will comply with all zoning regulations and standards. No variances or special exceptions are requested.

Zoning History: There have not been any zoning changes requested in the area in the past 5 years.

Thoroughfares/Streets:

	Type	Existing ROW	Proposed ROW
Munger Avenue	Local	56 ft.	56 ft.

Traffic: The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that the proposed SUP will not have a negative impact on the surrounding street system.

Land Use:

	Zoning	Land Use
Site	MF-2(A)	Multifamily
Northeast	MF-2(A), SUP No. 1568	Surface parking lot, single family, multifamily
Southeast	PDD No. 298 w/ SUP No. 600	School
Southwest	MF-2(A), SUP 600	Undeveloped, surface parking lot
Northwest	MF-2(A)	Multifamily, Single Family

COMPREHENSIVE PLAN: The *fowardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *fowardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in a Residential Building Block. The request site is consistent with the Residential Building Block.

This Building Block represents the life-blood of Dallas, the traditional neighborhood of single-family detached homes. Dallas has many neighborhoods that match this description, including Winnetka Heights, Preston Hollow, Lakewood and Wheatley Place. Single-family dwellings are the dominate land use in these areas. Some shops, restaurants or institutional land uses such as schools and religious centers that serve neighborhood residents may be located at the edges or at key intersections.

STAFF ANALYSIS:

Land Use Compatibility: The request site is adjacent to a mix of residential and institutional uses. The property to the north is developed with single family and multifamily uses. Specific Use Permit No. 1568, which is located adjacent to the site is approved for an open-enrollment charter school, but is currently being used as a surface parking lot for a school to the southeast [SUP No. 600]. An undeveloped tract of land and a surface parking lot [SUP No. 600] that is being used by the school is located southwest of the request site. There are a school and multifamily uses located south of the site.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been

established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Parking: The off-street parking requirement for a child-care facility is one space per 500 square feet of floor area. The applicant is required to provide two off-street parking spaces for a child-care facility that has approximately 780 square feet of floor area. The multifamily use is required to have a minimum of 20 spaces. The existing multifamily use is developed with a total of 28 spaces. The applicant meets the required off-street requirement of providing the child-care facility.

CPC Action (April 21, 2016)

Motion: It was moved to recommend **approval** of for a Specific Use Permit for a child-care facility for a five-year period, subject to a site plan and revised conditions with a change to the hours of operation from 7:00 a.m. to 6:30 p.m., Monday through Friday on property zoned an MF-2(A) Multifamily District on the southeast line of Munger Avenue, between Annex Avenue and North Prairie Avenue.

GUIDING CRITERIA FOR RECOMMENATION:

Staff recommends approval of the request, subject a site plan and conditions, based upon:

1. *Compatibility with surrounding uses and community facilities* – The request proposes new construction of a 8,167 square foot community service center with 41 parking spaces. The proposed site will provide 10 foot landscape buffers, be setback 25 feet on both streets and will only allow vehicular access from Oates Drive. These features will provide protections to the adjacent single family homes and keep vehicles from using the alley and Michael Lane for circulation.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The proposed community service center will serve the immediate area with services consistent with those provided by the nearby institutional facilities.
3. *Not a detriment to the public health, safety, or general welfare* – The proposed use is consistent with those normally found in close proximity to residential uses.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – No variances or special exceptions are requested as part of this use.

BACKGROUND INFORMATION:

- Aerial photography from 1972 shows a small structure that fronted on Oates Drive.
- Aerial photography from 1979 shows a small structure that fronted on Oates Drive demolished and a surface parking lot constructed.
- The request site is undeveloped and two lots were combined into one lot by plat number S056-218 and was filed in the Dallas County Deed Records August 25, 2015.

Zoning History: There has been no recent zoning activity in the immediate area relevant to this request.

Traffic: The Engineering Section of the Building Inspection Division of the Department of Sustainable Development and Construction has reviewed the request and determined that it will not significantly impact the surrounding roadway system.

<u>Thoroughfare</u>	<u>Designation</u>	<u>Explanation</u>	<u>ROW</u>
Oates Drive	Principle Arterial	Minimum -6 lanes divided,	90' ROW
Micheal Lane	Local	N/A	50' ROW

STAFF ANALYSIS:**Comprehensive Plan:**

The comprehensive plan does not make a specific land use recommendation related to the request, however the ***forwardDallas! Vision Illustration***, adopted June 2006, is comprised of a series of Building Blocks that depicts general land use patterns. Building Blocks are generalized patterns without well-defined boundaries that indicate where certain types and densities of development might logically occur.

The Vision Illustration depicts the request site as within a *Residential Neighborhood*. While single family dwellings are the dominate land use in such areas, shops, restaurants, or institutional land uses that serve residents may be located at the edges or at key intersections.

In general, the applicant's proposal to construct a community service center at this location is consistent with the residential building block described in the Comprehensive Plan.

Land Use Compatibility:

The site is undeveloped and is just south of Oates Drive. Immediately to the west of the request site is an undeveloped property that formerly held a single family home. Further to the northwest is a large surface parking lot and church and further to the east is Eastfield College. Single family homes are developed to the north, east, south and southwest.

The various programs associated with the requested use will be provided within the proposed improvements. Due to the proximity of the nearby single family uses, specific hours of operation have been offered along with additional conditions for lighting, screening, and restricted ingress and egress.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as

the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Parking: The proposed community service center use will provide for the minimum required parking for the community service center (one space per 200 square feet of floor area), 41 spaces required and 41 spaces provided.

Landscaping: All development on the property will require landscaping per Article X of the Dallas Development Code.

CPC Action – April 21, 2016:

Motion: It was moved to recommend **approval** of a Specific Use Permit for a community service center for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a site plan and revised conditions to include the following modifications: 1) Allow hours of operation between 7:30 a.m. and 6:00 p.m., Monday through Thursday and 7:30 a.m. and 1:00 p.m., Friday through Sunday on property zoned an R-7.5(A) Single Family District on the southwest corner of Oates Drive and Michael Lane.

Note: Commissioner Abtahi requested the minutes reflect the following comment: Specific use permit Condition #6, INGRESS-EGRESS: state, "Ingress and egress must be provided in the location shown on the attached site plan. No other ingress or egress is permitted." On the site plan show no other entry way on any of the streets, except Oates Drive.

**CPC RECOMMENDED CONDITIONS FOR A
SPECIFIC USE PERMIT FOR A COMMUNITY SERVICE CENTER**

1. USE: The only use authorized by this specific use permit is a community service center.
2. SITE PLAN: Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit expires on (five years from the passage of the ordinance), but is eligible for automatic renewal for additional five-year periods pursuant to Section 51A-4.219 of Chapter 51A of the Dallas City Code, as amended. For automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for applications for automatic renewal is strictly enforced.)
4. FLOOR AREA: The maximum floor area is 8,167 square feet in the location shown on the attached site plan.
5. HOURS OF OPERATION: The community service center may only operate between 7:30 a.m. and 6:00 p.m., Monday through Thursday and 7:30 a.m. and 1:00 p.m. Friday through Sunday.
6. INGRESS-EGRESS: Ingress and egress must be provided in the location shown on the attached site plan. No other ingress or egress is permitted.
7. LIGHTING: Exterior lighting must be directed away from adjoining properties.
8. SCREENING: Screening of off-street parking must be provided as shown on the attached site plan.
9. MAINTENANCE: The Property must be properly maintained in a state of good repair and neat appearance
10. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

APPLICANT: Old Town Ranchers, Inc.

OWNER: Pacific Elm Building, LLC

REPRESENTATIVE: Tailim Song Law Firm

REQUEST: An application for the renewal of Specific Use Permit No. 2029 for an alcoholic beverage establishment limited to a bar, lounge, or tavern and a commercial amusement (inside) limited to a dance hall on property zoned Planned Development District No. 619 with Historic Overlay No. 48, the Harwood Historic District.

SUMMARY: The applicant proposes to continue the use of the property for a commercial amusement (inside) with a dance hall. On June 12, 2013, the City Council approved this Specific Use Permit for a three-year period. Staff determined that an SUP for a commercial amusement (inside) is not required for the existing/proposed use as the business revenue is not more than 75 percent from alcohol sales. Therefore, the uses is not an alcoholic beverage establishment limited to a bar, lounge, or tavern.

CPC RECOMMENDATION: **Approval** for three-year period, subject to conditions.

STAFF RECOMMENDATION: **Approval** for three-year period, subject to conditions.

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The commercial (inside) limited to a dance hall does not impact compatibility with the surrounding land uses.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The commercial (inside) limited to a dance hall neither contributes to nor deters the welfare of adjacent properties.
3. *Not a detriment to the public health, safety, or general welfare* – The commercial (inside) limited to a dance hall is not a detriment to the public health, safety or general welfare of the public.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – Based on information depicted on the site plan, the proposed use complies with all applicable zoning regulations and standards of the City of Dallas. No variances or special exceptions are requested.

Zoning History: There has been one zoning request in the area within the last five years.

1. **Z123-285** On December 11, 2013, the City Council approved an amendment to Planned Development District No. 619.

Thoroughfares/Streets:

Thoroughfares/Street	Type	Existing ROW

Harwood Street	Local Street	68.25 ft.

The Engineering Section of the Department of Sustainable Development and Construction reviewed the request and determined that it will not impact the surrounding roadway system.

STAFF ANALYSIS:**Comprehensive Plan:**

The fowardDallas! Comprehensive Plan was adopted by the City Council in June 2006. The fowardDallas! Comprehensive Plan outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in the Downtown Building Block.

The Downtown is a centrally located hub that provides high intensity, concentrated regional job and commercial activity supported by high-density housing. A Downtown includes pedestrian-oriented and mixed-use development and offers multiple transportation options. Ground floors of tall buildings feature shops with many windows for visual interest and safety while the streetscape incorporates trees for shade, wide sidewalks and easy-to-use signs for finding points of interest. Civic and open spaces provide an inviting atmosphere for pedestrians as well as a diversity of uses, generating activity throughout the day and evening. The Downtown Building Block is an important transit hub for commuter rail, light rail, bus and local systems. This area warrants significant public investment to sustain itself as the signature address in the North Central Texas region and to continually reinvent itself to maintain its competitive advantage.

Surrounding Land Uses:

	Zoning	Land Use
Site	PD No. 619, H/48 & SUP No. 2029	Commercial amusement (inside) with a dance hall
North	PD No. 619 & H/48	Park and local utilities installation
East	PD No. 619 & H/48	Parking lot and office
South	PD No. 619 & H/48	Restaurant
West	PD No. 619, H/48 & H/21	Office & the Majestic Theater

Land Use Compatibility:

The approximately 0.3645 acre site is zoned Subdistricts A & C in Planned Development District No. 619 with Historic Overlay No. 48, the Harwood Historic District. The site is developed with a two-story building and is adjacent to office uses and the Majestic Theater. The surrounding uses are a park, office uses, and a utility installation to the north; a parking lot and office building to the east; office buildings to the west; and restaurant to the south.

Planned Development District No. 619 is a PD with vertical zoning districts. Therefore, while some uses in certain districts are allowed by right, some others require a Specific Use Permit. A commercial amusement (inside) requires an SUP for uses located in both Subdistricts A and C. The request site is located in Subareas A – first floor, and Subarea C in the second floor.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Parking:

Parking must be provided in accordance to Planned Development District No. 619. No parking changes are being proposed with this request.

Landscaping:

Landscape in this district must comply with all landscaping requirements set forth for the CA-1(A) district, and should be consistent with any design guidelines for the district approved by City Council. However, the proposed use does not trigger any landscaping.

CPC ACTION:
April 21, 2016

APPLICANT: Highland Park ISD

REPRESENTATIVE: Dallas Cothrum, Masterplan

REQUEST: An application for a Planned Development District for R-7.5(A) Single Family District, public school, and private recreation center, club, or area uses on property zoned an R-7.5(A) Single Family District.

SUMMARY: The applicant proposes to construct up to a three-story, 108,500 square foot new HPISD elementary school and playing fields south of West Northwest Parkway. The proposal also requests to establish setbacks and landscaping requirements. The applicant has worked closely with staff as well as involving the surrounding property owners in dialogue during this process.

CPC RECOMMENDATION: Approval, subject to a development plan, landscape plan, traffic management plan, and conditions.

STAFF RECOMMENDATION: Approval, subject to a development plan, landscape plan, traffic management plan, and staff's recommended conditions.

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

Staff recommends approval of staff's recommended conditions of this item based upon:

1. *Performance impacts upon surrounding property* – The applicant has removed the lights of the proposed private recreation center, club, or area use as shown on the attached development plan and has offered conditions that further restrict that use. The applicant has also offered to limit structure height for a school, whereas the R-7.5(A) District allows schools any height in compliance with FAA regulations as explained further in the staff analysis portion of this report. Staff recommends approval of staff's recommended conditions because the limits proposed and recommended by staff is compatible with the surrounding properties.
2. *Traffic impact* – The traffic engineering staff has recommended approval of the traffic management plan.
3. *Comprehensive Plan or Area Plan Conformance* – The request is in compliance with the neighborhood residential building block along a multimodal corridor.
4. *Justification for PD Planned Development District Zoning as opposed to a straight zoning district* – The request includes encroachments into the setbacks, limitations on height, modifications to fence standards, and modifications to landscaping requirements that require a planned development district.

BACKGROUND INFORMATION:

- The site is the eastern portion of an overall block that is owned and operated by the Northway Christian Church. The portion of the site that includes the area of request currently contains playing fields and detached residential structure.
- On April 16, 2015 preliminary plat number S145-132 was recommended for approval, subject to conditions.

Zoning History: There has been no recent zoning activity in the immediate area relevant to this request.

<u>Thoroughfare</u>	<u>Designation</u>	<u>Explanation</u>	<u>ROW</u>
West Northwest Highway	Principle Arterial	Standard -6 lanes divided	107' ROW
Durham Street	Local	N/A	50' ROW
Wentwood Drive	Local	N/A	50' ROW

STAFF ANALYSIS:

Comprehensive Plan: The comprehensive plan does not make a specific land use recommendation related to the request, however the ***forwardDallas! Vision Illustration***, adopted June 2006, is comprised of a series of Building Blocks that depicts general land use patterns. Building Blocks are generalized patterns without well-defined boundaries that indicate where certain types and densities of development might logically occur.

The Vision Illustration depicts the request site as within a *Residential Neighborhood* in the southern portions of the site and in a *multi-modal corridor* along the northern frontage of West Northwest Highway. While single family dwellings are the dominate land use in *Residential Neighborhood* areas, shops, restaurants, or institutional land uses that serve residents may be located at the edges or at key intersections.

The multi-modal corridor building block should encourage the redevelopment of aging auto-oriented single family neighborhoods. These areas offer dense mixed use and then transition to multi-family and single family housing at the edge. These corridors should diminish quickly in scale, density, and intensity away from the corridor, respecting existing single family neighborhoods while maintaining a strong focus on transit-orientation and access.

In general, the applicant's proposal at this location is consistent with the building blocks described in the Comprehensive Plan.

Land Use Compatibility: The site is currently the eastern extension of the Northway Christian Church site and is occupied by recreational areas and a residential structure. Single family uses are located on the south and east and a cemetery is located to the north, across West Northwest Highway.

The PDD provides for other uses and development standards consistent with those found in an R-7.5(A) Single Family District with the exception that public school and private recreation center, club or area are allowed by right as opposed to by specific use permit and some modifications are requested to allow some encroachments into the setbacks, limitations on height, modifications to fence standards, and modifications to landscaping requirements that require a planned development district.

One item of the request is to allow athletic fields on the northern portion of the site, just south of West Northwest Highway and the cemetery, and west of residential uses. The applicant has proposed additional regulations for this use so that it is more compatible with the adjacent residential properties that include limited hours of operations for the use and conditions regarding lighting, outdoor seating, and speakers. The conditions also limit activities to "independent public school district sanctioned events, scholastic competitions, youth recreational activities, and non-professional events".

Structure Height: The R-7.5(A) Single Family District has a maximum structure height of 30 feet and no residential proximity slope because it is not listed as a limitation to

height within the district regulations. However, the R-7.5(A) District allows institutional uses, such as a public school, any height approved by the Federal Aviation Administration but recreational uses are limited to the height of the district¹. Height is measured from the average grade of the highest and lowest corners of the structure to the midpoint of a gable or hip roof or to the highest point of other structures². Therefore, since the site has a gentle slope and although one side of the building will be two stories and the other will be three the appearance of the elevation from the southern property line looking north will appear taller than the elevation from the northern property line looking south while height of the overall structure is calculated from average grade and given a singular value. Consequently, because height is measured from average grade, when the natural topography slopes, either the site or its neighbors are disadvantaged when limiting height. Since this site is located at a higher elevation than the southern neighboring properties, the difference in height is more apparent to the southern neighbors than neighbors to the north who reside uphill from the site.

The applicant has offered to restrict the height of the proposed school to 40 feet with the exception that parapet walls may exceed 40 feet by four feet and that other structures listed in Section 51A-4.408(a)(2)(A) including, but not limited to, elevator penthouse or bulkhead, mechanical equipment room, visual screens which surround roof mounted mechanical equipment, and chimney and vent stacks may exceed 40 feet by up to 12 feet.

An institutional use that is allowed by right in the R-7.5(A) District could build as high as the FAA would allow at the 25 foot front yard setback of the R-7.5(A) District. However, in an effort to mitigate the larger appearance of the building, the applicant has proposed to set the building back 56 feet from the southern property line. If residential proximity slope (RPS) did exist in this district, a 40-foot tall structure would need to be located 120 feet from sites of origination because RPS is a one-to-three slope. If the southern properties are used in this calculation the 50 foot width of Wentwood Drive would be included and therefore the nearest point of the 40 foot tall proposed structure is located 106 feet from the southern sites of origination. RPS would allow a structure that is just above 35 feet at this distance and the height would increase by one foot for every three feet set back. Therefore, the most extreme encroachment into the hypothetical RPS between the requested 40' maximum structure height to the southern sites of origination is just less than five feet in height. The proposed development plan shows the site has an articulating southern facade and therefore the articulations provide relief to the maximum encroachments allowed into the hypothetical RPS to the southern properties.

Staff recommends the applicant and CPC's recommended maximum height of 40 feet because it is tied to a development plan and allows minimal encroachments into the hypothetical residential proximity slope from the adjacent southern property lines.

Traffic: Traffic engineering staff has reviewed the attached traffic management plan included with this report and recommends approval of the utilization of a curb lane, or a wider pavement width, in lieu of the double separated drop off lanes along Durham

¹ See Section 51A-4.408(a)(1) of the Dallas Development Code.

² See Section 51A-4.112(f)(4)(E) of the Dallas Development Code.

Street and to wrap queuing along West Northwest Parkway, the slip street adjacent to West Northwest Highway. This reconfiguration of queuing will allow more efficient drop off and pick up operations with a greater degree of safety of children and passersby.

Parking: No modifications to the minimum off-street parking requirements of the Dallas Development Code are requested with this application. The request is providing the minimum number of off-street parking spaces required for an elementary school and a private recreation center club or area per the Dallas Development Code which equates to one and a half spaces per classroom for an elementary school and, three spaces per game court and one space for each additional 150 square feet of floor area for a private recreation center, club or area. The request proposes 35 elementary classrooms which would require 53 spaces and two game courts which would require an additional 6 spaces. Therefore the total required for the request would be 59 parking spaces and 84 are proposed.

Landscaping: The landscaping shown on the landscape plan and the landscaping conditions proposed have been reviewed and recommended for approval by the Chief Arborist.

CPC ACTION – May 5, 2016:

Motion: It was moved to recommend **approval** of a Planned Development District for R-7.5(A) Single Family District, public school, and private recreation center, club, or area uses, subject to a revised development plan to show the required loading space, revised landscape plan, traffic management plan, and revised conditions to include the following changes: 1) The minimum side yard setback is 30 feet; 2) Maximum structure height is 40 feet. Except as provided in this paragraph, structures that do not exceed the heights listed in Section 51A-4.408(a)(2) may project above the maximum structure height. Roof mounted equipment that exceeds two feet must be screened and set back a minimum of 100 feet from Durham Street and Wentwood Drive; 3) Maximum lot coverage is 35 percent aboveground parking structures are included in lot coverage calculations, surface parking lots and underground parking structures are not; 4) Delete subsection c under landscaping as it is not needed; 5) Traffic study analysis must also contain number of children picked up by vehicle, number of children arriving or being picked up by carpool, number of students walking or traveling by bicycle, number of students attending after school care; 6) Under additional provisions under subsection (c)(2) security lighting is the only lighting allowed in the ball field and game court areas and must be attached to the building; 7) Accept the applicant's request to a maximum number of classrooms is 35, labs, special education, early childhood, art and music rooms and other rooms not associated with the homeroom are allowed and do not count towards the classroom maximum; and 8) Add a notice provision to read, "At least thirty days prior to the filing with the city of any application for a zoning change; amendment to the approved development plan or landscape plan for the school pursuant to Sections 51A-4.702(h) or (i), as amended; any application to the Board of Adjustment for a variance or special exception with respect to the school; or minor amendment to the Traffic Management Plan, the applicant shall submit a copy of said application to the Caruth Hills Homeplace Neighborhood Association at their official address" on property zoned an R-7.5(A) Single Family District on the southwest corner of West Northwest Highway and Durham Street.

PROPOSED PLANNED DEVELOPMENT DISTRICT CONDITIONS

“ARTICLE ____.

PD ____.

SEC. 51P-____.101. LEGISLATIVE HISTORY.

PD ____ was established by Ordinance No.____, passed by the Dallas City Council on ____.

SEC. 51P- ____ .102. PROPERTY LOCATION AND SIZE.

PD ____ is established on property on the southwest corner of Northwest Highway and Durham Street. The size of PD ____ is approximately 4.631 acres.

SEC. 51P- ____ .103. DEFINITIONS AND INTERPRETATIONS.

(a) Unless otherwise stated, the definitions and interpretations in Chapter 51A apply to this article.

(b) Unless otherwise stated, all references to articles, divisions, or sections in this article are to articles, divisions, or sections in Chapter 51A.

(c) This district is considered to be a residential zoning district.

SEC. 51P- ____ .104. EXHIBITS.

The following exhibits are incorporated into this article:

- (1) Exhibit ____A: development plan.
- (2) Exhibit ____B: traffic management plan.
- (3) Exhibit ____C: landscape plan.

SEC. 51P- ____ .105. DEVELOPMENT PLAN.

(a) For public school other than an open-enrollment charter school and a private recreation center, club, or area, development and use of the Property must comply with the development plan (Exhibit ____A). If there is a conflict between the text of this article and the development plan, the text of this article controls.

(b) For all other uses, no development plan is required, and the provisions of Section 51A-4.702 regarding submission of or amendments to a development plan, site analysis plan, conceptual plan, and development schedule, do not apply.

SEC. 51P-____.107. MAIN USES PERMITTED.

(a) Except as provided in this section, the only main uses permitted are those main uses permitted in the R-7.5(A) Single Family District, subject to the same conditions applicable in the R-7.5(A) Single Family District, as set out in Chapter 51A. For example, a use permitted in the R-7.5(A) Single Family District only by specific use permit (SUP) is permitted in this district only by SUP; a use subject to development impact review (DIR) in the R-7.5(A) Single Family District is subject to DIR in this district; etc.

(b) The following main uses are permitted by right:

- Private recreation center, club, or area.
- Public school other than an open-enrollment charter school.

SEC. 51P-____.108. ACCESSORY USES.

As a general rule, an accessory use is permitted in any district in which the main use is permitted. Some specific accessory uses, however, due to their unique nature, are subject to additional regulations in Section 51A-4.217. For more information regarding accessory uses, consult Section 51A-4.217.

SEC. 51P-____.109. YARD, LOT, AND SPACE REGULATIONS.

(Note: The yard, lot, and space regulations in this section must be read together with the yard, lot, and space regulations in Division 51A-4.400. If there is a conflict between this section and Division 51A-4.400, this section controls.)

(a) In general. Except as provided in this section, the yard, lot, and space regulations for the R-7.5(A) Single Family District apply.

(b) Public school other than an open-enrollment charter school and private recreation center, club, or area.

(1) Front yard.

(A) Wentwood Drive.

(i) Minimum setback is 56 feet.

(ii) Flagpoles, benches, seating, planters, bicycle racks, retaining walls with a maximum height of five feet measured from the bottom of the footing to the top of the retaining wall, and steps with ramps and railings are allowed in the setback area.

(iii) Canopies and impermeable covers that are attached to the main building may project up to five feet into the required front yard.

(B) Northwest Parkway. No minimum setback.

(2) Side yard. Minimum setback is 30 feet from Durham Street. Protective athletic field netting with supporting poles, backstops, and goals are allowed in the setback area within 60 feet of Northwest Parkway.

(3) Floor area. Maximum floor area is 108,500 square feet.

(4) Height. Maximum structure height is 40 feet. Except as provided in this paragraph, structures that do not exceed the heights listed in Section 51A-4.408(a)(2) may project above the maximum structure height. Roof mounted equipment that exceeds two feet must be screened and set back a minimum of 100 feet from Durham Street and Wentwood Drive.

CPC and Staff recommendation:

(5) <u>Lot coverage.</u> Maximum lot coverage is 35 percent. Aboveground parking structures are included in lot coverage calculations; surface parking lots and underground parking structures are not.

Applicant requested:

(5) <u>Lot coverage.</u> Maximum lot coverage is 36.5 percent. Aboveground parking structures are included in lot coverage calculations; surface parking lots and underground parking structures are not.

SEC. 51P- _____.110.

OFF-STREET PARKING AND LOADING.

Consult the use regulations in Division 51A-4.200 for the specific off-street parking and loading requirements for each use.

SEC. 51P-____.111. FENCES.

For a public school other than an open-enrollment charter school and private recreation center, club, or area:

(1) A fence may be located in any required yard if it does not exceed six feet in height.

(2) Any fence that exceeds four feet in height and is located within 25 feet of a street must be a minimum of 70-percent open and consistent with a wrought iron appearance.

(3) Fences that are at least 70 percent opening may be located within the visibility triangles on Northwest Parkway.

SEC. 51P-____.112. ENVIRONMENTAL PERFORMANCE STANDARDS.

See Article VI.

SEC. 51P-____.113. LANDSCAPING.

(a) Except as provided in this section, landscaping must be provided in accordance with Article X.

(b) For a public school other than an open-enrollment charter school and private recreation center, club, or area, landscaping must be provided as shown on the landscape plan (Exhibit ____C). If there is a conflict between the text of this article and the landscape plan, the text of this article controls.

(c) Plant materials must be maintained in a healthy, growing condition.

SEC. 51P-____.114. SIGNS.

Signs must comply with the provisions for non-business zoning districts in Article VII.

SEC.51P-____.115. TRAFFIC MANAGEMENT PLAN.

(a) In general. Operation of a public school other than an open-enrollment charter school must comply with the traffic management plan (Exhibit ____C).

(b) Traffic study.

(1) The Property owner or operator shall prepare a traffic study evaluating the sufficiency of the traffic management plan. The initial traffic study must be submitted to the director by November 1, 2017. A second traffic study must be submitted to the director by November 1, 2020. After the second traffic study, the Property owner or operator shall submit updates of the traffic study to the director by November 1st of each even-numbered year.

(2) The traffic study must be in writing, performed by a licensed engineer, based on a minimum of four samples taken on different school days at different drop-off and pick-up times over a two-week period, and must contain an analysis of the following:

- (A) ingress and egress points;
- (B) queue lengths;
- (C) number and location of personnel assisting with loading and unloading of students;
- (D) drop-off and pick-up locations;
- (E) drop-off and pick-up hours for each grade level;
- (F) hours for each grade level; and
- (G) circulation;
- (H) number of children picked up by vehicle;
- (I) number of children arriving or being picked up by carpool;
- (J) number of students walking or traveling by bicycle;
- (K) number of students attending after school care.

(3) Within 30 days after submission of a traffic study, the director shall determine if the current traffic management plan is sufficient.

(A) If the director determines that the current traffic management plan is sufficient, the director shall notify the applicant in writing.

(B) If the director determines that the current traffic management plan results in traffic hazards or traffic congestion, the director shall require the Property owner to submit an amended traffic management plan. If the Property owner fails to submit an amended traffic management plan within 30 days, the director shall notify the city plan commission.

(c) Amendment process.

(1) A traffic management plan may be amended using minor plan amendment fee and public hearing process in Section 51A-1.105(k)(3).

(2) The city plan commission shall authorize changes in a traffic management plan if the proposed amendments improve queuing or traffic circulation; eliminate traffic hazards; or decrease traffic congestion.

SEC. 51P- _____.116.

ADDITIONAL PROVISIONS.

(a) The Property must be properly maintained in a state of good repair and neat appearance.

(b) Development and use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the city.

(c) Additional provisions for a private recreation center, club, or area.

(1) Activities are limited to independent public school district sanctioned events, scholastic competitions, youth recreational activities, and non-professional events. The athletic field may only be used for district-approved events comprised of students no older than the sixth grade.

(2) Security lighting is the only lighting allowed in the ball field and game court areas and must be attached to the building.

(3) Sound amplification and permanent seating are prohibited.

(d) Additional provisions for a public school other than an open-enrollment charter school.

(1) Except for vehicular openings, the parking garage facade on Durham Street must consist of a solid material consistent with the main non-parking structure.

(2) Minimum of 85 percent of each facade must be a masonry material such as brick, stone, engineered stone, concrete, or stucco. Exterior insulated finish systems (EIFS) is prohibited.

(3) During the first four years of operation, the Property owner shall have a certified peace officer present during the morning and afternoon peak times during the first two weeks of each school year.

(4) At least thirty days prior to the filing with the city of any application for a zoning change; amendment to the approved development plan or landscape plan for the school pursuant to Sections 51A-4.702(h) or (i), as amended; any application to the Board of Adjustment for a variance or special exception with respect to the school; or minor amendment to the Traffic Management Plan, the applicant shall submit a copy of said application to the Caruth Hills and Homeplace Neighborhood Association at the address PO Box 601115, Dallas, TX 75360-1115.

CPC recommended and Applicant requested:

(4) The maximum number of classrooms is 35. Labs, special education, early childhood, art and music rooms and other rooms not associated with the homeroom are allowed and do not count towards the classroom maximum.
--

Staff recommendation:

Denial of subparagraph (d)(4).

SEC. 51P-____.117.

COMPLIANCE WITH CONDITIONS.

(a) All paved areas, permanent drives, streets, and drainage structures, if any, must be constructed in accordance with standard city specifications, and completed to the satisfaction of the city.

(b) The building official shall not issue a building permit to authorize work, or a certificate of occupancy to authorize the operation of a use, until there has been full compliance with this article, the Dallas Development Code, the construction codes, and all other ordinances, rules, and regulations of the city.”

Re: Traffic Management Plan for HPISD Proposed School 5 in Dallas, Texas
DeShazo Project Number 16029; Case Number Z156-195

INTRODUCTION

DeShazo Group, Inc. (DeShazo) is an engineering consulting firm based in Dallas, Texas providing licensed engineers skilled in the field of traffic/transportation engineering for over 36 years. The services of DeShazo were retained by Highland Park Independent School District (HPISD) to provide a requisite traffic management plan (TMP) for a proposed elementary school (or School 5).

The subject site is located at 7202 W Northwest Highway within city limits of the City of Dallas. The site is also currently zoned Single Family [R-7.5(A)] District. A review of the anticipated traffic conditions is required in order to gain entitlements for the proposed school site plan. As part of the approval process, submittal of a TMP to the City of Dallas is required as a record of the preferred strategies to be used by the school to ensure overall traffic safety and efficiency. If approved, completion of the proposed school conditions (and any street operational modifications) are anticipated by the 2017 Fall Semester with a school capacity of 770 students in Kindergarten through Fourth Grade. A student attendance boundary zone for the school will not be defined until 2020. In the interim period, HPISD plans to host elementary students from other existing schools in the district. The proposed site plan, prepared in coordination by Stantec and Glenn Engineering, is attached as reference to this report.

This report is intended to assess the anticipated traffic conditions. A TMP is important to safely achieve an optimum level of traffic flow and circulation during peak traffic periods associated with student drop-off and pick-up. By properly managing the vehicular traffic generated during critical periods, the safety and efficiency of other modes of travel—including walking and bicycle traffic—will also inherently improve, and the operational impact on the public street system should also be minimized. This plan, however, should not be considered a comprehensive set of instructions to ensure adequate safety; it is a tool to facilitate a safer and more efficient environment.

By consent of the TMP, the school agrees to be held self-accountable for the enforcement of the strategies presented herein until and unless the City of Dallas deems further measures are necessary. (NOTE: In this report, the term “parent” refers to any individual who is involved in the drop-off or pick-up of one or more students at the school.)

TRAFFIC MANAGEMENT PLAN

The evaluation of anticipated school traffic is based on a distribution and assignment of travel routes available in the surrounding roadway system—a subjective exercise based upon professional judgment considering factors such as familiarity of the roadway network, directional characteristics of existing local traffic and roadway features (e.g., capacity, operational conditions). This TMP also considers the proposed school site plan in the evaluation of pedestrian and vehicular traffic aspects such as passenger loading/unloading, vehicle queuing and parking in order to accommodate anticipated peak traffic demands.

HPISD Elementary Schools Operational Characteristics

DeShazo, in coordination with City staff and City representatives, visited existing HPISD elementary schools to evaluate aspects such as passenger loading and unloading and vehicle queuing. Field observations indicate that current practices during the morning drop-off period do not present significant obstruction of vehicular traffic. Arrival of vehicles is also notably more sporadic than any traffic generated during the afternoon pick-up period. In general, vehicular traffic near the vicinity of the schools operates without any evident traffic delay or congestion during the morning drop-off period.

An independent study conducted internally by HPISD officials also corroborates that a significant number of elementary students walk or bike home—an evident practice at HPISD schools. Table 1 presents a summary of the operational characteristics at existing HPISD elementary schools.

The student attendance boundary zone for School 5 will not be defined until 2020. In the interim period (or “flex years”), the school district plans to host students from other existing HPISD elementary schools. During the proposed flex years, traffic patterns are expected to vary primarily depending the travel distance from home to school and transportation habits currently practiced at the guest students’ home school.

In addition, based on observation of practices at existing schools, DeShazo anticipates a significant number of parents who choose to park in the vicinity of the school and walk their student(s) into the school building. With two main access points and considering the location of on-street parking identified in Exhibit 2, the school design team anticipates approximately 20% of the pedestrian activity along Wentwood Drive and the rest of the pedestrian activity to concentrate at the main entrance on Durham Street.

School Site Access and Circulation

The proposed school site plan includes a recessed curb along Durham Street for student drop-off and pick-up operations. Based on the geographical location of the school, the evaluation of school traffic assumes that the vast majority of the incoming traffic will arrive from the south via one of the main roadways running north-south: Hillcrest Avenue, Airline Road, Durham Street or Boedeker Street. In order to enforce participation in a systematic queue along the proposed drop-off/pick-up lane, it is necessary to effectively force vehicles to circulate clockwise around the school block. The same circulation pattern should be enforced during both the morning and afternoon school periods.

Based upon an evaluation of existing traffic counts, Villanova Street will potentially present an attractive ingress route for traffic traveling from Boedeker Street—about one fourth of the estimated traffic once a final school zone is determined. In order to discourage Villanova Street as a point of access and further encourage traffic to circulate clockwise around the block, a one-way southbound operation is recommended on Durham Street from Northwest Parkway to Wentwood Street during school hours. Exhibit 1 presents a recommended signage plan that includes a minimal number of signs to restrict northbound access to vehicular traffic on Durham Street (north of Wentwood Street). In addition, a “right turn only” sign at the westbound terminus of Villanova Street is recommended with the intention to restrict vehicular access to the proposed drop-off/pick-up driveway. The proposed restrictions are also intended to reduce traffic volumes at the intersection of Durham Street at Wentwood Drive and provide a minimal impact to residential traffic.

Student Drop-Off Operations

The proposed recessed curb in front of the school along Durham Street is expected to accommodate all students drop-off traffic. Drop-off activities in front of the school along Wentwood Drive should be restricted with “No Drop-Off” signs. During student drop-off periods, parents should circulate clockwise around the school block to approach the drop-off lane from the north via Airline Road and then Northwest Parkway. Upon arrival to the designated drop-off zone, the proposed recessed curb will provide approximately 423 linear feet or enough space for up to 18 vehicles to simultaneously unload students. The proposed site plan also provides a separate lane exclusive for students with special needs with additional capacity for up to two vehicles (47 linear feet). Egress vehicles should proceed southbound on Durham Drive to exit the site.

Alternatively, some parents will search for available on-street parking and walk their students towards the school building. Based on observations at existing HPISD elementary schools and corroboration from parents, approximately 60-70 adults walk inside the school building prior to schools’ bell on any given day. It must be noted that these observations include parents who walk from home and/or both parents of students who volunteer or attend morning meetings. In addition, it may also take several of the first days of each school year for parents, students and staff to apprehend and observe the proposed traffic management plan.

Passenger Loading and Vehicle Queuing

During the afternoon pick-up period, the school will implement an "Advance Passenger Identification System". At the beginning of each school term, parents will be issued hangtags with unique identification that pairs them with corresponding student(s). During the pick-up period, hangtags must be on display through the vehicle's windshield while parents arrive at the pick-up areas. School staff should be positioned at strategic locations ahead of the loading area and relay the sequence of arrivals via hand radio while students are prepped for pick-up. With the assistance of other school staff stationed at the loading area, several vehicles should be loaded simultaneously. After loading, vehicles should be cleared by school staff to carefully exit the queue along the designated route (i.e. southbound along Durham Street).

In accordance with the HPISD elementary schools schedule, School 5 will stagger student dismissal times: First, Kindergarten and 1st grade students with a student capacity of approx. 308 students will be dismissed at 3:00 PM; a second bell will dismiss 2 – 4th grade students (approx. 462 students) at 3:15 PM.

Student Dismissal at 3:00 PM (K-1st Grade)

Based on qualitative observations of carpool operations at existing HPISD elementary schools during afternoon pick-up periods, the vast majority of parents with students in Kindergarten and 1st Grade search for available on-street parking within walking distance of the school—choosing to park and approach the school to greet their student(s). In order to provide for these anticipated operations and to reduce the impact on adjacent public rights-of-way, the school anticipates the use of public, on-street parking along Northwest Parkway, Durham Street and Wentwood Drive. Exhibit 2 illustrates a general depiction of the location and the amount of available on-street parking in the immediate vicinity of the school site.

Student Dismissal at 3:15 PM (2-4th Grade)

The vehicular queue during the second dismissal period will be directed towards a recessed pick-up lane in front of the building on Durham Street. The capacity of the recessed curb provides 502 linear feet of on-site vehicular queuing (i.e. storage for up to 21 vehicles at 23.5 feet per vehicle). A projected maximum queue of 36 vehicles is expected to exceed the capacity of the recessed curb during the 3:15 PM dismissal period. This deficit will result in an anticipated queue of approximately 15 vehicles beyond the recessed curb on Durham Street and Northwest Parkway. Table 3 presents a summary of the anticipated queue operations.

Table 3. Peak Vehicles In Queue during Afternoon Pick-Up Period

Dismissal Period:	3:00 PM for K - 1 st Grade (308 students, 70% participation)	3:15PM for 2-4 th Grade (462 students, 70% participation)
On-Street Provided:	2,115 LF (90 cars) recessed curb: 502 LF (21 cars) on-street curb: 1,613 LF (69 cars)	2,115 LF (90 cars) recessed curb: 502 LF (21 cars) on-street curb: 1,613 LF (69 cars)
Required:	564 LF (24 cars)	846 LF (36 cars)
Surplus:	1,551 LF (66 cars)	1,269 LF (54 cars)

* LF = linear feet; queue estimated at one vehicle on queue per 9 students.

As shown in Exhibit 1, the proposed traffic operations will accommodate a queue with a capacity of up to 90 vehicles. The proposed queue route was strategically designated so that any vehicular queue does not front on (or present any obstruction to) access driveways to residential properties. However, DeShazo does not anticipate queues to reach near capacity under typical student pick-up operations. The queue length projection is a mathematical exercise with parameters based on empirical data and supplemented by recommended guidelines presented by the Texas Transportation Institute and other national publications; a ratio of *one vehicle per nine students* is considered appropriate to estimate the longest queue for the proposed school operations.

NOTE: The south parking lot of Northway Christian Church supports the parking needs of an existing pre-Kindergarten school. Field observations on Thursday, March 24, 2016 from 2:30 to 3:30 PM show a maximum of 67 vehicles on the church lot. A parking supply of 177 spaces provides a surplus of 110 spaces. This surplus, however, is not taken into account in this traffic management plan. Moreover, the proposed school traffic operations will not present an encumbrance to existing traffic on Wentwood Drive.

Inclement Weather Plan

The proposed school site plan includes an extended canopy along the school building on Durham Street. In the event of inclement weather, school staff should line up students under the canopy while the pick-up queue is in progress. School staff monitoring traffic operations should be equipped with protective clothing and/or umbrellas, positioned at strategic locations ahead of the loading area and relay the sequence of parent arrival via handheld radio. Should weather become hazardous or should there be not enough room to accommodate all students under the canopy, school staff should line up students in the gym and use radio to communicate parent arrivals. A commensurate number of school staff should be assigned to fulfill the duties of student supervision, arrival of parents and loading of students into their vehicles. After loading, vehicles should be cleared by school staff to carefully exit the queue along the designated route (i.e. southbound along Durham Street).

Recommendations to Facilitate Queue Operations

Queue pick-up participation is a challenge that schools face constantly. Despite the anticipated practices and operational characteristics at School 5, full cooperation of all school staff members, students and parents is crucial for the success of the systematic queue. Proper training of school staff on the duties and expectations pertaining to this plan is recommended. Sufficient communications at the beginning of each school term (and otherwise, as needed) with students and parents on their duties and expectations is also recommended.

It should also be the goal of school officials to encourage active modes of transportation, including walking, riding and carpooling. DeShazo recommends the consideration of the following recommendations to optimize queue operations:

- Implementation of an “Advance Passenger Identification System” to expedite queue operations. As described on page 4 (*Passenger Loading and Vehicle Queuing* section of this report), this system uses hangtags displayed through the windshield of arriving vehicles to identify arriving vehicles with the name(s) of corresponding student(s).
- Use of apps or software (e.g. Driveline Dispatch®) to expedite queue operations. This software efficiently displays family names of upcoming vehicles on indoor screens and provides students and school staff with a chart of vehicles approaching the loading zone.
- Implementation of a “Putting Queue into Practice” campaign that sets a specific goal of a number of vehicles participating in the pick-up queue. The campaign uses a sign as a barometer displayed at a prominent location along the curb to inform parents of how many vehicles participated in the queue the prior day. School PA announcements can also update students and staff on the progress. Other signs would also be displayed around school to promote the campaign. An advantage of this program is that it works both ways: it can be used to increase vehicular participation at the dedicated pick-up zones, but also achieve a reduction in vehicular traffic by encouraging carpool, walking, biking and other practices—specifically during the year hosting Bradfield E.S. students.

General Recommendations

The following recommendations are also provided to school officials for the management of vehicular traffic generated by the school during peak traffic conditions. Generally, traffic delays and congestion that occurs during pick-up periods is notably greater than the traffic generated during the morning drop-off period due to timing and traffic concentration. In most instances, achieving efficiencies during the afternoon period is most critical, while the morning traffic operations require nominal active management.

- DeShazo recommends the traffic circulation plan depicted in Exhibit 1 based upon a detailed review of the proposed site plan and anticipated traffic during school peak conditions. This TMP was designed with the intent of optimizing vehicular circulation and retention of vehicle queuing in a manner that promotes safety and operational efficiency. The plan includes a recommended configuration of temporary traffic control devices that shall be installed on a daily basis when typical traffic conditions are expected. An appropriate number of school staff shall be assigned to fulfill the duties of student supervision, traffic control, and other related duties as generally depicted on the plan.
- Staff participating in student drop-off/pick-up operations should, in lieu of simple hand gestures, procure and use reversible hand-paddle signs with the messages for STOP and for SLOW. Optional additional equipment used by staff may include whistles (for audible warnings) and flashlights (for visual warnings) in order to gain the attention of motorists.
- To minimize liabilities, no persons other than deputized officers of the law should engage or attempt to influence traffic operations in public rights-of-way.
- An off-duty deputized officer should be present for at least the first two weeks of each school year during the first four years of school traffic operations.
- Proposed conditions during school traffic operations should prevent any westbound traffic along the segment of Northwest Parkway between Airline Road and Durham Street. As shown in Exhibit 1, a "Do Not Enter" sign will provide enough capacity for traffic during peak school operations.
- The City of Dallas should install pedestrian crosswalks at the intersection of Wentwood Drive and Durham Street; school officials should consider the assignment of crossing guards at this intersection.
NOTE: Pedestrian crosswalks should not be considered an absolute enhancement to provide pedestrian safety. Pedestrians are prone to be less cautious when crossing a street at a dedicated pavement marking, giving responsibility of action to approaching vehicles instead.
- Given the anticipated pedestrian activity, the City of Dallas should consider the construction of pedestrian sidewalks along Durham Street as well as the establishment of school zones in the area.
- As shown in Exhibit 1, the designated school queue route is intended to arrive northbound along Airline Road. The City of Dallas should commission an evaluation of school traffic conditions at the intersection of Northwest Parkway and Airline Road to consider the need of lane geometry improvements that restrict access to school queue directly from Northwest Highway. Improvements may include a channelized "porkchop" island, pavement markers and/or traffic buttons. Traffic signs along Northwest Parkway should also restrict on-street parking along the dedicated queue route during drop-off and pick-up queue operations.
- The existing all-way STOP control at the intersection of Wentwood Drive and Durham Street is deemed appropriate to minimize safety risks based upon a review of the anticipated operational activities. The City of Dallas should commission an evaluation of traffic controls at other intersections once school traffic is in operation.

*DeShazo Group, Inc.
April 19, 2016*

- City of Dallas should also commission a traffic study during the first school year and again once the school district determines a school attendance zone for School 5.
- As needed, HPISD officials should conduct annual meetings with neighborhood representatives to address any problems concerning this traffic management plan and identify solutions in the interest of all involved parties.

SUMMARY

This TMP is to be used by the proposed School 5 to provide safe and efficient transportation of students, staff, and faculty to and from the site. The Plan was developed with the intent of optimizing safety and efficiency and the goal of accommodating vehicular traffic generated by the school at peak traffic periods within the site. Details of the TMP shall be reviewed on a regular basis to confirm its effectiveness. A concerted effort and full participation by the school administration, staff, students, and parents are encouraged to provide and maintain safe and efficient traffic operations.

The purpose of this Traffic Management Plan (TMP) is to evaluate traffic operations that promote safety and efficient vehicle circulation. The school administration should adhere to this TMP. Details of this plan shall be reviewed on a regular basis to confirm its efficiency. Any deficiency due to spillover of queuing into undersigned areas of the city rights-of-way, including roadway travel lanes, should be corrected by the school immediately.

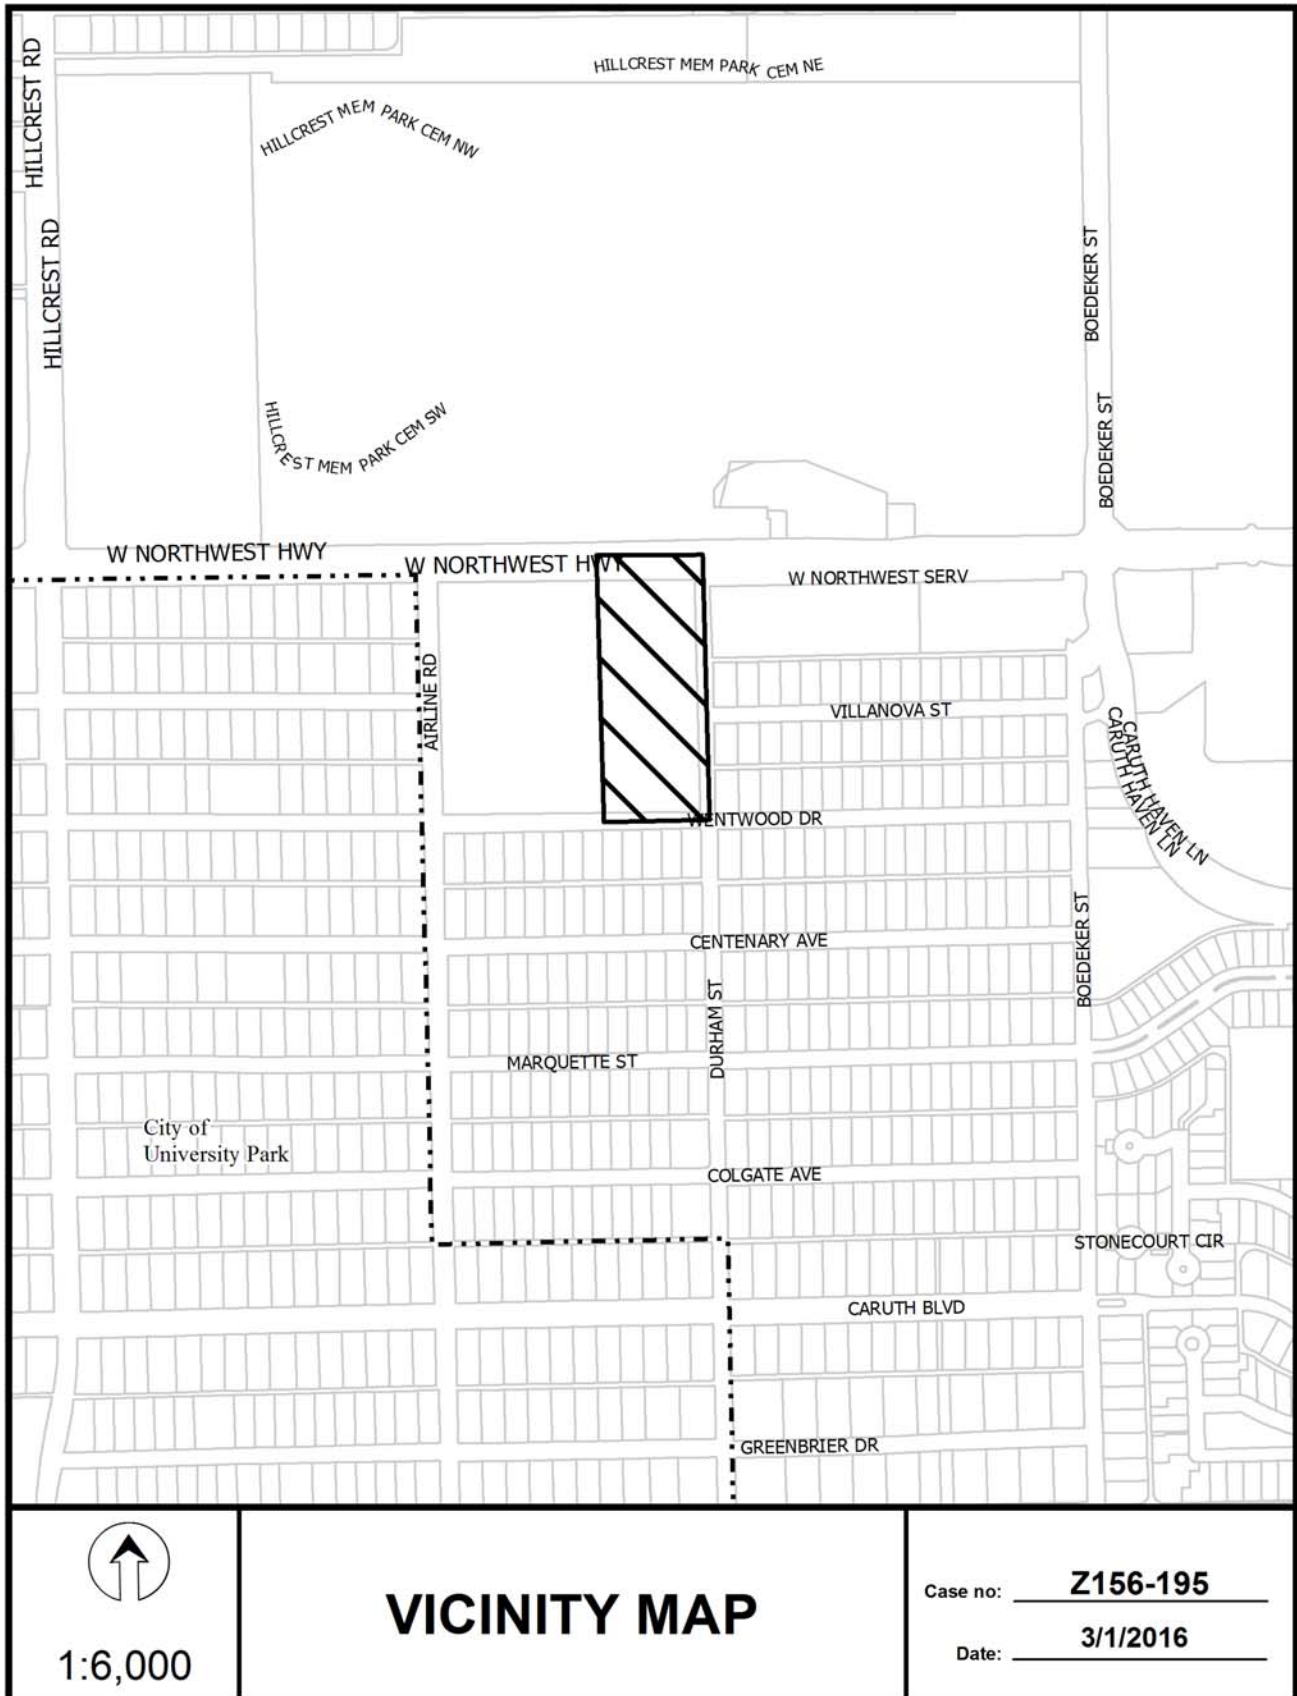

I, David Navarro, P.E. #106200, certify that site constraints preclude the school's ability to accommodate all vehicular queuing on site. While it may not be feasible to eliminate queuing on public rights-of-way, establishing a designated school route and implementing a one-way southbound operation will lessen the impact to neighborhood and background traffic. This option is subject to approval from the City of Dallas Department of Street Services.

AGENDA ITEM # 64

KEY FOCUS AREA: Economic Vibrancy

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): 13

DEPARTMENT: Sustainable Development and Construction

CMO: Ryan S. Evans, 671-9837

MAPSCO: 26 L

SUBJECT

A public hearing to receive comments regarding an application for and an ordinance granting a Planned Development District for MU-2 Mixed Use District and mini-warehouse uses and an ordinance granting a Specific Use Permit for a mini-warehouse use on property zoned an MU-2 Mixed Use District on the south side of Meadow Road, west of Greenville Avenue

Recommendation of Staff: Approval of a Planned Development District, subject to a development plan and conditions; and approval of a Specific Use Permit for a mini-warehouse use for a ten-year period, subject to a site plan and conditions

Recommendation of CPC: Approval of a Planned Development District, subject to a development plan and conditions; and approval of a Specific Use Permit for a mini-warehouse use for a fifteen-year period with eligibility for automatic renewals for additional fifteen-year periods, subject to a site plan and conditions

Note: This item was considered by the City Council at a public hearing on May 11, 2016, and was held under advisement until May 25, 2016, with the public hearing open

FILE NUMBER:	Z145-183(WE)	DATE FILED:	February 9, 2015
LOCATION:	South side of Meadow Road, west of Greenville Avenue		
COUNCIL DISTRICT:	13	MAPSCO:	26 L
SIZE OF REQUEST:	Approx. 1.55 acres	CENSUS TRACT:	78.23

APPLICANT/OWNER: Croesus Greenville Avenue L.P.

REPRESENTATIVE: Suzan Kedron and Steven Dimitt, LLP, Jackson Walker

REQUEST: An application for a Planned Development District for MU-2 Mixed Use District and mini-warehouse uses and a Specific Use Permit for a mini-warehouse use on property zoned an MU-2 Mixed Use District.

SUMMARY: An MU-2 District permits a mini-warehouse use by a Specific Use Permit. The applicant requests a Planned Development District to permit a 4-story, 113,075-square-foot mini-warehouse use by right with the following conditions for the use: 1) increase the maximum floor area ratio from 1.6 to 1.7; 2) allow for a retaining wall to encroach in the required front yard; 3) limit the maximum height of 65 feet, with 15 feet for mechanical runs; and 4) require one of three options of building materials for the exterior facades. The development plan shows a portion of the structure will have 2,100 square feet of flex space for retail or office space and 1,050 square feet of floor area for an accessory office for the mini-warehouse use. All other uses in MU-2 would continue to be permitted, as well.

CPC RECOMMENDATION: Approval of a Planned Development District, subject to a development plan and conditions; and approval of a Specific Use Permit for a mini-warehouse use for a fifteen-year period with eligibility for automatic renewals for additional fifteen-year periods, subject to a site plan and conditions.

STAFF RECOMMENDATION: Approval of a Planned Development District, subject to a development plan and conditions; and approval of a Specific Use Permit for a mini-warehouse use for a ten-year period, subject to a site plan and conditions.

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

Staff recommends approval based upon:

1. *Performance impacts upon surrounding property* – The land uses adjacent to the request site consist of retail and personal service uses, office uses, medical uses and a convalescent and nursing home use. The site's configuration and the low traffic volume that is generated by the proposed mini-warehouse should have minimal impact on the adjacent uses. In addition, the height will be restricted than required by code and building materials will be regulated. The proposed height of the mini-warehouse use is 65 feet.
2. *Traffic impact* – The Engineering Section of the Department of Sustainable Development and Construction has determined that the request will have no detrimental impact on the street system.
3. *Comprehensive Plan or Area Plan Conformance* – The *forwardDallas! Comprehensive Plan* shows that the request site is located in an Urban Mixed Use Building Block and is not in compliance with the Comprehensive Plan. Due to the Comprehensive Plan designation, a Specific Use Permit for is recommended as currently required by the Development Code to permit the mini-warehouse use. The other amendments to the MU-2 District are still generally in conformance with the Building Block.
4. *Justification for PDD Planned Development District Zoning as opposed to a straight zoning district* – Staff supports a Planned Development District to increase the maximum floor area and encroachment into the front yard because the applicant is providing a retail component within the overall design and the other performance standards are minimal.
5. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The use neither contributes nor is it a detriment to adjacent properties.
6. *Not a detriment to the public health, safety, or general welfare* – This use will not be a detriment to the public health, safety or general welfare of the community.
7. *Conforms in all other respects to all applicable zoning regulations and standards* – The request will comply with all zoning regulations and standards. However, there are several modifications that are being requested as it relates to the yard, space and lot regulations. These changes are addressed in the Planned Development conditions and reflect the following: allowing retaining walls to encroach into the required yards, increase in the base floor area ratio, and prohibit urban form setbacks along Greenville Avenue. Staff can support the changes to the above mentioned regulations. The changes should not have any negative impact on the adjacent uses.

Zoning History: There have not been any zoning cases in the area over the past five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
Meadow Road	Collector	60 ft.	60 ft.
Greenville Avenue	Principal arterial	100 ft.	100 ft.

Traffic: The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that it will not have a detrimental impact on the surrounding street system.

COMPREHENSIVE PLAN: The Comprehensive Plan does not make a specific land use recommendation related to the request; however, the *forwardDallas! Vision Illustration*, adopted June 2006, is comprised of a series of Building Blocks that depict general land use patterns. Building Blocks are generalized patterns without well-defined boundaries that indicate where certain types and densities of development might logically occur. The proposed development is not in compliance with the *forwardDallas! Comprehensive Plan*.

The request site is identified as being within an Urban Mixed Use Building Block on the *forwardDallas! Vision Illustration*, adopted June 2006. The Urban Mixed-Use Building Block incorporates a vibrant mix of residential and employment uses at a lower density than the Downtown Building Block. These areas are typically near Downtown, along the Trinity River or near major transit centers. Examples include Uptown, the City Place/West Village area, Stemmons Design District, Cedars and Deep Ellum. Urban Mixed-Use Building Blocks provide residents with a vibrant blend of opportunities to live, work, shop and play within a closely defined area. Buildings range from high-rise residential or mid-rise commercial towers to townhomes and small corner shops. Good access to transit is a critical element. Similar to Downtown, the Urban Mixed-Use Building Blocks offer employment and housing options and are important economic growth areas for businesses. People on foot or bike can enjoy interesting storefronts at ground level with benches, public art, on-street parking and wide sidewalks, creating an appealing streetscape. Large parking areas and other auto-oriented land uses are typically located at the edges.

Land Use:

	Zoning	Land Use
Site	MU-2	Undeveloped
North	MU-2	Convalescent & nursing home
South	MU-2	Restaurant
East	MU-2	Gen. merchandise or food store, mini-warehouse, retail personal service
West	MU-2, GO(A), PD No. 76	Vacant retail, offices

Land Use Compatibility: The 1.55 acre site is an irregular shape and is adjacent to mix of one to three-story retail, office and residential uses. The surrounding land uses consist of a restaurant use to the south, and office uses to the west. The property to the north, across Meadows Street is a convalescent and nursing home. East of the request site is a retail use and across Greenville Avenue consist of several one-story mini-warehouse uses and a retail use for medical equipment.

The maximum structure height in a MU-2 District varies depending on whether the development is a mixed-use project. The structure height ranges between 135 feet (standard height) to 180 feet (mixed-use development with retail component). The applicant is proposing to development the mini-warehouse at a height not to exceed 65 feet. In addition, staff recommends that a Specific Use Permit for the mini-warehouse use should remain to further provide additional protection for the adjacent uses.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Development Standards:

Landscaping: Landscaping of any development will be in accordance with the Article X, as amended.

Parking: The off-street parking requirement for a mini-warehouse use is a minimum of six spaces. Spaces may not be used for outside storage, vehicle storage, or parking for vehicles for rent. However, the applicant is request to limit the off-street parking space to 17 spaces. Staff is requesting that the proposed development meet the Code requirements for off-street parking. The area that is considered as a “flex space” within the proposed mini-warehouse development could operate at a use that requires additional off-street parking spaces than is shown on the development plan. Staff is concerned that the proposed uses within the proposed mini-warehouse use may not provide the appropriate parking spaces for the uses. The City Plan Commission recommended to limit the off-street parking spaces to 17 spaces

APPLICANT/OWNER: Ruth Hunsinger

REQUEST: An application for the renewal of and an amendment to Specific Use Permit No. 1814 for a vehicle display, sales, and service use and a commercial motor vehicle parking lot on property zoned Subdistrict 5A within Planned Development District No. 533, the C.F. Hawn Special Purpose District No. 1 with a D-1 Liquor Control Overlay.

SUMMARY: The purpose of this request is to allow the existing establishment [Sinai Truck Parking] to continue the operation of a vehicle display, sales, and service use and a commercial motor vehicle parking lot. The amendment would extend the area demarcated on the site plan, account for a dumpster towards the western border of the property, provide for the extension of a fence and the addition of a gate, and account for additional landscaping requirements. The number of permitted parking spaces for commercial motor vehicles is also being increased from 14 to 55. The site is currently developed with two existing buildings providing a cumulative floor area of ±11,493 square feet. While this Specific Use Permit was eligible for automatic renewals, it could not be automatically renewed because the applicant is requesting an amendment to the City Council approved site/landscape plan and conditions.

CPC RECOMMENDATION: **Approval** for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a revised site/landscape plan and conditions.

STAFF RECOMMENDATION: **Approval** for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a revised site/landscape plan and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – While there is a single family residential use directly west of the site, the residential use is not consistent with the character of the area. C.F. Hawn Freeway is south of the site, and undeveloped land lies to the north. To the east is a current Specific Use Permit for an office showroom/warehouse use. The existing commercial motor vehicle parking lot use and a vehicle display, sales, and service use are expected to remain compatible with the area.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The existing use neither contributes nor is it a detriment to adjacent properties.
3. *Not a detriment to the public health, safety, or general welfare* – The existing use is not detrimental to the public health, safety, or general welfare.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The request complies with all applicable zoning regulations and standards of Subdistrict 5A within PDD No. 533.

Background: On November 10, 2010, the City Council approved the creation of Subdistrict 5A within PDD No. 533, which allowed for all the uses within Subdistrict 5 as well as a commercial motor vehicle parking lot use with a Specific Use Permit. On the same day, the City Council approved Specific Use Permit No. 1814 for a vehicle display, sales, and service use and a commercial motor vehicle parking lot use for a five-year period with the eligibility for automatic renewals for additional five-year periods.

Zoning History: There have not been any zoning changes requested in the area within the last five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
C.F. Hawn Freeway	Highway	±270 feet
Southeast Drive	Minor Arterial	50 feet

Traffic:

The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that it has not significantly impacted the surrounding roadway system.

Comprehensive Plan:

The *fowardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *fowardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in a Commercial Center or Corridor Building Block.

These areas primarily function as service and job destinations and are similar to Business Centers or Corridors, but are smaller and incorporate less density. These corridors, commonly at the intersection of major streets, are easily accessed via automobiles. Buckner Boulevard is an example of a Commercial Corridor. Buildings in these areas tend to be on separate parcels and stand one to five stories with offices, restaurants and a range of retail and commercial uses. In addition to jobs and services, Commercial Centers or Corridors also may include multifamily housing in low- to mid-rise apartment buildings or condominiums. Landscaping and urban design will enhance the visitor's experience and is used to separate sidewalks from major roads and define pedestrian routes in large parking lots. For large shopping centers, this may involve adding public plazas or other "town center" features. Public transit enhancements as well as quality access and visibility are important components of successful auto-oriented development.

The request provides a service and is easily accessed from C.F. Hawn Freeway. However, a specific use permit allows the City to continue to evaluate the compatibility of the use with the surrounding area and to ensure compliance with the conditions and site plan are being met.

STAFF ANALYSIS:

Land Use:

	Zoning	Land Use
Site	PDD No. 533, Subdistrict 5A, and SUP 1814	Commercial Motor Vehicle Parking and Vehicle Sales, Service, and Display
North	R-7.5(A)	Undeveloped Land
East	PDD No. 533, Subdistrict 5, 6, and 7, and SUP 1754	Office Showroom/Warehouse and Undeveloped Land
South	C.F. Hawn Freeway	Highway

West	PDD 533	Single-family and Undeveloped Land
-------------	---------	------------------------------------

Land Use Compatibility:

The site abuts C.F. Hawn Freeway to the south and is surrounded by vacant land, but has a current SUP for an office showroom/warehouse use abutting the site to the east. The applicant's request for renewal of and an amendment to Specific Use Permit No. 1814 will not only allow the continued operation of the existing commercial motor vehicle parking use [Sinai Truck Parking], but increase the number of permitted parking spaces for commercial motor vehicles from 14 to 55, most of which will be located towards the northern portion of the site. In order to do so, the applicant first had to apply for a Letter of Map Amendment, which was granted by FEMA in October of 2015. The applicant has also amended the site/landscape plan to provide for landscaping requirements as per the ordinance governing the PDD.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Based on staff's analysis of the site, the existing built environment, and the specific detail of the operation in the locations noted on the site and landscape plan, staff has determined the renewal and amendment to be appropriate.

Parking:

Pursuant to §51A-4.210(31)(C), a vehicle display, sales, and service use requires one space per 500 square feet of floor area and site area exclusive of parking area. Based on documentation provided by the applicant, the building for the aforementioned use contains a cumulative floor area of ±448 square feet. Therefore, for this use, one off-street parking space is required. According to §51A-4.210(8.1)(C), a commercial motor vehicle parking use requires no off-street parking. Nevertheless, the SUP has placed a condition that limits the number of off-street parking spaces for this particular use. Previously, City Council approved 14 parking spaces. In this request, the applicant requests 55 commercial parking spaces.

Landscaping:

Landscaping of any development will be in accordance with Ordinance No. 23780, which governs PDD No. 533. The applicant has met with the Arborist department to determine if the site meets the requirements, and the Arborist has concluded the revised site and landscape plan does.

For automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for applications for automatic renewal is strictly enforced.)
4. LANDSCAPING: Landscaping must be provided as shown on the attached site and landscape plan. Plant materials must be maintained in a healthy, growing condition.
5. HOURS OF OPERATION: Vehicles may only enter and exit the commercial motor vehicle parking lot between 6:00 a.m. and 6:00 p.m., Monday through Saturday. Vehicles may remain parked onsite overnight and on Sundays.
6. VEHICLE STORAGE: The maximum number of vehicles permitted at any one time in the commercial motor vehicle parking lot is 55 (44).
7. ALTERNATIVE PAVING MATERIAL: The Director shall approve an alternative paving material for the commercial motor vehicle parking lot prior to issuance of a certificate of occupancy.
78. MAINTENANCE: The Property must be properly maintained in a state of good repair and neat appearance.
89. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

SIZE OF REQUEST: Approx. 2.27 acres

CENSUS TRACT: 43.00

OWNER/APPLICANT: Listocon Group, LLC

REPRESENTATIVE: Tailim Song, Tailim Song Law Firm

REQUEST: An application for a Specific Use Permit for an industrial (outside) not potentially incompatible use limited to a concrete batch plant on property zoned an IR Industrial/Research District.

SUMMARY: The applicant proposes to utilize the property for a concrete batch plant. The proposed use will serve new construction within a twenty-mile radius. The use is permitted in the IR Industrial/Research District by SUP only. All other IR uses are also allowed on the property.

CPC RECOMMENDATION: **Approval** for a five-year period, subject to a site plan and conditions.

STAFF RECOMMENDATION: **Approval** for a five-year period, subject to a site plan and conditions.

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – While it may not be a desirable use from a long-term perspective, the proposed concrete batch plant is an acceptable use for this location given construction activity in the vicinity.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The proposed use neither contributes nor is it a detriment to the welfare of adjacent properties.
3. *Not a detriment to the public health, safety, or general welfare* – The proposed use will not be a detriment to the public health, safety or general welfare of the public. The proposed conditions help mitigate potential negative impacts to the area.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The request will comply with all applicable zoning regulations and city codes.

Zoning History: There have been no zoning applications in the vicinity in the past five years.

STAFF ANALYSIS:

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *forwardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in the Industrial Building Block. Industrial Areas, which offer important employment opportunities, occupy large areas of land and usually are near major roads and heavy rail lines. Evolving technology and the need for freight movement through Dallas to the rest of the country and internationally means this sector can offer good opportunities for jobs. Logistics and warehousing, a growing industry

with strong potential for upward mobility of skilled workers, would thrive in such areas. Examples include Southport and the Agile Port, parts of West Dallas along I-30, and the Stemmons industrial area. These areas include a mix of low- and medium-density industrial buildings and industrial yards and have large surface parking for cars and trucks. Industrial Areas rely on quality road access and may be linked to rail for freight purposes. Street lanes are wide and intersections are large. Transit, sidewalks and other pedestrian improvements are limited.

The IR District contains lesser intense industrial uses. As a result, a concrete batch plant may not be appropriate at this location on a permanent basis. The SUP requirement affords the city and surrounding neighbors an opportunity to periodically evaluate whether or not the use is continuing to be compatible with the surrounding area. Furthermore, conditions can establish performance standards such as operating hours, screening and landscaping, site layout, ground and dust control, traffic circulation, and the location of outdoor storage.

Surrounding Land Uses:

	Zoning	Land Use
Site	IR	Vacant structures
North	IR	Vehicle related uses and warehouse
South	IR	Vehicle storage and outside storage
West	IR	Vehicle service center, vehicle storage and warehouse
East	IM	Office/warehouse

Land Use Compatibility:

The 2.27 acres of land have several structures that total approximately 10,500 square feet. Approximately 4,885 square feet will be utilized for the outside manufacturing process. The SUP requirement for certain land uses in particular zoning districts affords the city and surrounding neighbors an opportunity to periodically evaluate whether or not the use is continuing to be compatible with the surrounding area. Furthermore, the conditions establish performance standards such as operating hours, screening, site layout, ground and dust control, traffic circulation, stacking height, and the location of outdoor storage.

Development Standards:

DISTRICT	Setbacks		Density	Height	Lot Coverage	Special Standards	Primary Uses
	Front	Side/Rear					
Existing							
IR Industrial/Research	15'	30' adjacent to residential OTHER: No Min.	2.0 FAR overall 0.75 office/ retail 0.5 retail	200' 15 stories	80%	Proximity Slope Visual Intrusion	Industrial, wholesale distribution & storage, supporting office & retail

Parking:

Pursuant to the Dallas Development Code, off-street parking and loading must be provided in accordance with Division 51A-4.200. The required parking for the batch plant use is one space per 600 square feet of manufacturing area and one space per 1,000 square feet for the warehousing. For a total required number of spaces of 19. The proposed number of spaces exceeds the requirement.

Landscaping and Sidewalks:

Landscaping of the property must be provided in accordance with Article X of the Dallas Development Code. At its hearing on January 21, 2016, the City Plan Commission recommended that the applicant incorporate a six-foot wide sidewalk along the property.

CPC ACTION – January 21, 2016

Z145-329(OTH)

Planner: Olga Torres Holyoak

Motion: It was moved to recommend **approval** of a Specific Use Permit for an industrial (outside) not potentially incompatible use limited to a concrete batch plant for a five-year period, subject to a site plan and conditions with an additional condition to provide for construction and maintenance of 6 ft. wide sidewalks on all frontages (at the expense of the applicant), subject to the City's approval on property zoned an IR Industrial/Research District on the south line of West Commerce Street, between Ivanhoe Lane and Brundrette Street.

Note: Commissioner Abtahi requested minutes reflect that when Specific Use Permit No. 1804 is considered for renewal, the docket include the Commission deliberation on this specific use permit.

**SUP Proposed Conditions
Z145-329**

1. USE: The only use authorized by this specific use permit is an industrial (outside) not potentially incompatible use limited to a concrete batch plant.
2. SITE PLAN: Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit expires on ____ (five years from the passage of this ordinance).
3. DUST CONTROL:
 - A. The following conditions must be met on an ongoing basis:
 - i. Trucks must be loaded through a discharge equipped with a water ring or equivalent dust control system that eliminates visible dust emissions.
 - ii. All permanent roads or vehicular maneuvering area inside the plant must be paved, watered, and swept to eliminate visible dust emissions.
 - iii. The area between the sand/aggregate stockpiles and conveyor charge hopper used for vehicle traffic must be paved, watered, and swept as necessary to achieve maximum control of dust emissions. Other areas used for vehicle traffic must be watered as necessary to eliminate visible dust emissions.
 - iv. During operations, all stockpiles must be sprinkled with water or chemicals as necessary to eliminate visible dust emissions.
 - v. The cement storage silos and cement weigh hopper must be vented to a fabric filter to eliminate visible dust emissions.
 - vi. During operations, the conveyor charge hopper must have a water spray sufficient to eliminate visible dust emissions or the conveyor charge hopper must be completely enclosed to contain dust.
 - vii. To avoid overloading, a mechanism must be installed on each cement storage silo to warn operators that the silo is full.
 - viii. Spillage of cement must be cleaned up and contained or dampened within 30 minutes so that emissions from wind erosion and/or vehicle traffic are minimized.

- B. Prior to the issuance of a certificate of occupancy, a written ground and dust control plan that reflects existing and proposed infrastructure needed to comply with conditions 4(A)(i) through 4(A)(viii) must be delivered to the director of environmental and health services and the director of development services.
4. OUTSIDE MANUFACTURING AREA: The maximum area for outside manufacturing is 4,885 square feet in the location shown on the attached site plan.
 5. INGRESS-EGRESS: Ingress and egress must be provided in the location shown on the attached site plan. No other ingress or egress is permitted.
 6. PARKING: Pursuant to the Dallas Development Code, off-street parking and loading must be provided as shown in the site plan.
 7. SCREENING: Solid screening must be provided in the height and locations shown on the site plan.
 8. SIDEWALK: A 6-foot wide sidewalk shall be installed along all street frontages of the property as shown on the attached site plan.
 9. STOCKPILE HEIGHT: Maximum stockpile height for materials in the sand/gravel stockpile is eight feet.
 10. MAINTENANCE: The Property must be properly maintained in a state of good repair and neat appearance.
 11. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas.

APPLICANT / OWNER: Texas in Town Homes, LLC

REPRESENTATIVE: Audra Buckley – Permitted Development

REQUEST: An application for an amendment to Planned Development Subdistrict No. 104 within Planned Development District No. 193, the Oak Lawn Special Purpose District

SUMMARY: The purpose of this request is to amend Planned Development Subdistrict No. 104 conditions to reflect a change in the standard pavement width on a portion of Hawthorne Avenue and Bengal Street. Planned Development District No. 193 requires that a residential subdistrict other than an MF-1 and MF-2 Subdistrict, have a pavement width of 26 feet and a right-of-width of 50 feet. The applicant is proposing to reduce the pavement width along a portion of Hawthorne Avenue and Bengal Street (a new street) from 26 feet to 20 feet to allow for on-street parking. There are no changes to the right-of-width of 50 feet on Hawthorne Avenue. The right-of-width on Bengal Street varies between 50 feet and 56 feet. In addition, there are minor changes to the landscape conditions. These changes will allow the entire development to be considered as one lot, allow the planting of street trees within 12 months of issuance of the first construction permit for Phase I and permit the landscaping to be planted in phases.

CPC RECOMMENDATION: Approval, subject to pavement width exhibit and conditions

STAFF RECOMMENDATION: Approval, subject to pavement width exhibit and conditions

DESIGNATED ZONING CASE

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

Staff recommendation for approval is based upon:

1. *Performance impacts upon surrounding property* – The amendment to conditions to permit the reduction of the pavement width on a portion of Hawthorne Avenue and Bengal Street will not impact the surrounding properties.
2. *Traffic impact* – The Engineering Section of the Department of Sustainable Development and Construction has determined that the request will not have a negative impact on the street system. The portion of Hawthorne Avenue where the reduction of pavement width will occur is adjacent to an elementary school. The location of the on-street parking will not affect access to the school. Access to the school is located on Lucas Drive. In addition, a new north-south street (Bengal Street) will be an internal street to the proposed single family development
3. *Comprehensive Plan or Area Plan Conformance* – The forwardDallas! Comprehensive Plan shows that the request site is located in an Urban Mixed-Use Building Block and is in compliance with the forwardDallas! Comprehensive Plan.

BACKGROUND INFORMATION:

- On December 3, 2015, the City Plan Commission approved a waiver of the two-year waiting period. The approval of the waiver of the two-year waiting period permitted the applicant to submit an application for a zoning case on the request site.

Zoning History: There have been two recent Board of Adjustment cases and one zoning case in the area within the last five years.

1. **BDA101-011** On May 17, 2011, the Board of Adjustment granted a variance of 15 feet to the front yard setback on 2201 Kings Road.
2. **BDA101-040** On May 17, 2011, the Board of Adjustment granted a variance of 15 feet to the front yard setback regulations at 4701 Bengal Street.
3. **Z123-135** - On March 26, 2014, the City Council approved Planned Development Subdistrict No. 104 for single detached dwellings on property zoned an MF-2 Multiple Family Subdistrict within Planned Development District No. 193, the Oak Lawn Special Purpose District.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
Hawthorne Avenue	Local Street	50 ft.	50 ft.

Traffic: The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that it will not have a detrimental impact on the surrounding street system.

Comprehensive Plan: The *fowardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *fowardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in an Urban Mixed-Use Building Block. The request site is consistent with the Urban Mixed-Use Building Block.

The Urban Mixed-Use Building Block incorporates a vibrant mix of residential and employment uses at a lower density than the Downtown Building Block. These areas are typically near Downtown, along the Trinity River or near major transit centers. Examples include Uptown, the City Place/West Village area, Stemmons Design District, Cedars and Deep Ellum. Urban Mixed-Use Building Blocks provide residents with a vibrant blend of opportunities to live, work, shop and play within a closely defined area. Buildings range from high-rise residential or mid-rise commercial towers to townhomes and small corner shops. Good access to transit is a critical element. Similar to Downtown, the Urban Mixed-Use Building Blocks offer employment and housing options and are important economic growth areas for businesses. People on foot or bike can enjoy interesting storefronts at ground level with benches, public art, on-street parking and wide sidewalks, creating an appealing streetscape. Large parking areas and other auto-oriented land uses are typically located at the edges.

LAND USE:

URBAN DESIGN

GOAL 5.1 PROMOTE A SENSE OF PLACE, SAFETY AND WALKABILITY

Policy 5.1.1 Promote pedestrian-friendly streetscapes.

Area Plans:

The Oak Lawn Special Purpose District and the Oak Lawn Plan include the following objectives:

- (1) To achieve buildings more urban in form.

(2) To promote and protect an attractive street level pedestrian environment with continuous street frontage activities in retail areas.

(3) To encourage the placement of off-street parking underground or within buildings similar in appearance to non-parking buildings.

(4) To promote development appropriate to the character of nearby neighborhood uses by imposing standards sensitive to scale and adjacency issues.

(5) To use existing zoned development densities as a base from which to plan, while providing bonuses to encourage residential development in commercial areas.

(6) To discourage variances or zoning changes which would erode the quantity or quality of single-family neighborhoods, or would fail to adhere to the standards for multiple-family neighborhoods and commercial areas.

(7) To promote landscape/streetscape quality and appearance.

The single family development will be landscaped in accordance with Part I of PDS No. 193 landscape regulations. The additional language that is proposed in the conditions will comply with objective #7 and will clarify how the landscaping will be planted within the proposed single family development. The attached exhibit that shows the reduction in the pavement width on Hawthorne Avenue and Bengal Street will not impact the street right-of-way and pedestrian walkability along the streets.

Land Use Compatibility:

	Zoning	Land Use
Site	PDS No. 104	Undeveloped
Northeast	MF-2 w/in PDS No. 193	Single Family
Southeast	PDS No. 28 w/in PDD No. 193	Elementary School
Northwest	IR	Industrial
Southwest	IR	Industrial, Warehouses

The 5.509 acre site is undeveloped and is adjacent to a floodplain which flows along the northwestern and southwestern property lines. The surrounding land uses consist of primarily residential uses; however, there is an elementary school that is southeast of the site, across Hawthorne Avenue and industrial type uses (e.g., warehouse uses) to the southwest, across Production Drive.

Development Standards:

<u>DISTRICT</u>	<u>SETBACKS</u>		<u>Density</u>	<u>Height</u>	<u>Lot Coverage</u>	<u>Special Standards</u>	<u>PRIMARY Uses</u>
	<u>Front</u>	<u>Side/Rear</u>					
PDS No. 104 single family	0'	0'/0'	Min lot 2,000 sq. ft. 800 sq ft – E 1,000 sq. ft – 1 BR 1,200 sq ft – 2 BR +150 sq ft each add BR	58'	90%		Multifamily, duplex, single family

Landscaping: Landscaping of any development will be in accordance with Part I landscaping requirements in PDD No. 193. Additional language (underlined text) has been inserted in the landscaping provisions to clarify landscaping the proposed single family development.

1. The entire development will be considered as one lot;
2. The planting of street trees will be within 1.5 and 4 feet from the back of the projected street curb and must be planted within 12 months of issuance of the first construction permit for each phase I; and
3. Landscaping may be completed in phases. Each phase for completion must be indicated on a landscape plan submitted with the construction documents. All landscaping in a phase must be complete prior to final inspection of the last structure built in that phase.

The arborist has met with the representative and supports the additional language to the landscaping provisions. The additional language will allow the developer to phase the landscaping within the single family development. If the language was not included the developer will be required to landscape the entire development when a single family building permit is issued.

Division S-104. PD Subdistrict 104.

SEC. S-104.101. LEGISLATIVE HISTORY.

PD Subdistrict 104 was established by Ordinance No. 29298, passed by the Dallas City Council on March 26, 2014.

SEC. S-104.102. PROPERTY LOCATION AND SIZE.

PD Subdistrict 104 is established on property generally located at the north corner of Hawthorne Avenue and Production Drive. The size of PD Subdistrict 104 is approximately 5.509 acres.

SEC. S-104.103. PURPOSE.

The general objectives of this division are to promote and protect the health, safety, welfare, convenience, and enjoyment of the public, and, in part, to achieve the following:

- (1) To achieve buildings more urban in form.
- (2) To promote and protect an attractive street level pedestrian environment by encouraging the development of residential structures in an urban context.
- (3) To encourage a mix in the design of residential structures.
- (4) To promote landscape/streetscape quality and appearance.
- (5) To provide visual buffering and enhance the beautification of the city.
- (6) To safeguard and enhance property values and to protect public and private investment.
- (7) To conserve energy.

SEC. S-104.104. DEFINITIONS AND INTERPRETATIONS.

(a) Unless otherwise stated, the definitions and interpretations in Chapter 51 and Part I of this article apply to this division. If there is a conflict, this division controls. If there is a conflict between Chapter 51 and Part I of this article, Part I of this article controls. In this division:

- (1) COLORED CONCRETE means concrete with one or more pigments added to it.

(2) RESIDENTIAL DEVELOPMENT TRACT means a development of three or more individually platted lots in which the dwelling units, whether attached or detached, are accessed from a shared driveway, and the dwelling units do not have any other dwelling units above or below them.

(3) SUBDISTRICT means a subdistrict of PD 193.

(4) TYPE A UNIT means a unit that has a two-car garage.

(5) TYPE B UNIT means a unit that has a one-car garage.

(b) Unless otherwise stated, all references to articles, divisions, or sections in this division are articles, divisions, or sections in Chapter 51.

(c) This subdistrict is considered to be a residential zoning district.

SEC. S-104.105. EXHIBIT.

The following exhibit is incorporated into this division:

Exhibit S-104A: conceptual plan.

Exhibit S-104B: pavement width.

SEC. S-104.106. CONCEPTUAL PLAN.

Development and use of the Property must comply with the conceptual plan (Exhibit S-104A). If there is a conflict between the text of this division and the conceptual plan, the text of this division controls.

SEC. S-104.107. DEVELOPMENT PLAN.

(a) Except as provided in this section, a development plan must be approved by the city plan commission before the issuance of any building permit to authorize work in this subdistrict. If there is a conflict between the text of this division and the development plan, the text of this division controls.

(b) For property developed as a residential development tract, a final plat may serve as a development plan.

SEC. S-104.108. HOMEOWNER'S ASSOCIATION.

Prior to final plat approval, the owner of the Property must execute an instrument creating a homeowner's association for the maintenance of common areas, screening walls, landscape areas (including right-of-way landscaping areas), and for other

functions. This instrument must be approved as to form by the city attorney and filed in the Dallas County deed records.

SEC. S-104.109. MAIN USES PERMITTED.

The following uses are the only main uses permitted in this subdistrict:

- Handicapped group dwelling unit.
- Local utilities. -- Private recreation club or area.
- Single-family.
- Temporary construction or sales office.

SEC. S-104.110. ACCESSORY USES.

(a) As a general rule, an accessory use is permitted in any subdistrict in which the main use is permitted. Some specific accessory uses, however, due to their unique nature, are subject to additional regulations in Section 51P-193.108. For more information regarding accessory uses, consult Section 51P- 193.108.

(b) The following accessory use is permitted by right:

- Community center (private).

SEC. S-104.111. YARD, LOT, AND SPACE REGULATIONS.

(Note: The yard, lot, and space regulations in this section must be read together with the yard, lot, and space regulations in Part I of this article. If there is a conflict between this section and Part I of this article, this section controls.)

- (a) Front yard. No minimum front yard.
- (b) Side and rear yard. No minimum side or rear yard.
- (c) Density.
 - (1) Maximum number of dwelling units is 118.
 - (2) At least 80 percent of the total units must be Type A units.
 - (3) No more than 20 percent of the total units may be Type B units.
- (d) Floor area ratio. No maximum floor area ratio.

(e) Height. Maximum structure height is 58 feet. Rooftop projections, trellis projections, and other architectural features may exceed this height by 12 feet.

(f) Projections into the right-of-way.

(1) Windows, sills, belt courses, cornices, or other architectural features may project no more than 12 inches into the right-of-way subject to a license for use of the public right-of-way.

(2) Cantilevered roof eaves, steps, stoops, and balconies may project no more than three feet in the right-of-way subject to a license for use of the public right-of-way.

(g) Lot coverage.

(1) Maximum lot coverage is 90 percent. Aboveground parking structures are included in lot coverage calculations; surface parking lots and underground parking structures are not.

(2) For purposes of lot coverage, the entire subdistrict is considered a single lot.

(h) Lot size: No minimum lot size.

(i) Stories. No maximum number of stories.

SEC. S-104.112. OFF-STREET PARKING AND LOADING.

(a) In general. Except as provided in this section, consult Part I of this article for the specific off-street parking and loading requirements for each use.

(b) Private recreation club or area. No off-street parking is required.

(c) Single-family.

(1) Type A units. Two off-street parking spaces are required per unit.

(2) Type B units. One off-street parking space is required per unit.

(3) Guest parking.

(A) 0.25 unassigned parking spaces must be provided per dwelling unit for use by guests.

(B) Parking spaces that cross lot lines may be counted toward required guest parking.

(d) Accessory uses.

(1) No parking is required for accessory uses, if the accessory use is used principally by residents.

(2) No off-street parking is required for a community center (private).

(e) Parking space dimensions. Parking spaces must be a minimum of 18 feet long by eight feet wide.

SEC. S-104.113. ON-STREET PARKING REDUCTION.

Except as provided in this section, any on-street parking spaces may be counted as a reduction in the guest parking requirement of the adjacent residential development tract.

(a) An on-street parking space may not be used to reduce the required parking for more than one use, except that an on-street parking space may be used to reduce the combined total parking requirement of a mixed-use project.

(b) An on-street parking space that is not available to the public at all times of the day may only be counted as a partial parking space in proportion to the amount of time that it is available. For example, a parking space that is available to the public only eight hours per day will be counted as one third of a parking space ($8 \div 24 = \text{one-third}$). The total of the limited-availability parking spaces will be counted to the nearest whole number, with one-half counted as an additional space.

SEC. S-104.114. RESIDENTIAL DEVELOPMENT TRACT.

(a) Except as provided in this division, residential development tracts must comply with Part I of this article.

(b) Access drives must be provided as shown on the conceptual plan.

(c) Access drives must have a minimum pavement width of 20 feet. Pavement width is measured perpendicularly from the edge of the pavement to the opposite edge of the pavement.

(d) The minimum visibility triangle where access drives intersect is 10 feet by 10 feet.

(e) A maximum of 118 single-family lots may be platted.

(f) A minimum of 10 feet must be provided by plat between each group of eight single-family structures.

(g) Each dwelling unit must be located on a separate lot.

(h) Lots may have frontage on two opposite sides.

(i) The entire district is considered a single residential development tract for landscaping purposes.

(j) The minimum payment width on Hawthorne Avenue and Bengal Street is 20 feet and a minimum right-of-way width of 50 feet.

SEC. S-104.115. PARAPET WALL.

(a) Parapet walls are required on all dwelling units.

(b) On all dwelling units adjacent to the eastern property line, a parapet wall located on a rooftop deck must be four feet tall and opaque.

SEC. S-104.116. ENVIRONMENTAL PERFORMANCE STANDARDS.

See Article VI

SEC. S-104.117. LANDSCAPING.

(a) In general. Except as provided in this section, landscaping and screening must be provided in accordance with Part I of this article.

(b) Street trees.

(1) Street trees must be planted at one tree for each 30 linear feet of frontage along the perimeter of the Property, exclusive of visibility triangles and points of ingress and egress.

(2) Each street tree must have a minimum caliper of four inches when planted.

(3) Tree branches must not hang lower than 13.5 feet above the street or sidewalk pavement.

(4) On Hawthorne Avenue, all street trees must be planted within a four-foot-wide planting area that is adjacent to the curb and planted within 1.5 and 4 feet from the back of the projected street curb.

(5) All street trees along Bengal Street and Hawthorne Avenue must be planted within 12 months of issuance of the first construction permit for each phase.

(c) Shrubs. Any shrubs provided must be at least 18 inches in height and may be planted in a planter or a metal or concrete pot.

(d) Open space easements. Trees, shrubs, water features, benches, mailboxes, and other amenities may be provided in open space easements provided by plat.

(e) Sidewalks.

(1) The minimum sidewalk width along Hawthorne Avenue is five feet.

(2) The minimum sidewalk width along Bengal Street is 10 feet. At least 7.5 feet in width must be unobstructed by any structure or planting.

(3) Interior sidewalks are optional, but if provided must be a minimum of three feet wide.

(4) Sidewalks may be constructed of concrete, colored concrete, or pavers.

(5) Sidewalks may be located within floodway management areas, provided that permeable materials are used.

(f) Phasing. Landscaping may be completed in phases. Each phase for completion must be indicated on a landscape plan submitted with the construction documents. All landscaping in a phase must be complete prior to final inspection of the last structure built in that phase.

(g) Maintenance. Plant material must be maintained in a healthy, growing condition.

SEC. S-104.118. URBAN DESIGN CONSIDERATIONS.

(a) Building materials. A minimum of 40 percent of total building facade area, excluding openings, must incorporate stone, brick, or a combination of those materials. Cement fiberboard siding may be used on all facades.

(b) Drive-through porte-cocheres. Drive-through porte-cocheres may be located across shared drives and must have a minimum height of 18 feet.

(c) Outdoor lighting.

(1) Along Bengal Street and Hawthorne Avenue, light poles must be located a minimum of 50 feet and a maximum of 100 feet on center with a minimum luminance of one foot-candle at the mid-point between fixtures.

(2) Outdoor light sources must be indirect, diffused, or shielded-type fixtures, installed to reduce glare and the consequent interference with boundary streets. Bare bulbs or strings of lamps are prohibited.

(3) Light fixtures must be attached to buildings or mounted on permanent poles at a maximum height of 20 feet.

(4) Light fixtures may be located on adjoining property or within the public right-of-way subject to a license for use of the public right-of-way.

(5) Pedestrian areas must be lighted beginning one-half hour after sunset and continuing until one-half hour before sunrise.

(d) Tree grates. Tree grates conforming to state and federal standards and specifications adopted to eliminate, insofar as possible, architectural barriers encountered by aged, handicapped, or disabled persons, and of a size adequate to permit healthy tree growth may be provided for all trees planted within a public sidewalk, but are not required.

(e) Fencing.

(1) Solid fencing is allowed.

(2) Wrought iron fencing with or without gates is permitted between buildings along the perimeter of the subdistrict.

(3) Maximum fence height is eight feet.

(f) Pavement markings. Pedestrian crosswalks across ingress and egress driveways and interior drives or streets must be clearly marked in a consistent manner by colored concrete or patterned or stamped concrete.

(g) Common areas. Mailboxes, water features, pools, pool houses, and accessory structures are allowed in common areas.

(h) Translucent windows. Translucent glass must be used on any windows located on the first two stories of any dwelling units that are adjacent to single-family units on Afton Street.

(i) Dumpsters. Dumpsters are prohibited.

SEC. S-104.119. SIGNS.

Signs must comply with the provisions for non-business zoning districts in Article VII.

SEC. S-104.120. ADDITIONAL PROVISIONS.

(a) The Property must be properly maintained in a state of good repair and neat appearance.

(b) Development and use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the city.

(c) Development and use of the Property must comply with Part I of this Article.

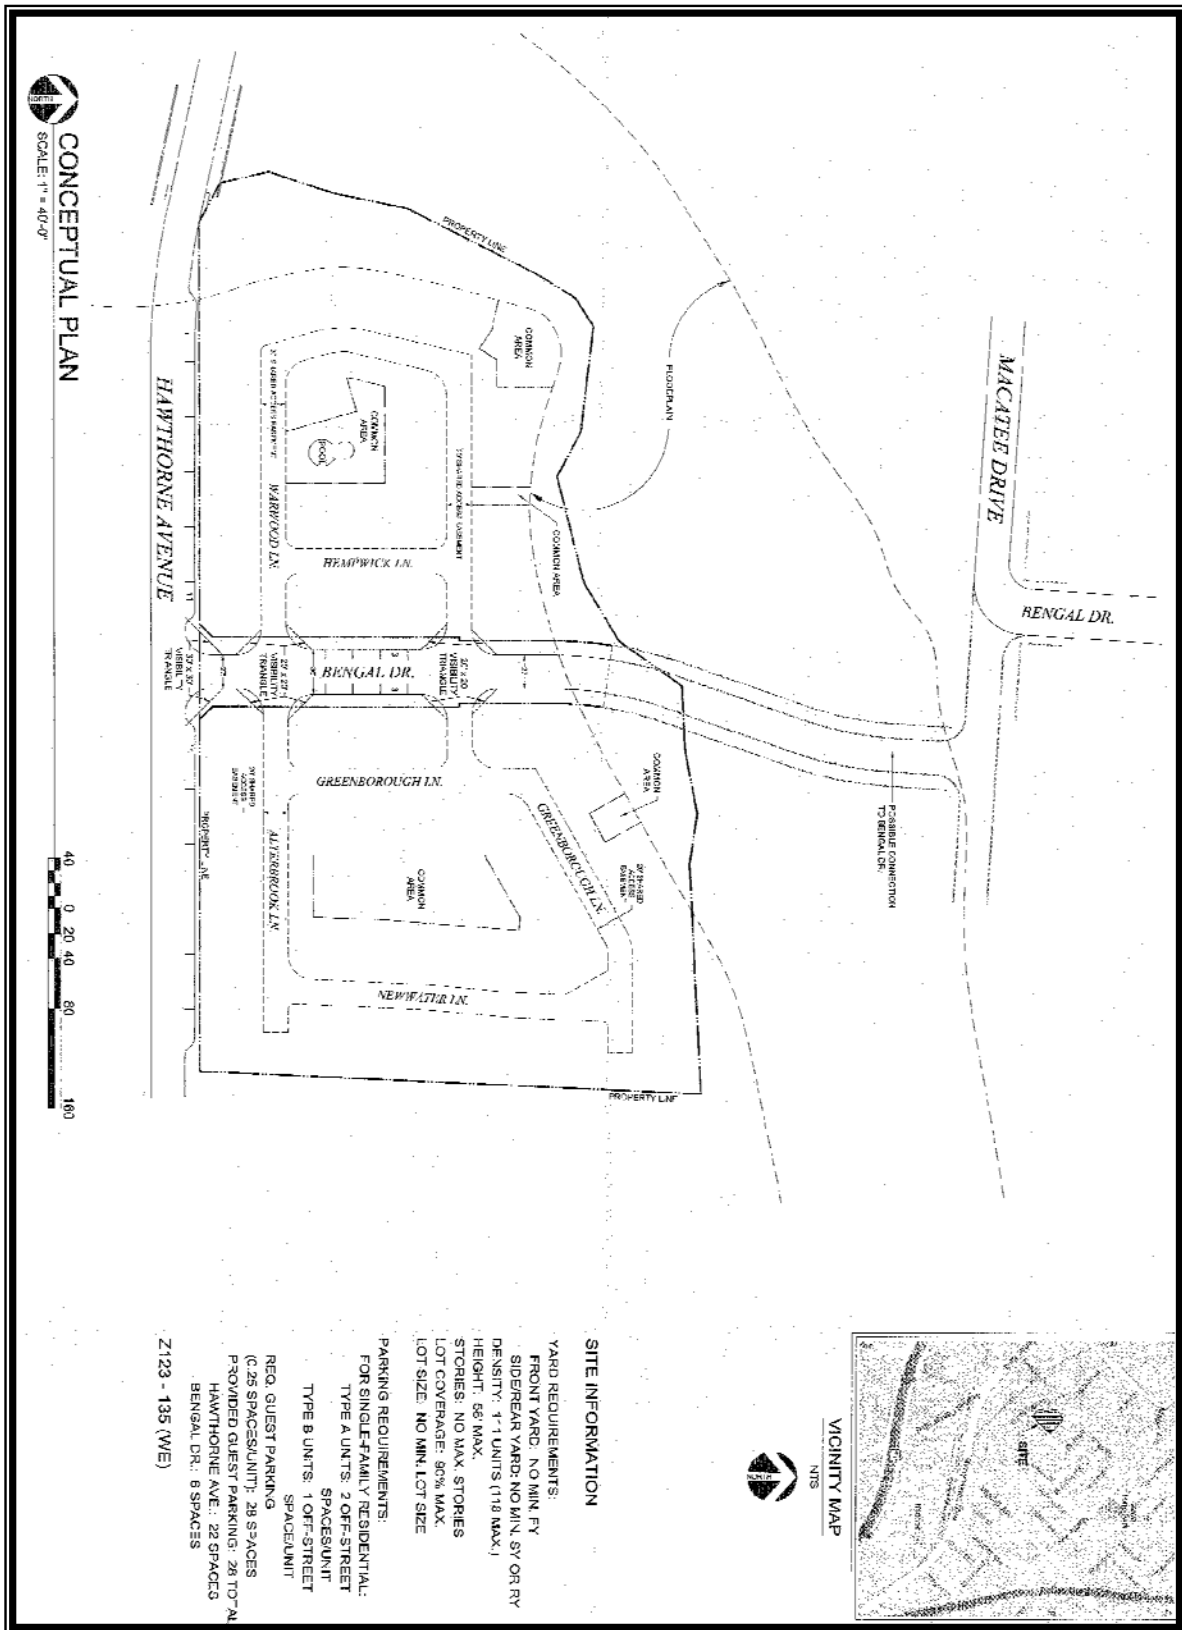

SEC. S-104.121. COMPLIANCE WITH CONDITIONS.

(a) All paved areas, permanent drives, streets, and drainage structures, if any, must be constructed in accordance with standard city specifications, and completed to the satisfaction of the city.

(b) The building official shall not issue a building permit to authorize work, or a certificate of occupancy to authorize the operation of a use, in this subdistrict until there has been full compliance with this division, the Dallas Development Code, the construction codes, and all other ordinances, rules, and regulations of the city.

ACM: RYAN S. EVANS**FILE NUMBER:** Z156-196(WE) **DATE FILED:** February 3, 2016**LOCATION:** South corner of Woody Road and Seagoville Road**COUNCIL DISTRICT:** 8 **MAPSCO:** 70 J, K, N, P**SIZE OF REQUEST:** Approx. 100.05 acres **CENSUS TRACT:** 170.04

APPLICANT / OWNER: Dallas I.S.D.**REPRESENTATIVE:** Karl Crawley, MASTERPLAN**REQUEST:** An application for an amendment to Planned Development District No. 512.

SUMMARY: The purpose of this request is to allow for an expansion of the existing high school [Seagoville High School]. The expansion will consist of constructing a 21,500 square foot building with 12 additional classrooms. The applicant is also requesting a 26 percent reduction in the parking spaces required for Seagoville High School. The request is based on previous and estimated student parking passes that were issued from 2013 through 2016.

CPC RECOMMENDATION: Approval, subject to a revised development plan, revised traffic management plan, and conditions.

STAFF RECOMMENDATION: Approval, subject to a revised development plan, revised traffic management plan, and conditions.

DESIGNATED ZONING CASE

GUIDING CRITERIA FOR RECOMMENDATION:

1. *Performance impacts upon surrounding property* – The internal improvements to the campus should not have an impact on the surrounding properties.
2. *Traffic impact* – The Engineering Section of the Department of Sustainable Development and Construction has determined that the request will not have a negative impact on the street system.
3. *Comprehensive Plan or Area Plan Conformance* – The *forwardDallas! Comprehensive Plan* shows that the request site is located in a Residential Building Block. The request is in compliance with the Comprehensive Plan.

BACKGROUND INFORMATION:

- The site is developed with a middle school and high school along with various support areas consistent with DISD campuses.
- In June 2011, the City Plan Commission approved a minor amendment to the development plan for PDD No. 512 to provide for relocation of a previously approved expansion area.
- On June 24, 1998, the City Council approved the creation of PDD No. 512. On October 24, 2001, the City Council approved an amendment providing for the youth and family center and specific landscape requirements for this use.

Zoning History: There have not been any zoning changes in the surrounding area in the last five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
Seagoville Road	Minor Arterial	80 ft.	80 ft.
Woody Road	Residential Collector	60 ft.	60 ft.

Traffic: The Engineering Section of the Department Sustainable Development and Construction has reviewed the request and determined that it will not have a detrimental impact on the surrounding street system.

STAFF ANALYSIS:

COMPREHENSIVE PLAN: The forwardDallas! Comprehensive Plan was adopted by the City Council in June 2006. The forwardDallas! Comprehensive Plan outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site being in a Residential Building Block. The proposed development is in compliance with the forwardDallas! Comprehensive Plan.

This Building Block represents the life-blood of Dallas, the traditional neighborhood of single-family detached homes. Dallas has many neighborhoods that match this description, including Winnetka Heights, Preston Hollow, Lakewood and Wheatley Place. Single-family dwellings are the dominate land use in these areas. Some shops, restaurants or institutional land uses such as schools and religious centers that serve neighborhood residents may be located at the edges or at key intersections.

Land Use:

	Zoning	Land Use
Site	PDD No. 512	School
Northeast	R-1/2ac(A), CR-D-1	Single Family, Retail
Southeast	CR-D-1, A(A) City of Seagoville	Retail, Church, Undeveloped, Single Family
Southwest	R-7.5(A)	Undeveloped
Northwest	R-10(A), NS(A)	Single Family, Church

Land Use Compatibility:

The 100-acre site is developed with a middle and high school. The school campus is surrounded by predominately residential uses, but there are several retail and institutional uses in the area. In addition, there is a large tract of undeveloped land that is located southwest of the site.

Development Standards:

DISTRICT	SETBACKS		Density	Height	Lot Coverage	Special Standards	PRIMARY Uses
	Front	Side/Rear					
PDD No. 512 - existing Public School	40'	10'	1 Dwelling Unit/ 1/2 Acre	36'	40%		Single family, school

Landscaping: Landscaping must be provided in accordance with Article X.

Parking: The requirement for off-street parking for the school is derived by the following criterion: 1) the number of classrooms, and 2) the type of institution that serves the students (e.g., elementary, middle or high school). The total number of proposed classrooms determines the number of required parking spaces. The Dallas Development Code requirement for off-street parking for a school is as follows:

- nine and one-half spaces for each senior high school classroom;

The number of required off-street parking spaces for the school is 570 spaces. The total number of proposed classrooms determines the number of required parking spaces. The school is currently using 60 classrooms and has 419 off-street parking spaces constructed on campus. The 263 reduction in parking spaces will reflect the actual number of spaces that are on campus.

The following chart reflects the previous and estimated student parking passes that were issued from 2013 through 2016. Based on the data, the applicant is requesting to reduce the parking ratio from 9.5 spaces for each senior high school classroom to 6.8 spaces for each senior high school classroom. The new ratio will reflect the number of parking spaces that are located on campus. The development code requires a total of 570 spaces and the applicant is providing 419 spaces.

Seagoville High School Parking Analysis

		2013	2014	2015	2016
Student enrollment		1,330	1,335	1,338	1,350
Staff parking		110	110	110	110
Student parking passes issued		100	105	100	115
Parking spaces needed (incl. 25 visitors spaces)		235	240	235	255
PARKING REQUIREMENT					Parking ratio
Code requirement				570	9.5
Number of spaces provided				419	6.98

Based on the historical data reported, staff can support the reduction in the parking ratio to reflect the actual number of parking spaces that are located on campus.

The middle school, which is developed on the south corner of Seagoville Road and Woody Road, complies with the off-street parking regulations. The middle school requires 225 spaces and is providing 237 spaces. The number of off-street parking spaces is based on the number of classrooms. The middle school currently has 64 classrooms.

In addition, there are two separate development plans that govern the development of the middle school and high school. Each campus has a separate ingress and egress and traffic management plan.

CPC ACTION (April 21, 2016)

Motion: It was moved to recommend **approval** of an amendment to Planned Development District No. 512, subject to a revised development plan, revised traffic management plan, and conditions on the south corner of Woody Road and Seagoville Road.

CPC PROPOSED PDD CONDITIONS

ARTICLE 512.

PD 512.

SEC. 51P-512.101. LEGISLATIVE HISTORY.

PD 512 was established by Ordinance No. 23560, passed by the Dallas City Council on June 24, 1998. Ordinance No. 23560 amended Ordinance No. 19455, Chapter 51A of the Dallas City Code, as amended. Ordinance No. 23560 was amended by Ordinance No. 24754, passed by the Dallas City Council on October 24, 2001.

SEC. 51P-512.102. PROPERTY LOCATION AND SIZE.

PD 512 is established on property generally located at the south corner of Woody Road and Seagoville Road. The size of PD 512 is approximately 100.05 acres.

SEC. 51P-512.103. DEFINITIONS AND INTERPRETATIONS.

(a) Unless otherwise stated, the definitions and interpretations in Chapter 51A apply to this article. In this article, an accessory youth and family center means a multi-functional facility sponsored or operated by a school as part of the school use where a combination of social, recreational, welfare, health, habilitation, rehabilitation, counseling, educational referral, or out-patient medical, dental, or optical treatment services are provided to students and family members.

(b) Unless otherwise stated, all references to articles, divisions, or sections in this article are to articles, divisions, or sections in Chapter 51A.

(c) This district is considered to be a residential zoning district.

SEC. 51P-512.103.1. EXHIBITS.

The following exhibits are incorporated into this article:

- (1) Exhibit 512A: development plan. (Middle school)
- (2) Exhibit 512B: traffic management plan. (Middle school)
- (3) Exhibit 512C: development plan. (High school)
- (4) Exhibit 512D: traffic management plan. (High school)

SEC. 51P-512.104. DEVELOPMENT PLAN.

(a) For a public school use, development and use of the Property must comply with the development plan (Exhibit 512A). In the event of a conflict between the provisions of this article and the development plan, the provisions of this article control.

(b) For all other permitted uses, Section 51A-4.702(c)(2) through Section 51A-4.702(i) regarding submission of and amendments to a site plan, a development plan, and a landscape plan, do not apply.

SEC. 51P-512.105. MAIN USES PERMITTED.

(a) Public school other than an open enrollment charter school.

(b) All other uses permitted in an R-1/2ac(A) Single Family District, subject to the same conditions applicable in the R-1/2ac(A) Single Family District, as set out in the Dallas Development Code. For example, a use permitted in the R-1/2ac(A) Single Family District by specific use permit (SUP) only is permitted in this PD by SUP only. A use subject to development impact review (DIR) in the R- 1/2ac(A) Single Family District is subject to DIR in this PD, etc.

SEC. 51P-512.106. ACCESSORY USES.

(a) As a general rule, an accessory use is permitted in any district in which the main use is permitted. Some specific types of accessory uses, however, due to their unique nature, are subject to additional regulations contained in Section 51A-4.217. For more information regarding accessory uses, consult Section 51A-4.217.

(b) An accessory youth and family center is a permitted accessory use in this PD, but it is only permitted in the location shown on the development plan.

SEC. 51P-512.107. YARD, LOT, AND SPACE REGULATIONS.

(a) Except as provided in this section, the yard, lot, and space regulations of the R- 1/2ac(A) Single Family District in Section 51A-4.112(b)(4) apply to this PD.

(b) A minimum front yard setback of 20 feet is permitted for the existing accessory youth and family center and the zone of portable classrooms area fronting on Seagoville Road and the zone of portable classroom areas fronting on Woody Road, as shown on the development plan.

SEC. 51P-512.108. OFF-STREET PARKING.

(a) Consult the use regulations (Division 51A-4.200) for the specific off-street parking and loading requirements for each use. Consult the off-street parking and loading regulations (Division 51A-4.300) for information regarding off-street parking and loading generally.

See Article VI.

SEC. 51P-512.110. LANDSCAPING.

(a) Except as provided below, landscaping must be provided in accordance with Article X. Plant material must be maintained in a healthy, growing condition. Prior to the issuance of a building permit, tree preservation criteria must be met as outlined in Article X.

~~[(b) Within 90 days after the issuance of a certificate of occupancy for the accessory youth and family center, a foundation planting strip must be provided along the entire western, northern, and eastern building facades, exclusive of doorways. The planting strip must consist of shrubs, with a minimum size of five gallons, planted a minimum of 30 inches on center.]~~

SEC. 51P-512.111. SIGNS.

Signs must comply with the provisions for non-business zoning districts contained in Article VII, except that one additional premise sign with a maximum effective area of 75 square feet and a maximum height of 25 feet may be located as shown on the development plan.

SEC. 51P-512.112. ACCESS.

Ingress and egress must be provided as shown on the development plan.

SEC. 51P-512.112.1 TRAFFIC MANAGEMENT PLAN.

(a) Operation of the ~~[public school]~~ Middle School must comply with the traffic management plan (Exhibit 512B).

(b) In general. Operation of a High School must comply with the traffic management plan (Exhibit 512C).

(c) Queuing is only permitted inside the Property. Student drop-off and pick-up are not permitted within city rights-of-way.

(d) Traffic Study - High School

(1) The Property owner or operator shall prepare a traffic study evaluating the sufficiency of the traffic management plan. The initial traffic study must be submitted to the director by **March 1, 2018**. After the initial traffic study, the Property owner or operator shall submit biennial updates of the traffic study to the director by March 1 of each even-numbered year.

(2) The traffic study must be in writing, performed by a licensed engineer, based on a minimum of four samples taken on different school days at different drop-off and pick-up times over a two-week period, and must contain an analysis of the following:

- A. ingress and egress points;
- B. queue lengths;
- C. number and location of personnel assisting with loading and unloading of students;
- D. drop-off and pick-up locations;
- E. drop-off and pick-up hours for each grade level;
- F. hours for each grade level; and
- G. circulation.

(3) Within 30 days after submission of a traffic study, the director shall determine if the current traffic management plan is sufficient.

A. If the director determines that the current traffic management plan is sufficient, the director shall notify the applicant in writing.

B. If the director determines that the current traffic management plan results in traffic hazards or traffic congestion, the director shall require the Property owner to submit an amended traffic management plan. If the Property owner fails to submit an amended traffic management plan within 30 days, the director shall notify the city plan commission.

(e) Phase II. Before issuance of a building permit for Phase II, the Property owner or operator shall:

(A) submit additional data to the director showing the number of students who live within walking distance of the school, how many students actually walk to school, and how many students use public transportation; and

(B) submit an amended traffic management plan.

(f) Amendment process.

(1) A traffic management plan may be amended using the minor plan amendment fee and public hearing process in Section 51A-1.105(k)(3) of Chapter 51A of the Dallas City Code, as amended.

(2) The city plan commission shall authorize changes in a traffic management plan if the proposed amendments improve queuing or traffic circulation; eliminate traffic hazards; or decrease traffic congestion.

SEC. 51P-512.113. ADDITIONAL PROVISIONS.

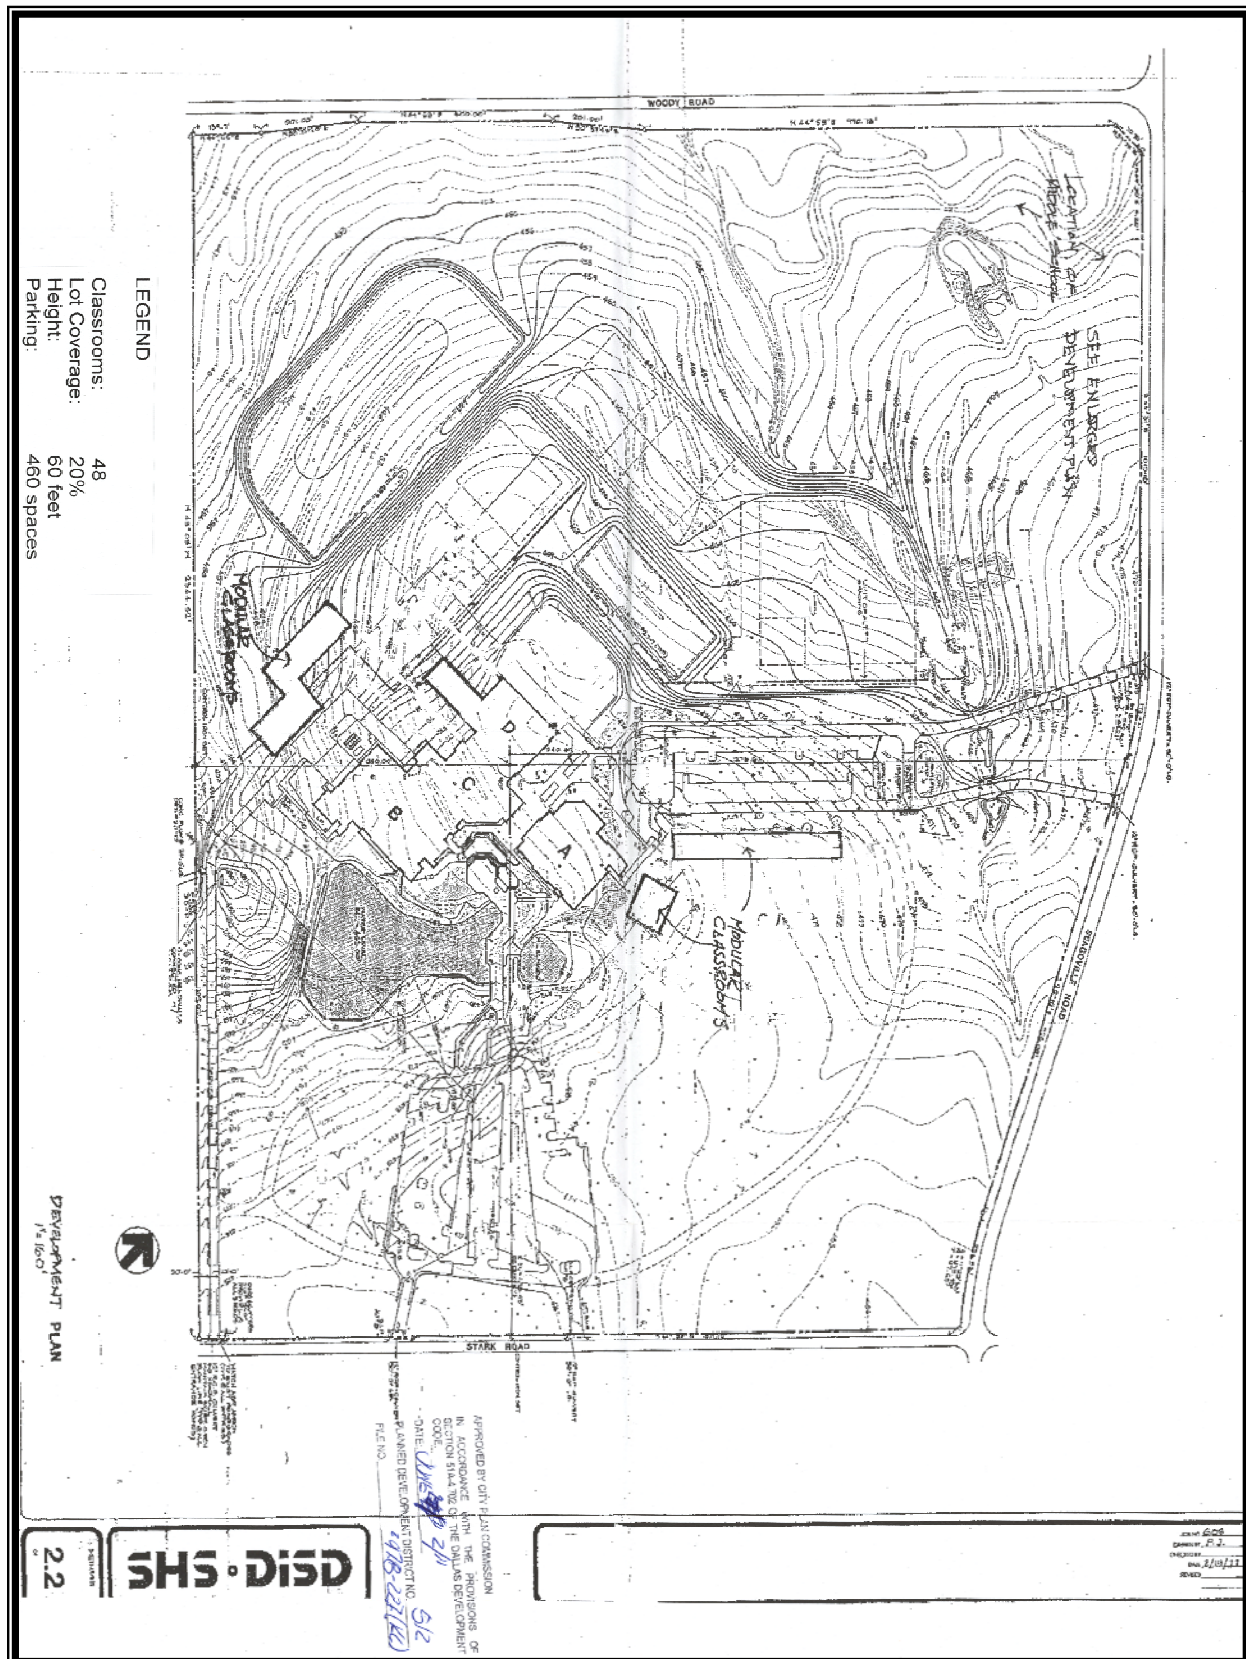

(a) The Property must be properly maintained in a state of good repair and neat appearance. (b) Development and use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the city.

SEC. 51P-512.114. COMPLIANCE WITH CONDITIONS.

(a) All paved areas, permanent drives, streets, and drainage structures, if any, must be constructed in accordance with standard city specifications, and completed to the satisfaction of the director of public works and transportation.

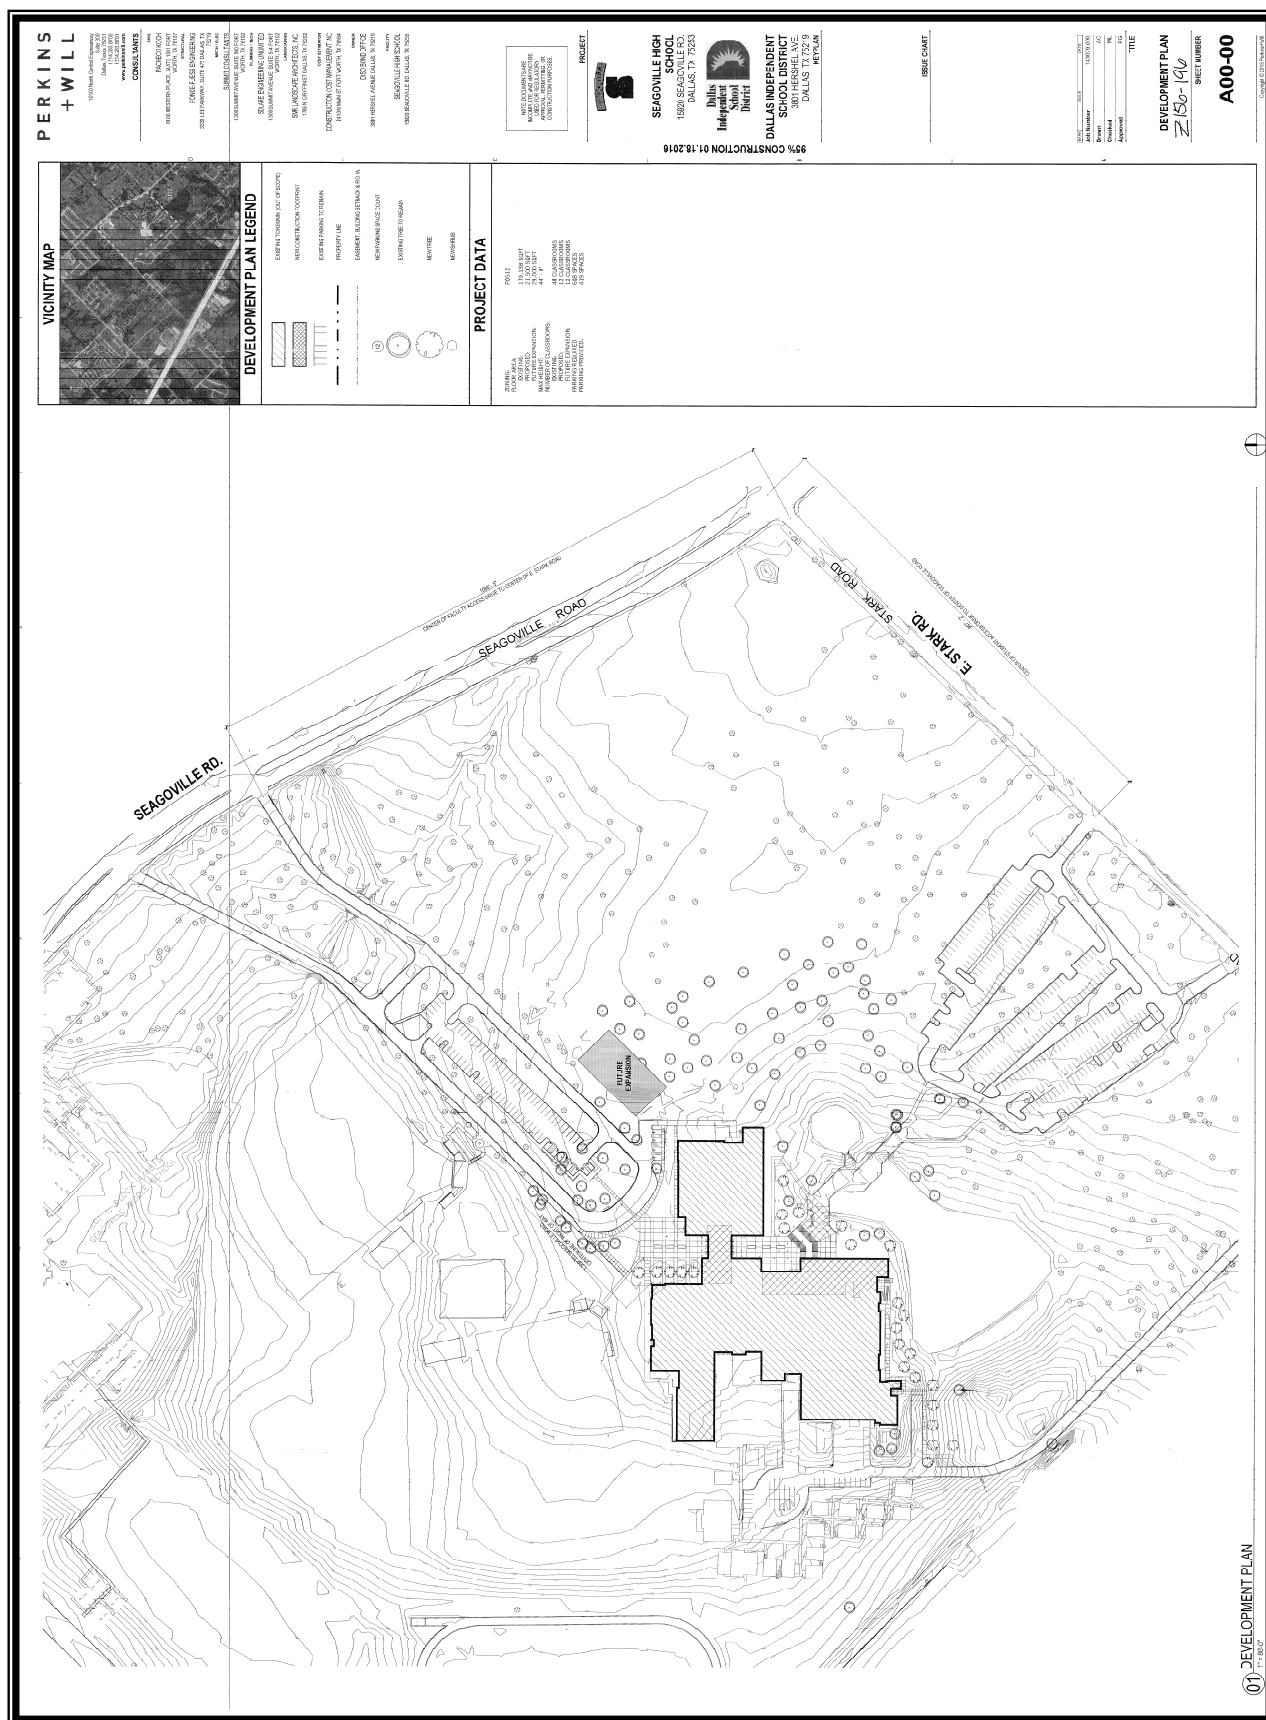

(b) The building official shall not issue a building permit or certificate of occupancy for a use in this PD until there has been full compliance with this article, the Dallas Development Code, the construction codes, and all other ordinances, rules, and regulations of the city.

PROPOSED DEVELOPMENT PLAN

Seagoville High School

<p>Proposed Traffic Management Plan Seagoville High School</p>

Introduction

DeShazo Group, Inc. (DeShazo) is an engineering consulting firm providing licensed engineers skilled in the field of traffic/transportation engineering. The services of DeShazo were retained by Masterplan on behalf of the Dallas Independent School District (DISD) to prepare an update of the Traffic Management Plan (TMP) for the Seagoville High School (the School) located at 15920 Seagoville Road in Dallas, Texas.

The school has a current enrollment of 1,338 students in grades 9 through 12. The School proposes to renovate the current facilities with twelve new classrooms. However, the school capacity is anticipated to increase only by 45 students up to 1,383 students. A proposed site plan prepared by Perkins+Will showing the proposed modifications at the school upon completion is attached for reference.

The school site is zoned Planned Development (PD) District 512. In order to gain entitlements for the proposed improvements, the school administration is seeking approval of a change to the development plan. As part of the approval process, the City of Dallas requires submittal of a TMP update as a record of the preferred traffic control strategies and to ensure overall traffic safety and efficient operations.

This report contains DeShazo's review of the current traffic conditions on and around the school campus as well as an evaluation of the proposed conditions. The plan is intended to assess anticipated traffic conditions during the School peak activities. By consent of the TMP submittal, the school agrees to the strategies presented herein. The school is held self-accountable to enforce the plan until and unless the City of Dallas deems further mitigation measures are necessary.

Traffic Management Plan

A school TMP is important to safely achieve an optimum level of traffic flow and circulation during peak traffic periods associated with student drop-off and pick-up operations. By properly managing the vehicular traffic generated during critical periods, the safety and efficiency of school carpool operations will also inherently improve. This TMP should not be considered a comprehensive set of instructions to ensure adequate safety; however, it is a tool that aims to facilitate a safer and more efficient environment.

The analysis summarized below identifies the projected vehicle demand—including parking and queuing space (i.e. vehicle stacking)—needed on site to accommodate projected school traffic demands during peak periods. A concerted effort and full participation by the school administration, staff, students and parents are essential to maintain safe and efficient traffic operations. The use of designated parking and queuing areas is necessary to minimize the operational impact on adjacent properties and the public street system.

School Operational Characteristics

Table 1 summarizes the known operational characteristics for Seagoville High School assumed in this analysis:

Table 1. School Operational Characteristics

	Existing Conditions	Proposed Conditions
Enrollment (by grade):	9 - 12 th Grade - 1338 students	9 - 12th Grade - 1383 students
Daily Start/End Schedule	Grades 9-12th: >Start: 9:00 AM >End: 4:15 PM	Grades 9-12th: >Start: 9:00 AM >End: 4:15 PM
Approx. Number of Students Travelling by Mode Other Than Drop-off/Pick-up:	By School Bus/ Transit: 40% By Walking: 15% By Self-Driving: 10%	No Change
Approx. Number of Students With Alternate Schedules:	Extracurricular Activities: 10%	No Change

NOTE #1: To the highest degree practical, the accounts of “existing conditions” presented in this report were based upon actual on-site observations conducted by DeShazo during typical school day(s) conditions and from personal interviews of school representatives.

Site Access and Circulation

A total of five driveways provide access to the School to/from Seagoville Road and Stark Road: one inbound and one outbound only driveway on Seagoville Road and two two-way driveways leading to student parking and school bus loading area on Stark Road. A fifth driveway on Stark road serves maintenance as well as deliveries and goods and service vehicles. Student pick-up/drop-off is concentrated around the staff parking lot and accessed via the driveway on Seagoville Road.

During the drop-off period, most parents either enter the campus via Seagoville Road or Stark Road to unload passengers (students) within the site or unload passengers from the sidewalk on Seagoville Road. During the pick-up period, parents either enter the campus via Seagoville Road to form two adjacent queues in the driveway while waiting for student, or park on one side Seagoville Road while waiting for students. Some parents also choose to wait for students at the student parking lot on Stark Road. School buses access the school site at the easternmost driveway on Stark Road, load students and then proceed to exit onto Stark Road.

Passenger Unloading/Loading and Vehicle Queuing

Queuing and traffic congestion is appreciably more pronounced during the afternoon period. During the afternoon pick-up period, around a third of the total student population is picked up by parents in personal vehicles. The School provides loading areas on campus with entry and exit driveways on Seagoville Road. Some parents also queue inside the staff parking lot blocking the exit route for parked vehicles.

DeShazo quantified the peak number of parent-vehicles during the afternoon pick-up period based upon field observations conducted by DeShazo on January 26, 2016. The vehicle accumulation count includes all vehicles in queue, or parked on- and off-campus. Assuming that the number of vehicles generated during the afternoon pick-up period is directly proportional to the number of students enrolled, the peak queue for the future conditions at full occupancy can be estimated. Table 2 provides a summary of the peak demand.

Table 2. Peak Vehicles Parked and in Queue during Afternoon Pick-up Period

	Existing Conditions (Observed)	Proposed Conditions (Estimated)
Peak Number of Vehicles	52 parent vehicles (for current enrollment of 1338 students)	54 parent vehicles (for maximum enrollment of 1383 students)

Recommendations

DeShazo conducted field observations during the student dismissal period. The following set of traffic operations are recommended for the Seagoville High School administration during peak traffic conditions:

- The traffic circulation plan depicted in **Exhibit 1** is based upon observations of existing traffic operations. The plan provides a designated route for parents. In general,
 - The School provides 1,481 linear feet of on-site vehicular queuing or storage. This capacity accommodates a projected peak vehicle queue of 54 vehicles and a surplus of 212 feet.
- Install a permanent sign at the eastern entrance of the student parking lot indicating the same.
- Staff should install temporary traffic control devices (such as traffic cones, etc.) at the staff parking lot entry to prevent parents from parking and queuing in the staff parking area.
- School should encourage parents to load/unload students within the school property to maximize personal safety. As needed, staff should direct traffic and coordinate the loading of students on School property. However, the School should allow no school staff other than DISD police and/or deputized officers of the law to engage or attempt to influence traffic operations in public right-of-way.

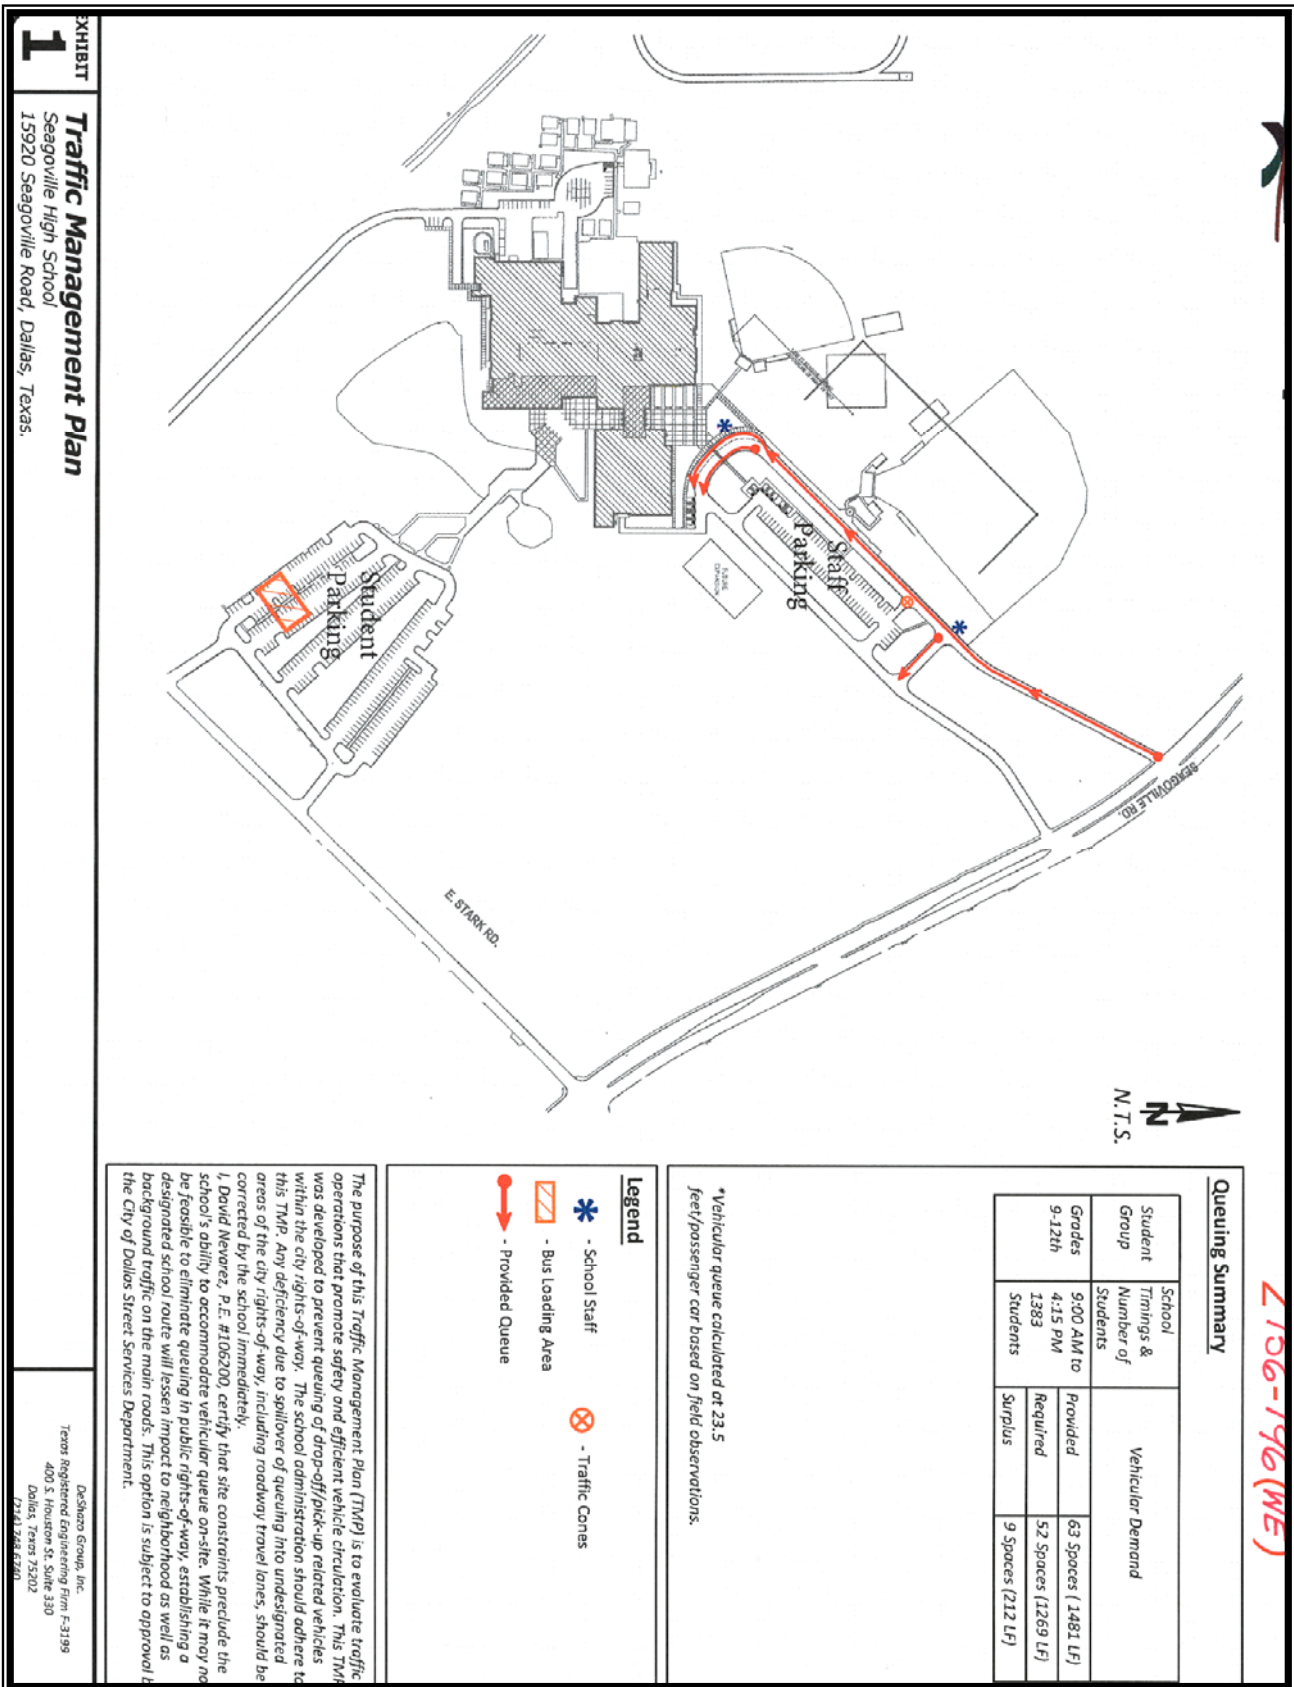

Full cooperation of all school staff members, students, and parents is crucial for the success of any traffic management plan. Proper training of school staff on duties and expectations pertaining to the plan is recommended. Sufficient communications at the beginning of each school term (and otherwise, as needed) with students and parents on their duties and expectations is also recommended.

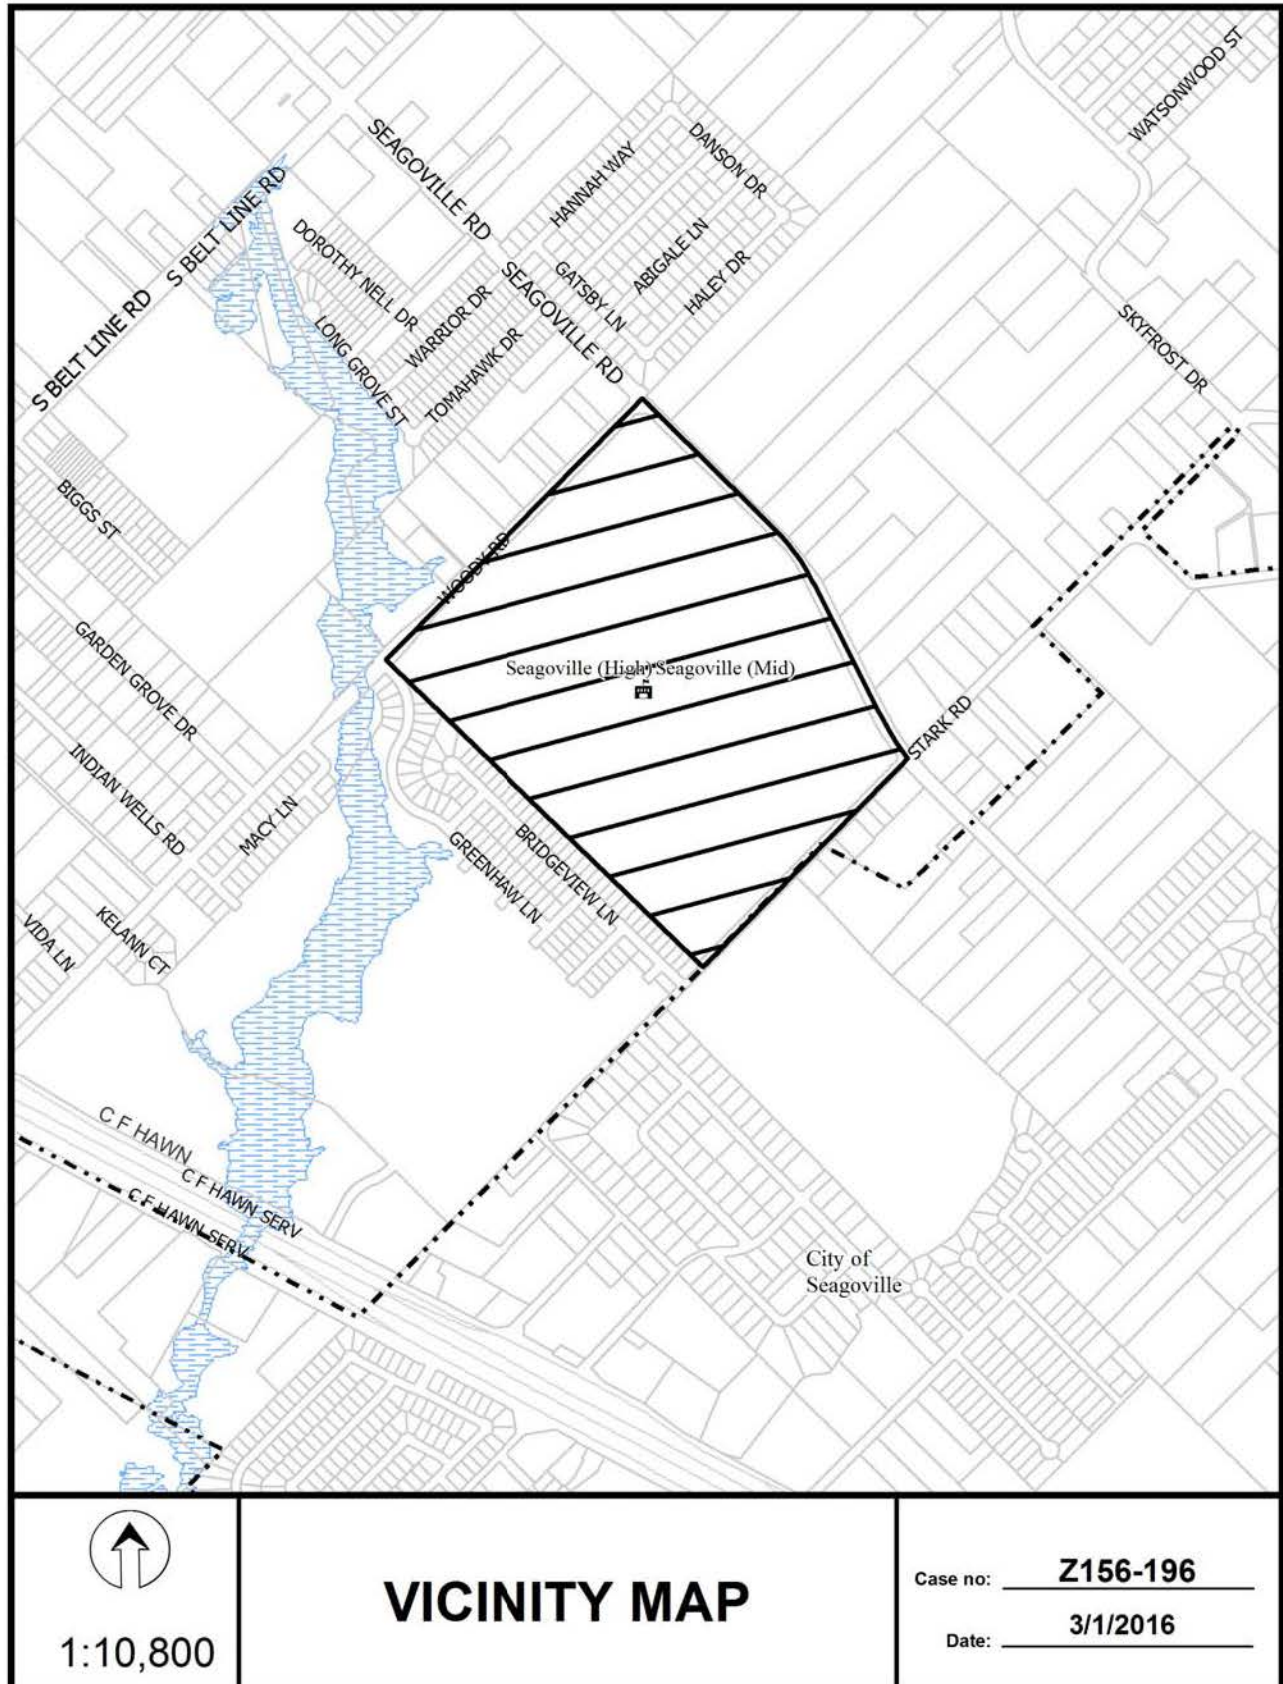

Summary

This TMP is to be used by Seagoville High School to provide safe and efficient transportation of students, staff, and faculty to and from the site. The Plan was developed with the intent of optimizing safety and efficiency and the goal of accommodating vehicular traffic generated by the school at peak traffic periods within the site. The details of the TMP shall be reviewed by the school on a regular basis to confirm its effectiveness.

SUBJECT

A public hearing to receive comments regarding the application for and approval of the fill permit and removal of the floodplain (FP) prefix from approximately 0.0105 acres of the current 0.0343 acres of land, located at 8722 Eustis Avenue, of which the 0.0343 acres are within the floodplain of Ash Creek, Fill Permit 16-01 - Financing: No cost consideration to the City

BACKGROUND

This request is to fill approximately 0.0105 acres of the current 0.0343 acres of floodplain, from a total tract of 0.1722 acres, to be used for single-family residential homes. The proposed fill is located at 8722 Eustis Avenue within the floodplain of Ash Creek.

A neighborhood meeting was held at the Harry Stone Recreation Center on April 21 2016. Attendees included the property owner and the owner's engineers, and their architect, three City staff members, and two citizens from the area. There has been no objection to the fill permit.

The fill permit application meets all engineering requirements for filling in the floodplain as specified in Part II of the Dallas Development Code, Section 51A-5.105(h). The applicant has not requested a waiver of any criteria. Accordingly, the City Council should approve this application; or, it may pass a resolution to authorize acquisition of the property under the laws of eminent domain and may then deny the application in order to preserve the status quo until acquisition.

A public hearing to receive comments and consider authorizing a public hearing to determine proper zoning on property zoned Planned Development District No. 521 on property generally located along both sides of Interstate Highway 20 between Spur 408 and Clark Road on the east and Mountain Creek Parkway and FM 1382 on the west and containing approximately 2,925 acres with consideration given to appropriate zoning for the area including permitted uses, development standards, and other appropriate regulations - Financing: No cost consideration to the City (via Councilmembers Thomas, Medrano, Callahan, McGough, and Deputy Mayor Pro Tem Wilson)

BACKGROUND

Planned Development District No. 521 was created on November 11, 1998, by Ordinance No. 23711, for residential, office and retail uses. The Planned Development District is divided into two zones: the North Zone containing seven subdistricts and South Zone containing 14 subdistricts with Interstate Highway 20 being the dividing line.

Since 1998, there have been various amendments and new subdistricts created. Property owners within and surrounding Planned Development District No. 521 have voiced concern about recent proposals and indicated a desire to review Planned Development District No. 521 to see if changes are needed.

Five City Councilmembers, in a memo dated April 20, 2016, requested this item be placed on the City Council agenda and advertised as a public hearing as required by 51A-4.701(a)(1) of the Dallas Development Code.

This is a hearing to consider the request to authorize the hearing, not the rezoning of property at this time.

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): 2

DEPARTMENT: Office Of Environmental Quality

CMO: Jill A. Jordan, P.E., 670-5299

MAPSCO: 46 K

SUBJECT

A public hearing to receive comments on a proposed municipal setting designation to prohibit the use of groundwater as potable water beneath property owned by Extra Space Properties Two LLC located near the intersection of South Haskell Avenue and Interstate Highway 30 and adjacent street rights-of-way; and an ordinance authorizing support of the issuance of a municipal setting designation to Extra Space Properties Two LLC by the Texas Commission on Environmental Quality and prohibiting the use of groundwater beneath the designated property as potable water - Financing: No cost consideration to the City

Recommendation of Staff: Approval

BACKGROUND

Based on information provided by the Applicant, the designated property is underlain by a perched shallow groundwater bearing unit encountered at approximately 20 feet below ground surface (bgs) and extending to approximately 60 feet bgs above the competent Austin Chalk Formation. The Austin Chalk is composed primarily of light gray limestone chalk and marl and is considered an aquitard that impedes potential vertical migration of chemicals. The estimated thickness of the Austin Chalk in the area is approximately 300 to 500 feet. The Eagle Ford Formation underlies the Austin Chalk and consists of shale, limestone, clay and marl and is estimated to be approximately 300 to 500 feet thick in the area, and is also considered an aquitard. The direction of groundwater flow beneath the designated property is to the southwest. A portion of the groundwater has been affected by tetrachloroethylene (PCE) at concentrations above groundwater ingestion standards. The potential onsite source of PCE is the metal working operations of the former Southern States Steel Company, which operated from the 1920s to the early 1950s, and was located on the southwestern half of the designated property. The potential offsite source is the historical industrial use of the southwest adjacent property as a former lumber and steel storage yard and former drum storage facility.

BACKGROUND (Continued)

A portion of the designated property was entered into the Voluntary Cleanup Program (VCP) administered by the Texas Commission on Environmental Quality (TCEQ) in April 2015 and is designated as VCP Facility ID No. 2739.

The applicant has requested that the City support its application for a Municipal Setting Designation (MSD). A public meeting will be held on May 16, 2016 to receive comments and concerns. Notices of the meeting were sent to 697 property owners within 2,500 feet of the property and 80 private well owners within 5 miles of the property. There are no other municipalities within one-half mile of the property.

This item is a municipal setting designation ordinance prohibiting the use of potable groundwater beneath property located near the intersection of South Haskell Avenue and Interstate Highway 30 including adjacent street rights-of-way; and supporting the issuance of a MSD by TCEQ.

The applicant's current plan is to obtain closure through the Voluntary Cleanup Program supported by a MSD. Currently, the designated property operates as a retail self-storage facility, Extra Space Storage. The anticipated future use of the designated property is expected to remain the same.

ORDINANCE NO. _____

A municipal setting designation ordinance prohibiting the use of designated groundwater from beneath property generally located at 503 and 603 South Haskell Avenue and supporting issuance of a municipal setting designation certificate by the Texas Commission on Environmental Quality; providing a penalty not to exceed \$2,000; providing a saving clause; providing a severability clause; and providing an effective date.

WHEREAS, Subchapter W, “Municipal Setting Designations,” of Chapter 361, “Solid Waste Disposal Act,” of the Texas Health and Safety Code authorizes the Texas Commission on Environmental Quality to create municipal setting designations; and

WHEREAS, Section 51A-6.108, “Municipal Setting Designation Ordinance,” of Article VI, “Environmental Performance Standards,” of Chapter 51A, “Dallas Development Code: Ordinance No. 19455, as amended,” of the Dallas City Code authorizes municipal setting designation ordinances prohibiting the use of designated groundwater as potable water and thereby enable the Texas Commission on Environmental Quality to certify a municipal setting designation for designated property; and

WHEREAS, the city council finds that:

(1) the eligibility criteria of Section 361.803 of the Texas Health and Safety Code have been met;

(2) this municipal setting designation ordinance will not have an adverse effect on the current or future water resource needs or obligations of the city of Dallas;

(3) there is a public drinking water supply system that satisfies the requirements of Chapter 341 of the Texas Health and Safety Code and that supplies or is capable of supplying drinking water to the designated property and property within one-half mile of the designated property; and

(4) this municipal setting designation ordinance is necessary because the concentration of contaminants of concern exceed ingestion protective concentration levels for human ingestion; and

WHEREAS, the city council, in accordance with the Charter of the City of Dallas, the state law, and the ordinances of the city of Dallas, have given the required notices and have held the required public hearings regarding this municipal setting designation ordinance; Now Therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That for purposes of this municipal setting designation ordinance, the “designated property” means the property described in Exhibit A, attached to the ordinance.

SECTION 2. That for purposes of this municipal setting designation ordinance, “designated groundwater” means water below the surface of the designated property to a depth of 200 feet.

SECTION 3. That use of the designated groundwater from beneath the designated property as potable water is prohibited.

SECTION 4. That the use of the designated groundwater from beneath public rights-of-way included in the designated property as potable water is prohibited.

SECTION 5. That the following uses of or contacts with the designated groundwater are prohibited:

- (1) Human consumption or drinking.
- (2) Showering or bathing.
- (3) Cooking.
- (4) Irrigation of crops for human consumption.

SECTION 6. That the following conditions are imposed on the designated property and designated groundwater:

- (1) The potable use of the designated groundwater from beneath the designated property is prohibited.

- (2) The potable use of the designated groundwater from beneath public rights-of-way included in the designated property is prohibited.
- (3) The portion of the designated property assigned Voluntary Clean-up Program Identification No. 2739 must receive a Certificate of Completion from the Texas Commission on Environmental Quality by no later than May 25, 2018.

SECTION 7. That the city council supports the application to the Texas Commission on Environmental Quality for a municipal setting designation on the designated property, with the following comments:

- (1) The Texas Commission on Environmental Quality, as the state agency chartered to protect human health and the environment, is requested to thoroughly review the conditions of the designated property and issue a certificate of completion only when all contaminants of concern, through the applicable routes of exposure, have been addressed.

SECTION 8. That the public rights-of-way immediately adjacent to the designated property must be included, at no additional cost to the city of Dallas, in the application to the Texas Commission on Environmental Quality.

SECTION 9. That a state or federal program must address the entire non-ingestion protective concentration level exceedance zone originating from sources on the designated property or migrating from the designated property no later than May 25, 2018. That within this time period, the applicant shall provide the managing director of the office of environmental quality documentation, including a certificate of completion from the Texas Commission on Environmental Quality, that it has been addressed to the satisfaction of the agency administering the program. If it has not been addressed, the managing director of the office of environmental quality may, for good cause, take any of the following actions:

- (1) allow additional time to address the non-ingestion protective concentration level exceedance zone;

- (2) request a review by the Texas Commission on Environmental Quality or the agency administering the program;
- (3) recommend to the city council that this municipal setting designation ordinance be repealed;
- (4) request additional information or documentation from the applicant; or
- (5) pursue other actions that the managing director of the office of environmental quality believes may be warranted.

SECTION 10. That any person owning, operating, or controlling the designated property remains responsible for complying with all applicable federal and state laws and regulations; all ordinances, rules, and regulations of the city of Dallas; and all environmental regulations, and that this municipal setting designation ordinance in itself does not change any environmental assessment or cleanup requirements applicable to the designated property.

SECTION 11. That any person owning, operating, or controlling any portion of the designated property is responsible for ensuring compliance with this ordinance with respect to their portion of the designated property. Allowing use of designated ground water for potable purposes or failure to provide the managing director of the office of environmental quality with required documentation is a violation of this ordinance and may result in the ordinance being repealed for that portion of the designated property.

SECTION 12. That approval of this municipal setting designation ordinance shall not be construed to subject the city of Dallas to any responsibility or liability for any injury to persons or damages to property caused by any contaminant of concern.

SECTION 13. That within 30 days after adoption of this municipal setting designation ordinance, the applicant shall provide the managing director of the office of environmental quality with an electronic file showing the location of the designated property and the designated groundwater in a format compatible with the city of Dallas' geographic information system.

SECTION 14. That within 60 days after adoption of this municipal setting designation ordinance, the managing director of the office of environmental quality shall file a certified copy of this municipal setting designation ordinance in the deed records of the county where the designated property is located.

SECTION 15. That within 60 days after adoption of this municipal setting designation ordinance, the managing director of the office of environmental quality shall send a certified copy of this municipal setting designation ordinance to the applicant and the Texas Commission on Environmental Quality, and that the managing director of the office of environmental quality shall notify the Texas Commission on Environmental Quality 60 days prior to any amendment or repeal of this municipal setting designation ordinance.

SECTION 16. That the applicant shall provide the managing director of the office of environmental quality with a copy of the municipal setting designation certificate issued by the Texas Commission on Environmental Quality pursuant to Section 361.807 of the Texas Health and Safety Code within 30 days after issuance of the certificate.

SECTION 17. That the applicant shall provide the managing director of the office of environmental quality with a copy of the certificate of completion or other documentation issued by the Texas Commission on Environmental Quality showing that any site investigations and response actions required pursuant to Section 361.808 of the Texas Health and Safety Code have been completed to the satisfaction of the Texas Commission on Environmental Quality within the time period required. The managing director of the office of environmental quality may, for good cause, extend the time for submitting the documentation.

SECTION 18. That the applicant shall notify the managing director of the office of environmental quality in writing if the applicant determines that notice is required to be sent to an owner of other property beyond the boundaries of the designated property under Title 30 Texas Administrative Code, Chapter 30, Section 350.55(b), and provide the name of the property owner, the property address, and a copy of the notice sent to the property owner.

SECTION 19. That a person violating a provision of this municipal setting designation ordinance, upon conviction, is punishable by a fine not to exceed \$2,000, and that the Texas Commission on Environmental Quality shall be notified of any violations.

SECTION 20. That Chapter 51A of the Dallas City Code shall remain in full force and effect, save and except as amended by this municipal setting designation ordinance.

SECTION 21. That the terms and provisions of this municipal setting designation ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 22. That this municipal setting designation ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

SUBJECT

A public hearing to receive comments on the FY 2016-17 Operating, Capital, and Grant/Trust budgets - Financing: No cost consideration to the City

BACKGROUND

Each year the City of Dallas holds a series of public hearings to provide the citizens of Dallas the opportunity to speak on next year's budget.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On May 11, 2016, City Council authorized the public hearing by Resolution No. 16-0727.

FISCAL INFORMATION

No cost consideration to the City

AGENDA ITEM # 73

KEY FOCUS AREA: Culture, Arts and Recreation and Educational Enhancements

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): 8

DEPARTMENT: Park & Recreation

CMO: Willis Winters, 670-4071

MAPSCO: 69-H

SUBJECT

A public hearing to receive comments on the proposed change of use and sale of a portion of the Kleberg Trail located at 10600 Rylie Road, totaling approximately 71,109 square feet of land, to the Texas Department of Transportation for construction of improvements to I-20 Frontage Roads; and at the close of the public hearing, consideration of a resolution authorizing the proposed use of parkland pursuant to Chapter 26 of the Texas Parks and Wildlife Code - Estimated Revenue: \$18,365

BACKGROUND

The City of Dallas owns municipal parkland known as the Kleberg Trail located southeast of downtown. Texas Department of Transportation (TxDOT) requires a portion of the Kleberg Trail for its I-20 State Highway Improvement Project, Federal Aid Project #STP 1502 (329) MM, for the purpose of extending the frontage road on either side of I-20 south of US Highway 175 (CF Hawn Freeway). TxDOT will pay \$18,365.00 of which is the fair market value of the parcel as determined by an independent appraisal.

Mayor Tom Leppert, through the Mayor's Southern Dallas Task Force, recommended purchase of approximately 2.2 miles of Union Pacific railroad right-of-way for the Kleberg Trail to encourage and promote economic development opportunities. Despite the rural character of West Kleberg compared to the remainder of Dallas, adjacent communities of Seagoville, Balch Springs, and Mesquite were providing stiff competition for retail and industrial development. The Kleberg Trail was identified as an important opportunity to provide for the development of the area by delivering an alternative transportation route and links to future bus and Park & Ride development and, at that time, the future DART Buckner Green Line Station. Post-development of the Kleberg Trail envisioned additional recreational facilities including soccer fields, a BMX bike trail, golf courses, and other open space amenities. Such development would attract residential and retail development. In 2011, the City purchased the railroad right-of-way for park purposes.

BACKGROUND (Continued)

Over the past months, City staff and TxDOT have negotiated terms of the sale which preserve the City's ability to construct a trail of a minimum of sixteen feet if need be, address safety, and require minimal cost to the City at such time the trail is constructed (Exhibit C-attached to the resolution). TxDOT agrees as condition of the sale of parkland to:

- 1) Modify box culvert lengths to accommodate the future trail.
- 2) Construct pedestrian ramps at intersections or allow for and accommodate sixteen-foot non-vehicular access to the future trail and install bollards, or allow such devices to impede vehicular access to the parkland until such time that the trail is constructed.
- 3) Revise proposed drainage culvert lengths to accommodate the future trail.
- 4) Provide stop signs or other traffic control devices to provide safe crossing of TxDOT facilities by trail users at the time the trail is constructed.

In compliance with the law, the City, through its Dallas City Council, must determine that there is a need and that no feasible and prudent alternative exists and that all reasonable care has been taken so as to not damage the remainder of the park property and to mitigate any disruption of current and future park services, including hike and bike trail development.

In accordance with the Texas Parks and Wildlife Code, Chapter 26 (Sections 26.001 through 26.004) the City Council must advertise and hold a public hearing on the change of use of park land. At the close of the public hearing, Council will consider a resolution authorizing the proposed change of use of parkland and sale.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On April 7, 2016, the Park and Recreation Board authorized a public hearing to be held on May 25, 2016.

Information about this item was provided to the Quality of Life & Environment Committee on April 25, 2016.

On April 27, 2016, City Council authorized a public hearing to be held on May 25, 2016, by Resolution No. 16-0643.

May 25, 2016

WHEREAS, the City of Dallas owns land in southeast Dallas known as Kleberg Trail, located at 10600 Rylie Road, City of Dallas, Dallas County, Texas which was acquired for park purposes and has been maintained as parkland; and

WHEREAS, a portion of the Kleberg Trail has been identified by Texas Department of Transportation (TxDOT) for its I-20 State Highway Improvement Project, Federal Aid Project #STP 1502 (329) MM, for the purpose of extending the frontage road on either side of I-20 south of US Highway 175 (CF Hawn Freeway) and must acquire approximately 71,109 square feet of land for such use, as shown on Exhibits A and B, and the City of Dallas Park and Recreation Board is agreeable to providing the property for this use; and

WHEREAS, TxDOT is agreeable to designing and constructing its improvements such that the City's ability to make future improvements to the Kleberg Trail shall not be impaired as shown on Exhibit C; and

WHEREAS, in consideration for this conveyance by sale, TxDOT will pay the fair market value as determined by an independent appraisal; and

WHEREAS, referendum, notice, and bidding requirements of Chapter 253 and 272 of the Texas Local Government Code are not applicable when a municipality is conveying an interest in land to an entity with eminent domain authority; and

WHEREAS, a public hearing was held, as required by the Texas Park and Wildlife Code (Chapter 26, Section 26.001 through 26.004), to determine that there is no feasible and prudent alternative to the change of use and sale of this parkland and that all reasonable planning to minimize harm to the Kleberg Trail has been taken.

Now, Therefore,

BE IT RESOLVED BY THE PARK AND RECREATION BOARD AND THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That as a result of the public hearing held today, it is hereby determined that there is no feasible and prudent alternative to the use of parkland for the purpose stated in this resolution and that all reasonable planning to minimize harm to the park and the surrounding adjacent parkland has been taken.

May 25, 2016

SECTION 2. That the City of Dallas hereby approves and authorizes the change of use and sale of parkland to TxDOT, including the exercise in the City of Dallas of the right of eminent domain, if such becomes necessary, by TxDOT for interests in land by sale, as identified in Exhibit A, for construction of frontage roads on either side of I-20 south of US Highway 175 (CF Hawn Freeway).

SECTION 3. That, since TxDOT's use of eminent domain for acquiring this tract by sale has been authorized, the Park and Recreation Board has approved, and the public hearing with appropriate determinations has been held, the City Manager, upon approval as to form by the City Attorney, is authorized to execute all documents regarding the sale of a portion of the Kleberg Trail, subject to the Agreement, to this resolution, and to all of the following terms and conditions:

a. TxDOT shall covenant to the City:

1. To observe safety regulations;
2. To not be detrimental to the park;
3. To comply with health, safety, noise, environmental protection, waste disposal, water and air quality regulations;
4. To keep the adjacent park area free from construction debris and waste;
5. To bear the cost of construction, operation and maintenance of the transit line and improvements;
6. To do all work within the park and surrounding areas in a good and workmanlike manner under the supervision of the Director of the Park and Recreation Department;
7. Improvements made on TxDOT's project shall not impair future construction of the Hike and Bike Trail, and such improvements shall be in accordance with Exhibit C including:
 - i. Modification of box culvert lengths to accommodate the future trail;
 - ii. Construction of pedestrian ramps at intersections, or allowance for and accommodation of sixteen-foot width non-vehicular access for the future trail, including the installation of bollards or other such devices to impede vehicular access to parkland until such time that the trail is constructed;
 - iii. Revision of proposed drainage culvert lengths to accommodate the future trail;
 - iv. Provide stop signs or other traffic control devices to provide for safe crossing of TxDOT facilities by trail users at the time the trail is constructed;

May 25, 2016

SECTION 3. (Continued)

8. Improvements made by TxDOT shall not impair the safe passage of users of the future Hike and Bike Trail and shall accommodate safe passage by future Hike and Bike Trail users at the time the Hike and Bike Trail is constructed;
9. To provide clearance for passage of maintenance and emergency vehicles along the Hike and Bike Trail.
- b. The City retains the right to inspect the tract of sale and adjacent park areas for violations of the covenants listed in subsection a.
- c. TxDOT shall not enter for work purposes or disturb the surface or subsurface land of park property outside of the tract to be sold without consultation with the Director of the Park and Recreation Department.

SECTION 4. That the Chief Financial Officer is hereby authorized to deposit funds received from the Texas Department of Transportation into Fund 0530; Department PKR; Unit 919A; Revenue Code 8416.

SECTION 5. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

AGENDA DATE: May 25, 2016

COUNCIL DISTRICT(S): All

DEPARTMENT: Park & Recreation

CMO: Willis Winters, 670-4071

MAPSCO: N/A

SUBJECT

A public hearing to receive comments on readopting and continuing in effect Chapter 12, "City Youth Program Standards of Care," of the Dallas City Code, to re-establish standards of care for certain City youth programs in compliance with state law; and, at the close of the hearing, approval of an ordinance to readopt Chapter 12 of the Dallas City Code - Financing: No cost consideration to the City

BACKGROUND

Section 42.041(b)(14) of the Texas Human Resources Code, as amended, allows city-sponsored youth recreation programs to be exempted from the state's day care licensing laws if the city adopts standards of care for those programs and complies with other requirements of that legislation. One requirement is that the City Council hold a public hearing annually on the city's youth program standards of care and adopt an ordinance re-establishing and continuing in effect the standards.

Ordinance No. 23159, adopted by the City Council on June 11, 1997, created Chapter 12 of the Dallas City Code in order to exempt City of Dallas youth programs from State child-care licensing requirements and provide minimum standards by which the City operates youth programs. Chapter 12 was readopted by Ordinance No. 23534 on June 10, 1998, by Ordinance No. 23907 on June 9, 1999, by Ordinance No. 24281 on June 14, 2000, by Ordinance No. 24611 on May 23, 2001, by Ordinance No. 24943 on May 22, 2002, by Ordinance No. 25269 on May 28, 2003, by Ordinance No. 25628 on June 9, 2004, by Ordinance No. 25998 on May 25, 2005, by Ordinance No. 26376 on June 14, 2006, by Ordinance No. 26800 on June 13, 2007, by Ordinance No. 27222 on June 11, 2008, by Ordinance No. 27565 on June 10, 2009, by Ordinance No. 27911 on June 9, 2010; by Ordinance No. 28217 on May 25, 2011; by Ordinance No. 28670 on May 23, 2012; by Ordinance No. 29036 on June 12, 2013; and by Ordinance No. 29358 on May 28, 2014. Chapter 12 will expire on June 16, 2016 unless sooner terminated or extended by ordinance of the City Council.

BACKGROUND (Continued)

The Director of the Park and Recreation Department implements, administers, and enforces Chapter 12, which applies to youth programs sponsored by the City, whether offered after school, during the summer, or during holidays. A coordinator initiates an inspection report for each program to confirm that standards of care are being met.

The youth program coordinators and leaders must meet certain qualifications pertaining to age, education, and experience and are provided orientation and training relating to working with children.

Each program must operate with a participant to leader ratio of 20:1 and must follow guidelines pertaining to safety, fire, and health as set forth in the standards of care.

PRIOR ACTION/REVIEW (Council, Boards, Commissions)

City Council authorized the public hearing on May 11, 2016, by Resolution No. 16-0730.

FISCAL INFORMATION

No cost consideration to the City.

ORDINANCE NO. _____

An ordinance readopting and continuing in effect Chapter 12, “City Youth Program Standards of Care,” composed of Sections 12-1 through 12-19 of the Dallas City Code, as amended; re-establishing standards of care for youth programs sponsored by the city of Dallas in compliance with state law; providing a severability clause; and providing an effective date and an expiration date.

WHEREAS, the city of Dallas has a long history of providing recreational programs for youths ages five through 13 years, which contribute to the overall well-being of the city’s youth and their families;

WHEREAS, the city council finds it necessary to adopt standards of care for those youth programs in compliance with the requirements of Section 42.041(b)(14) of the Texas Human Resources Code, as amended, in order to exempt those programs from state child-care licensing requirements;

WHEREAS, on June 11, 1997, the city council, after holding a public hearing, adopted Ordinance No. 23159, which took effect on June 16, 1997, and added Chapter 12 to the Dallas City Code to establish standards of care for city-sponsored youth programs;

WHEREAS, Section 42.041(b)(14) of the Texas Human Resources Code, as amended, requires that the city’s youth program standards of care be readopted by ordinance annually after a public hearing;

WHEREAS, Chapter 12 of the Dallas City Code, which establishes standards of care for city-sponsored youth programs, was readopted by the city council on June 10, 1998, by Ordinance No. 23534, on June 9, 1999, by Ordinance No. 23907, on June 14, 2000, by Ordinance No. 24281,

on May 23, 2001, by Ordinance No. 24611, on May 22, 2002, by Ordinance No. 24943, on May 28, 2003, by Ordinance No. 25269, on June 9, 2004, by Ordinance No. 25628, on May 25, 2005, by Ordinance No. 25998, on June 14, 2006, by Ordinance No. 26376, on June 13, 2007, by Ordinance No. 26800, on June 11, 2008, by Ordinance No. 27222, on June 10, 2009, by Ordinance No. 27565, on June 9, 2010, by Ordinance No. 27911, on May 25, 2011, by Ordinance No. 28217, on May 23, 2012, by Ordinance No. 28670, on June 12, 2013, by Ordinance No. 29036, and on May 28, 2014, by Ordinance No. 29358;

WHEREAS, Chapter 12 of the Dallas City Code will expire on June 16, 2016, unless before that date, it is readopted by the city council after a public hearing is held regarding the standards of care for city-sponsored youth programs; and

WHEREAS, a public hearing on these standards of care was held before the city council on May 11, 2016; Now, Therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That Chapter 12, "City Youth Program Standards of Care," composed of Sections 12-1 through 12-19 of the Dallas City Code, as amended, is readopted and continued in effect, as restated below, with amendment to Section 12-2 to read as follows:

"CHAPTER 12

CITY YOUTH PROGRAM STANDARDS OF CARE

ARTICLE I.

GENERAL.

SEC. 12-1. PURPOSE.

This chapter and the standards of care established by this chapter are adopted by the city council of the city of Dallas, Texas in compliance with Section 42.041(b)(14) of the Texas Human Resources Code, as amended, in order to exempt city youth programs from state child-care

licensing requirements. These standards of care are intended to be minimum standards by which the city will operate its youth programs. The programs operated by the city are recreational in nature and are not child-care facilities. Although this chapter establishes standards of care for city youth programs for children of ages five through 13 years, nothing in this chapter requires the city to provide any youth programs, or prevents the city from limiting youth programs to specific age groups within the five- through 13-year-old range.

SEC. 12-2. EXPIRATION DATE.

This chapter and the youth program standards of care established in this chapter expire on ~~[June 16, 2016]~~ June 16, 2017, unless sooner terminated or extended by ordinance of the city council.

SEC. 12-3. DEFINITIONS.

In this chapter:

- (1) ADMINISTRATION CENTER means the main administrative site for a city youth program.
- (2) CITY means the city of Dallas, Texas.
- (3) CITY COUNCIL means the city council of the city of Dallas.
- (4) DEPARTMENT means the park and recreation department of the city.
- (5) DIRECTOR means the director of the park and recreation department or the director's authorized representative.
- (6) INTER-SESSION means the periods of time when a year-round school is not in session.
- (7) PARENT means a person who:
 - (A) is a natural parent, an adoptive parent, or a step-parent of a youth;
 - (B) is, under court order, the guardian of the person of a youth or is a public or private agency with whom a youth has been placed by a court; or
 - (C) otherwise has legal custody and authority to enroll a youth in a city youth program.
- (8) PARTICIPANT means a youth whose parent has completed all required registration procedures and who is determined by the director to be eligible to participate in a city youth program.

(9) **PROGRAM COORDINATOR** or **COORDINATOR** means a full-time professional employee of the department who is responsible for:

(A) managing a recreational facility where a youth program is conducted; or

(B) overseeing the planning, administration, and implementation of a particular city youth program.

(10) **PROGRAM EMPLOYEE** or **EMPLOYEE** means any person hired to work for the department who is assigned responsibility for managing, administering, or implementing some portion of a youth program. The term includes program coordinators and program leaders.

(11) **PROGRAM LEADER** or **LEADER** means a full-time, part-time, permanent, or temporary employee of the department, or an independent contractor or volunteer of the city, who is assigned responsibility for implementing or conducting some portion of a youth program.

(12) **PROGRAM MANUAL** means a notebook of policies, procedures, required forms, and organizational and programming information relevant to the city's youth programs, as promulgated or otherwise approved by the director.

(13) **PROGRAM SITE** means any area or facility where any portion of a city youth program is conducted.

(14) **STANDARDS OF CARE** means all provisions contained in this chapter.

(15) **YOUTH** means a person who is not less than five years nor more than 13 years of age.

(16) **YOUTH PROGRAM** or **PROGRAM** means a city-sponsored recreational program for youth that may be offered by the park and recreation department after school, during the summer, during holidays, or during inter-session. The term does not include any program or activity to which attendees are free to come and go at will without regard to the presence of a parent or other responsible adult to care for them.

SEC. 12-4. ADMINISTRATION.

(a) The director shall implement, administer, and enforce the youth program standards of care. The director may by written order establish such rules, regulations, and policies, not inconsistent with this chapter, as the director determines are necessary to discharge any duty under or to effect the policy of this chapter.

(b) No city youth program may be advertised as a child-care facility.

(c) The standards of care apply to all youth programs sponsored by the city, whether offered after school, during the summer, during holidays, or during inter-session.

(d) When registering for a youth program, each participant's parent will be provided a current copy of the standards of care and will be informed that the youth program is not licensed by the State of Texas. A current copy of the standards of care will also be maintained at each youth program site for inspection and review by the public and by program employees.

(e) The director shall cause a criminal background check to be conducted on each prospective youth program employee. If results of that criminal check indicate that an applicant has been convicted of any of the following offenses, the applicant will not be considered for employment:

- (1) a felony or a misdemeanor classified as an offense against a person or family;
- (2) a felony or misdemeanor classified as public indecency;
- (3) a felony or misdemeanor violation of any law intended to control the possession or distribution of any controlled substance;
- (4) any offense involving moral turpitude; or
- (5) any offense that would potentially put youth participants or the city of Dallas at risk.

(f) The provisions of this chapter are administrative in nature and are not subject to criminal penalties.

SEC. 12-5. INSPECTION; MONITORING; ENFORCEMENT.

(a) A coordinator shall initiate an inspection report for each youth program to confirm that standards of care are being met. Each inspection report will be sent to the director for review and kept on record for at least two years. The director shall review each report and establish deadlines and criteria for program compliance with the standards of care.

(b) The director shall make visual inspections of each youth program site based on the following schedule:

- (1) Each after school program site will be inspected bimonthly.
- (2) Each summer program site will be inspected twice during its summer schedule.
- (3) Each holiday program site will be inspected once during the winter break and once during the spring break.
- (4) Each inter-session program site will be inspected once during each inter-session.

(c) Any complaint regarding enforcement of the standards of care at a youth program must be directed to the program site coordinator. The coordinator shall take necessary steps to resolve each problem. The complaint and its resolution must be recorded by the coordinator. The

director shall address any serious complaint regarding enforcement of the standards of care and record the complaint and its resolution.

(d) The director shall make an annual report to the city council on the overall status of the youth programs and their operation relative to compliance with the standards of care.

SEC. 12-6. ENROLLMENT.

Before a youth may be enrolled in a youth program, a parent must sign registration forms that contain the following information:

- (1) the child's name, age, address, and home telephone number;
- (2) the name and address of each parent and a telephone number for each parent during program hours;
- (3) the name and telephone number of each person to whom the child may be released;
- (4) a statement of the child's special problems or needs;
- (5) an emergency medical authorization;
- (6) proof of residency, when appropriate;
- (7) a liability waiver; and
- (8) an acknowledgement that the parent has been informed and understands that the program is not licensed by the State of Texas.

SEC. 12-7. SUSPECTED ABUSE.

Every program employee shall report suspected child abuse or neglect in accordance with the Texas Family Code.

ARTICLE II.

STAFFING: RESPONSIBILITIES AND TRAINING.

SEC. 12-8. YOUTH PROGRAM COORDINATOR: QUALIFICATIONS AND RESPONSIBILITIES.

- (a) Each coordinator must meet all of the following qualifications:
- (1) Be at least 21 years of age.
 - (2) Have two years of experience planning and implementing recreational activities.
 - (3) Pass a background investigation, including, but not limited to, testing for illegal substances.

(4) Have successfully completed a course in first aid and cardio pulmonary resuscitation (CPR) based on either American Heart Association or American Red Cross standards.

(5) Be able to furnish proof of a clear tuberculosis test within 12 months prior to employment.

(b) A coordinator is responsible for:

(1) administering the daily operations of a youth program in compliance with the standards of care;

(2) recommending for hire, supervising, and evaluating leaders for a youth program; and

(3) planning, implementing, and evaluating a youth program.

SEC. 12-9. YOUTH PROGRAM LEADERS: QUALIFICATIONS AND RESPONSIBILITIES.

(a) Each leader must meet all of the following qualifications:

(1) Be age 18 years of age or older, if working with children.

(2) Be able to consistently exhibit competency, good judgment, and self-control when working with children.

(3) Relate to children with courtesy, respect, tolerance, and patience.

(4) Have successfully completed a course in first aid and cardio pulmonary resuscitation (CPR) based on either American Heart Association or American Red Cross standards.

(5) Be able to furnish proof of a clear tuberculosis test within the 12 months prior to employment.

(6) Pass a background investigation, including, but not limited to, testing for illegal substances.

(b) A leader is responsible for:

(1) providing participants with an environment in which they can feel safe, enjoy wholesome recreation activities, and participate in appropriate social opportunities with their peers;

(2) knowing and following all city, departmental, and program standards, policies, and procedures that apply to the youth programs; and

(3) ensuring that participants are released only to a parent or a person designated by a parent and complying with the department- approved plan for verifying the identity of a person authorized to pick up a participant when that person is not known to the leader.

SEC. 12-10. TRAINING AND ORIENTATION.

(a) The department shall provide training and orientation to program employees relating to working with children in general and relating to the specific job responsibilities of each employee. A coordinator shall provide each leader with a program manual specific to each youth program.

(b) Each program employee will be trained in appropriate procedures for handling emergencies and in other areas, including, but not limited to, city, departmental, and program policies and procedures, provision of recreational activities, safety issues, child psychology, and organization.

(c) Each program employee shall be familiar with the standards of care for the youth programs and with all program policies, including the discipline, guidance, and release of participants, as outlined in the program manual.

(d) Each program employee will be required to sign an acknowledgement that the employee received the training required under this chapter.

ARTICLE III.

OPERATIONS.

SEC. 12-11. STAFF-PARTICIPANT RATIO.

(a) In each city youth program, the standard ratio of participants to leaders will be 20 to 1.

(b) Each participant will be assigned a program employee who is responsible for the participant and who is aware of the participant's habits, interests, and special needs and problems, as identified by the participant's parent during registration for a youth program.

(c) At all times, at least one employee who is 18 years of age or older must be present at each program site.

SEC. 12-12. DISCIPLINE.

(a) A program employee shall implement discipline and guidance in a consistent manner based on the best interests of program participants.

(b) No corporal punishment or treatment may be used. A program employee may use brief, supervised separation of a participant from the group, if necessary.

(c) As necessary, program employees shall provide discipline reports to the parents of participants. A parent will be asked to sign a participant's discipline report to indicate that the parent has been advised about a specific problem or incident.

(d) An excessive number of discipline reports or discipline reports of a severe nature, as described in the program manual, may result in a participant being suspended from a program.

(e) Any participant who poses a danger to other participants or staff will be removed from the program site as soon as possible.

SEC. 12-13. PROGRAMMING.

(a) A program employee shall attempt to provide activities for each group according to the participants' ages, interests, and abilities. The activities must be appropriate to each participant's health, safety, and well-being. The activities also must be flexible and promote each participant's emotional, social, and mental growth.

(b) A program employee shall attempt to provide that indoor and outdoor time periods include:

- (1) alternating active and passive activities;
- (2) opportunity for individual and group activities; and
- (3) outdoor time each day, as the weather permits.

(c) A program employee shall be attentive and considerate of the participants' safety on field trips and during any transportation provided by the program. A program employee must have a written list of all participants in each group and shall check the roll frequently.

(d) During trips, each program employee who supervises participants shall maintain immediate access to the emergency medical forms and emergency contact information for each participant. First aid supplies and a guide to first aid and emergency care must be readily available to each program employee on every field trip.

SEC. 12-14. COMMUNICATION.

(a) Each site must have access to a telephone for use in contacting the administration center and making emergency calls.

(b) A coordinator shall post the following telephone numbers adjacent to a telephone that is accessible to all program employees at each site:

- (1) Dallas ambulance or emergency medical services.
- (2) Dallas police department.
- (4) Dallas fire department.
- (5) The administration center.

- (6) Telephone numbers at which each participant's parents may be reached.
- (7) The telephone number for the program site.

SEC. 12-15. TRANSPORTATION.

- (a) Before a participant may be transported to or from a city-sponsored activity, a transportation form, completed by a parent of the participant, must be filed with a coordinator.
- (b) Every program vehicle used for transporting youth participants must be equipped with:
 - (1) first aid supplies and a first aid and emergency care guide that are easily accessible to program employees in the vehicle; and
 - (2) an operable 6-BC portable fire extinguisher that is installed in the passenger compartment of the vehicle and that is easily accessible to program employees in the vehicle.

SEC. 12-16. RELEASE OF PARTICIPANTS.

- (a) A participant will be released from a youth program only to a parent or to a person designated by the parent in the registration forms.
- (b) Each program site must have a copy of a department-approved plan to verify the identity of a person authorized to pick up a participant if that person is not known to a program leader.

ARTICLE IV.

FACILITY STANDARDS.

SEC. 12-17. SAFETY.

- (a) Program employees shall inspect each program site daily to detect sanitation and safety concerns that might affect the health and safety of the participants. A daily inspection report must be completed by program employees and kept on file by the coordinator.
- (b) All buildings, grounds, and equipment at each program site must be inspected, cleaned, repaired, and maintained to protect the health of the participants.
- (c) All equipment and supplies used in a program must be safe for use by the participants.
- (d) First aid supplies must be readily available to all program employees at each site, during transportation to an off-site activity, and for the duration of any off-site activity. A program employee shall maintain first aid supplies in a designated location, readily available to staff. Each

program employee must at all times have immediate access to a guide to first aid and emergency care.

(e) Air conditioners, electric fans, and heaters at each program site must be mounted out of the participants' reach or have safeguards that keep participants from being injured.

(f) Porches and platforms at each program site that are more than 30 inches above the ground must be equipped with railings that participants can reach.

(g) All swing seats at each program site must be constructed of durable, lightweight, relatively pliable material.

SEC. 12-18. FIRE.

(a) In case of fire, danger of fire, explosion, or any other emergency, a program employee's first priority is to evacuate the participants to a designated safe area.

(b) Each program site must have at least one fire extinguisher approved by the fire marshal that is readily available to all program employees. Annually, a coordinator shall inspect the fire extinguisher and send an inspection report to the director, who shall keep the report on file for a minimum of two years. Every program employee must be trained in the proper use of a fire extinguisher.

(c) Fire drills will be initiated at each program site according to the following schedule:

(1) After school programs. A fire drill will be conducted once every three months. Program employees will confer with school staff to ensure that city and school procedures do not conflict.

(2) Summer programs: A fire drill will be conducted twice during the session.

(3) Holiday programs: A fire drill will be conducted once during the fall and spring sessions.

(4) Inter-session programs: A fire drill will be conducted once during each inter-session.

SEC. 12-19. HEALTH.

(a) Illness or injury.

(1) A participant who is considered to be a health or safety concern to other participants or employees will not be admitted to a program.

(2) Illnesses and injuries will be handled in a manner that protects the health of all participants and employees.

(3) A program employee shall follow plans to provide emergency care for injured participants with symptoms of an acute illness as specified in the program manual.

(4) Each program employee shall follow the recommendation of the Texas Department of Health concerning the admission or readmission of any participant after a communicable disease.

(b) Medication. A program employee shall administer medication only in accordance with the following conditions:

(1) A parent must complete and sign a medication form that provides a current list of medications that a participant must take while in the program, with details as to times and dosages. The form must include authorization for a program employee to dispense the medication and an indemnification clause to protect the city.

(2) Every prescription medication must be in the original container and labeled with the child's name, a date, directions, and the physician's name. A program employee shall administer the medication only as stated on the label. A program employee may not administer medication after the expiration date.

(3) Every nonprescription medication must be labeled with the child's name and the date the medication was brought to the program. A nonprescription medication must be in the original container and shall be administered by a program employee only according to label direction.

(4) Any medication dispensed will be limited to routine oral ingestion that requires no special knowledge or skill. No injection may be administered by a program employee.

(5) A program employee shall ensure that all medications are inaccessible to program participants and, if it is necessary to keep medications in a refrigerator, that the medications are kept separate from food.

(c) Toilet facilities.

(1) Each program site must have inside toilets located and equipped so that children can use them independently and program employees can supervise as needed.

(2) One flush toilet must be provided for every 30 children. Urinals may be counted in the ratio of toilets to children, but may not exceed 50 percent of the total number of toilets.

(3) An appropriate and adequate number of lavatories must be provided.

(d) Sanitation.

(1) Each program facility must have adequate light, ventilation, and heat.

(2) Each program must be provided with an adequate supply of water meeting the standards of the Texas Department of Health for drinking water. A program employee shall ensure that water is supplied to participants in a safe and sanitary manner.

(2) Program employees shall ensure that garbage is removed daily from each building at a program site.”

SECTION 2. That, unless specifically provided otherwise by this ordinance or by state law, a person violating a provision of this ordinance is, upon conviction, punishable by a fine not to exceed \$500.

SECTION 3. That Chapter 12 of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 4. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 5. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

SUBJECT

Authorize **(1)** a five-year service contract, with a one-year renewal option, for parking services: Citations Management; Parking Management Services; Parking Meter Maintenance; Parking Meter Collections, Reconciliation, and Counting Services; Parking Lot Maintenance; Mobile Applications - Payments and Mobile Applications - Mapping - SP Plus Corporation in the amount of \$6,609,012, Xerox State and Local Solutions, Inc. in the amount of \$5,479,200, Ace Parking III, LLC in the amount of \$4,287,027 and ParkMe, Inc. in the amount of \$560,700, most advantageous proposers of eighteen; and **(2)** an increase in appropriations in the amount of \$812,607, from \$451,882,305 to \$452,694,912 in the Dallas Police Department budget - Total not to exceed \$16,935,939 - Financing: Current Funds (subject to annual appropriations)

BACKGROUND

This item is on the addendum to allow for adequate time to transition parking services providers without interruption to revenue collections, system maintenance and customer service.

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

These service contracts will provide for the management and operation of the City's metered parking assets and provide for ticket processing and collection services.

The City's parking services is responsible for the management of over \$8,000,000 in payments; the operation of over 4,000 metered parking spaces; processing of parking citations; and other parking related services. In preparation for the expiration of the existing turnkey parking services contract with Xerox State and Local Solutions, Inc. in August 2016, staff hired a consultant in December 2014 to develop specifications for the release of the City's Parking Services Request for Competitive Sealed Proposal (RFCSP).

BACKGROUND (Continued)

A component based Parking Services RFCSP was released in August 2015. The RFCSP allowed vendors to submit proposals for all (8) components or any single component.

The awarded citations management vendor will process citations and send notices of violation and collect payments up to ninety days after the violation. They will also be responsible for maintaining a citations database and providing support to parking enforcement and adjudication.

The awarded parking management services vendor will provide integration support, manage a payment center at the Oak Cliff Municipal Center, provide reconciliation and monitoring of all aspects of parking services and provide best practices and performance consultation.

The awarded parking meter maintenance vendor will provide preventative and routine maintenance on all of the City's single and multi-space meters.

The awarded parking meter collections, reconciliation, and counting services vendor will collect all monies from single and multi-space meters including coin, cash and credit card payments. The vendor will also be responsible for the counting and reconciling of all revenue including the deposit and payment to the City.

The awarded parking lot maintenance vendor will be responsible for the preventative and routine maintenance including striping, litter control and landscaping.

The awarded mobile applications-payments vendor will provide a service to allow the payment of parking meters by mobile phone via application, interactive voice response (IVR) or website. Vendor will be responsible for the reconciliation and payment of revenue to the City.

The awarded mobile applications-mapping vendor will provide a service that displays the location, rates and effective hours of parking meters and lots via a mobile phone application or website. Services will also include a link to the mobile applications payment service and the City's car-share service.

The above represents the award of seven out of eight components of the City's parking system. The eighth component, delinquent collections, will be recommended on future Council agenda.

General performance standards and specific service level agreements (SLA's) for the (8) components were included in the parking services contracts. These will provide a formal and comprehensive method to monitor the Parking Services contracts. Each SLA will define the expected level of service, the service level measurement, the reporting requirements and the resolution of performance issues.

BACKGROUND (Continued)

With the approval of these contracts, an increase in appropriations is needed so that payment for services can be expensed to the vendor(s) for the remainder of the fiscal year. In the past, vendor payments were retained by the contractor by deducting these amounts directly from gross revenues forwarded to City. The City would receive net revenue without a customary invoice for subsequent payment by City. Now the City will receive gross revenues and the vendor will invoice and request payment from the City on a monthly basis for services rendered. The City will recognize additional revenue (gross vs. net) and also record expenses for the services rendered under these contracts. The parking program will transition from the receipt of net revenue to the receipt of gross revenue generated from parking program related activities. The City anticipates approximately \$10 million in gross revenue on an annual basis. Historically the parking program received approximately \$7 million in net revenue on an annual basis.

A turnkey option was available for components (1-5), as listed below, where vendors could offer lower pricing due to economies of scale.

Parking Service Components

1. Citations Management
2. Parking Management Services
3. Parking Meter Maintenance
4. Parking Meter Collections, Reconciliation, and Counting Services
5. Parking Lot Maintenance
6. Delinquent Collections
7. Mobile Applications - Payments
8. Mobile Applications - Mapping

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 946 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, notifications were sent by the BDPS' ResourceLINK Team (RLT) to 25 chambers of commerce, the DFW Minority Business Council and the Women's Business Council - Southwest, to ensure maximum vendor outreach.

The recommended vendors meet the wage floor rate of \$10.37 approved by City Council on November 10, 2015, by Resolution No. 15-2141.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On April 27, 2005, City Council authorized a sixty-month professional services contract, with one sixty-month renewal option, for meter operation and parking management information system by Resolution No. 05-1331.

On April 26, 2006, City Council authorized Supplemental Agreement No. 1 to the professional services contract with ACS State and Local Solutions, Inc., for the provision of license recognition equipment and maintenance, staff and equipment for an auto pound payment station, and reimbursement to the City for two Boot Officers by Resolution No. 06-1220.

On May 12, 2010, City Council authorized the renewal option to the contract with ACS State and Local Solutions, Inc. for a five-year period for services related to meter operations and a parking management information system for the period June 1, 2010 through May 31, 2015, by Resolution No. 10-1257.

On September 26, 2012, City Council authorized to amend the contract with ACS State and Local Solutions, Inc., to provide for pay-by-phone or wireless application services for all metered parking spaces in the City by Resolution No. 12-2426.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS (Continued))

On March 25, 2015, City Council authorized Supplemental Agreement No. 7, to exercise the option of a one-year renewal to the contract with Xerox State and Local Solutions, Inc. (formerly ACS State and Local Solutions, Inc.) for services related to meter operations and a parking management information system for the period May 2, 2015 through May 1, 2016, by Resolution No. 15-0549.

On April 27, 2016, City Council authorized Supplemental Agreement No. 8 to the contract with Xerox State and Local Solutions, Inc. (formerly ACS State and Local Solutions, Inc.) to extend the contract term from May 2, 2016 through August 2, 2016 for services related to meter operations and a parking management information system by Resolution No. 16-0689.

Information about this item will be briefed by memorandum to the Public Safety Committee on May 23, 2016.

SUBJECT

Authorize a five-year service contract, with three one-year renewal options, for desktop support services - ARC Government Solutions, Inc. f/k/a Austin Ribbon & Computer Supplies, Inc., most advantageous proposal of nine - Not to exceed \$13,728,368 - Financing: Current Funds (subject to annual appropriations)

BACKGROUND

This item was placed on the addendum to allow for continued services without interruption.

This service contract will provide desktop support services throughout the City. Since 2006 the City has outsourced its technology help desk services. This service contract is a renewal for the continuation of outsourcing the City's help desk services. Services within the contract gives the City the ability to leverage support when needed to address the ever changing technology needs of City departments in their goal to fulfill their business operations. Primary services covered include:

- Provide 24x7x365 help desk (call center) support for end users
- A single point of contact for reporting problems or requesting services
- Managing trouble calls and service requests from initiation through resolution
- Support end users over the phone and onsite
- Provide onsite deskside technicians to respond to priority items
- Installing, moving, changing and repairing computer equipment and software
- Provide first level response and triage for software applications

Along with the above core services, this service contract will include the enhancements of existing support levels, which includes: unlimited call volumes, expanded support for Apple and Android devices, and stronger service level requirements with penalties.

BACKGROUND (Continued)

This service contract also provides a mechanism to acquire optional services. These optional services will provide Communication and Information Services the flexibility to more readily address changes in the scope or level of technology support for occasions such as special events or large scale technology projects.

The successful proposer was selected by the committee on the basis of demonstrated competence and qualifications under the following criteria:

- | | |
|---|-----|
| ● Cost | 35% |
| ● Functional match to City requirements | 20% |
| ● Experience and Capabilities | 15% |
| ● Approach | 15% |
| ● Business Inclusion and Development Plan | 15% |

*Business Development and Procurement Services only evaluated the Business Inclusion and Development Plan and cost.

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services used its procurement system to send out 594 email bid notifications to vendors registered under respective commodities. To further increase competition, Business Development and Procurement Services uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, notifications were sent by the Business Development and Procurement Services' ResourceLINK Team (RLT) to 25 chambers of commerce, the DFW Minority.

The recommended vendor meets the wage floor rate of \$10.37 approved by City Council on November 10, 2015, by Resolution No. 15-2141.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On October 10, 2011, City Council authorized a five-year service contract for Help Desk support services by Resolution No. 11-2714.

Information about this item was provided to the Budget, Finance and Audit Committee on May 16, 2016.

Authorize Supplemental Agreement No. 1 to the professional services contract with Freese and Nichols, Inc. for the engineering design of complete street improvements for Gus Thomasson Road from San Medina Avenue to Ferguson Road and Casa View Drive from Gus Thomasson Road to 330 feet south - Not to exceed \$279,653 from \$38,573 to \$318,226 - Financing: 2012 Bond Funds (\$262,754) and Water Utilities Capital Construction Funds (\$16,899)

BACKGROUND

This item is on the addendum because the project is being expedited to meet the design deadline and facilitate coordination with adjacent private development. On February 10, 2016, Administrative Action No. 16-5470 authorized a professional services contract with Freese and Nichols, Inc. for Phase 1 Feasibility and Traffic Study of the Greater Casa View Area which entailed studying the feasibility of reducing the number of lanes on Gus Thomasson Road immediately east and west of Ferguson Road from the existing six lanes to four lanes. This action will authorize Supplemental Agreement No. 1 for the design of street paving, storm drainage, traffic signal, landscaping, streetscape and water and wastewater main improvements along Gus Thomasson Road from San Medina Avenue to Ferguson Road and Casa View Drive from Gus Thomasson Road to 330 feet south.

This action will also cancel the 2012 Resurfacing Project on Gus Thomasson Road from Materhorn Drive to Maylee Boulevard and reprogram the funds for the design of complete street improvements along Gus Thomasson Road from San Medina Avenue to Ferguson Road and Casa View Drive from Gus Thomasson Road to 330 feet south.

Authorize a ten-year lease agreement, with two five-year renewal options with Farmers Assisting Returning Military, a Texas 501(c)(3) non-profit corporation, for approximately 89,445 square feet of land located at 606 and 700 South Good Latimer Expressway to be used as an urban farm for the period June 1, 2016 through May 31, 2026 - Revenue: \$272,172

BACKGROUND

This item is on the addendum because additional review time was required. This item authorizes a ten-year lease agreement, with two five-year renewal options with Farmers Assisting Returning Military (FARM) for approximately 89,445 square feet of City-owned environmentally impacted land located at 606 and 700 South Good Latimer Expressway.

The lease will provide for an urban farm that will allow for a diverse selection of produce and herbs to be grown through diverse methods such as container farming, small plot intensive farming, aquaponics, hydroponics and vertical growing while being mindful of materials and input. The urban farm will also act as a fully working farm park and accessible urban green space, providing educational farm tours, growing classes, nutritional awareness, composting, rainwater harvesting, orchards and gardens and employment to our returning military.

Portions of the property are environmentally impacted which will be protected by the existing concrete as a protective barrier. The FARM will utilize sustainable containers and/or containment areas for growing methods suitable for an environmentally impacted urban lot.

BACKGROUND (Continued)

The City does not currently have any urban farm businesses operating on any environmentally impacted City owned lot within the City; nor does the City direct an operation that is set up to source and serve its residents and businesses with local grown produce and herbs and function as accessible green space and an urban farming educational center within the Farmer's Market District.

The Lease will begin on June 1, 2016 through May 31, 2026.

Lease Premises 
606 and 700 S. Good Latimer Expressway

May 25, 2016**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:**

SECTION 1. That the City Manager, upon approval as to form by the City Attorney, is hereby authorized to execute a lease agreement (the "Lease") between Farmers Assisting Returning Military, a Texas non-profit corporation, or its successor and assigns, as lessee hereinafter referred to as "Lessee", and the City of Dallas, as lessor, hereinafter referred to as "City", for approximately 2.06 acres of environmentally impacted land located at 606 and 700 S. Good Latimer Expressway, Dallas, Dallas County, Texas ("Premises") to be used as an urban farm.

SECTION 2. That some of the special terms and conditions of the lease are:

- a) The lease is for a term of ten (10) years beginning June 1, 2016 and ending May 31, 2026 with two (2), five (5) year renewal options upon mutual agreement of the parties.

- b) Monthly rental payments during the term shall be as follows:

June 1, 2016 through May 31, 2018	\$1,500.00 per month
June 1, 2018 through May 31, 2019	\$2,213.00 per month
June 1, 2019 through May 31, 2020	\$2,280.00 per month
June 1, 2020 through May 31, 2021	\$2,348.00 per month
June 1, 2021 through May 31, 2022	\$2,418.00 per month
June 1, 2022 through May 31, 2023	\$2,491.00 per month
June 1, 2023 through May 31, 2024	\$2,566.00 per month
June 1, 2024 through May 31, 2025	\$2,643.00 per month
June 1, 2025 through May 31, 2026	\$2,722.00 per month

During the renewal option periods, monthly rental payments will be adjusted every year to the greater of fair market value or that amount equal to a 3% escalation over the prior year's monthly rental payment rate.

- c) The Premises are to be used by Lessee to operate an urban farm business which will include charitable and educational components to serve the Dallas community, including making produce donations to the North Texas Food Bank and other local non-profits and providing educational tours for DISD, and as further specified in the lease agreement.
- d) Lessee shall receive and accept the Premises in its "AS-IS, WHERE IS, WITH ALL FAULTS" condition and basis.

May 25, 2016**SECTION 2.** (Continued)

- e) Lessee shall begin preparing the Premises for urban farm use within one month after the Rental Commencement date and have all improvements completed within one year after the Rental Commencement Date. Lessee shall make and pay for all improvements to the Premises as specified in the lease agreement. All plans and specifications related to the improvements shall be subject to review and approval by the City's Office of Environmental Quality (OEQ) and, if appropriate, the Texas Commission on Environmental Quality (TCEQ). Lessee shall be responsible to secure a Certificate of Occupancy.
- f) Lessee shall use only urban farming methods that are sustainable, compatible, and suitable for environmentally impacted soils, including but not limited to container farming (above and in-ground) and root containment methods to prevent root migration into environmental Control Areas (specified in the lease), raised bed SPIN (Small Plot Intensive) farming, above ground aquaponics, hydroponics and vertical growing while always being mindful of materials and input.
- g) City reserves and has the absolute right to terminate the lease upon ninety (90) days written notice, for and at City's convenience. City may also terminate the lease for Lessee's non-compliance with the terms of the lease or Lessee's non-compliance with any federal, state or local code or regulation applicable to the Premises.
- h) The Lessee shall pay all taxes on the Premises during the lease term.
- i) Lessee shall obtain and maintain in full force and effect insurance, including without limitation worker's compensation, liability and builders risk insurance, on the Premises in such form and amounts as City shall require.
- j) Lessee shall pay all charges and initial connection charges for electric, water, sewer, and gas to the Premises.
- k) Lessee shall be responsible for the installation, maintenance and expense of its own telephone, communication and security services to the Premises.
- l) Lessee shall pay all charges for sanitation and janitorial services to the Premises.

May 25, 2016

SECTION 2. (Continued)

- m) Lessee shall be responsible for all improvements, repairs and maintenance to the Premises, at no cost to City. City shall have a right of inspection to ensure compliance with Lessee's maintenance responsibilities set out in this lease.
- n) Lessee shall be responsible for the installation, maintenance and expense of any outdoor signage.
- o) Lessee shall be responsible for the requirements issued by OEQ and ensuring that its operations and improvements do not result in noncompliance with any local, state, or federal law, including but not limited to TCEQ rules and regulations.
- p) Lessee shall maintain 501(c) (3) status.
- q) Lessee shall provide monthly written reports detailing the urban farm activity and amount of revenue collected during the preceding month. The City shall have access and audit rights for the purpose of inspection and enforcement of the terms, conditions and restrictions of the lease.
- r) Lessee shall not permit or allow any portion of the Premises to be used or occupied in any manner that is (1) contrary to any federal, state or local statute, rule, order, ordinance, requirement, or regulation applicable thereto, or (2) in any manner which would (i) violate any certificates of occupancy or permit affecting same, (ii) would threaten the structural integrity, utility, regulatory compliance, or value of then existing improvements, including but not limited to any structures, liners, fill, or any other materials used or constructed to obtain regulatory closure from the Texas Commission on Environmental Quality ("TCEQ") or another local, state, or federal environmental agency, (iii) cause the usefulness of the Premises to diminish, (iv) prevent the direct use of the Premises by all members of the public, as appropriate (v) constitute a public or private nuisance or waste, or (vi) would be immoral or obscene or create a threat to the health, safety, and welfare of the general public, or (3) for the sale or distribution of pornographic materials
- s) Lessee shall exercise reasonable efforts to comply with City's Good Faith Effort Plan.

May 25, 2016

SECTION 2. (Continued)

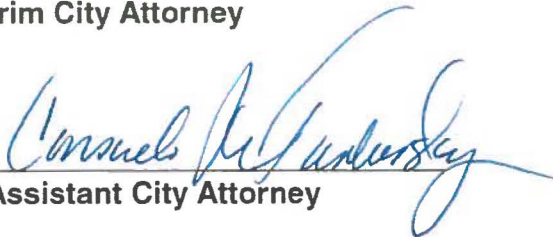

- t) City shall have access to the Premises for the purpose of obtaining regulatory closure from the TCEQ through the Voluntary Cleanup Program (VCP) or otherwise. Lessee shall cooperate with and assist the City (and OEQ) in all respects, including allowing access and providing permission as necessary at no cost to the City in order to facilitate the regulatory closure.
- u) Lessee shall not assign, encumber, or convey the lease or sublet the Premises or any part thereof without the prior written consent of City.

SECTION 3. That the Chief Financial Officer is hereby authorized to receive and deposit funds from Lease Agreement in Fund 0001, Dept. DEV, Unit 1181, Revenue Source 8410.

SECTION 4. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

Authorize **(1)** the First Amendment to the existing 40-year lease agreement between the City and The Company of Trinity Forest Golfers, Inc., a nonprofit corporation, to permit the location and expansion of the 1,500 square feet teaching academy to a larger shared-space with the Southern Methodist University (SMU) facility and modify SMU-related terms to facilitate such shared facilities; and **(2)** the City Manager to enter into a Revised and Restated Easement and Use Agreement involving SMU conforming with the First Amendment - Financing: No cost consideration to the City

BACKGROUND

This item is being placed on the addendum in order to expedite approval of the revised plans for construction of the Trinity River Golf Course.

On December 5, 2012, Council was briefed on the Grow South: Proposed Economic Development Sports Project for Southern Dallas – Trinity Forest Golf Course. Included in this briefing was information related to the development of a lease for approximately 400 acres of City-owned real property in the vicinity of the Great Trinity Forest Way (Loop 12) and Elam Road, adjacent to the Trinity Audubon Center and Texas Horse Park for the creation of a championship golf course.

On May 15, 2013, Council authorized a lease agreement with the nonprofit corporation, The Company of Trinity Forest Golfers, Inc. (CTFG).

CTFG is responsible for the development, management and operation of a championship golf course; execution of user agreements with The First Tee, the Professional Golfers Association (PGA)/the Salesmanship Club of Dallas, and SMU.

BACKGROUND (Continued)

As part of this lease agreement, the City pursued certain infrastructure improvements. The City provided remediation of closed landfills associated with the Simpkins Tract of land, the improvement of certain infrastructure to Elam Road, improved lighting and access along Great Trinity Forest Way, improved irrigation serving the Trinity Audubon Center and other associated public infrastructure improvements not to exceed \$12 million.

This item will authorize a modification to the lease agreement between the City and CTFG to reflect certain changes in the Approved Concept Plan and other terms in the lease that are related to the construction of a teaching academy by CTFG and possible future construction of facilities by SMU. Specifically, CTFG and SMU have developed plans that provide for a single shared-use teaching academy that is larger than is currently required of CTFG under the lease, and that will accelerate the construction by SMU of its facilities.

WHEREAS, the City of Dallas has enrolled portions of the property in the Texas Commission on Environmental Quality's (TCEQ) Voluntary Cleanup Program (VCP No. 2210) to conduct certain remediation of and to obtain regulatory closure for certain existing environmental conditions; and

WHEREAS, the City of Dallas and The Company of Trinity Forest Golfers, Inc. ("CTFG") wish to develop a championship golf course on the property; and

WHEREAS, on December 12, 2012, City Council approved a Letter of Intent by Resolution No. 12-3066 and directed the City Manager to advance and to finalize negotiations with The CTFG for the lease of said city-owned property for development, management, and operation of such a facility; and

WHEREAS, on May 15, 2013, by Resolution No. 13-0776, City Council authorized a 40-year lease agreement between the City and The Company of Trinity Forest Golfers, Inc. (CTFG), a nonprofit corporation, for the development, management and operation of a championship golf course; and

WHEREAS, on May 15, 2013, the City and CTFG entered into the lease; and

WHEREAS, CTFG has requested that the City agree to a modification of the lease to reflect the current conceptual plans for a combined CTFG and Southern Methodist University (SMU) teaching facility.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is authorized to execute the First Amendment to the 40-year lease agreement between the City of Dallas and The Company of Trinity Forest Golfers, Inc., a nonprofit corporation, to permit the location and expansion of the 1,500 square feet teaching academy to a larger shared-space with the SMU facility and modify SMU-related terms to facilitate such shared facilities, after approved as to form by the City Attorney.

Authorize the **(1)** deposit of the amount awarded by the Special Commissioners in the condemnation proceeding styled City of Dallas v. Johnny Uribe or, if deceased, his unknown heirs, et al., Cause No. CC-15-04307-E, pending in Dallas County Court at Law No. 5, to acquire a subsurface easement under approximately 4,945 square feet of land, located on Apple Street near its intersection with Bryan Street for the Mill Creek/Peaks Branch/State-Thomas Drainage Relief Tunnel Project; and **(2)** settlement of the condemnation proceeding for an amount not to exceed the award - Not to exceed \$22,500 (\$20,000 being the amount of the award, plus closing costs and title expenses not to exceed \$2,500); an increase of \$1,704 from the amount Council originally authorized for this acquisition - Financing: 2006 Bond Funds

BACKGROUND

This item is being placed on the addendum requesting Council approval prior to the deadline to file objections to the Award of the Special Commissioners.

On April 22, 2015, the City Council authorized the acquisition of this property, by Resolution No. 15-0765. The property owner was offered \$18,296, which was based on a written appraisal from an independent certified appraiser. The property owner did not accept the offer and the City filed an eminent domain proceeding to acquire the property. After a hearing before the Special Commissioners on May 9, 2016, the property owner was awarded \$20,000. This item authorizes deposit of the amount awarded by the Special Commissioners for the property, which is \$1,704 more than the City Council originally authorized for this acquisition, plus closing costs and title expenses not to exceed \$2,500.

BACKGROUND (Continued)

The City has no control over the Special Commissioners appointed by the judge or any award that is subsequently rendered by the Special Commissioners. The City, in order to acquire possession of the property and proceed with its improvements, must deposit the amount awarded by the Special Commissioners in the registry of the Court.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

A resolution designating absences by Councilmember Philip T. Kingston as being for "Official City Business" - Financing: No cost consideration to the City

BACKGROUND

This item is on the addendum to allow council members additional time to request approval of their outstanding absences (if applicable) as "Official City Business."

Chapter III, Section 4(e) of the Dallas City Charter provides in part, "If any city council member, including the mayor, misses more than 10 percent of the total number of regular meetings held by the city council during any compensation year, then the city council member's compensation...for that year will be reduced proportionately by the percentage of meetings missed.... Meetings missed by a city council member while he or she is on the official business of the city council and at the direction of the city council will not be counted towards the percentage of missed meetings for which compensation reduction is required... but will be counted as though the member had attended the meetings that are missed while so engaged in city business."

Section 4.11(b) of the City Council Rules of Procedure provides that an absence by a council member for (1) attending a meeting or conference of a professional organization of or association of municipalities or municipal officers, (2) testifying at a legislative hearing at the request of the mayor, the city council, the chair of the council's legislative affairs committee or the city manager, or (3) attending a meeting of a board, commission, or committee to which the council member has been appointed by the mayor or the city council, will automatically be deemed to be for "official city business at the direction of the city council" and will not be counted against a city council member for purposes of determining the council member's annual compensation.

BACKGROUND (Continued)

Section 4.11(c) of the City Council Rules of Procedure provides that, in addition to those absences automatically considered to be on "official city business at the direction of the city council" under Section 4.11(b) above, the city council may by resolution designate whenever a council member's absence is for official city business and not counted as a missed meeting for purposes of determining the council member's annual compensation under Chapter III, Section 4 of the Dallas City Charter.

The proposed resolution authorizes and directs the city secretary to amend the minutes of city council meetings, without further city council action or approval, to reflect when the absences by designated council members have been deemed by the city council to be for "official city business."

WHEREAS, Section 4.11(b) of the City Council Rules of Procedure provides that an absence by a council member for (1) attending a meeting or conference of a professional organization or association of municipalities or municipal officers, (2) testifying at a legislative hearing at the request of the mayor, the city council, the chair of the council's legislative affairs committee or the city manager, or (3) attending a meeting of a board, commission, or committee to which the council member has been appointed by the mayor or the city council, will automatically be deemed to be for "official city business at the direction of the city council" and will not be counted against a city council member for purposes of determining the council member's annual compensation; and

WHEREAS, Section 4.11(c) of the City Council Rules of Procedure provides that, in addition to those absences automatically considered to be on "official city business at the direction of the city council" under Section 4.11(b) referenced above, the city council may by resolution designate whenever a council member's absence is for official city business and not counted as a missed meeting for purposes of determining the council member's annual compensation under Chapter III, Section 4 of the Dallas City Charter; and

WHEREAS, Councilmember Philip T. Kingston participated in event(s) and/or meeting(s), as described in **Exhibit A** attached, which required him to miss all or part of one or more city council meeting(s) or committee meeting(s) on the date(s) noted;

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

May 25, 2016

SECTION 1. That, in accordance with Chapter III, Section 4(e) of the Dallas City Charter and Section 4.11(c) of the City Council Rules of Procedure, the event(s) and/or meeting(s) described in **Exhibit A**, attached, are hereby deemed to be for "official city business," and any absences from city council meeting(s) and/or city council committee meeting(s), on the date(s) noted in **Exhibit A**, by Councilmember Philip T. Kingston because of his participation in any event(s) and/or meeting(s) will not be counted against him in determining his annual compensation under Chapter III, Section 4 of the Dallas City Charter.

SECTION 2. That, in accordance with Section 4.11(a) of the City Council Rules of Procedure, the City Secretary shall maintain a record of the absence on official city business so that such absence(s) will not count against Councilmember Philip T. Kingston in determining his annual compensation under Chapter III, Section 4 of the Dallas City Charter.

SECTION 3. That the City Secretary is authorized and directed to amend the minutes of each city council meeting held on the date(s) specified in Exhibit A, if applicable, to reflect that the absences by Councilmember Philip T. Kingston as described in Exhibit A, were for "official city business," and no further city council action or approval of those minutes is required.

SECTION 4. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

SUBJECT

Authorize a three-year service contract for graphic design services - El Creative, Inc., most advantageous proposer of ten - Not to exceed \$550,105 - Financing: Current Funds (\$535,880), Stormwater Drainage Management Current Funds (\$9,740) and Aviation Current Funds (\$4,485) (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will allow the City to purchase graphic design services on an as needed basis to promote City programs and services. Various creative services will be integrated to promote and publicize citywide department programs and activities. Use of printed materials includes:

BACKGROUND (Continued)

- Development of annual reports
- General information brochures
- Flyers
- Event rack cards
- Printed ads

In addition, the City will be able to purchase onsite event photography for development of future promotional material. Media buys and development of public service announcements for radio and television ads will be used for selected City events, programs and services. Translation service will be used for all marketing and publicity activities.

A seven member committee from the following departments reviewed and evaluated the proposals:

- Business Development and Procurement Services (2)*
- Park and Recreation (2)
- Public Information Office (1)
- Trinity Watershed Management (1)
- Code Compliance (1)

*Business Development and Procurement Services only evaluated the Business Inclusion and Development Plan and cost.

The successful proposer was selected by the committee on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 30%
- Capability 30%
- Experience and qualifications 25%
- Business Inclusion and Development Plan 15%

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 1,715 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, notifications were sent by the BDPS' ResourceLINK Team (RLT) to 25 chambers of commerce, the DFW Minority Business Council and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

BACKGROUND (Continued)

The recommended vendor meets the wage floor rate of \$10.37 approved by City Council on November 10, 2015, by Resolution No. 15-2141.

SUBJECT

Authorize **(1)** approval of the development plan submitted to the Dallas Housing Acquisition and Development Corporation by Cooper ~~Homes~~ Contractors, Inc. for the construction of affordable houses; **(2)** the sale of 17 vacant lots (list attached) from Dallas Housing Acquisition and Development Corporation to Cooper ~~Homes~~ Contractors, Inc.; and **(3)** execution of a release of lien for any non-tax liens on the 17 properties that may have been filed by the City - Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. The City Council then established the Dallas Housing Acquisition and Development Corporation (DHADC) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

Cooper ~~Homes~~ Contractors, Inc. has submitted a proposal and development plan to DHADC for 17 lots shown on the attached list. The DHADC board of directors has approved the development plan and sale of the 17 lots, subject to City Council approval. This item will authorize City Council approval of the development plan submitted by Cooper ~~Homes~~ Contractors, Inc. to DHADC, the sale of those lots from DHADC to Cooper ~~Homes~~ Contractors, Inc. and the release of lien for any non-tax liens that may have been filed by the City. The vacant lots were purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens.

BACKGROUND (continued)

DHADC's Deed without Warranty to Cooper HomesContractors, Inc. will contain a reverter that returns the property to DHADC if a construction permit is not applied for by Cooper HomesContractors, Inc. and construction financing is not closed within three years of conveyance.

Cooper HomesContractors, Inc. will build affordable houses on the lots. The approximate square footage and sales prices of the houses will be from 1,200 to 1,500 square feet and from \$120,000 to \$150,000. The lots will be deed restricted for sale to low income families.

DHADC will receive \$95,000.00 for the sales price of the vacant lots to Cooper HomesContractors, Inc., as calculated from the 2015-16 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 28, 2004, City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code by Resolution No. 04-0458.

On September 21, 2015, the Housing Committee was briefed regarding the Urban Land Bank Demonstration Program which outlined the process and status of the program.

On April 21, 2016, the DHADC board of directors approved the development plan and sale of 17 lots from DHADC to Cooper HomesContractors, Inc.

Information about this item will be provided to the Housing Committee on May 16, 2016.

Second Avenue Bridge over White Rock Creek

- * Authorize a waiver agreement with the Texas Department of Transportation for the local match fund participation requirement on the northbound Second Avenue Bridge over White Rock Creek as an approved project for the Federal Off-System Bridge Program - Financing: No cost consideration to the City This action has no cost consideration to the City (See Fiscal Information for future potential cost)
- * Authorize a Local Project Advanced Funding Agreement with the Texas Department of Transportation for the replacement or rehabilitation of the northbound Second Avenue Bridge over White Rock Creek as an approved project for the Federal Off-System Bridge Program - Financing: No cost consideration to the City This action has no cost consideration to the City (See Fiscal Information for future potential cost)

BACKGROUND

The Federal Off-system Bridge Program is administered by the Texas Department of Transportation (TxDOT) to replace or rehabilitate structurally deficient or functionally obsolete bridges located on public roads and streets off the designated state highway system. Under this program, TxDOT selects certain bridges or cross-drainage structures to be programmed for replacement or rehabilitation. The eligibility of those structures and the extent of proposed improvements depend on their condition as determined by the state's inspection reports. Under this program, the funding participation ratio of eligible costs are usually 80% federal, 10% state, and 10% local to be funded by the City of Dallas. In this particular case, however, the local share will be waived.

BACKGROUND (Continued)

Texas Administrative Code, Title 43, Section 15.55(d) provides that the 10 percent City match fund participation requirement may be waived if the City requests such a waiver provided that the City agrees to perform, or cause to be performed, an equivalent dollar amount of structural improvement work on other deficient bridges or deficient mainlane cross-drainage structures within its jurisdiction. This type of structural improvement work is referred to as an “Equivalent-Match Project” (EMP).

The project on which local fund participation is to be waived is referred to as the “Participation-Waived Project” (PWP). The northbound Second Avenue Bridge (National Bridge Inventory Structure No. 18-057-09S23-40-003) over White Rock Creek will be the “Participation-Waived” Project to be repaired by TxDOT at a cost of \$1,036,965. The southbound Second Avenue Bridge (NBI Structure No. 18-057-09S23-40-008) over White Rock Creek will be the Equivalent-Match Project that the City of Dallas will perform the structural and safety improvements at a cost of \$210,720, and receive a waiver of the local match fund participation requirement on the “Participation-Waived” Project. The design of the EMP project was funded by the 2012 Bond Program and the design contract was awarded by Council on January 13, 2016. This action will authorize the waiver and advanced funding agreement with TxDOT, which is necessary for the replacement or rehabilitation of the “Participation-Waived” Project. The construction of this project, which will address safety concerns related to existing structural deficiencies and enhance the useful life, will be funded with future bond savings or as part of a future bond program.

SUBJECT

Authorize a contract for construction of storm drainage improvements for the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project - Southland Mole JV, lowest responsive and responsible bidder of five - Not to exceed \$209,894,515 - Financing: General Obligation Commercial Paper Funds (\$209,179,636), Water Utilities Capital Construction Funds (\$25,600) and Water Utilities Capital Improvement Funds (\$689,279)

BACKGROUND

The 2006 and 2012 Bond Programs provided funding for design and construction of storm drainage relief improvements for the Mill Creek / Peaks Branch / State-Thomas watersheds. This project is a deep underground storm drainage tunnel that will provide drainage and flooding relief to the lower areas of the Mill Creek watershed (around Baylor Hospital), Peaks Branch watershed (south of Buckner Park), and East Peaks Branch watershed (around Fair Park area). It will also provide drainage relief to the Woodall Rodgers area in the State-Thomas area.

The drainage relief tunnel project consists of approximately five miles of thirty-foot diameter storm drainage tunnel that is between seventy-five and one hundred fifty feet deep. The project includes an outfall structure on White Rock Creek and five intake shafts that will connect to existing storm drainage systems and collect overland floodwaters during heavy rain events. The project also includes street and surface drainage improvements at the intake and outfall sites.

In 2007, Council authorized a professional services contract to study and design drainage relief improvements to reduce flooding in the lower portions of the Mill Creek and Middle Peaks Branch watersheds. In 2009, Council authorized a change of alignment of both Mill Creek and Peaks Branch drainage relief systems that provided a deep underground tunnel that will drain both watersheds into Lower White Rock Creek. In 2012, Council authorized extending the tunnel to the State-Thomas area to reduce flooding in the State-Thomas and Uptown areas.

BACKGROUND (Continued)

This action authorizes a contract with Southland Mole JV to construct storm drainage improvements for the Mill Creek / Peaks Branch / State-Thomas Drainage Relief Tunnel Project including five miles of 30-foot diameter tunnel, five intake shafts and connections, an outfall shaft, a dewatering station, associated street and surface storm drainage improvements, and water and wastewater improvements.
