BACKGROUND

This item is on the addendum to allow sufficient time to compile information as related to the November 8, 2016 special election. The City of Dallas Employees' Retirement Fund (ERF) was established by ordinance in November 1943 and became effective in January 1944 after ratification by the voters of the City of Dallas. Chapter 40A of the Dallas City Code establishes benefits and contribution requirements. ERF is a single-employer defined benefit pension plan sponsored by the City of Dallas (the "City"), and it provides retirement, disability and death benefits to its members.

All employees of the City are members except police officers, firefighters, elected officials, non-salaried appointee members of administrative boards or commissions, part-time employees working less than one-half time, temporary employees, individuals working under contract, and individuals whose salaries are paid in part by another government agency. Members are entitled to retirement benefits at the date of eligibility for retirement or to survivor benefits after two years of service.

ERF's actuarial firm, Gabriel, Roeder, Smith & Company, conducts an annual actuarial valuation. The results of the December 31, 2015 valuation showed an increase in the unfunded actuarial accrued liability. In order to reduce this liability over time, ERF is proposing the following changes to Chapter 40A for employees hired after January 1, 2017:

- Change retirement eligibility requirements;
- Reduce the benefit multiplier from 2.75% to 2.5%;
- Reduce the cost of living adjustment from a maximum of 5% to a maximum of 3%;
- Increase the average monthly earnings calculation from a 3-year average to a 5-year average;
- Change the survivor benefits;
- Eliminate the monthly health supplement; and
- Modifying interest rates on buybacks of credited service after a break in service

BACKGROUND (Continued)

Except as provided in Subsection 35(b) of Chapter 40A, Chapter 40A may not be amended except by a proposal initiated by either the board or the city council that results in an ordinance approved by the board, adopted by the city council, and approved by a majority of the voters.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On August 9, 2016, the ERF board will vote on the proposed changes to Chapter 40A.

On August 3, 2016, the City Council was briefed on proposed changes to Chapter 40A.

On June 20, 2016, the City Council's Transportation and Trinity River Committee was briefed on the proposed changes to Chapter 40A.

On December 2, 2015, the City Council was briefed on an overview of the Employees' Retirement Fund.

If the city's actuary agrees with the board's actuary, the determinations of the board's actuary shall be used to determine member and city contributions to the fund for the fiscal year.

(b) If there is a dispute between the actuary employed by the board and the actuary employed by the city with respect to the required member and/or city contributions to the fund for a fiscal year, the two actuaries shall attempt to resolve their differences. If the two actuaries resolve their differences, they shall sign a document setting forth the underlying actuarial methods, assumptions, projections, and calculations, and the resulting actuarially required contribution rate, current adjusted total contribution rate, current total obligation rate, and pension obligation bond credit rate, all of which shall be adopted by the board and used to determine member and city contributions to the fund for the fiscal year if the dispute is resolved prior to the commencement of the fiscal year; unless the board determines, in its discretion, that the conclusions agreed to by the two actuaries are not actuarially sound, in which case the board shall adopt sound actuarial assumptions and the resulting actuarially required contribution rate, current adjusted total obligation rate, current total obligation rate, and pension obligation bond credit rate.

(c) If the differences between the two actuaries cannot be resolved within 90 days after the appointment of the second actuary, the board shall retain a third actuary based upon the joint recommendation of the other two actuaries. The third actuary shall review and calculate member and city contributions to the fund based on the methods, assumptions, projections, and calculations determined by the third actuary; provided, however, that the actuarial assumptions must be consistent with the terms of this chapter. The board, the city, and their respective actuaries shall cooperate with the third actuary and promptly provide such information as the third actuary reasonably requests. The three actuaries shall confer regarding the actuarial dispute between the city's and the board's actuaries, and shall attempt to resolve their differences. If any two of the three actuaries agree regarding the underlying actuarial methods, assumptions, projections, and calculations, and the resulting actuarially required contribution rate, current adjusted total obligation rate, current total obligation rate, and pension obligation bond credit rate, such joint determinations shall be communicated in writing to the board and adopted by the board and used in establishing the member and city contributions to the fund for the fiscal year if the dispute is resolved prior to the commencement of the fiscal year; unless the board determines, in its discretion, that the conclusions agreed upon are not actuarially sound, in which case the board shall adopt sound actuarial assumptions and the resulting actuarially required contribution rate, current adjusted total obligation rate, current total obligation rate, and pension obligation bond credit rate.

(d) If a dispute described in this Section 40A-7.1 is not resolved prior to the commencement of the fiscal year, the member and city contributions to the fund for such fiscal year (as a percentage of wages) shall be the same as the prior fiscal year.

(e) Notwithstanding Section 40A-1(~~37~~[~~34~~]), for any fiscal year in which the process described in this Section 40A-7.1 results in a change in the current adjusted total obligation rate, then the prior adjusted total obligation rate for the succeeding fiscal year shall be deemed to be the current adjusted total obligation rate determined by the board through the process described in this section.

(3) Full survivor option. Under this option, one designated beneficiary will receive a reduced pension for life based upon the relative ages of the member or inactive member and the beneficiary on the day before the member or inactive member's death in an amount actuarially equivalent to an unreduced pension payable to the member or inactive member. Only a qualified recipient of the member or inactive member other than one described in Section 40A-1(~~38~~[~~35~~])(C) is eligible to be the beneficiary. If the designated beneficiary dies or ceases to be eligible before 120 monthly payments have been made, then a lump sum payment equal to the commuted value of the balance of the 120 monthly payments will be paid in the following order of priority:

(A) to one or more designees;

(B) if no designee exists and if an eligible beneficiary survived the member or inactive member, to the estate of the beneficiary; or

(C) if no designee exists and if no eligible beneficiary survived the member or inactive member, to the estate of the member or inactive member.

(d) If an inactive member dies with at least five years, but less than 15 years, of credited service, a death benefit is payable in accordance with this subsection. The pension will not be reduced because of the age of the inactive member. The pension will be based upon the inactive member's actual credited service or 10 years credited service, whichever is greater, and the benefit formulas in effect at the time of termination of city employment. The death benefit will be paid as either:

(1) a 10 year certain option; or

(2) a one-half survivor option.

(e) If a member who is not described in Subsection (f) dies with at least two years, but less than 15 years, of credited service, a death benefit is payable in accordance with this subsection. The pension will not be reduced because of the age of the member. The pension will be based upon the member's actual credited service or 10 years credited service, whichever is greater. The death benefit will be paid as either:

(1) a 10 year certain option; or

(2) a one-half survivor option.

(f) If a member who is eligible to retire by both age and years of credited service or a member or inactive member who has at least 15 years of credited service dies, a death benefit is payable in accordance with this subsection. The pension will not be reduced because of the age of the member or inactive member. The pension will be based upon the member or inactive member's actual credited service or 10 years credited service, whichever is greater. The death benefit will be paid as either:

(1) a 10 year certain option; or

(2) a full survivor option.

(g) Death benefits for any service death will be determined as follows:

(1) The benefits will be computed using the greater of:

(A) the decedent's actual credited service; or

(B) 10 times the percentage multiplier used in computing benefits of the decedent on the date of death multiplied by the decedent's average monthly earnings.

(2) The benefits may never be less than \$1,000 [~~500~~] per month, regardless of the date of death, or the amount computed under Paragraph (1) of this subsection, whichever is greater.

(h) If two or more beneficiaries are entitled to pension payments from the account of a deceased member or inactive member and one of the beneficiaries dies or becomes ineligible, then that beneficiary's share of the pension will be divided equally among any remaining beneficiaries.

SEC. 40A-22. SELECTION OF DEATH BENEFITS PRIOR TO RETIREMENT.

(a) A member or inactive member described in Section 40A-21(d), (e), (f), or (g) is eligible to select a death benefit option for the payment of a pension as provided by those provisions. The selected option will become effective only if the member or inactive member dies while eligible to select the option.

(b) Designation of beneficiaries.

(1) Each member or inactive member who is married at the time a death benefit option is selected shall designate the spouse as beneficiary under the full survivor option or, if not eligible for the full survivor option, under the one-half survivor option. Any other designation of a beneficiary or selection of a death benefit option will become effective only if agreed to by the spouse in writing on a form filed with the administrator.

(2) A death benefit option that designates a spouse as beneficiary becomes void if the member or inactive member and the spouse become divorced.

(3) Upon the marriage of a member or inactive member, a death benefit option that does not designate the new spouse as beneficiary under either the full survivor option or the one-half survivor option becomes void.

(c) If a member or inactive member selects a one-half survivor option, and the member or inactive member is eligible to select a full survivor option at the time of death, then benefits under a full survivor option will be paid.

(d) If an eligible member or inactive member dies without having selected a death benefit option or if the selection cannot be made effective, the surviving spouse may select an option as if the member or inactive member had made the selection. If there is no surviving spouse, the personal representative of the estate of the member or inactive member may make the selection for the benefit of the qualified recipients. If there are no qualified recipients, then a lump sum payment equal to the commuted value of a 10 year certain option will be paid to the estate of the member or inactive member.

SEC. 40A-23. DEATH BENEFITS AFTER RETIREMENT.

(a) A retiree who dies shall have death benefits determined and distributed in accordance with the provisions of the retirement option selected at retirement.

(b) If two or more beneficiaries are entitled to a pension upon a retiree's death and one of the beneficiaries subsequently dies or becomes ineligible, then that beneficiary's share of the pension will be divided equally among any remaining beneficiaries.

(c) If a retiree marries after retirement, the spouse of this marriage is not eligible for any retirement benefit from the fund other than as the retiree's heir, ~~or~~ devisee, or designee.

(d) If the retiree is divorced, the former spouse has no right to benefits except as provided in Section 40A-34(b).

(e) When a retiree or beneficiary dies, the earned but unpaid portion of the final month's benefit will be paid as follows:

(1) To the beneficiary or beneficiaries entitled to future monthly benefits from the fund, to be divided in the same proportional shares as the future monthly benefits are to be divided.

(2) If there are no future monthly benefits payable, then to the decedent's surviving spouse, if any.

(3) If there are no future monthly benefits payable and if there is no surviving spouse, then to the executor or administrator of the decedent's estate, if any.

(4) If there are no future monthly benefits payable, if there is no surviving spouse, and if no executor or administrator has been named within 120 days of the decedent's death, then to the decedent's heirs as established by an affidavit of heirship filed with the administrator of the retirement fund.

SEC. 40A-24. DEATH BENEFITS TO MINORS.

If a minor is entitled to benefits from the retirement fund, the board must pay the benefits to the minor's legal guardian or, until one is appointed, the minor's natural guardian, who shall be entitled to receive the benefits for the best interest of the child.

SEC. 40A-25. BENEFITS TO INCOMPETENT RETIREES OR BENEFICIARIES.

If a court has appointed a personal representative of a retiree or qualified recipient entitled to benefits from the retirement fund, the board shall pay those benefits to the court-appointed representative.

SEC. 40A-26. DIRECT ROLLOVER.

(a) [~~This section applies to distributions made on or after January 1, 1993.~~] Notwithstanding any provision of the plan to the contrary that would otherwise limit a distributee's election under this section, a distributee may elect, at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(b) Definitions. In this section:

(1) ELIGIBLE ROLLOVER DISTRIBUTION means any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include:

(A) any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life or life expectancy of the distributee or the joint lives or joint life expectancies of the distributee and the distributee's designated beneficiary, or for a specified period of 10 years or more;

(B) any distribution to the extent such distribution is required under Section 401(a)(9) of the Internal Revenue Code; or

An eligible retirement plan means only an individual retirement account or individual retirement annuity in the case of an eligible rollover distribution for a designated beneficiary that is not:

(D) the employee or former employee's designated beneficiary.

(4) DIRECT ROLLOVER means a payment by the plan to the eligible retirement plan specified by the distributee.

(5) DESIGNATED BENEFICIARY means an individual who is designated to receive an eligible rollover distribution.

SEC. 40A-27. HEALTH BENEFIT SUPPLEMENTS.

(a) ~~A Tier A retiree or beneficiary is eligible for a [Retirements and deaths after December 31, 1991. A] health benefit supplement [will be paid for each account on which payments become effective after December 31, 1991] in addition to the amount otherwise payable under the fund. The health benefit supplement is equal to \$25 a month for each full year of credited service or \$125 a month, whichever is less. Payment of the health benefit supplement will be prorated for each partial year of credited service.~~

(b) ~~[Retirements and deaths before January 1, 1992. Beginning January 1, 1992, the board shall pay a health benefit supplement of:~~

~~(1) \$125 a month for each account on which payments became effective on or before April 4, 1987, regardless of the amount of credited service;~~

~~(2) \$125 a month for each account on which payments are being made as a result of a service death or service disability, regardless of the date payments began; and~~

~~(e)] If more than one beneficiary is receiving a pension from the account of a deceased member, inactive member, or retiree, the health benefit supplement will be divided among the beneficiaries in shares proportionate to their rights to the pension.~~

~~(c[d]) A health benefit supplement is not includable when calculating lump sum death benefit payments.~~

(d) Health benefit supplements attributable to retirements and deaths that occurred before January 1, 2017 shall not be reduced by reason of Subsection (a).

(e) A Tier B retiree or beneficiary is not eligible for any health benefit supplement.

SEC. 40A-28. COST-OF-LIVING ADJUSTMENT TO BENEFITS.

(a) On January 1 of each year, a cost-of-living adjustment will be made to the base pension payable to each retiree or beneficiary, if the person was entitled to a base pension on or before December 31 of the preceding year. If a base pension becomes payable during the 12 months preceding the cost-of-living adjustment, the adjustment will be prorated, with one-twelfth being paid for each whole or part month from the date the base pension became payable to the end of the year.

(1) A health benefit supplement under Section 40A-27 is not base pension and is not subject to any cost-of-living adjustment.

(2) The minimum amount payable as a disability retirement pension for a service disability under Section 40A-18(b)(2) or as death benefits for a service death under Section 40A-21(g)(2) will be considered the base pension for computing cost-of-living adjustments unless a greater base pension is payable under this chapter.

(b) The cost-of-living adjustment to the base pension will be made by using one of the following methods, whichever is the most beneficial to the retiree or beneficiary:

(1) the percentage of change in the price index for October of the current year over October of the previous year, up to:

(A) five percent for a Tier A retiree or beneficiary; or

(B) three percent for a Tier B retiree or beneficiary; or

(2) the percentage of the annual average change of the price index for the latest 12 months available, up to:

(A) five percent for a Tier A retiree or beneficiary; or

(B) three percent for a Tier B retiree or beneficiary.

(c) The cost-of-living adjustment may not reduce benefits of a retiree or beneficiary [~~below the base pension~~].

(d) In addition to the regular cost-of-living adjustment payable under Subsection (a) of this section, the board may from time to time grant an additional temporary or permanent adjustment if there exists investment income in excess of that needed to maintain the actuarial soundness of the fund. The adjustment is discretionary with the board in both its grant and application after the board has considered the funding of the increase and the relative needs of the retirees and beneficiaries. The adjustment may not increase or decrease the base pension of the retirees and beneficiaries. Any discretionary adjustment granted by the board under this subsection will not become effective unless approved by an ordinance or resolution of the city council.

SEC. 40A-29. TERMINATION OF CITY EMPLOYMENT PRIOR TO RETIREMENT; BENEFITS.

(a) A member with five or more years of credited service who terminates employment before becoming eligible for a normal, early, or service retirement pension is entitled to:

(1) a refund of contributions to the retirement fund, without interest, any time after termination, less any previous retirement pension payments; or

(2) payment of a retirement pension and benefits at the time the member becomes eligible.

(b) An inactive member with more than 10 years of credited service who terminated employment before becoming eligible for a normal, early, or service retirement pension is eligible to apply for a disability retirement pension as provided in Section 40A-17.

(c) A member with less than five years of credited service at the time of termination of employment who does not retire or withdraw contributions to the fund and who is later re-employed:

(1) before contributions are forfeited under Section 40A-30(b), shall have any pension benefits payable for all periods of credited service based on the provisions of the fund in effect on the date of termination of re-employment;

(2) after contributions are forfeited under Section 40A-30(b), but who reinstates credited service by filing the application required under Section 40A-11, shall have pension benefits payable for all periods of credited service based on provisions of the fund in effect on the date of termination of re-employment; or

(3) after contributions are forfeited under Section 40A-30(b), but who is not eligible to reinstate credited service under Section 40A-11, shall be treated as a new employee by the fund and have no right to pension benefits based on the period of canceled credited service.

(d) A member with five or more years of credited service at the time of termination of employment who does not retire or withdraw contributions to the fund and who is later re-employed for:

(1) [~~for~~] less than 12 full months of continuous service, shall have pension benefits payable on the period of credited service earned prior to the break in service based on provisions of the fund in effect at the time such service ended, while pension benefits for the period of credited service earned during re-employment will be based on provisions of the fund in effect on the date of termination of re-employment;

(2) [~~for~~] at least 12 full months of continuous service, shall have pension benefits payable on all periods of credited service based on provisions of the fund in effect on the date of termination of re-employment.

SEC. 40A-30. REFUND OR FORFEITURE OF CONTRIBUTIONS.

(a) A member who terminates employment without either retiring or having sufficient credited service to retire at a future date is entitled to the amount of the member's contributions to the retirement fund, without interest, less any previous retirement pension payments, except as provided by federal law.

(b) A member who terminates employment without either retiring or having sufficient credited service to retire at a future date must make written application with the retirement fund for the refund of the member's contributions within three years of the date of termination or all of the member's rights to a refund of contributions will be forfeited, and the contribution will remain in the retirement fund.

(c) Actuarial gains and forfeitures of employee or city contributions must be applied to reduce the cost of the fund and may not be used to increase benefits otherwise payable under the fund.

SEC. 40A-31. LEAVE OF ABSENCE.

(a) A member on leave of absence, who is eligible to retire because of disability or because of age and length of credited service, is entitled to:

(1) receive a pension for normal, early, or service retirement; or

(2) receive a pension for disability retirement or have death benefits paid to the beneficiaries if the leave of absence was granted for sickness or injury.

(b) The administrator of the retirement fund must be notified in writing by the city manager, or by any department head not under the city manager, of a member who has been granted a leave of absence and must be furnished with a copy of a written authorization for the leave of absence.

(c) A leave of absence will be regarded for retirement fund purposes as a break in service and not as a termination of employment.

SEC. 40A-32. LEAVE FOR MILITARY ACTIVE DUTY.

The administrator of the retirement fund must be notified in writing by the city manager, or by any department head not under the city manager, of a member who has been granted a leave for military active duty and must be furnished with a copy of a written authorization for the leave.

SEC. 40A-33. COMPLIANCE WITH FEDERAL TAX LAWS.

(a) A member or survivor of a member of the pension system may not accrue a retirement pension, or any other benefit under this chapter, in excess of the benefit limits applicable

to the fund under Section 415 of the Internal Revenue Code. The board shall reduce the amount of any benefit that exceeds those limits by the amount of the excess. If total benefits under this fund and the benefits and contributions to which any member is entitled under any other qualified plans maintained by the city would otherwise exceed the applicable limits under Section 415 of the Internal Revenue Code, the benefits the member would otherwise receive from the fund shall be reduced to the extent necessary to enable the benefits to comply with Section 415. The limits shall be adjusted annually in accordance with Section 415(d) of the Internal Revenue Code. The annual adjustment shall apply to the benefits of both active and inactive members and shall apply without regard to whether retirement benefits are being received.

(b) The total salary taken into account for any purpose for any member of the pension system may not exceed the limit imposed pursuant to Section 401(a)(17) of the Internal Revenue Code for any year (\$360,000 for an eligible participant and \$245,000 for an ineligible participant for 2009). These dollar limits shall be adjusted from time to time in accordance with guidelines provided by the United States secretary of the treasury. For purposes of this subsection, an eligible participant is a person who first became an active member before 1996, and an ineligible participant is a member who is not an eligible participant.

(c) Amounts representing forfeited nonvested benefits of terminated members may not be used to increase benefits payable from the fund.

(d) Distribution of benefits must begin not later than April 1 of the year following the calendar year during which the member entitled to the benefits becomes 70-1/2 years of age or terminates employment with the city, whichever is later, and must otherwise conform to Section 401(a)(9) of the Internal Revenue Code.

(e) ~~[Termination of the retirement fund and discontinuance of city contributions.]~~ If the retirement fund is fully terminated or partially terminated, as determined by the Internal Revenue Service, or if all city contributions to the retirement fund are discontinued, the rights of each member affected by the termination or discontinuance that have accrued at the date of termination or discontinuance will be fully vested to the extent funded.

(f) It is intended that the provisions of this chapter be construed and administered in such a manner that the fund's program of benefits will be considered a qualified plan under Section 401(a) of the Internal Revenue Code. In determining qualification status under Section 401(a), the fund's program of benefits will be considered the primary retirement plan for members of the fund.

(g) The right of each member to such member's interest accrued under this chapter shall become 100 percent vested, if not already vested, upon the member's attainment of normal retirement age, and the member shall have a right to terminate employment and commence to receive a pension at that time.

SEC. 40A-34. NONALIENATION AND NONREDUCTION OF BENEFITS.

(a) Title/ownership. Except with respect to fund assets subject to a securities lending agreement, the legal and equitable title and ownership of all assets at any time constituting a part

of the fund will be and remain with the board, and neither the city nor any member or other person who may be entitled to benefits under the fund shall ever have any legal or equitable estate in the fund, except to receive distributions lawfully made in accordance with this chapter.

(b) Qualified domestic relations orders. The administrator shall determine whether a domestic relations order is ~~[In the event of receipt of]~~ a valid qualified domestic relations order, and the determination by the administrator may be appealed only to the board. In the event of receipt of a valid qualified domestic relations order, the interest in the fund of the member, inactive member, or retiree will be divided between the member, inactive member, or retiree and the spouse, former spouse, or child in accordance with the terms of the order as follows:

(1) A spouse or former spouse who is named as an alternate payee is entitled to receive a court-ordered lump sum distribution of accumulated employee contributions or monthly pension benefit in the form of payments for life. If the actuarial value of the pension is less than \$10,000 ~~[3,500]~~, the board, at its option, may pay the actuarial present value to the alternate payee as a lump sum. A lump sum distribution of a portion of the member, or inactive member, or retiree's contributions, but not of annuity payments, may be made to an alternate payee who is a spouse or former spouse if such distribution is authorized by a qualified domestic relations order, even if the earliest retirement age has not been reached.

(2) A child who is named as an alternate payee is entitled to receive a part of the retiree's monthly pension benefit in an amount ordered by the court. Payments will terminate on the date designated by the court or upon the retiree's death, whichever occurs first. Payments may be made to a person legally authorized to receive them on behalf of the child.

(3) All rights and benefits provided to the member, inactive member, or retiree are subject to the rights afforded to any alternate payee under a valid qualified domestic relations order that meets the requirements of this section.

(4) For purposes of this section, alternate payee, domestic relations order, and qualified domestic relations order have the meanings given under Texas Government Code Chapter 804 ~~[Section 414(p) of the Internal Revenue Code]~~, as in effect on January 1, 2017.

(c) Exemptions. Contributions and benefits payable under the retirement fund are exempt from attachment, execution, garnishment, judgments, and all other suits or claims, with the exception of a "qualified domestic relations order," and are not assignable or transferable.

(d) Waiver of benefits.

(1) A person may, on a form prescribed by and filed with the administrator, waive all or a portion of any benefits from the retirement fund to which the person is entitled. A person may revoke a waiver of benefits in the same manner as the original waiver was made, unless the original waiver by its terms was made irrevocable.

(2) A waiver or a revocation of a waiver applies only to benefits that become payable on or after the date the document is filed.

(3) Unless otherwise expressly provided for in this chapter, the board may not take action to reduce an individual pension.

SEC. 40A-35. AMENDMENT TO THIS CHAPTER.

(a) Except as provided in Subsection (b) of this section, this chapter may not be amended except by a proposal initiated by either the board or the city council that results in an ordinance approved by the board, adopted by the city council, and approved by a majority of the voters voting at a general or special election.

(b) A provision of this chapter, other than this section, that is determined by the board to require amendment in order to comply with federal law may be amended by ordinance of the city council, without voter approval, upon recommendation of the board. The board shall recommend the exact amending language to be included in the ordinance, which language may not be limited or added to by the city council. An amendment may be made under this subsection only to the extent necessary to comply with federal law.”

SECTION 2. That Chapter 40A of the Dallas City Code, as amended, will remain in full force and effect, save and except as amended by this ordinance.

SECTION 3. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 4. That this ordinance will take effect on January 1, 2017, subject to its approval by the voters of the City of Dallas in a special election on November 8, 2016, and publication, and it is accordingly so ordained.

AGENDA ITEM # 5

KEY FOCUS AREA: E-Gov

AGENDA DATE: August 17, 2016

COUNCIL DISTRICT(S): All

DEPARTMENT: City Secretary

CMO: Rosa A. Rios, 670-5654

MAPSCO: N/A

SUBJECT

An ordinance ordering a special election to be held in the city of Dallas on November 8, 2016 on the question of amending Chapter 40A of the Dallas City Code, known as the employees' retirement fund of the city of Dallas - Financing: No cost consideration to the City

BACKGROUND

This item is on the addendum to allow sufficient time to compile information as related to the November 8, 2016 special election.

The City of Dallas Employees' Retirement Fund (ERF) was established by ordinance in November 1943 and became effective in January 1944 after ratification by the voters of the City of Dallas. Chapter 40A of the Dallas City Code establishes benefits and contribution requirements, and the requirements for changing them. ERF is a single-employer defined benefit pension plan sponsored by the City of Dallas (the "City"), and it provides retirement, disability and death benefits to its members.

All employees of the City are members except police officers, fire fighters, elected officials, non-salaried appointee members of administrative boards or commissions, part-time employees working less than one-half time, temporary employees, individuals working under contract, and individuals whose salaries are paid in part by another government agency. Members are entitled to retirement benefits at the date of eligibility for retirement or to survivor benefits after two years of service.

The ERF's actuarial firm, Gabriel Roeder Smith & Company, conducts an annual actuarial valuation. The results of the December 31, 2015 valuation showed an increase in the unfunded actuarial accrued liability. In order to reduce this liability over time, the ERF is proposing certain benefit changes to City Code Chapter 40A for employees hired after January 1, 2017.

BACKGROUND (Continued)

City Code Chapter 40A requires all interested parties to approve any changes – Dallas ERF Board, Dallas City Council and the voters of the City of Dallas. Except as provided in Subsection 35(b), the current ordinance may not be amended except by a proposal initiated by either the board or the city council that results in an ordinance approved by the board, adopted by the city council, and approved by a majority of the voters voting at a special election.

This action orders a special election on retirement fund amendments in accordance with the provisions of Section 3.005 of the Texas Election Code. Section 3.005 of the Texas Election Code requires that an election must be ordered not later than the 62nd day before election day. For the November 8 election date, the deadline for ordering the election is August 22, 2016.

SECTION 1. That a special election is ordered to be held in the city of Dallas on Tuesday, November 8, 2016, between the hours of 7:00 a.m. and 7:00 p.m., for the purpose of submitting to the qualified voters of the city of Dallas one proposition on the question of amending Chapter 40A of the Dallas City Code, known as the employees' retirement fund of the city of Dallas.

SECTION 2. That an electronic and computerized voting system must be used for voting at and on the date of the special election in compliance with the provisions of the Texas Election Code, as amended, and the vote must be upon an official ballot prepared in such a manner as will permit the voters to vote "For" or "Against" the proposition submitted, with the proposition to be expressed on the official ballot in a form substantially as follows:

PROPOSITION NO. 1

Shall Chapter 40A of the Dallas City Code, known as the employees' retirement fund of the City of Dallas, be amended in accordance with Ordinance No. _____, to: add and revise various definitions; add that administrator also means the executive director of the fund; provide for staggered terms for elected members of the retirement fund board; provide that a sole nominee to an elected board position be declared elected without a membership vote; extend the time in which an election must be held to fill a vacancy in an elected board position; require the board to meet at least quarterly instead of monthly; authorize the board to adopt, upon the recommendation of the fund's actuary, actuarial equivalency factors, actuarial assumptions, interest rates, and mortality tables to be used in Chapter 40A; revise the interest assumption used for commuted value of future retirement benefits; classify fund members, inactive members, and retirees as Tier A (if hired before January 1, 2017 or rehired on or after January 1, 2017 with uncanceled or reinstated credited service) and Tier B (if hired, or rehired with canceled and unreinstated credited service,

on or after January 1, 2017); provide a reduced tier of benefits for Tier B and their beneficiaries and designees (including extending normal retirement age from 60 to 65 with five years of credited service, extending service retirement from 30 to 40 years, increasing the sum of age and amount of credited service from 78 to 80 in calculating retirement eligibility with reduced benefits for under-65 retirees, reducing pension benefits for joint and one-half survivor options, decreasing the percentage multiplier used to calculate benefits from 2.75% to 2.5%, extending the period over which average monthly earnings are calculated, eliminating health benefit supplements, lowering the cap on cost-of-living adjustments, and modifying interest rates on buybacks of credited service after a break in service); allow certain prior service credit with other governmental entities to be used in determining eligibility of a Tier B member to vest or retire, but not in computing benefits; provide for selection of a designee to receive a retiree's earned but unpaid final month's pension; increase the minimum monthly service death or service disability benefit from \$500 to \$1,000; allow a lump sum payment for establishing credited service after a reduction in force to be made in the following calendar year if within 90 days after termination of employment; clarify that a cost-of-living adjustment cannot reduce pension benefits; clarify that a leased employee is not an employee under Chapter 40A; delete the requirement that the city of Dallas provide office space and utilities for the retirement fund; update legal citations; delete obsolete provisions; and make certain semantic, grammatical, and structural changes.
