TxCOPE: Texans Connecting Overdose Prevention Efforts

Presented by: Ariel Britt, MSW and Jake Samora, MA

Disclosures

This project is supported by Texas Targeted Opioid Response, a public health initiative operated by the Texas Health and Human Services Commission through federal funding from the Substance Abuse and Mental Health Services Administration grant award number H79TI083288.

Funding for the Syringe Exchange Data Feature was provided by a donation from the San Antonio Nexus Connection (SANC).

The views expressed do not necessarily reflect the official policies of the Department of Health and Human Services or Texas Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. or Texas Government.

No conflicts of interest to disclose.

What is happening in Texas?

- We are experiencing a statewide tragedy in real time
- Critical Gaps in Information on Overdose
- Assumption that information is being recorded by someone somewhere
- History of Stigma

What the future may hold Texas...

Communities in need will go without NARCAN/naloxone

Knowledge of "bad batches" will not be disseminated

Difficulty in evaluating efficacy of resources for prevention

The Bottom Line:

Our response will continue
without the information it
needs

What is TxCOPE?

Texans Connecting Overdose Prevention Efforts

- Digital tool designed to improve community overdose response efforts
- Use information to drive action and save lives
- Bringing together communities in Texas to anonymously report overdoses

TxCOPE Project Aims

Together, we can save lives.

Improve Overdose Information in Texas

Respond to existing gaps in overdose information for hard-to-reach populations.

Drive Community Response & Prevention Efforts

Create access to accurate overdose information, prompting awareness and informed action for overdose response

Coordinate a Statewide Response

Develop a strategy to implement TxCOPE across Texas during 2022-2023.

One Program's Impact

- Piloting harm reduction and community health worker program that distributes NARCAN/naloxone (among other services) reported the following in a ~22 month period:
 - 210 overdose incidents
 - 62% of these were successfully reversed with NARCAN/naloxone
 - Among incidents with known survival outcome, 96% of incidents were successfully reversed
 - Among incidents with knowledge of 911 activation, 53% did not involve 911

Presentation Overview

- Background/History
- Purpose
- Issues/ Operational Concerns
- Operational Impact
- Proposed Action
- Next Steps

Background/History

- Enforcement challenges
- Difficulty determining compliance due to outdated ordinance language

Background/History

- Current Code Language - 51A-4.217(b)(6)

(aa) an operable motor vehicle with valid state registration parked on a surface that meets the standards for parking surfaces contained in the off-street parking regulations of this chapter, except that this defense is not available if the vehicle is a truck tractor, truck, bus, or recreational vehicle and it has a rated capacity in excess of one and one-half tons according to the manufacturer's classification, or if the vehicle is over 32 feet in length;

(bb) a boat, trailer, or recreational vehicle parked on a surface that meets the standards for parking surfaces contained in the off-street parking regulations of this chapter, and the item cannot reasonably be placed in an area behind the primary yard;

Purpose

- Provide/enhance enforcement ability
- Clarify regulations with growing vehicle sizes

Issues/Operational Concerns

- Outdated language prevents enforcement
- Common consumer vehicles exceed this limitation

Issues/Operational Concerns

- Payload Capacity (in lbs)
 - Ford F-250: 2,462-4,323
 - Chevy Silverado 2500: 2,975-3,900
 - Dodge Ram 2500: 2,943-3,974
 - Ford Transit T-150 Passenger Van: 3,148-3,668

Issues/Operational Concerns

- Examples of commercial vehicles in Dallas

Issues/Operational Concerns

City	Oversized Vehicle Regulations
Austin	<ul style="list-style-type: none">- It is unlawful to park a detached semitrailer upon any street, city-owned parking lot or other public property.- It is unlawful to park a semi-trailer, truck-tractor or a combination thereof within an area zoned as a residential district, except for the purpose of actually loading or unloading the same.- It is unlawful to park a truck of more than 9,000 pounds gross vehicle weight upon any street in the business district which has been duly sign-posted prohibiting the same, but parking of the vehicle for a period of not more than 20 minutes shall be permitted in the space for the purpose of necessary access to abutting property while actively loading or unloading when the access cannot reasonably be secured from an alley or from an adjacent street where truck parking is not so restricted.
McKinney	<ul style="list-style-type: none">- No trailers, tow-behinds, boats, recreational vehicles, non-passenger vehicles, or equipment other than operational passenger vehicles shall be permitted to be parked or stored between the primary building and the street of any residential property between the hours of 7:00 p.m. and 7:00 a.m.- Above are only permitted in the side or rear yard of residential properties if they are located behind an opaque fence or wall.

Issues/Operational Concerns

City	Definition of Oversized Vehicle
Grand Prairie	Truck-tractor, road tractor, semi-trailer, bus, trailer, commercial vehicle, or truck with a rated capacity in excess of one and one-half (1½) tons according to the manufacturer's classification
Houston	Large vehicle means a "motor vehicle" or a "trailer," as defined herein, that is in excess of eight feet in height at the highest point on the vehicle or trailer or in excess of 22 feet in length. To the extent that any motor vehicle is coupled or otherwise attached to a trailer, then the motor vehicle and trailer shall together be deemed as constituting a single large vehicle if the combined length of the motor vehicle and trailer exceeds 30 feet.
Fort Worth	(1) any vehicle designed to transport more than 15 passengers, inclusive of the driver; (2) Any trailer or semi-trailer that is more than 20 feet from end to end, more than 7 feet at their widest point or more than 9 feet from the ground to its highest point; or (3) Any motor vehicle with a gross weight registered weight or gross weight rating, as those terms are defined in state law, of more than 15,000 pounds, including but not limited to the following: a. Dump truck; b. Tractor-truck; c. Concrete Mixing truck; d. Stake-bed truck; e. Flat-bed tow truck; or f. Panel truck.

Proposed Action

- Update Ch. 51A-4.217(b)(6)
- Define Oversized Vehicles as:

(1) any vehicle designed to transport more than 15 passengers, inclusive of the driver; (2) Any trailer or semi-trailer that is more than 20 feet from end to end, more than 7 feet at their widest point or more than 9 feet from the ground to its highest point; or (3) Any motor vehicle with a gross weight registered weight or gross weight rating, as those terms are defined in state law, of more than 15,000 pounds, including but not limited to the following: a. Dump truck; b. Tractor-truck; c. Concrete Mixing truck; d. Stake-bed truck; e. Flat-bed tow truck; or f. Panel truck.

Staff Recommendation/Next Steps

- Staff recommends the Quality of Arts, Life, and Culture Committee forward the following to City Council for consideration and approval:
 - Adoption of amendments to 51A-4.217(b)(6)

CITY OF DALLAS

DATE December 6, 2022

TO Honorable Members of the Quality of Life, Arts & Culture Committee

SUBJECT **Transition of WRR 101.1 FM Management to KERA**

In June 2022, City Council approved the Management Agreement for WRR 101.1 FM with KERA. Since June, City and KERA staff have worked to ensure a smooth management transition effective January 3, 2023. Transition steps have included submitting a non-commercial license transition application to the Federal Communications Commission, conversion of existing advertising accounts to non-commercial accounts, music programming and radio technology transitions. In addition, the City has designated a WRR employee for day-to-day oversight of the station, and KERA has hired new employees to program and manage the station. KERA has also been in discussions with the Friends of WRR for continued support of the station. KERA will also assume management of the Fair Park studio, located at 1516 First Avenue, beginning on January 3, 2023.

In preparation for the transition to a non-commercial license, the station began airing holiday music in an all-classical format on Friday, November 25 and transitioned all 30-second commercials to 15-second non-commercial underwriting spots. This transition marked the end of non-classical paid programs that historically aired on weekend mornings. KERA has also been marketing the station on its sister radio stations, 91.7 FM and 90.1 FM, and is forecasting new audiences to the station during this period.

As part of holiday programming, KERA and the City are continuing WRR's annual "Caroling in the Arts District" from December 5th – 9th with live broadcasts of local choral groups from Moody Performance Hall. More information about this programming can be found at: <https://www.wrr101.com/holiday/>

A plan to allocate portions of the City's contractual marketing spots to arts organizations and City departments will be developed in the coming months in engagements with partners. Spots will be broadcast on WRR in calendar year 2023, and on WRR and other KERA channels beginning in calendar year 2024; the first spots will air in Dallas Arts Month in April 2023.

SUBJECT **Skate Park Development Guidelines**

The City of Dallas is behind its peer cities on the development of skate parks. To address this issue, the Park and Recreation Department is beginning the process to create skate park development guidelines to aid in the site determination, design, and cost estimation of new skate parks throughout Dallas. These guidelines will follow national standards regarding the number of skate parks per capita, site identification, and size and design requirements to suit different communities and site conditions.

These efforts will advance in February-March 2023 and will be taken into consideration in preparation for the upcoming 2024 Bond Program. As guideline development progresses, staff will provide a briefing to the Park Board and City Council Quality of Life, Arts, and Culture Committee in May 2023.

Should you have any questions, please contact Jared White in the Park and Recreation Department at 214-670-4090.

Resolution Commemorating the 50th Anniversary of Roe v. Wade and Affirming the City's Support of Abortion Rights
[Adam Bazaldua, Councilmember, District 7]

[Date]

WHEREAS, each of us should have the freedom to make decisions about our bodies, our lives, and our futures with respect and dignity, including when and how to become parents, without barriers based on who we are, how much we earn or where we're from; and

WHEREAS, abortion care, along with the full range of health care, should be affordable, available, and supported for everyone who needs it; and

WHEREAS, on June 24, 2022 the Supreme Court overturned *Roe v. Wade* and 50 years of legal precedent, and

WHEREAS, on August 10, 2022 the city of Dallas approved a resolution to condemn any action intended to abrogate the fundamental liberties of the people of Dallas and affirm the City Council commitment to protecting peoples right to make reproductive health decision for themselves and their families, including abortion care, and set policy regarding the use of city resources in the prosecution of people seeking to make reproductive decisions; and

WHEREAS, today, in the City of Dallas, people face delays when trying to access abortion care, are forced to travel hundreds of miles, and take on additional costs; and

WHEREAS, some people are denied care all together and forced to carry a pregnancy against their will; and

WHEREAS, systemic racism, economic insecurity, and a dehumanizing immigration system exacerbate the already-massive barriers to abortion care; and

WHEREAS, the decades-old policies like the Hyde Amendment and insurance coverage bans, restrictions on medication abortion, restrictions based on documentation status, low wages and unfair working conditions, violence and stigma, and other restrictions, have especially impacted people of color working to make ends meet; and

WHEREAS, someone who wants to get an abortion but is denied is more likely to experience life-threatening maternal and infant health complications, more likely to have a household income below the poverty line and experience economic hardship, and more

likely to stay in contact with violent partners, putting them and their children at greater risk than if they were able to receive the abortion;¹ and

WHEREAS, abortion is one of the safest medical procedures in the country² and leading public health organizations such as the American College of Obstetricians and Gynecologists³, the American Medical Association⁴, and the American Academy of Family Physicians⁵ strongly oppose efforts to impede access to abortion care or interfere in the relationship between a person and health care provider; and

WHEREAS, medication abortion, a Food and Drug Administration-approved, safe, and effective option for ending an early pregnancy up to 10 weeks,⁶ accounts for more than half of all abortions⁷ and yet anti-abortion lawmakers have enacted medically-unnecessary laws to restrict and stigmatize the procedure; and

WHEREAS, a 2022 report found that more than 66 clinics in 15 states⁸ have been forced to stop providing abortion care as a result of criminalization, impacting 22 million women of reproductive age as well as transgender and nonbinary people who may be in need of abortion care; and

WHEREAS, almost one-third (29%) of the total U.S. population of women of reproductive age are currently living in states where abortion is either unavailable or severely restricted and a dozen other states are certain or likely to ban abortion in the future⁹; and

⁹ *Id.*

WHEREAS, the City of Dallas seeks to ensure abortion is there for everyone who needs it by supporting and advancing the Action Plan for Abortion Justice which would ensure abortion care is available without hurdles or stigma for people of color working to make ends meet, young people, LGBTQ+ and non-binary people; affordable and accessible for immigrants of any documentation status without fear of deportation, detention, or harm to their own or their family's immigration process; available in the communities where we live; provided in ways that are comfortable, secure, and make sense for patients; and affordable and covered by all public and private health insurance plans; and

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. City of Dallas is committed to a world where abortion care is affordable, available, and supported for everyone who needs it.

SECTION 2. That the City of Dallas is proud to support our Planned Parenthood reproductive health centers, the Afiya Center, abortion funds and practical support organizations, and other local reproductive health centers, who provide vital services to our local communities.

SECTION 3. That the City of Dallas is committed to working with local leaders and stakeholders to advance comprehensive abortion justice policies that address the lived realities of abortion access.

SECTION 4. That the City of Dallas urges President Biden to issue a budget without the Hyde Amendment and related coverage bans, and to put forth and support policy solutions to achieve abortion justice.

SECTION 5. That the City of Dallas supports the immediate passage of the Equal Access to Abortion Coverage in Health Insurance (EACH) Act of 2021 – S.1021 and H.R.2234 (117th Congress) – to ensure equal, affordable access to abortion to all individuals no matter how much money they make, how they are insured, who they are, or where they're from.

SECTION 6. That the City of Dallas supports the immediate passage of the Women's Health Protection Act of 2022 – S.4132 and H.R.8296 (117th Congress) – to protect the right to abortion and prohibit governmental restrictions on abortion.

SECTION 7. That the City of Dallas urges Congress to support the Action Plan for Abortion Justice and take additional action to ensure abortion care is available without hurdles or stigma for people of color working to make ends meet, young people, LGBTQ+ and non-binary people, immigrants, and others.

SECTION 8. The City Manager is directed to take appropriate steps to send a copy of this resolution to the Texas Governor and the Dallas delegation at the Texas and U.S House of Representatives and Senate.

SECTION 9. That this resolution shall take effect immediately from and after its passage in accordance with the Charter of the City of Dallas, and it is accordingly so resolved.

BHF Operational Concerns

Some BHF are leased & operated without property owner's consent

Some illegal boarding home operators refuse to register their locations

Boarding home locations/proximities are unrestricted

Difficult to prevent resident abuse, neglect, and/or exploitation

Various models of residential living facilities create complexity in establishing home designation type

Proposed Changes to Ordinance

Current	Proposed Changes
No provisions or restrictions associated with boarding home locations	Adopt the 1,000 ft rule that prohibits new boarding homes from being within 1,000 ft of one another; this would not apply to current licensed boarding homes that continuously maintain licensing
A license to operate a boarding home facility is not transferable to another owner, operator, or location	Include 'a license and/or an application fee' is nonrefundable and non-transferable to another owner, operator, or location
No provisions that allow for a payment plan on ad valorem taxes, fees, and fines	Allow for a payment plan on ad valorem taxes, fees, and fines to be accepted

Proposed Changes to Ordinance

Current	Proposed Changes
No verbiage to state a separate license is required for each location	A separate license is required for each boarding home facility that a person operates.
Allows operator to request a waiver due to financial hardship	Eliminate hardship waiver
Requires applicant to provide fingerprint card annually	Eliminate requirement for fingerprint card

Proposed Changes to Ordinance

Current	Proposed Changes
No requirements for the size of a refrigerator	The refrigerator must be at least 12 cubic feet in area
Allowed for kitchen to contain a stove <u>or</u> a microwave	Kitchen must contain a stove <u>and</u> a microwave
A kitchen must contain a sink with at least two compartments	A kitchen must contain at least a single compartment sink with minimum dimensions of 22"D x 27"W x 5"H or a standard two-compartment sink

Proposed Changes to Ordinance

Current	Proposed Changes
No requirement to post tenants' rights and responsibilities	Require operator to post information concerning tenants' rights and responsibilities
No verbiage regarding retaliation against residents	Include verbiage that states retaliation against residents is prohibited
Code Inspector has the burden to prove that the operator <u>is</u> operating a boarding home	Establish an affirmative defense by requiring the <u>operator</u> to prove that they are <u>not</u> operating a boarding home

Proposed Action

Obtain Council approval for proposed ordinance changes due to the following operational concerns:

- Ordinance has not been amended since 2015 and housing amenities have been expanded (i.e., kitchen sink, refrigerator, stove, and microwave requirements)
- Due to growth in new boarding home registrations in areas where boarding homes are already dense
- Due to tenants' rights regarding retaliation and evictions

Next Steps

- Seeking full council vote to amend Chapter 8A- Boarding Home Facilities

Five Mile Creek Greenbelt

[Robert Kent, Texas State Director, Trust for Public Land; Molly Plummer, Program Director, Trust for Public Land]

Five Mile Creek Greenbelt

A greenbelt for all of Dallas

A new 12.9-mile hike-bike greenbelt across the Five Mile Creek watershed, connecting **Chalk Hill Trail to The LOOP**. The greenbelt will provide **connection for Oak Cliff to the city's existing trail system**, while creating new opportunities for all of Dallas to enjoy the natural beauty of Five Mile Creek.

Our Vision

A greenbelt for all of Dallas

Five Mile Creek

BY THE NUMBERS	
Total Population	186,297
Children	56,942
Seniors	25,318
Low-Income Households	51%
African American	61%
Hispanic	33%
White	20%
Percentage of residents with 10MW park access	54%

Equity Indicators

The Five Mile Creek Greenbelt will play an important role in building a more equitable park system – and city. This map identifies areas that score high on the EPA's “Environmental Justice Index.” The trail will bring environmental benefits to underserved and disadvantaged populations while also improving quality of life.

Health Indicators

The Five Mile Creek Greenbelt will improve health outcomes for southern Dallas. This map identifies areas with high prevalence of certain diseases, including COPD, diabetes, cardiovascular disease, obesity, anxiety, and depression. The trail will create a new opportunity for healthful recreation and exercise.

A vision 80 years in the making

The Bartholomew Plan for Dallas (1944)

- First envisioned in the **1944 Bartholomew Plan** for Dallas as an equivalent to Turtle Creek and White Rock Creek.
- In 1954, Dallas Parks Director L.B. Houston said:

"It is reasonable to visualize Five Mile Creek Parkway developed in a manner comparable to certain sections of Turtle Creek Parkway. If a unified plan of preservation is not adopted, then a repetition of the proposed Mill Creek and subsequent costly storm sewer program might result. A decision should be made before extensive private development occurs, with the thought that timely application of such a policy might assure the Five Mile Creek Parkway."

- The plan was never fully realized.

Picking up the torch

- In 2019, **City of Dallas** adopted a new **master plan** for parks and trails across the Five Mile Creek watershed
- TPL developed the master plan with input from hundreds of local residents
- Since then, **TPL has purchased 125 acres** of land for 3 new parks in the watershed
 - South Oak Cliff Renaissance Park (opened in 2021)
 - Judge Charles Rose Park (will open in 2023)
 - Woody Branch Park (will open in 2025)
- Now ready to begin work on 12.9-mile spine trail connecting across the watershed

CONNECTING ALL OF DALLAS TO
THE BEAUTY OF FIVE MILE CREEK

* Mileage indicates new trail construction

Connection Points

The greenbelt will connect to:

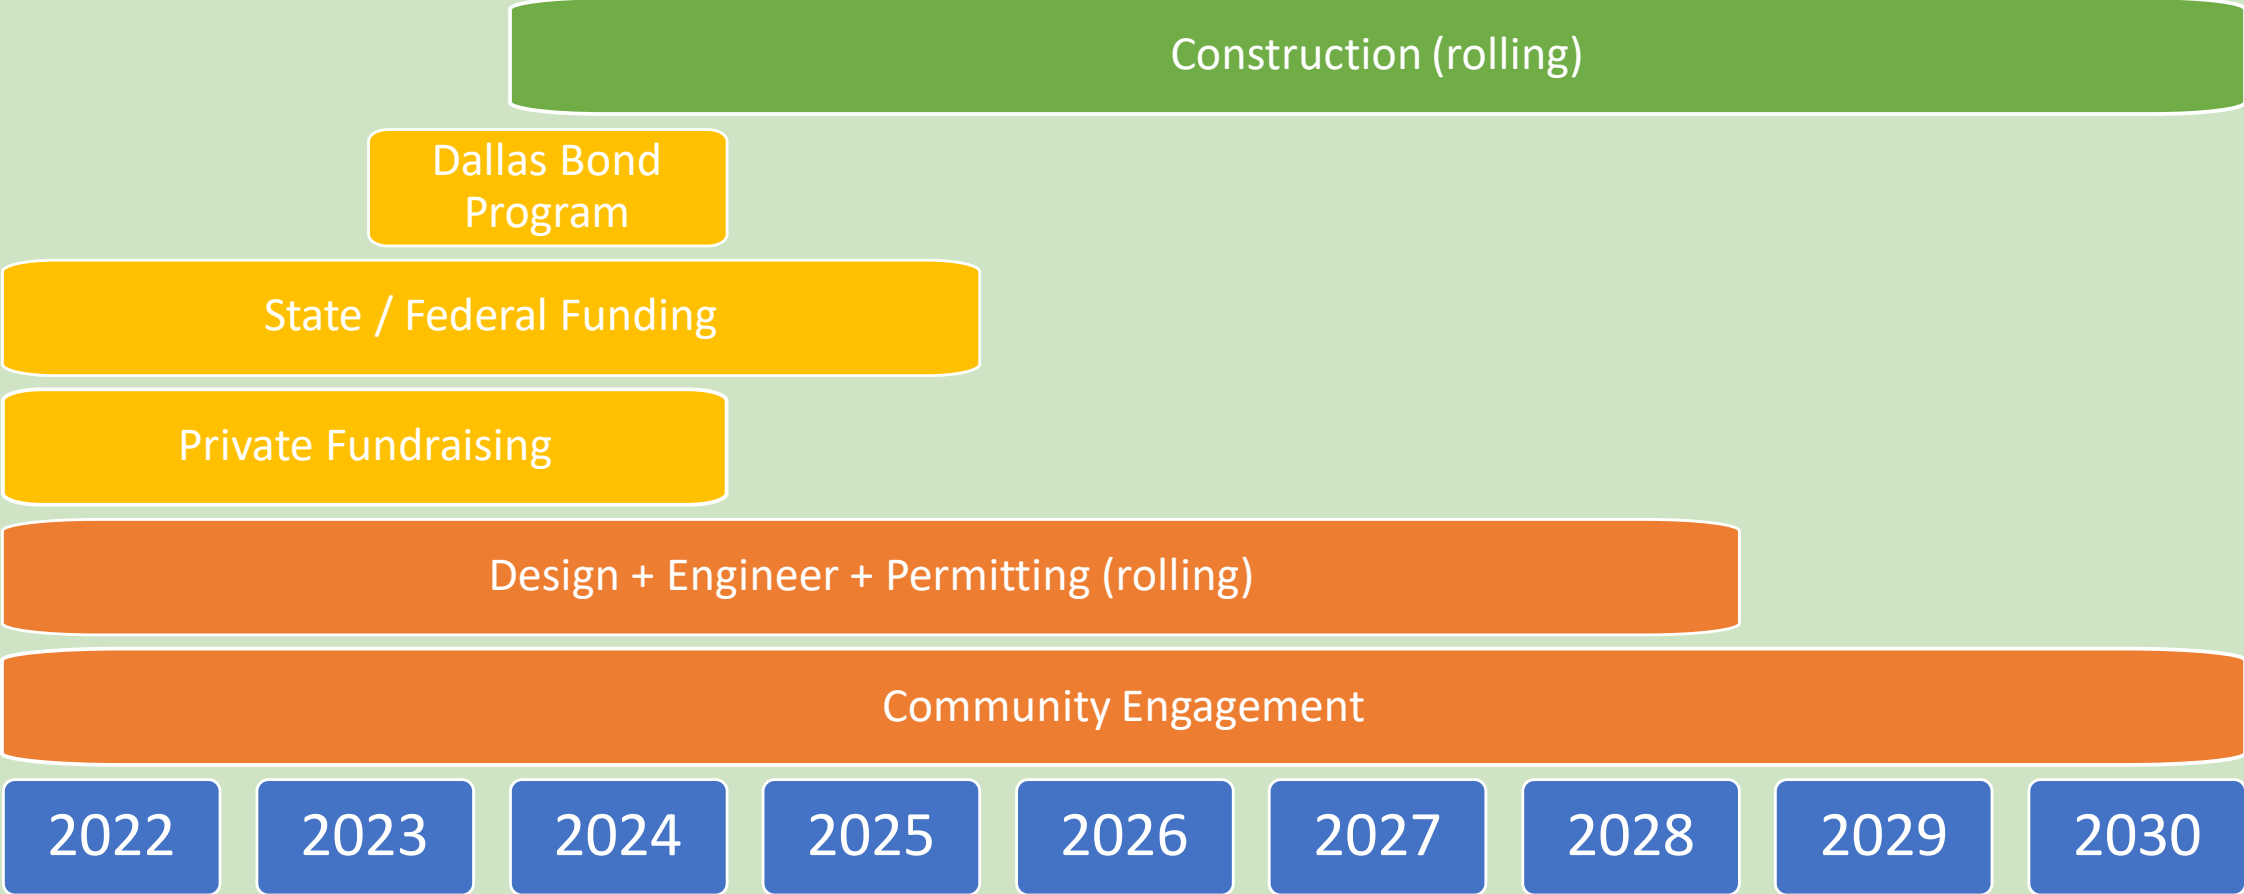

- 17 parks
- 2 colleges and higher education
- 2 light rail stations
- 3 health care facilities within 10-minute walk
- 10 schools within 10-minute walk
- 100+ bus stops within 5-minute walk
- 160+ miles of existing trails in Dallas

By connecting to the city's existing trail network, the greenbelt will connect these amenities to not only the 185,000 residents of the area, but all 1.3 million residents of Dallas

Project Timeline

Funding Strategy & Commitments

- Total amount to-be-raised is \$70 million
- Three-pronged funding strategy:
 - Local funds, including 2024 bond program
 - State and Federal grants, such as TAP and RAISE
 - Private philanthropy
- To-date, TPL has secured \$6.3 million in total funding commitments from Boone Family Foundation, Lyda Hill Philanthropies, Eugene McDermott Foundation, Vicky and Bill Chaney, Sapphire Foundation, and others.

State / Federal Funding

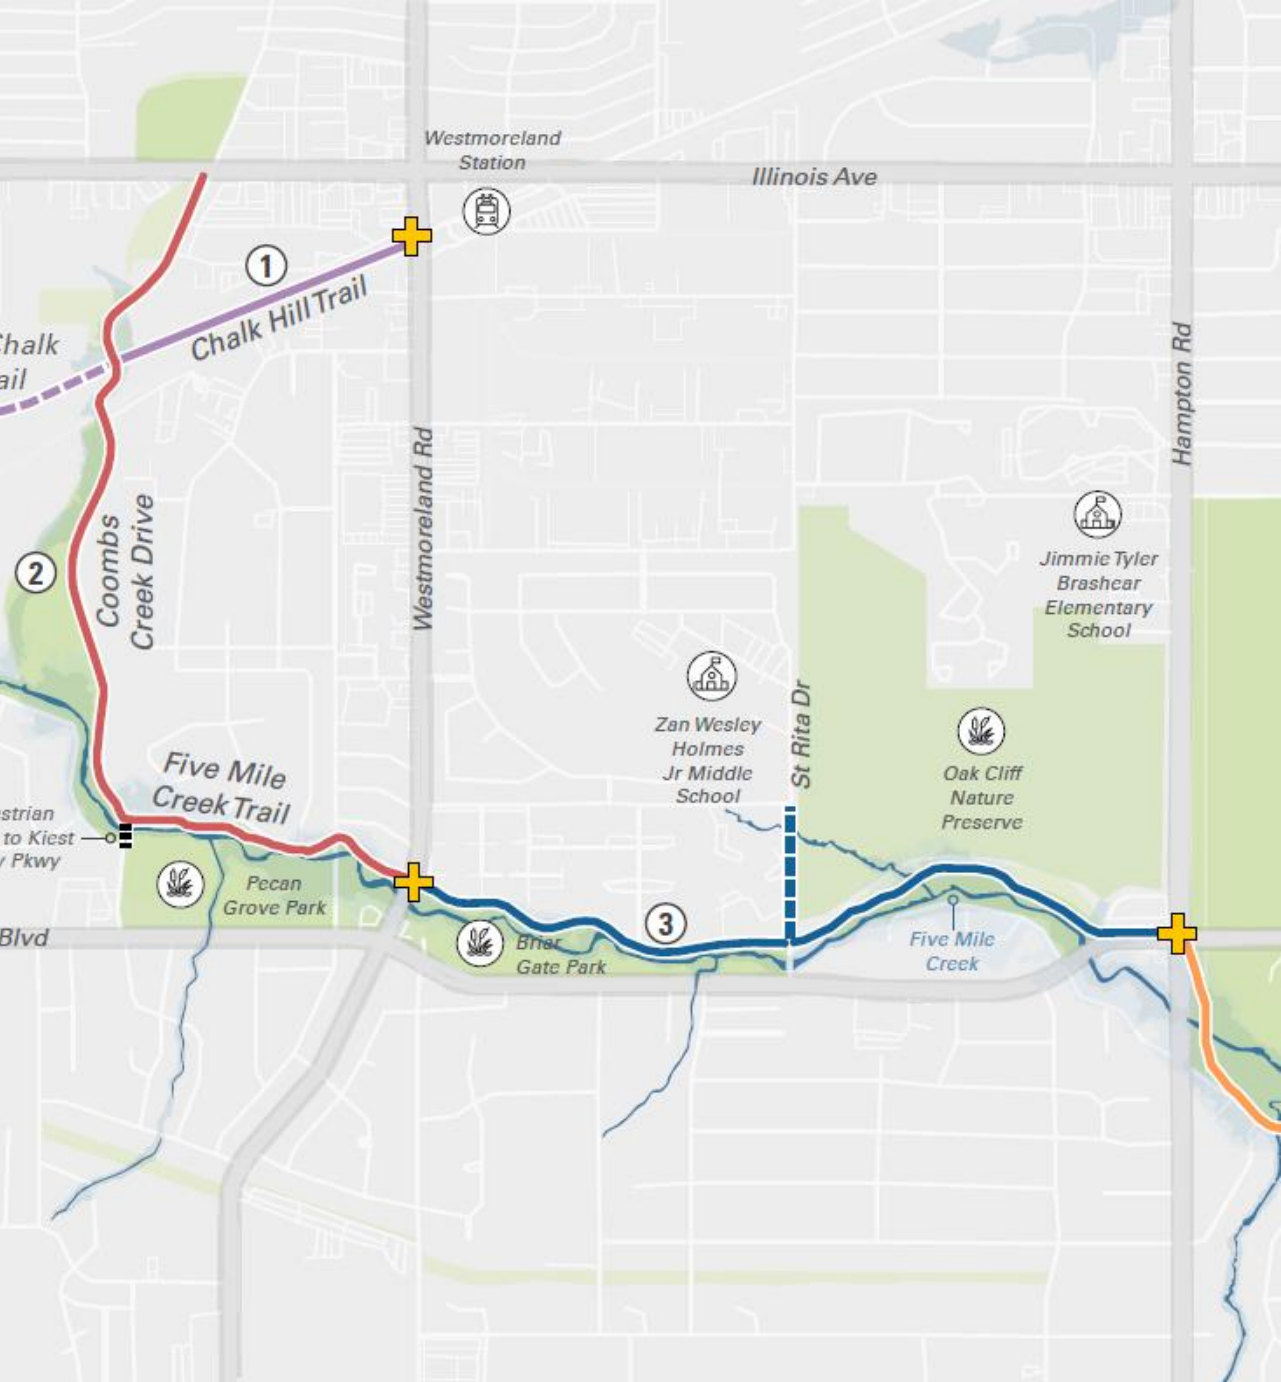

There is an unprecedented amount of state and federal funding for trails and greenways in the places that need them most:

- **Transportation Alternatives Set-Aside** is administered by TxDOT and has ~\$200 million available for bicycle and pedestrian infrastructure
- **Re-Connecting Communities Act** provides \$195 million for transportation projects that reknit areas divided by highways
- **Outdoor Recreation Legacy Program** allocated \$192 million for park and trail projects in 2022
- **Rebuilding American Infrastructure with Sustainability and Equity (RAISE)** program—\$1.4 billion of the \$2.2 billion for urban trail equity
- **Inflation Reduction Act (IRA)**—\$3 billion for natural climate solutions, such as trails and parks

Spring 2023 State / Federal Grant Strategy

Grant Program	TxDOT Transportation Alternatives Set-Aside Program	US DOT RAISE
Timeline	Due: January 27, 2023 Decision: October 2023	Due: February 28, 2023 Decision: Fall 2023
Segment	Zone A	Entire Trail
Purpose	100% Design & Construction	30% Design + environmental, survey, geotech, community engagement
Request Amount	\$5 - \$10 million	\$5 - \$10 million
Funding Available	\$5 million (minimum) \$25 million (maximum) \$200 million (total)	\$5 million (minimum) \$25 million (maximum) \$114 million (total)
Local Match	20%	20%

Immediate Opportunity for Zone A

- A 1.1-mile segment of the trail from Westmoreland Rd. to Hampton Rd. is “shovel ready” (Segment 3 on map)
- TPL will help City of Dallas apply for funding from TxDOT for this segment of trail
- Working with NCTCOG, City has identified \$15 million in funding for the trail
- Additional funds will be used to design and build remaining portions of Zone A, totaling ~3.5 miles of trail under construction in near future

Community Committee

- TPL is forming a Community Committee to guide the project forward and ensure deep engagement and connection with local residents
- Committee will be open to anyone interested in serving
- Requesting participation from each Neighborhood / Homeowners Association within the watershed
- First meeting will be in Q1 2023

Next Steps

- Renew Development Agreement between TPL and City of Dallas for Five Mile Creek
- Organize and convene Community Committee
- Apply for TxDOT and USDOT grants
- Continue to secure other funding commitments from local sources, state/federal grants, and private philanthropy
